**ORDINANCE NO. 20-____**

AN ORDINANCE OF THE CITY OF GALVESTON, TEXAS, CREATING A PLANNED UNIT DEVELOPMENT (PUD) OVERLAY ZONING DISTRICT IN A COMMERCIAL, (C) BASE ZONING DISTRICT WITH A HEIGHT AND DENSITY DEVELOPMENT ZONE, ZONE-6 (C-HDDZ-6) OVERLAY ZONING DISTRICT TO ALLOW A TEN-STORY APARTMENT DEVELOPMENT TO BE CONSTRUCTED ON THE PROPERTY COMMONLY KNOWN AS **12212 SAN LUIS PASS ROAD** AND WHICH IS LEGALLY DESCRIBED AS THE **WEST 311.7 FEET OF LOT 1, RESORT SUBDIVISION**, IN THE CITY AND COUNTY OF GALVESTON, TEXAS; PLANNING CASE NUMBER **20P-002**; MAKING VARIOUS FINDINGS AND PROVISIONS RELATED TO THE SUBJECT; AND PROVIDING FOR AN EFFECTIVE DATE.

---

**WHEREAS,** Article 4 of the 2015 Galveston Land Development Regulations (LDR) allows for the creation of a Planned Unit Development (PUD) Overlay Zoning District; and,

**WHEREAS,** the property owner, Prida Construction LTD., Miguel Prida and applicant Brax Easterwood, AIA, are requesting that a PUD Overlay Zoning District be created on property commonly known as **12212 San Luis Pass Road** and which is legally described as the **West 311.7 Feet of Lot 1, Resort Subdivision**, in the City and County of Galveston, Texas; and,

**WHEREAS,** as further detailed in the Staff Report, attached and incorporated herein as **Attachment 1** (including Exhibits), the subject site is adjacent to Commercial, Height and Density Development Zone, Zone-6 (C-HDDZ-6) zoning on the east, west and north sides and to the south across San Luis Pass Road is the Hershey Beach subdivision zoned Residential, Single Family, Height and Density Zone, Zone-6 (R-1-HDDZ-6). The subject property is located within 1000-feet of the Mean High Tide and will require a Beachfront Construction/ Dune Protection permit prior to the submittal of a building permit application; and,

**WHEREAS,** the request is to establish a Planned Unit Development (PUD), for the purpose of developing a 10-story, 118-feet tall apartment complex. The property is in the Height and Density Development Zone, Zone-6, overlay district. The PUD will allow the developer to deviate from some of the Height and Density Zone- 6, standards as referenced by the following:

1. The lot area from 87,120 to 61,185 square-feet;
2. Wall Plane Articulation on the south, east and west sides. (The north or rear side is not required.);
3. Transition Zone front setback of 70-feet reduced to 29.4-feet;
4. Height from nine stories and 105–feet to 10 stories and 118-feet;
5. Community Benefit. (This is required to gain height or floor area ration);
6. Percent at Build to line; and,

**WHEREAS**, the Height and Density Development Zone, Zone-6, is an overlay for commercial properties that promotes development and redevelopment that meets community objectives and supports an overall future vision for the island; and,

**WHEREAS,** a PUD is a floating zoning district intended to create a mixture of uses, density, and infrastructure standards, allowing flexibility in the development standards for specific uses on a specific site; and,

**WHEREAS,** if the proposed zoning is in accord with Section 13.601.C of the Land Development Regulations, the Planning Commission may recommend approval and City Council may grant the approval of the rezoning request; and,

**WHEREAS,** at its meeting of February 4, 2020, the Planning Commission recommend approval of the request; and,

**WHEREAS,** Staff recommends approval of the PUD for the deviations from the current Land Development Regulations (LDR) with conditions as provided in **SECTION 3 below;** and,

**WHEREAS,** after notice and conduct of a public hearing, the City Council of the City of Galveston, Texas, deems it in the public interest to grant Applicant's request for a Planned Unit Development (PUD) Overlay Zoning District in a Commercial (C) base zoning district with a Height and Density Development zone, Zone-6 (C-HDDZ-6) Overlay Zoning District on the property commonly known as **12212 San Luis Pass Road,** in the City and County of Galveston, Texas, subject to the conditions set forth in **Section 3** below.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Ordinance are found to be true and correct, and they are adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** Subject to certain conditions set forth in **Section 3** below, the Applicant is hereby granted a Planned Unit Development (PUD) Overlay Zoning District in a Commercial (C) base zoning district with a Height and Density Development zone, Zone-6 (C-HDDZ-6) Overlay Zoning District on property commonly known as **12212 San Luis Pass Road,** and legally described as the **West 311.7 Feet of Lot 1, Resort Subdivision**, in the City and County of Galveston, Texas.

**SECTION 3.** This Planned Unit Development (PUD) Overlay Zoning District is subject to the following conditions:

***Specific Conditions to 20P-002;***

1. Granting of a PUD zoning district shall not relieve the developer from complying with all other applicable sections of the Land Development Regulations (LDR), and other Codes and Ordinances of the City of Galveston, unless such relief is specified in the approved PUD plan and PUD ordinance. Relief provided by this PUD plan includes:
    a. The lot area to 61,185, square-feet.
    b. Wall Plane Articulation.
    c. Transition Zone front setbacks 1a and 1b to 29.4-feet.

d. Height 10 stories and 118-feet.
e. Community Benefit.
f. Percent at Build to line.

2. The development must conform to the site plan and design details included with the PUD application and ordinance with the following modifications;

    a. The applicant shall provide a clear beach access plan that includes signage, sidewalks and a clear path to and from the beach access point across San Luis Pass Road;

3. The construction of the project shall begin within eight months from the date of approval, and must be completed, in accordance with City of Galveston Ordinance No. 20-008, regarding timeframe for permits for construction activity to ensure the proposed improvements are installed in a timely manner;

4. A Beachfront Construction/Dune Protection Permit shall be required prior to the submittal of a Building Permit application. Should substantial changes be required, the PUD plan may require additional review by Planning Commission and City Council;

5. There shall be no nuisance created or cause any perceptible noise, odor, smoke, electrical interference, or vibrations that constitute a public or private nuisance to neighboring properties;

***Standard Conditions of a Planned Unit Development (PUD):***

6. The applicant shall adhere to all comments/conditions received from City departments;

7. Any change or revisions to the adopted PUD Plan shall require an amendment to the PUD ordinance, which requires review by the Planning Commission and City Council. Minor additions and modifications to the approved PUD plan meeting the criteria set forth in Article 4, Section 4.102 (d)(3) of the Land Development Regulations (LDR) may be approved by the Development Services Department; and,

8. The applicant shall submit for approval all plans to the Development Services Department for compliance with all City codes.

**SECTION 4.** The zoning classification for this property shall be changed to Commercial Zoning (C), PUD overlay and shall be designated as C-PUD on the zoning maps of the City of Galveston, subject to the conditions set forth in **Section 3** above.

**SECTION 5.** It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses, and phrases of this Ordinance are severable. If any phrase, clause, sentence, paragraph or section of this Ordinance should be declared invalid by a final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Ordinance.

**SECTION 6.** All Ordinances or parts thereof in conflict herewith are repealed to the extent of such conflict only.

**SECTION 7.** In accordance with the provisions of Sections 12 and 13 of Article II of the City Charter this Ordinance has been publicly available in the office of the City Secretary for not less than 72 hours prior to its adoption; that this Ordinance may be read and published by descriptive caption only.

**SECTION 8.** This Ordinance shall be and become effective from and after its adoption and publication in accordance with the provisions of the Charter of the City of Galveston.

Per Section 13.808 of the Land Development Regulations and state law, written public notice of this request is required. Public notices are sent to all property owners within 200 feet of the subject site and are sent to the address on file with the Galveston Central Appraisal District.

**Executive Summary**
This request is to establish a Planned Unit Development (PUD) Overlay District in a Commercial, Height and Density Development Zone, Zone-6 (C-HDDZ-6) base zoning district to allow a new ten-story apartment development to be constructed. The apartment complex is considered a "Multi-Family" land use and is permitted by right in the Commercial (C) zoning district. The deviations are from the Height and Density Development Zone, Zone-6 overlay.

The deviations are as follows:

1. The lot area from 87,120 square feet, 2-acres to 61,185, square-feet, 1.41-acres.
2. Wall Plane Articulation on the south, east and west sides. (The north or rear side is not required).
3. Transition Zone front setbacks 1a and 1b from 70-feet to 29.4-feet.
4. Height from 8 stories and 105 –feet to 10 stories and 118-feet (measured from grade).
5. Community Benefit. This is to increase Floor Area Ratio and Height
6. Percent at Build to line.

**Site Details**

The subject site is adjacent to Commercial, Height and Density Development Zone, Zone-6 (C-HDDZ-6) zoning on the east, west and north sides and to the south across San Luis Pass Road is the Hershey Beach subdivision zoned Residential, Single Family, Height and Density Zone, Zone-6 (R-1-HDDZ-6). The subject property is located within 1000-feet of the Mean High Tide and will require a Beachfront Construction/ Dune Protection permit prior to the submittal of a building permit application.

**Compatibility with Base and Surrounding Zoning and Land Uses**

This development is compatible with the surrounding Commercial properties. The adjacent properties are not only zoned Commercial they are also used for various commercial land uses such as building supply sales and storage, contractor offices, self-storage and a variety of other commercial uses.

The Hershey Beach subdivision is south of this property and is zoned Residential, Single-Family, Height and Density Development Zone, Zone-6 (R-1-HDDZ-6). The new development will be a little more than 200-feet from the single-family residential subdivision across San Luis Pass Road, which provides space to buffer any impacts the new development may have on the area. Additionally, The Rivera and the Holiday Inn, across San Luis Pass to the west of Hershey Beach, provide an example of how multi-story developments can merge with the surrounding single-family subdivisions in the area. Staff finds the proposed development to be compatible with the surrounding residential land uses.

**Ability of the Property to be used under Current Zoning**

The Planned Unit Development (PUD) Overlay District is a special overlay zone that allows flexibility in development standards that are approved for specific uses on a specific site. Any deviations from the standards established in the Land Development Regulations must be incorporated into a PUD plan and an ordinance amending the zoning.

The land use “Multi-Family” is an outright permitted land use in the Commercial (C) zoning district. The PUD request is to deviate from the Height and Density Development Zone, Zone -6, design criteria.

The Height and Density Development Zone, Zone- 6 (HDDZ-6) is an overlay zone that provides design criteria for development in key areas of the city. The Height Density Development Zone extends from Beach Drive on the east end of the island to 11 Mile Road on the west end. There are different character areas that require different design criteria. This Development is in the Seawall West to 11 Mile Road character area.

|---|---|---|
| **PUD Details /Development Plan** | **The purpose or intent of the PUD** | The purpose of the Planned Unit Development is to develop a 10-story, 118-feet tall apartment complex. The property is in the Height and Density Development Zone, Zone-6, overlay district. The PUD will allow the developer to deviate from some of the Height and Density Zone- 6, standards. Please reference the list below:<br>1. The lot area from 87,120 to 61,185 square-feet<br>2. Wall Plane Articulation on the south, east and west sides. (The north or rear side is not required.)<br>3. Transition Zone front setback of 70-feet reduced to 29.4-feet<br>4. Height from nine stories and 105–feet to 10 stories and 118-feet.<br>5. Community Benefit. (This is required to gain height or floor area ration).<br>6. Percent at Build to line. |
| | **PUD Land Uses** | The land use is "Multi-Family", which is an outright permitted land use in the Commercial (C) zoning district.<br>*Please reference paragraph 2 of Exhibit: C- Narrative.* |
| | **Density** | • The total density on the lot with all structures is 11%.<br>• The footprint of the structure and deck area are 5,744 square-feet.<br>• The total square-footage of the 10-story structure is 46,472 square-feet (including all floors and two-story deck).<br>• The Floor area ratio is 1.3 (this conforms to the Height and Density requirements of 1.5 maximum).<br>• The total lot area of the lot is 61,185 square-feet. The total lot coverage with the parking area is 50 %. (This conforms to the Height and Density Development Zone requirement of 50% maximum).<br>*Please reference SD 0.1 and page 2, Exhibit: C – Narrative.* |
| | **Building Height** | The building height is proposed to be 118-feet and 10-stories. The height measurement is taken from grade.<br>*Please reference SD 1.5 Elevation.* |
| | **Building Setbacks** | The applicant is deviating from the Height and Density Development Zone, Zone-6 front transition zone setback for 1a and 1b requirement of a total of 70-feet. The transition zone setback limits how high a structure can be from an adjacent residential property line. All other setbacks comply.<br>**The proposed setbacks are:**<br>Front setback: 29.4-feet |

| | |
|---|---|
| | Side setback: 49.2-feet<br>Rear setback: 75.2-feet<br><br>*Please reference SD 1.0* |
| **Limits of Construction** | **The proposed construction includes:**<br>• A 118-foot tall, 10 story, 24-unit apartment complex.<br>• Parking area with parking under the structure and outside the footprint of the structure with 42 total parking spaces.<br>• Landscaping will be installed on the entire site.<br>• A deck with a pool and a fitness center under the pool.<br>• The top floor will be used as offices.<br>• The apartments will have one, two and three bedroom units.<br>• Water harvesting tanks.<br>• Low-Intensity Lighting.<br>*Please reference Exhibit: B- PUD Plan and* page 2, *Exhibit: C - Narrative.* |
| **Building Elevations** | The applicant is deviating from wall plane articulation. The building elevations on the north and south show the structure with balconies and openings that do provide visual interest without traditional wall plane articulation.<br>The east and west sides have window openings and show a partial view of the balconies.<br>The structure is located in a VE (16) flood zone. The new development will meet all FEMA elevation requirements and City free board requirements. *Please reference SD 1.5 and SD 1.6 and* page *2, Exhibit: C – Narrative.* |
| **Vehicular Parking** | There are 42 parking spaces provided on site. The Land Development Regulations require 1.5 parking spaces per unit. With 24-apartment units, only 36 parking spaces are required. The parking complies with the Land Development Regulations. *Please reference SD 1.1 and page 2, Exhibit: C – Narrative.* |
| **Pedestrian Access** | According to the narrative, the design of the site provides pedestrian access at the front through a gate. However, staff proposes that the developer create a pedestrian access plan to the nearest beach access point for the residents of the complex. The plan could include signage-directing pedestrians to the beach access path, a sidewalk and possibly a pedestrian crossing over San Luis Pass Road to ensure crossing safety. *Please reference SD 1.9 page 2, Exhibit: C – Narrative.* |
| **Streets and Circulation** | The existing curb cut on San Luis Pass Road will be utilized as the entrance and exit for the development. The plan includes a clear onsite traffic circulation plan. *Please reference SD 1.1 and page 2, Exhibit: C - Narrative.* |

| | |
|---|---|
| **Screening and Landscape** | The applicant has proposed native and adapted landscape species, and drought tolerant turf grass. The project will use water harvesting to provide all of the landscape irrigation. *Please reference SD 1.0* and page 2, Exhibit: C – Narrative. |
| **Environmental protection** | The property is within 1000-feet of the mean high tide and will require review by the Texas General Land Office before submitting for a building permit.<br>The applicant is proposing to follow stormwater pollution prevention practices during the construction phase. The project will include sustainable materials, green building design practices, solar panel carport covers, and water catchment tanks. These practices help reduce energy cost, enhance energy efficiency and help conserve environmental resources. *Please reference SD 1.0 and page 2, Exhibit: C- Narrative.* |
| **Signage** | A wall sign that complies with the City of Galveston regulations is proposed on the entrance wall.<br>*Please reference page 2, Exhibit: C- Narrative.* |
| **Lighting** | Minimal, low-intensity lighting with be full cutoff exterior fixtures, for both building and site/parking lighting standards. Additionally, the Project has been designed to conform to the Audubon Bird Safe Building Guidelines.<br>A photometric plan will be required at the time of building permit submittal. Staff will ensure the lighting meets the City of Galveston lighting ordinance. *Please reference page 2, Exhibit: C- Narrative.* |
| **Phasing or Scheduling** | The project will be completed in a single phase after permitting. It is anticipated that the project construction will commence in the fall of 2020. *Please reference page 3, Exhibit: C- Narrative.* |
| **Unique characteristics or exceptional circumstances** | Adjacent Commercial zoning and uses provide lower lifestyle impact versus residential development. The residential development is more than 200-feet from this development. A taller, compact footprint for a mid-size apartment complex allows for greater efficiency and lower environmental impact. *Please reference page 3 of Exhibit: C- Narrative.* |

**Criteria for Approval**

*According to Division 13.601 (C) of the Land Development Regulations, the Planning Commission may recommend approval, and City Council may grant the approval of a rezoning request if it is demonstrated that:*

1. The proposed zoning is preferable to the existing zoning in terms of its likelihood of advancing the goals, objectives, and policies of the City of Galveston 2011 Comprehensive Plan and other adopted neighborhood plans, special area plans, redevelopment plans, or other plans applicable to the area;

    a. HN-4. Encourage the Development of Housing suited to the unique character of Galveston Island, Outside the Urban Core: New housing development on the West End should be permitted where the City has the ability to provide

for public safety and property protection for residents, and when the development is consistent with the protection of dunes, wetlands and scenic open space.

b. HN-1. Expand the supply of middle-income housing: Because the area protected behind the Seawall is largely "built-out," opportunities for new middle-income housing exist in the form of infill within established residential areas and redevelopment of underutilized properties. Outside of the Urban Core, new housing development should occur in unique planned developments, which retain open space and scenic natural resources, while accommodating a diversity of housing needs.

2. The proposed zoning is consistent with the future land use map of the City of Galveston 2011 Comprehensive Plan (a future land use map amendment may be processed concurrently with the rezoning);

a. The proposed change will not change the base zoning of Commercial (C).

3. The proposed change is consistent with the implementation of existing or pending plans for providing streets, water and wastewater, other utilities, and the delivery of public services to the area in which the parcel proposed for rezoning is located;

a. There are existing utilities along 10 Mile Road and San Luis Pass Road. The new development will be connecting to the existing utilities. During the permitting process, the Public Works Division will review the new development's connections for capacity.

4. The range of uses and the character of development that is allowed by the proposed zone will be compatible with the properties in the immediate vicinity of the parcel proposed for rezoning, and the parcel proposed for rezoning has sufficient dimensions to accommodate reasonable development that complies with the requirements of these Regulations including parking and buffering requirements; and

a. The development is located in a Commercial (C) base zoning district and is surrounded by commercial uses and zoning. The properties across San Luis Pass Road are residential zoning and uses. The new development is approximately 200-feet to the north of the residential properties, which provides for reasonable buffering.

5. The pace of development and/or the amount of vacant land currently zoned for comparable development in the vicinity suggests a need for the proposed rezoning in order to ensure an appropriate inventory of land to maintain a competitive land market that promotes economic development.

a. As seen in Criteria for Approval number one above, there are underutilized properties on the west end that could be used for middle-income housing that provide an alternative to single family homes. This development provides an alternate for living on the west end of Galveston for those who want to lease. Some of the other multi-family complexes on the west end are condominiums that can be used for short-term rentals, which doesn't provide many options for long term. This development will be used specifically for long-term leases.

**Conformance**

Based on the 2011 Comprehensive Plan that encourages the expansion of middle-income housing on the west end of Galveston and the development of housing outside the urban core. This development would be an appropriate addition to the

west end. This development would allow a wide variety and larger inventory of housing on the west end. Staff finds, that a clear beach access plan that includes signage, sidewalks and a clear path to and from the beach access point should be developed and submitted by the applicant. This will ensure safety and keep pedestrians from trespassing across private property while accessing the beach.

The Height and Density Development Zone, Zone-6 has requirements for larger land sizes and design standards that make constructing on some of the smaller west end properties in the Height and Density Development Zone difficult. This is an existing Commercial cluster of properties which is a suitable location for this development.

Staff is also recommending that the construction of the site begin within eight months of the date of approval and be completed no later than 24 months (approximately August 2021) from the date of approval in accordance with Ordinance 20-008, Timeframe for Permits for Construction Activity, to ensure that the proposed improvements are installed in a timely manner.

**Other Reviews**

Planning Commission at their regular meeting on February 4, 2020, voted to recommend approval of this PUD request with a vote of six in favor and one in opposition.

**Staff Recommendation**

Staff recommends Case 20P-002 be approved with the following conditions:

*Specific Conditions to 20P-002;*

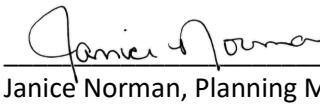
1. Granting of a PUD zoning district shall not relieve the developer from complying with all other applicable sections of the Land Development Regulations (LDR), and other Codes and Ordinances of the City of Galveston, unless such relief is specified in the approved PUD plan and PUD ordinance. Relief provided by this PUD plan includes:
    a. The lot area to 61,185, square-feet.
    b. Wall Plane Articulation.
    c. Transition Zone front setbacks 1a and 1b to 29.4-feet.
    d. Height 10 stories and 118-feet.
    e. Community Benefit.
    f. Percent at Build to line.
2. The development must conform to the site plan and design details included with the PUD application and ordinance with the following modifications;
    g. The applicant shall provide a clear beach access plan that includes signage, sidewalks and a clear path to and from the beach access point across San Luis Pass Road;
3. The construction of the project shall begin within eight months from February 27, 2020 the date of approval, and must be completed no later than 24 months (approximately February 2022) from the date of approval in accordance with Ordinance 20-008, Timeframe for Permits for Construction Activity, to ensure a timely completion of the project;.
4. A Beachfront Construction/Dune Protection Permit shall be required prior to the submittal of a Building Permit application. Should substantial changes be required, the PUD plan may require additional review by Planning Commission and City Council;
5. There shall be no nuisance created or cause any perceptible noise, odor, smoke, electrical interference, or vibrations that constitute a public or private

nuisance to neighboring properties;

*Standard Conditions of a Planned Unit Development (PUD):*

6. The applicant shall adhere to all comments/conditions received from City departments;
7. Any change or revisions to the adopted PUD Plan shall require an amendment to the PUD ordinance, which requires review by the Planning Commission and City Council. Minor additions and modifications to the approved PUD plan meeting the criteria set forth in Article 4, Section 4.102 (d)(3) of the Land Development Regulations (LDR) may be approved by the Development Services Department; and,
8. The applicant shall submit for approval all plans to the Development Services Department for compliance with all City codes.

Respectfully Submitted,



Janice Norman, Planning Manager — 2/17/20 Date

Tim Tietjens, Director
City of Galveston Department of Development Services

**RE: Playa West, 12212 San Luis Pass**
**Includes: Project Narrative**

Dear Mr. Tietjens:

Please accept this letter as a brief narrative of the Project proposed for Mr. Miguel Prida on the West End of Galveston Island. Prida Construction has produced significant numbers of quality housing units in Galveston, including Texas A&M, Ocean Grove Condominiums, and the Waterfront Apartments. We are requesting approval of a Planned Unit Development (PUD) in order for design work to continue, with the expectation to fully realize the plan presented today in 2021.

The property's zoning is Commercial, as are the surrounding parcels. The residential development in the area is across the TxDOT right of way, and the adjacent developments are commercial. The site affords near west end residents a housing alternative product in long term lease apartments. Our PUD request is the best possible tool for moving forward with the Project, designed with the twenty-four units and an office space. Unfortunately, the Height and Density Development Zone guidelines require a minimum lot size of two acres for Projects in the Mid-Rise category. The project site is 1.405 acres. Because the project cannot be approved outright, our PUD request is needed to implement. Primary objectives are to maximize the lifestyle of beachfront living and push to minimize environmental impact. In minimizing the footprint of the building, we are requesting a building of ten stories over parking and base flood elevation, at a height of 118' above grade.

Article 4 of the Land Development Regulations provides some guidelines for the information needed for evaluation. Response to those are listed for you here or in some cases may be seen in the schematic plans and perspectives -

a. **The purpose or intent of the PUD:** To develop the Owner's property with twenty-four long-term apartment rental units in a Commercial zoning district. Units are designed to provide housing for long-term rental. Design motives include a beachfront lifestyle, sustainability, and reflecting the coastal environment. As part of that effort, the benefits of lower environmental impacts are tied to the Project's height and compact footprint.

b. **PUD Land Uses:** Multi-Family Residential. No prohibitions of other uses permitted in the base zoning district (Commercial)

c. **Density:** 24 Units in a site area of 61,185sf

d. **Building Height:** ~118' total height (from grade). The required FEMA elevation plus COG freeboard is 17.5' (from MSL)

e. **Building Setbacks:** None required in Commercial zoning district**.** Please refer to plan SD 1.0 for setbacks, and to the aerial photographs for context in the area. There are two mid-rise structures within view from the site. (Riviera, Holiday Inn)

f. **Limits of Construction:** Please see Project footprints on site plan SD1.0.

g. **Building Elevations:** Please refer to perspectives and elevations provided for exterior design. Primary structural materials are concrete, masonry, and stucco finish.

h. **Vehicular parking:** Each unit will provide parking for 1.75 cars. The Land Development regulations requirement is 1.5 per unit.

i. **Pedestrian access:** The proposed Project provides resident access through gated entrances at the front of the property, and a beach access point is within easy walking distance.

j. **Streets and circulation:** The existing conditions will remain unchanged with the TxDOT highway of FM 3005 to the South. A single gated entry point will provide access to the property.

k. **Screening and Landscape:** The applicant will utilize only native and adapted landscape species, and drought tolerant turfgrass. The Project will utilize water harvesting from the building roof and some paved areas, which will provide 100% of landscape irrigation. Areas outside the adjacent improved landscape will remain natural

l. **Environmental protection:** No wetlands, or exceptionally sensitive environmental conditions exist on the site. All sites on the West End of Galveston are sensitive and this particular tract is a typical example. Stormwater pollution prevention practices will be followed in the construction phase. Sustainable materials, green building design practices, solar power panel carport covers, and water catchment will all contribute to the Project.

m. **Signage:** A wall sign within COG ordinance limits will be placed at the entry gate wall. Address numerals will indicate location for emergency responders.

n. **Lighting:** Minimal, low-intensity lighting with full cutoff exterior fixtures, for both building and site/parking lighting standards. Additionally, the Project has been designed to conform with the Audubon Bird Safe Building Guidelines.

o. **Phasing or Scheduling:** The project will be completed in a single phase after permitting. It is anticipated that the project construction commence in the fall of 2020.

p. **Unique characteristics or exceptional circumstances:** Adjacent Commercial zoning and uses provide lower lifestyle impact versus residential development. A taller, compact footprint for a mid-size apartment complex allows for greater efficiency and lower environmental impact.

Thank you for your consideration on this project. We feel that it is a great investment in Galveston, and a unique opportunity for housing on the island.

Sincerely,

Brax Easterwood AIA, and Miguel Prida, Owner

**ORDINANCE NO. 20-_____**

AN ORDINANCE OF THE CITY OF GALVESTON, TEXAS, AMENDING THE 2015 GALVESTON LAND DEVELOPMENT REGULATIONS, ARTICLE 2: USES AND SUPPLEMENTAL STANDARDS TO MODIFY THE LIMITED STANDARDS FOR THE SELF STORAGE" LAND USE REGARDING MINIMUM DISTANCE FROM SAME USE IN THE CENTRAL BUSINESS (CB) ZONING DISTRICT; PLANNING CASE NUMBER 20ZA-001; MAKING VARIOUS FINDINGS AND PROVISIONS RELATED TO THE SUBJECT**.**

---

**WHEREAS,** on March 5, 2015, City Council adopted the 2015 Galveston Land Development Regulations, including Article 2: Uses and Supplemental Standards; and,

**WHEREAS,** "Self Storage" is permitted as a Limited Use in the Central Business (CB) zoning district. Limited Uses are allowed provided the associated Limited Use Standards are met; and,

**WHEREAS,** the City staff report, is attached and incorporated herein as **Exhibit 1.** As provided in the staff report, the applicant requests to modify the specific limited use standard regarding the "minimum distance from same use within the Central Business District"; and,

**WHEREAS,** the Minimum Distance from Same Use within CB District states the use shall be located at least one-half mile from an existing location of the same use within the CB district, measured as a radius from property lines of the limited use; and,

**WHEREAS,** the applicant is proposing to eliminate the specific minimum distance standard as the applicant claims the minimum distance creates a monopoly by not allowing more than one self storage business in the CB District; and,

**WHEREAS,** Staff, recommends in its staff report, attached and incorporated herein **as Exhibit 1**, approval that Article 3, "Addendum to the Urban Neighborhood (UN)" be modified to reflect a minimum lot area of 1,600 square-feet per lot for the "Townhouse" land use only; and,

**WHEREAS,** text amendments shall be based on the following criteria:

1. The proposed amendment will help to implement the City of Galveston Comprehensive Plan or if it involves a topic that is not addressed or not fully developed in the City of Galveston Comprehensive Plan. The proposed amendment will not impair implementation of the City of Galveston Comprehensive Plan and other adopted special-area and special-topic plans;

2. The proposed amendment is consistent with the stated purposes of these regulations;
3. The proposed amendment will maintain or advance the public health, safety, or general welfare;
4. The proposed amendment will help to mitigate adverse impacts of the use and development of land on the natural or built environment, including, but not limited to mobility, air quality, water quality, noise levels, storm water management, wildlife protection, and vegetation or will be neutral with respect to these issues;
5. The proposed amendment will advance the strategic objectives of the City Council such as fiscal responsibility, efficient use of infrastructure, public services, and other articulated City objectives; and,

**WHEREAS,** text amendments shall serve the purposes of:

1. Advancing the goals, objectives and policies of the City's Comprehensive Plan and other adopted special-area and special-topic plans;
2. Securing adequate light, air, convenience of access, and safety from fire, flood and other danger;
3. Lessening or avoiding congestion in public ways; Promoting the public health, safety, comfort, morals, convenience and general welfare; and otherwise accomplishing the purposes of Texas Local Government Code Chapter 211, Municipal Zoning Authority; and,

**WHEREAS,** the Planning Commission, at its regular meeting of February 4, 2020, voted to recommend approval of the text amendment; and,

**WHEREAS,** after public notice and hearing as required by law, the City Council finds that it is in the public's interest to approve Planning Case Number 20ZA-001, amending the 2015 Galveston Land Development Regulations, to address minimum distance standards of a self storage business in the CB zoning District.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Ordinance are found to be true and correct and they are hereby adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** The 2015 Galveston Land Development Regulations Article 2: Division 2.300 "Standards for Limited and Specific Uses" is hereby amended to read and provide as follows:

**SEC. 2.363 - SELF STORAGE**

A. L**imited Use Standards.**

1. **Existing Structure.** The use shall be permitted only in existing structures (as of March 5, 2015) in the CB District.
2. **Mixed-Use Building for Street-Level Activity.** The use shall be permitted only in mixed-use buildings with one or more active uses on the ground floor. No self-storage units shall be located on the ground floor or first habitable floor.
3. **Outdoor Storage.** All self-storage units shall be fully enclosed, and the use shall not involve any outdoor storage.
4. ~~**Minimum Distance from Same Use within CB District.** The use shall be located at least one-half mile from an existing location of the same use within the CB district, measured as a radius from property lines of the limited use~~.
5. 4**. Internal Access.** Access to all self-storage units shall be made through the interior of the building rather than from direct outside entrances to each unit.
6. 5**. On-Site Security.** The use shall provide on-site security during all hours of operation including screening all visitors to maintain controlled access to the self-storage units.
7. 6**. Noise Limitation.** All outdoor activities shall comply with City noise regulations.
8. 7. **Screening.** Any off-street areas provided for drop-off and loading activity shall be screened so as not to be visible from abutting public street right-of-ways.

**Executive Summary:**
The applicant is requesting modification to the Land Development Regulations regarding the Limited Standards for the "Self Storage" land use.

"Self Storage" has the following definition:

**Self Storage** means a building or group of buildings that are used for the indoor storage of personal property or records, where individual owners or tenants control individual storage spaces.

"Self Storage" is permitted by right in the Commercial (C), Light Industrial (LI), and Heavy Industrial (HI) zoning districts and is permitted as a Limited Use in the Multi-Family (MF) and Central Business (CB) zoning districts. Limited Uses are allowed provided the associated Limited Use Standards are met. In this case, the Limited Use Standards are:

1. **Existing Structure**. The use shall be permitted only in existing structures (as of March 5, 2015) in the CB District.

2. **Mixed-Use Building for Street-Level Activity**. The use shall be permitted only in mixed-use buildings with one or more active uses on the ground floor. No self-storage units shall be located on the ground floor or first habitable floor.

3. **Outdoor Storage**. All self-storage units shall be fully enclosed, and the use shall not involve any outdoor storage.

4. **Minimum Distance from Same Use within CB District**. The use shall be located at least one-half mile from an existing location of the same use within the CB district, measured as a radius from property lines of the limited use.

5. **Internal Access**. Access to all self-storage units shall be made through the interior of the building rather than from direct outside entrances to each unit.

6. **On-Site Security**. The use shall provide on-site security during all hours of operation including screening all visitors to maintain controlled access to the self-storage units.

7. **Noise Limitation**. All outdoor activities shall comply with City noise regulations.

8. **Screening**. Any off-street areas provided for drop-off and loading activity shall be screened so as not to be visible from abutting public street right-of-ways.

The applicant is proposing to eliminate Standard #4 regarding the minimum distance from the same use within the CB District. As further described in the applicant's narrative, Exhibit A, the applicant claims that this requirement creates a monopoly by not allowing more than one self storage business in the CB District.

**Criteria for Text Amendments**

Per Section 13.700: Text Amendments of the Land Development Regulations:

Recommendations and decisions regarding petitions for amendments to the text of these regulations are legislative in nature, but shall be based on consideration of all the following criteria:

1. The proposed amendment will help to implement the adopted City of Galveston 2011 Comprehensive Plan or if it involves a topic that is not addressed or not fully developed in the City of Galveston 2011 Comprehensive Plan, the proposed amendment will not impair the implementation of the adopted City of Galveston 2011 Comprehensive Plan and other adopted special-area and special-topic plans when compared to the existing regulations.

2. The proposed amendment is consistent with the stated purposes of these regulations.

3. The proposed amendment will maintain or advance the public health, safety, or general welfare.

4. The proposed amendment will help to mitigate adverse impacts of the use and development of land on the natural or built environment, including, but not limited to mobility, air quality, water quality, noise levels, storm water management, wildlife protection, and vegetation or will be neutral with respect to these issues.

5. The proposed amendment will advance the strategic objectives of the City Council such as fiscal responsibility, efficient use of infrastructure, public services, and other articulated City objectives.

Per Section 13.702: Text Amendments of the Land Development Regulations:

Purposes: Text amendment proposals shall serve the following purposes:

1. Advancing the goals, objectives and policies of the City's Comprehensive Plan and other adopted special-area and special-topic plans;

2. Securing adequate light, air, convenience of access, and safety from fire, flood and other danger;

3. Lessening or avoiding congestion in public ways; Promoting the public health, safety, comfort, morals, convenience and general welfare; and Otherwise accomplishing the purposes of Texas Local Government Code Chapter 211, Municipal Zoning Authority.

|---|---|
| **Consideration for Text Amendments** | Considerations: In preparation and considering proposals for text amendments, the Planning Commission and City Council shall pay reasonable regard to:<br>1. The Comprehensive Plan and related plans;<br>2. Current conditions and the character of current uses and structures in each district;<br>3. The most desirable use for which the land in each district is adapted;<br>4. The conservation of property values throughout the jurisdiction; and<br>5. Responsible development and growth. |
| **Other Reviews** | The Planning Commission reviewed at their February 4, 2020 and recommended approval. The vote was unanimous. |

**Detailed Narrative of Request**

Currently, Sec. 2.367 of the Land Development Regulation (Self Storage) states:

1. Permitted only in existing structures in CB
2. No self-storage units shall be located on the ground floor.
4. The use shall be located at least ½ mile from the existing location of the same use within the CB district, measured as a radius from property lines of the limited use.

These guidelines, when applied comprehensively, generate a monopoly within the Central Business district. Specifically, #4 causes a limitation of only one self-storage business to exist in the Central Business district.

The request is to eliminate Sec. 2.367 #4:

This will allow for a reduction of the deficit of self-storage existing in Galveston.

**Supporting Documentation**

<u>The proposed amendment will help to implement the adopted Comprehensive Plan, or, if it addresses a topic that is not addressed or fully developed in the Comprehensive Plan, the proposed amendment does not impair the implementation of the adopted Comprehensive Plan when compared to the existing Land Development Regulations:</u>

The City of Galveston Comprehensive Plan, adopted October 27th, 2011, does not address Self-Storage. Various types of storage are mentioned in the Land Use and Infrastructure Element portions of the plan. The Land Use Objectives and Goals address storage pertaining to the Industrial operations and Machinery storage (LU-2.5) and Storage yards at Scholes Airport (LU-5.2). The Infrastructure Element Objectives and Goals address storage pertaining to the Water Storage via the Water Master Plan(I-1), Exploring alternative water sources such as Aquifer Storage and recovery wells (I-1.3), and enhancing and strengthening infrastructure for continuity of service and quick recovery from disasters such as ground storage tanks, elevated storage tanks, and storage tank rehab (I-6).

<u>The proposed amendment is consistent with the stated purposes of the Land Development Regulations:</u>

Article 1. Section 1.103 Purposes, Paragraph A. General Purposes, Sub-section 3. Point F., the purpose of to facilitate the adequate provision of transportation, water, sewers, schools, parks, and other public requirements.
According to a study performed in 2016, there is an existing deficit of self-storage on the island. Currently, there is a trending growth in Galveston which will result in a larger deficit and requirement of self-storage. The Central Business district is densely populated with multi-story properties, unlike other zoning districts. These existing properties hold the most potential for implementing the use proposed. However, #4 of Section 2.367, eliminates the possibility of 95% of structures in the Central Business district. The remaining of 5% are eliminated by #1 & #2. (Refer to ½ Mile Map provided in packet)

The proposed amendment will maintain or advance the public health, safety or general welfare:

This structure takes the entire block. The 3-story portion will have retail/business on the ground floor and self-storage on the 2nd and 3rd floor. The 7-story portion will have residential units, like the properties to the north and south. The property to the East is a government park and facility with the property to the west being a church/preschool. The implementation of Self-Storage in this facility would provide benefits for the surrounding businesses and residences while, also, ameliorating the storage deficit in the Central Business district.

The proposed amendment will help to mitigate the adverse impacts of the use and development of land on the natural or built environment, including but not limited to mobility, air quality, noise levels, stormwater management, wildlife, and vegetation protection; or be neutral with respect to these issues:

The proposed amendment is mitigating a deficit generated by a monopoly of self-storage use in the Central Business district due to overbearing regulations, applied comprehensively. Utilizing a structure as a self-storage use has less detrimental effects on the environment than the majority of other uses.

The proposed amendment will advance the strategic objectives of the City Council, such as fiscal responsibility, efficient use of infrastructure and public services, and other articulated City objectives:

The proposed amendment is purposed towards alleviating an existing deficit of self-storage in Galveston.

**ORDINANCE NO. 20-____**

**AN ORDINANCE OF THE CITY OF GALVESTON, TEXAS, AMENDING THE 2015 GALVESTON LAND DEVELOPMENT REGULATIONS, ARTICLE 9: "LANDSCAPING", TO ADD DIVISION 9.600, "PALM PRESERVATION", TO PROVIDE FOR THE PROTECTION OF CERTAIN PALM SPECIES; PLANNING CASE NUMBER 19ZA-006; MAKING VARIOUS FINDINGS AND PROVISIONS RELATED TO THE SUBJECT.**

---

**WHEREAS,** on March 5, 2015, City Council adopted the 2015 Galveston Land Development Regulations, including Article 9: Landscaping; and,

**WHEREAS,** the Galveston Tree Committee was directed to develop a proposal for the protection of certain and specific palm species; and,

**WHEREAS,** per Section 13.700 of the Galveston Land Development regulations, and as presented in the Staff Report, attached and incorporated herein **as Exhibit 1,** the requested amendment is in accordance with the criteria for text amendments; and,

**WHEREAS,** text amendments shall serve the purposes of:

1. Advancing the goals, objectives and policies of the City's Comprehensive Plan and other adopted special-area and special-topic plans;
2. Securing adequate light, air, convenience of access, and safety from fire, flood and other danger;
3. Lessening or avoiding congestion in public ways; Promoting the public health, safety, comfort, morals, convenience and general welfare; and Otherwise accomplishing the purposes of Texas Local Government Code Chapter 211, Municipal Zoning Authority; and,

**WHEREAS** the Planning Commission, at its regular meeting of January 7, 2020, voted to recommend approval of the text amendment; and,

**WHEREAS,** after public notice and hearing as required by law, the City Council finds that it is in the public's interest to approve the text amendment to Article 9 "Landscaping" by adding Division 9.600, "Palm Preservation", to provide for the protection of certain palm species.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Ordinance are found to be true and correct and they are hereby adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** In accordance with the City of Galveston 2011 Comprehensive Plan, the City Council of the City of Galveston hereby amends the 2015 Galveston Land Development Regulations Article 9 "Landscaping" by adding Division 9.600, "Palm Preservation", as substantially provided in Exhibit 1, to read and provide as follows:

**DIVISION 9.600 PALM PRESERVATION**

**SEC 9.601 PROTECTION OF EXISTING SIGNIFICANT PALMS**

**A. Generally.** Sites shall be designed to preserve existing palms and palm stands that are considered "significant" as provided in this Section. Palms contribute to Galveston's appearance as a sub-tropical island, support the tourism industry, and are storm resistant. Mature palms may be of monetary value and can be easily transplanted.

For the purposes of this Division:

1. A palm is defined as any of a family (Palmae synonym Arecaceae) of mostly tropical or subtropical monocotyledonous palms, shrubs, or vines with usually a simple stem and a terminal crown of large pinnate or fan-shaped leaves.

2. Palm height shall be measured from ground level to the base of the growth point.

3. A significant palm shall be considered the following:

   a. Date Palms:

      1. Canary Island Date Palm (Phoenix canariensis) at 8 feet in height;

      2. Phoenix Date Palm (Phoenix dactylifera sylvestri (canariensis)), not including Pygmy Date Palm (Phoenix Roebelenii), at 10 feet in height;

   b. Pindo Palm (Butia capitata) at 5 feet in height;

   c. Sabal Palm (Sabal Mexicana) at 8 feet in height;

   d. Washingtonia Palm (Washingtonia filifera) at 15 feet in height;

   e. Washingtonia Palm (Washingtonia Robusta and crosses) at 20 feet in height;

   f. Blue Hesper (Brahea Armata) at 8 feet in height:

   g. Chinese Fan (Livistona Chinensis) at 8 feet in height; and,

   h. Bismark (Bisjmarkia Nobilis) at 8 feet in height.

4. A significant palm stand is a group of palms that cover a total of at least 10,000 square feet of ground area, regardless of the height of the palms or the shape of the stand.

**B. Removal of Significant Palms and Stands of Palms.** The City Manager or City Arborist, if applicable, may approve the removal of a significant palm or palm stand if it is demonstrated that the following are being met. It is highly encouraged that, in the case that palm removal is approved, the applicant consider transplanting the palms within the site or providing the palms to an interested third party for transplantation.

1. No reasonable alternative site design at the same development intensity could be approved that:

   a. Would preserve the palm(s);

   b. If large-scale preservation is not possible, would preserve the largest of the palms; or

   c. If protection of the largest palm(s) is not possible, would preserve a greater number of palms than the proposed development design.

2. It is located within 10 feet of an approved building footprint of new construction or addition;

3. It is located within 6 feet of a utility easement and would interfere with the use of the easement as determined by the City Engineer;

4. It is located within 8 feet of an approved outdoor recreation area that by its nature requires the removal of the palms, such as ball fields;

5. It is ordered removed by the City Manager for other emergency reasons;

6. It is being grown and removed for agricultural purposes; or

7. It is certified to the City by an International Society of Arboriculture Certified Arborist, degreed Forester, or determined by the Director of Development Services as having one or more of the following conditions:

   a. Unhealthy or structurally unsound;

   b. Damaged by natural causes beyond the point of recovery;

   c. Diseased beyond the point of recovery;

   d. Poses a threat to the public and must be removed as a safety measure; or

   e. No longer living.

**C. Removal of Palm Stands.** Palm stands may be located across multiple parcels. In the event of an approved removal of a portion of a palm stand, the owner is

encouraged to coordinate with adjacent property owners in order to reduce negative effects to the overall palm stand.

**D. Exempted Palms.** Palms of any size that appear on the Invasive and Noxious Weeds list for the State of Texas promulgated by the United States Department of Agriculture or on the Texas Noxious and Invasive Plants list promulgated by the Texas Department of Agriculture are exempted from this Section and may be removed. Identification by an International Society of Arboriculture Certified Arborist and/or degreed Forester is recommended.

**E. Permit Required.** A permit shall be obtained by the property owner prior to authorizing or subjecting a significant palm to removal.

**SEC. 9.602 PALM REPLACEMENT**

**A. Generally.** The removal of significant palms or palm stands must be mitigated. All requests for the removal of significant palms or palm stands shall be accompanied by a palm mitigation plan. Mitigation shall be achieved by the planting of the same amount of trunk feet removed, payment to the mitigation fund, or combination thereof.

**B. Palm Replacement Required.** Significant palms or palm stands that are approved for removal shall be replaced based on one foot of trunk height planted for one foot of trunk height removed. All replacement shall occur on the property on which the removal occurred. Replanting plan to be reviewed and approved by the City Arborist. All new palm species shall be from among palm species on the "Cold Hardy Palms for Galveston County of the Texas Upper Gulf Coast" list published by the Texas A&M System AgriLife Extension Service.

Palms planted as a requirement of this Section shall be inspected by the City Arborist, if applicable, for viability two years after planting. If the replacement palms are found to be dead or dying, they must be replaced following notification by the City. A planting plan and schedule shall be submitted within 45 days from the notification by the City. Failure to replace according to the approved planting plan and schedule shall constitute a violation of these regulations.

**C. Palm Mitigation Fund.** In lieu of the palm replacement requirements, mitigation may be achieved through the contribution to an account dedicated to landscaping and palms for the City. The mitigation amount shall be established by the City Council as part of the annual budget process:

1. $125 per foot of palm removed.

**D. Combination.** Mitigation may be achieved through a combination of palm replacement and payment to the palm mitigation fund provided that the total of caliper inches approved for removal are mitigated.

**E. Exempted Palms.** Palms that are being grown and removed for agricultural purposes; or palms that are certified to the City by an International Society of Arboriculture Certified Arborist, degreed Forester, or determined by the

Development Services Director as having one or more of the following conditions are exempted from the replacement requirements of this section:

a. Unhealthy or structurally unsound;

b. Damaged by natural causes beyond the point of recovery;

c. Diseased beyond the point of recovery;

d. Poses a threat to the public and must be removed as a safety measure; or

e. No longer living.

**SEC. 9.603 PALM PLANTING AND MAINTENANCE**

A. Recommended Maintenance Best Practices.

1. Trimming is recommended to remove dead or dying fronds in order to prevent breakage, eliminate nesting places for pests, and reduce fire and visual hazards.

2. In order to avoid seeding, trimming should occur between June and July.

3. In order to prevent the spread of disease, including Fusarium wilt, all tools should be cleaned and disinfected between trimming each palm by one of the following methods:

| **Material*** | **% Solution** | **Minimum Soaking Time** |
|---|---|---|
| Household Bleach | 25% (1 part bleach + 3 parts water) | 5 minutes |
| Pine oil cleaner | 25% (1 part bleach + 3 parts water) | 5 minutes |
| Rubbing alcohol (70% isopropyl | 25% (1 part bleach + 3 parts water) | 5 minutes |
| Denatured ethanol (95%) | 25% (1 part bleach + 3 parts water) | 5 minutes |
| *the above materials were shown to be effective is eliminating fungus from the wood dust or palm sap trapped on pruning tools (Simone 1998). It is suggested that the solution be replaced after 10 palms or every 2 hours. Rinse the tool with fresh water after soaking. Other potential disinfectants include trisodium phosphate or quaternary ammonium salts. The latter is recommended at a 5% solution, soaking for five minutes (Smith, Smith, and Clements 2003). Information courtesy of the University of Florida FAS Extension Service | | |

4. Remove only those fronds that are brown and pointing down. Do not remove green fronds, doing so may cause the palm stress. Leave as many green fronds as you possibly can on the palm. Palms need many green

fronds to produce a steady food supply so that the plant can grow. A palm cannot stay healthy and build reserves without a considerable number of green fronds.

**SEC. 9.604 OFFENSE**

**A.** It is a violation of this section to perform activities that may result in the decline in health and/or death of a significant palm, including but not limited to excessive pruning of fronds and destruction of the trunk.

**SECTION 3.** It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses, and phrases of this Ordinance are severable and, if any phrase, clause, sentence, paragraph or section of this Ordinance should be declared invalid by the final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Ordinance.

**SECTION 4.** All Ordinances or parts thereof in conflict herewith are repealed to the extent of such conflict only.

**SECTION 5.** In accordance with the provisions of Section 12 and 13 of Article II of The City Charter this Ordinance has been publicly available in the office of the City Secretary for not less than 72 hours prior to its adoption; that this Ordinance may be read and published by descriptive caption only.

**SECTION 6.** This Ordinance shall be and become effective from and after its adoption and publication in accordance with the provisions of The Charter of the City of Galveston.

**Background:**

In 2017, City Council directed the Tree Committee to develop a proposal for protecting palms. Palms are not including in the existing protections for trees due to the fact that palms are technically classified as a grass. The Tree Committee presented a proposal in the Summer of 2018. At that time, City Council directed the Tree Committee to develop a new proposal focusing on protecting only certain palm species.

On August 6, 2019, the Planning Commission reviewed the Tree Committee's proposal and voted unanimously to recommend approval. Before the proposal was reviewed by the City Council, the Tree Committee received public comment that it wanted to address. The current proposal includes additional species for protections and modified heights. Attachment A includes the previous proposal. Attachment B includes the current proposal with the items that have changed highlighted in yellow.

On January 7, 2020, the Planning Commission reviewed again and made some additional recommended changes. Those changes are highlighted in green and include to:

1. Clarify that a permit is required to remove a significant palm;
2. Remove references to trees; and
3. Clarify that it is a violation to perform activities to significant palms that results in a decline in health or death.

**Executive Summary:**
At the June 25, 2019 meeting, the Tree Committee voted to recommend the following:

1. Include protection for palms as a new division in Article 9: Landscaping. The previous proposal included palms in Division 9.500: Tree Protection. The establishment of a new division will clearly differentiate palm protections from tree protections;
2. Identifies the five species that will protected (see Attachment B for examples) and provides the heights each palm species must be to be considered "significant" and to have protection from removal;
3. Provides standards for removal, replacement, and mitigation; and
4. Provides best practices for planting and maintenance.

At the October 29, 2019 meeting, the Tree Committee further voted to recommend the following:

1. Addition palm species for protection; and
2. Modification of some heights at which to consider palms "Significant."

**Criteria for Text Amendments**

Per Section 13.700: Text Amendments of the Land Development Regulations:

Recommendations and decisions regarding petitions for amendments to the text of these regulations are legislative in nature, but shall be based on consideration of all the following criteria:

1. The proposed amendment will help to implement the adopted City of Galveston 2011 Comprehensive Plan or if it involves a topic that is not addressed or not fully developed in the City of Galveston 2011 Comprehensive Plan, the proposed amendment will not impair the implementation of the adopted City of Galveston 2011 Comprehensive Plan and other adopted special-area and special-topic plans when compared to the existing regulations.

2. The proposed amendment is consistent with the stated purposes of these regulations.

3. The proposed amendment will maintain or advance the public health, safety, or general welfare.

4. The proposed amendment will help to mitigate adverse impacts of the use and development of land on the natural or built environment, including, but not limited to mobility, air quality, water quality, noise levels, storm water management, wildlife protection, and vegetation or will be neutral with respect to these issues.

5. The proposed amendment will advance the strategic objectives of the City Council such as fiscal responsibility, efficient use of infrastructure, public services, and other articulated City objectives.

Per Section 13.700: Text Amendments of the Land Development Regulations:

Purposes: Text amendment proposals shall serve the following purposes:

1. Advancing the goals, objectives and policies of the City's Comprehensive Plan and other adopted special-area and special-topic plans;

2. Securing adequate light, air, convenience of access, and safety from fire, flood and other danger;

3. Lessening or avoiding congestion in public ways; Promoting the public health, safety, comfort, morals, convenience and general welfare; and Otherwise accomplishing the purposes of Texas Local Government Code Chapter 211, Municipal Zoning Authority.

**Consideration for Text Amendments**

Considerations: In preparation and considering proposals for text amendments, the Planning Commission and City Council shall pay reasonable regard to:

1. The Comprehensive Plan and related plans;

2. Current conditions and the character of current uses and structures in each district;
3. The most desirable use for which the land in each district is adapted;
4. The conservation of property values throughout the jurisdiction; and
5. Responsible development and growth.

**Other Reviews**

The Tree Committee reviewed at their October 29, 2019 meeting and voted to recommend approval. The vote was five in favor and one in opposition. The Planning Commission reviewed at their January 7, 2020 and unanimously voted to recommend approval.

**A. Generally.** Sites shall be designed to preserve existing palms and palm stands that are considered "significant" as provided in this Section. Palms contribute to Galveston's appearance as a sub-tropical island, support the tourism industry, and are storm resistant. Mature palms may be of monetary value and can be easily transplanted.

For the purposes of this Division:

1. A palm is defined as any of a family (Palmae synonym Arecaceae) of mostly tropical or subtropical monocotyledonous palms, shrubs, or vines with usually a simple stem and a terminal crown of large pinnate or fan-shaped leaves.
2. Palm height shall be measured from ground level to the base of the growth point.
3. A significant palm shall be considered the following:
    a. Phoenix Date Palm (Phoenix dactylifera sylvestri (canariensis)), not including Robleini, at 10 feet in height;
    b. Pindo Palm (Butia capitate) at 10 feet in height;
    c. Sabal Palm (Sabal Mexicana) at 14 feet in height;
    d. Washingtonia Palm (Washingtonia filifera) at 25 feet in height; and
    e. Washingtonia Palm (Washingtonia Robusta and crosses) at 30 feet in height.

3. A significant palm stand is a group of palms that cover a total of at least 10,000 square feet of ground area.

**B. Removal of Significant Palms and Stands of Palms.** The City Manager or City Arborist, if applicable, may approve the removal of a significant palm or palm stand if it is demonstrated that the following are being met. It is highly encouraged that, in the case that palm removal is approved, the applicant consider transplanting the palms within the site or providing the palms to an interested third party for transplantation.

1. No reasonable alternative site design at the same development intensity could be approved that:

    a. Would preserve the palm(s);

    b. If large-scale preservation is not possible, would preserve the largest of the palms; or

    c. If protection of the largest palm(s) is not possible, would preserve a greater number of palms than the proposed development design.

2. It is located within 10 feet of an approved building footprint of new construction or addition;

3. It is located within 6 feet of a utility easement and would interfere with the use of the easement as determined by the City Engineer;

4. It is located within 8 feet of an approved outdoor recreation area that by its nature requires the removal of the palms, such as ball fields;

5. It is ordered removed by the City Manager for other emergency reasons;

6. It is being grown and removed for agricultural purposes; or

7. It is certified to the City by an International Society of Arboriculture Certified Arborist, degreed Forester, or determined by the Director of Development Services as having one or more of the following conditions:

a. Unhealthy or structurally unsound;

b. Damaged by natural causes beyond the point of recovery;

c. Diseased beyond the point of recovery;

d. Poses a threat to the public and must be removed as a safety measure; or

e. No longer living.

**C. Removal of Palm Stands.** Palm stands may be located across multiple parcels. In the event of an approved removal of a portion of a palm stand, the owner is encouraged to coordinate with adjacent property owners in order to reduce negative effects to the overall palm stand.

**D. Exempted Palms.** Palms of any size that appear on the Invasive and Noxious Weeds list for the State of Texas promulgated by the United States Department of Agriculture or on the Texas Noxious and Invasive Plants list promulgated by the Texas Department of Agriculture are exempted from this Section and may be removed. Identification by an International Society of Arboriculture Certified Arborist and/or degreed Forester is recommended.

**SEC. 9.502 PALM REPLACEMENT**

**A. Generally.** The removal of significant palms or palm stands must be mitigated. All requests for the removal of significant palms or palm stands shall be accompanied by a palm mitigation plan. Mitigation shall be achieved by the planting of the same amount of trunk feet removed, payment to the mitigation fund, or combination thereof.

**B. Palm Replacement Required.** Significant palms or palm stands that are approved for removal shall be replaced based on one foot of trunk height planted for one foot of trunk height removed. All replacement shall occur on the property on which the removal occurred. Replanting plan to be reviewed and approved by the City Arborist. All new palm species shall be from among palm species on the "Cold Hardy Palms for Galveston County of the Texas Upper Gulf Coast" list published by the Texas A&M System AgriLife Extension Service.

Palms planted as a requirement of this Section shall be inspected by the City Arborist, if applicable, for viability two years after planting. If the replacement palms are found to be dead or dying, they must be replaced following notification by the City. A planting plan and schedule shall be submitted within 45 days from the notification by the City. Failure to replace according to the approved planting plan and schedule shall constitute a violation of these regulations.

**C. Palm Mitigation Fund.** In lieu of the palm replacement requirements, mitigation may be achieved through the contribution to an account dedicated to landscaping and palms for the City. The mitigation amount shall be established by the City Council as part of the annual budget process:

1. $125 per foot of palm removed.

**D. Combination.** Mitigation may be achieved through a combination of palm replacement and payment to the palm mitigation fund provided that the total of caliper inches approved for removal are mitigated.

**E. Exempted Palms.** Palms that are being grown and removed for agricultural purposes; or palms that are certified to the City by an International Society of Arboriculture Certified Arborist, degreed Forester, or determined by the Development Services Director as having one or more of the following conditions are exempted from the palm replacement requirements of this section:

a. Unhealthy or structurally unsound;

b. Damaged by natural causes beyond the point of recovery;

c. Diseased beyond the point of recovery;

d. Poses a threat to the public and must be removed as a safety measure; or

e. No longer living.

**SEC. 9.503 PALM PLANTING AND MAINTENANCE**

A. Recommended Maintenance Best Practices.

1. Trimming is recommended to remove dead or dying fronds in order to prevent breakage, eliminate nesting places for pests, and reduce fire and visual hazards.
2. In order to avoid seeding, trimming should occur between June and July.
3. In order to prevent the spread of disease, including Fusarium wilt, all tools should be cleaned and disinfected between trimming each palm by one of the following methods:

| Material* | % Solution | Minimum Soaking Time |
|---|---|---|
| Household bleach | 25% (1 part bleach + 3 parts water) | 5 minutes |
| Pine oil cleaner | 25% (1 part cleaner + 3 parts water) | 5 minutes |
| Rubbing alcohol (70% isopropyl) | 50% (1 part alcohol + 1 part water) | 5 minutes |
| Denatured ethanol (95%) | 50% (1 part ethanol + 1 part water) | 5 minutes |
| *the above materials were shown to be effective is eliminating fungus from the wood dust or palm sap trapped on pruning tools (Simone 1998). It is suggested that the solution be replaced after 10 trees or every 2 hours. Rinse the tool with fresh water after soaking. Other potential disinfectants include trisodium phosphate or quaternary ammonium salts. The latter is recommended at a 5% solution, soaking for five minutes (Smith, Smith, and Clements 2003). Information courtesy of the University of Florida FAS Extension Service. | | |

4. Remove only those fronds that are brown and pointing down. Do not remove green fronds, doing so may cause the palm stress. Leave as many green fronds as you possibly can on the palm. Palms need many green fronds to produce a steady food supply so that the plant can grow. A palm cannot stay healthy and build reserves without a considerable number of green fronds.

2. Palm height shall be measured from ground level to the base of the growth point.
3. A significant palm shall be considered the following:
    a. Date Palms:
        1. Canary Island Date Palm (Phoenix canariensis) at 8 feet in height;
        2. Phoenix Date Palm (Phoenix dactylifera sylvestri (canariensis)), not including Pygmy Date Palm (Phoenix roebelenii), at 10 feet in height;
    b. Pindo Palm (Butia capitata) at 5 feet in height;
    c. Sabal Palm (Sabal mexicana) at 8 feet in height;
    d. Washingtonia Palm (Washingtonia filifera) at 15 feet in height;
    e. Washingtonia Palm (Washingtonia robusta and crosses) at 20 feet in height;
    f. Blue Hesper (Brahea armata) at 8 feet in height;
    g. Chinese fan (Livistona chinensis) at 8 feet in height; and
    h. Bismarck (Bismarkia nobilis) at 8 feet in height.
4. A significant palm stand is a group of palms that cover a total of at least 10,000 square feet of ground area, regardless of the height of the palms or the shape of the stand.

**B. **ORDINANCE NO. 20- _____**

**AN ORDINANCE OF THE CITY OF GALVESTON, TEXAS AMENDING THE 2015 GALVESTON LAND DEVELOPMENT REGULATIONS, BY AMENDING ARTICLE 9: SECTION 9.500, TREE PRESERVATION TO PROVIDE THE REQUIREMENT OF A PERMIT PRIOR TO REMOVAL OF A SIGNIFICANT TREE AND CLARIFICATION OF ACTIVITIES THAT MAY BE HARMFUL TO TREES; PLANNING CASE NUMBER 19ZA-007; MAKING VARIOUS FINDINGS AND PROVISIONS RELATED TO THE SUBJECT.**

**WHEREAS,** on March 5, 2015, City Council adopted the 2015 Galveston Land Development Regulations, including Article 9: Landscaping; and,

**WHEREAS,** as presented in its staff report, attached and incorporated herein as **Exhibit 1**, Staff, is requesting a text amendment to amend Article 9 "Landscaping, Division 9.500 Tree Preservation", to provide for the requirement of obtaining a permit prior to removal of a significant tree and to clarify activities that may be harmful to trees; and,

**WHEREAS,** per Section 13.700 of the Galveston Land Development regulations, and as presented in the Staff Report, the requested amendments are in accordance with the criteria for text amendments; and,

**WHEREAS,** text amendments shall serve the purposes of:

1. Advancing the goals, objectives and policies of the City's Comprehensive Plan and other adopted special-area and special-topic plans;
2. Securing adequate light, air, convenience of access, and safety from fire, flood and other danger;
3. Lessening or avoiding congestion in public ways; Promoting the public health, safety, comfort, morals, convenience and general welfare; and Otherwise accomplishing the purposes of Texas Local Government Code Chapter 211, Municipal Zoning Authority; and,

**WHEREAS, in preparation and consideration of proposed** text amendments the Planning Commission and the City Council shall pay reasonable regard to:

1. The Comprehensive Plan and related plans;
2. Current conditions and the character of current uses and structures in each district;
3. The most desirable use for which the land in each district is adapted;
4. The conservation of property values throughout the jurisdiction; and,
5. Responsible development and growth

**WHEREAS,** Staff, recommends approval of the text amendment; and,

**WHEREAS,** the Planning Commission, at its regular meeting of December 17, 2019, voted to recommend approval of the text amendment request as set forth in **Exhibit 1**; and,

**WHEREAS,** after public notice and hearing as required by law, the City Council finds that it is in the public's interest to approve the text amendment as provided in Section 2 below.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Ordinance are found to be true and correct and they are hereby adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** In accordance with the City of Galveston 2011 Comprehensive Plan, the City Council of the City of Galveston hereby amends the 2015 Galveston Land Development Regulations Article 9: Landscaping, to read and provide as follows:

**Division 9.500 - Tree Preservation**

**SEC. 9.501 - PROTECTION OF EXISTING SIGNIFICANT TREES**

A. **Generally.** Sites shall be designed to preserve existing trees and tree stands that are considered "significant" as provided in this Section. Although not included in this Section, small trees provide benefits to the community as well. Species such as Yaupon, Possumhaw, Flameleaf Sumac, Wax Myrtle, and Redbud are native to the Island and Texas and highly adapted to the coastal environment. Small trees such as these with a 3 inch diameter at breast height (DBH) of the largest stem are encouraged to be preserved and are eligible for planting credits in Table 9.303, Mature Tree Preservation Standards. Please see Division 9.600 for provisions regarding the protection of palms.

***

D. Exempted Trees. Trees of any size that appear on the Invasive and Noxious Weeds list for the State of Texas promulgated by the United States Department of Agriculture or on the Texas Noxious and Invasive Plants list promulgated by the Texas Department of Agriculture are exempted from this Section and may be removed. Identification by an International Society of Arboriculture Certified Arborist and/or degreed Forester is recommended.

E. Permit Required. A permit shall be obtained by the property owner prior to authorizing or subjecting a significant tree to removal.

***

**Sec. 9.503. OFFENSE**

A. It is a violation of this section to perform activities that may result in the decline in health and/or death of a significant tree, including but not limited to pruning of large limbs, tree topping, destruction of bark ;leading to scarring on trunk, and/or detrimental activities (such as construction and/or soil compaction) within the critical root zone.

**SECTION 3.** It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses, and phrases of this Ordinance are severable and, if any phrase, clause, sentence, paragraph or section of this Ordinance should be declared invalid by the final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Ordinance.

**SECTION 4.** All Ordinances or parts thereof in conflict herewith are repealed to the extent of such conflict only.

**SECTION 5.** In accordance with the provisions of Section 12 and 13 of Article II of The City Charter this Ordinance has been publicly available in the office of the City Secretary for not less than 72 hours prior to its adoption; that this Ordinance may be read and published by descriptive caption only.

**SECTION 6.** This Ordinance shall be and become effective from and after its adoption and publication in accordance with the provisions of The Charter of the City of Galveston.

**Executive Summary:**
Some deficiencies in the Tree Preservation Division of the Land Development Regulations have recently been identified by Staff:

1. Lack of clear statement that a permit is required for removal of a significant tree (tree with a diameter at breast height (DBH) of 10 inches or greater). Staff is recommending additional language in Section 9.501 (E) to clearly indicate that a permit is required prior to the removal of a significant tree; and
2. Lack of language addressing activities that may harm trees and cause them to die. Staff is concerned that this oversight may cause persons to harm their trees and cause them to die to circumvent the regulations. Staff is proposed language to clarify that it is a violation to perform activities to a significant tree that results in the decline in health or death such as pruning of large limbs, tree topping, destruction of bark, and/or detrimental activities within the critical root zone.

**Criteria for Text Amendments:**

Per Section 13.700: Text Amendments of the Land Development Regulations:
Recommendations and decisions regarding petitions for amendments to the text of these regulations are legislative in nature, but shall be based on consideration of all the following criteria:

1. The proposed amendment will help to implement the adopted City of Galveston 2011 Comprehensive Plan or if it involves a topic that is not addressed or not fully developed in the City of Galveston 2011 Comprehensive Plan, the proposed amendment will not impair the implementation of the adopted City of Galveston 2011 Comprehensive Plan and other adopted special-area and special-topic plans when compared to the existing regulations.

2. The proposed amendment is consistent with the stated purposes of these regulations.

3. The proposed amendment will maintain or advance the public health, safety, or general welfare.

4. The proposed amendment will help to mitigate adverse impacts of the use and development of land on the natural or built environment, including, but not limited to mobility, air quality, water quality, noise levels, storm water management, wildlife protection, and vegetation or will be neutral with respect to these issues.

5. The proposed amendment will advance the strategic objectives of the City Council such as fiscal responsibility, efficient use of infrastructure, public services, and other articulated City objectives.

**Criteria for Text Amendments Cont.**

Per Section 13.700: Text Amendments of the Land Development Regulations:

Purposes: Text amendment proposals shall serve the following purposes:

1. Advancing the goals, objectives and policies of the City's Comprehensive Plan and other adopted special-area and special-topic plans;
2. Securing adequate light, air, convenience of access, and safety from fire, flood and other danger;
3. Lessening or avoiding congestion in public ways; Promoting the public health, safety, comfort, morals, convenience and general welfare; and Otherwise accomplishing the purposes of Texas Local Government Code Chapter 211, Municipal Zoning Authority.

**Consideration for Text Amendments**

Considerations: In preparation and considering proposals for text amendments, the Planning Commission and City Council shall pay reasonable regard to:

1. The Comprehensive Plan and related plans;
2. Current conditions and the character of current uses and structures in each district;
3. The most desirable use for which the land in each district is adapted;
4. The conservation of property values throughout the jurisdiction; and
5. Responsible development and growth.

**Other Reviews**

The Tree Committee would typically be asked to review any changes to the Tree Protection Division as a courtesy. However, due to the holidays, the Tree Committee will not be meeting again until the end of January. Staff would like to get these changes adopted as soon as possible. The Tree Committee has been briefed by email and no comments were received.

The Planning Commission reviewed on December 17, 2019 and unanimously voted to recommend approval with the following change:

- Add a reference to the protection of palms. (Please note that if case 19ZA-006 is not adopted by City Council, this addition will be null and void)

**Staff Recommendation**

Staff recommends approval of the request as submitted.

# Division 9.500 Tree Preservation (ORD. 18-047)

## SEC. 9.501 PROTECTION OF EXISTING SIGNIFICANT TREES

A. **Generally.** Sites shall be designed to preserve existing trees and tree stands that are considered "significant" as provided in this Section. Although not included in this Section, small trees provide benefits to the community as well. Species such as Yaupon, Possumhaw, Flameleaf Sumac, Wax Myrtle, and Redbud are native to the Island and Texas and highly adapted to the coastal environment. Small trees such as these with a 3 inch diameter at breast height (DBH) of the largest stem are encouraged to be preserved and are eligible for planting credits in Table 9.303, Mature Tree Preservation Standards. Please see Division 9.600 for provisions regarding the protections of palms.

**Commented [CG1]:** Please note that if case 19ZA-006 is not adopted by City Council, this addition will be null and void

For the purposes of this Division:

1. A significant tree has a diameter at breast height (DBH) of 10 inches or greater; and
2. A significant tree stand is a group of trees with interconnected canopies that cover a total of at least 10,000 square feet of ground area.

B. **Removal of Significant Trees and Stands of Trees.** The City Manager or City Arborist, if applicable, may approve the removal of a significant tree or tree stand if it is demonstrated that:

1. No reasonable alternative site design at the same development intensity could be approved that:
   a. Would preserve the tree(s);
   b. If large-scale preservation is not possible, would preserve the largest of the trees; or
   c. If protection of the largest tree(s) is not possible, would preserve a greater number of trees than the proposed development design.
2. It is located within 10 feet of an approved building footprint of new construction or addition;
3. It is located within 6 feet of a utility easement and would interfere with the use of the easement as determined by the City Engineer;
4. It is located within 8 feet of an approved outdoor recreation area that by its nature requires the removal of the trees, such as ball fields;
5. It is ordered removed by the City Manager for other emergency reasons;
6. It is being removed for agricultural purposes; or,
7. It is certified to the City by an International Society of Arboriculture Certified Arborist or degreed Forester as having one or more of the following conditions:
   a. Unhealthy or structurally unsound;
   b. Damaged by natural causes beyond the point of recovery;
   c. Diseased beyond the point of recovery;

d. Poses a threat to the public and must be removed as a safety measure; or

e. No longer living.

C. **Removal of Tree Stands.** Tree stands may be located across multiple parcels. In the event of an approved removal of a portion of a tree stand, the owner is encouraged to coordinate with adjacent property owners in order to reduce negative effects to the overall tree stand.

D. **Exempted Trees.** Trees of any size that appear on the *Invasive and Noxious Weed*s list for the State of Texas promulgated by the United States Department of Agriculture or on the *Texas Noxious and Invasive Plants* list promulgated by the Texas Department of Agriculture are exempted from this Section and may be removed. Identification by an International Society of Arboriculture Certified Arborist and/or degreed Forester is recommended.

E. **Permit Required.** A permit shall be obtained by the property owner prior to authorizing or subjecting a significant tree to removal.

## SEC. 9.502 TREE REPLACEMENT (ORD. 18-047)

A. **Generally.** The removal of significant trees or tree stands must be mitigated. All requests for the removal of significant trees or tree stands shall be accompanied by a tree mitigation plan. Mitigation shall be achieved by the planting of the same number of caliper inches removed, payment to the tree mitigation fund, or combination thereof.

B. **Tree Replacement Required.** Significant trees or tree stands that are approved for removal shall be replaced based on one caliper inch of tree planted for one caliper inch of tree removed. All replacement shall occur on the property on which the removal occurred. All new tree species shall be from among tree species on a City approved plant list.

Trees planted as a requirement of this Section shall be inspected by the City Arborist, if applicable, for viability two years after planting. If the replacement trees are found to be dead or dying, they must be replaced following notification by the City. A planting plan and schedule shall be submitted within 45 days from the notification by the City. Failure to replace according to the approved planting plan and schedule shall constitute a violation of these regulations.

The tree replacement chart, below, shall be used to determine the total number and size of trees that shall be planted as replacement trees for all trees permitted to be removed. The replacement trees are based on the diameter in inches (DBH) of the trees to be removed. To determine the required replacement trees, calculate the total sum in inches of the diameters of all trees to be removed. This sum will result in one (1) single number in inches that represents the combined total of the diameters of all trees to be removed. Diameter measurement shall be rounded up to the nearest inch.

Up to 30 percent of the two-inch DBH replacement tree requirement may be met by native species with a minimum height of eight feet and a minimum DBH of one inch at time of planting.

C. **Tree Mitigation Fund.** In lieu of the tree replacement requirements, mitigation may be achieved through the contribution to an account dedicated to landscaping and trees for the City. The mitigation amount shall be established by the City Council as part of the annual budget process:

1. $125 per caliper inch of tree removed for 10 inch DBH to 12 inch DBH caliper trees.
2. $200 per caliper inch of tree removed for over 12 inch DBH caliper trees.

D. **Combination.** Mitigation may be achieved through a combination of tree replacement and payment to the tree mitigation fund provided that the total of caliper inches approved for removal are mitigated.

E. **Exempted Trees.** Trees that are being grown and removed for agricultural purposes; or trees that are certified to the City by an International Society of Arboriculture Certified Arborist or degreed Forester as having one or more of the following conditions are exempted from the tree replacement requirements of this section:

1. Unhealthy or structurally unsound;
2. Damaged by natural causes beyond the point of recovery;
3. Diseased beyond the point of recovery:
4. Poses a threat to the public and must be removed as a safety measure; or
5. No longer living.

## SEC. 9.503 OFFENSE

A. It is a violation of this section to perform activities that may result in the decline in health and/or death of a significant tree, including but not limited to pruning of large limbs, tree topping, destruction of bark leading to scarring on trunk, and/or detrimental activities (such as construction and/or soil compaction) within the critical root zone.

**ORDINANCE NO. 20-___**

**AN ORDINANCE OF THE CITY OF GALVESTON, TEXAS, APPROVING AND ADOPTING THE AMENDED FISCAL YEAR 2020 BUDGET OF THE GALVESTON INDUSTRIAL DEVELOPMENT CORPORATION; MAKING VARIOUS FINDINGS AND PROVISIONS RELATED TO THE SUBJECT; PROVIDING FOR AN EFFECTIVE DATE.**

---

**WHEREAS**, the Galveston Industrial Development Corporation (IDC) resolved to amend their Fiscal Year 2020 budget by reducing the contingency for the Lasker Pool to $20,832 from $120,832, by increasing expenditures for Lasker Pool to $400,000 from $300,000, and by adding an expenditure of $15,000 for the Windstorm Consultant.

**WHEREAS**, the IDC approved the transfer at its February 4, 2020 meeting.

**WHEREAS**, the City Council of the City of Galveston deems it in the public interest to approve of the budget amendment by the IDC.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Ordinance are found to be true and correct and they are hereby adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** The City Council hereby approved and adopts the budget amendment of the IDC approved by the Board of Directors on February 4, 2020 and included with this ordinance as Exhibit A.

**SECTION 3.** It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses, and phrases of this Ordinance are severable and, if any phrase, clause, sentence, paragraph or section of this Ordinance should be declared invalid by the final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Ordinance.

**SECTION 4.** All Ordinances or parts thereof in conflict herewith are repealed to the extent of such conflict only.

**SECTION 5.** In accordance with the provisions of Sections 12 and 13 of Article II of the City Charter this Ordinance has been publicly available in the office of the City Secretary for not less than 72 hours prior to its adoption; that this Ordinance may be read and published by descriptive caption only.

**SECTION 6.** The City Council officially finds, determines, and declares that sufficient notice of the date, hour, place, and subject of each meeting at which this Ordinance was discussed, considered, or acted upon was given in the manner required by the Texas Government

Code and Texas Local Government Code, and that each such meeting has been open to the public, as required by law, at all times during such discussion, consideration, and action. The City Council ratifies, approves, and confirms such notices in the contents and posting thereof.

**SECTION 7.** This Ordinance shall be and become effective from and after its adoption and publication in accordance with the provisions of the City Charter of the City of Galveston.

Staff Report

February 27 2020

Brian Maxwell, City Manager
Honorable Mayor and City Council Members

**Subject:**

Consideration of a Resolution of the Board of Directors of the Industrial Development Corporation, amending the IDC operating budget by reducing the amount of Contingency for Capital Projects in FY 2020 for Lasker Pool to ($20,832) from ($120,832).

The amount of expenditure in FY 2020 for Lasker Pool will be amended to ($400,000) from ($300,000).

The amount of expenditure in FY 2020 for the Windstorm Consultant will be amended to ($15,000) from ($0).

## I. Background

A. The Industrial Development Corp (IDC) approved the Resolution during the February 4, 2020 IDC meeting.

## II. Current Situation

A. The Industrial Development Corporation was requested to consider approval of a Resolution of the Board of Directors of the Industrial Development Corporation amending the IDC budget reducing the amount of Contingency for Capital Projects, and increasing the IDC expenditure. As well as amend the contribution for the Windstorm Consultant.

B. Description of Work
   a. The increase in IDC Lasker Pool expenditures operational costs of running the pool as an effective recreational asset for the City of Galveston.
   b. The budget amendment as it relates to the Windstorm Consultant will allow IDC to have representation as it relates to windstorm insurance policy.

## III. Recommendation

Approve the Resolution of the Board of Directors of the Industrial Development Corporation.

## IV. Fiscal Impact Report

| | |
|---|---|
| Staff | Garrett McLeod |
| Funding Source | 4B IDC Funds |
| Cost | $100,000- Lasker Pool<br>$15,000- Windstorm Consultant |

## V. Economic Impact

The increase in expenditures will provide the City of Galveston Parks and Recreation staff the necessary means to maintain and provide a quality asset in Lasker Pool for the citizens of Galveston Island. This correlates directly with the enhancement of city amenities, and the quality of life for Galveston residents, visitors of Galveston, and the draw of future visitors. The increase in expenditures for the Windstorm Consultant will engage them to provide strategic public law and policy consulting before the Texas Legislature as it relates to windstorm insurance.

Respectfully Submitted,

Garrett McLeod

MEMORANDUM

TO: Members of City Council

FROM: Donald S. Glywasky, City Attorney

DATE: February 18, 2020

RE: Civilian Review Board

Please accept this memorandum as a staff report to relate the changes proposed to the Civilian Review Board (CRB).

At the December meeting Council had, at my urging, suspended operation of the Civilian Review Board. The concerns which had prompted this recommendation revolved around confidential information being shared with member of the CRB. Those concerns were shared by Chief Hale. I have drafted a proposed change to the CRB ordinance which will address the immediate concerns and allows its operations to resume.

This solution has been crafted with the assistance of Chief Hale, the officers who are the liaison with the CRB, and the President of the GMPA.

By way of reminder, when a complaint about alleged police misconduct is made, the complaint is investigated by the GPD Office of Professional Standards. Depending on the findings, the Chief may impose discipline ranging from a written warning or more stringent measures up to and including termination.

Galveston PD is a civil service agency governed under Texas Local Government Code Ch. 143. Under Tex. Loc Gov't Code §143.089(g) certain police disciplines are confidential. The disciplines which are not confidential are those that result in: 1) termination; 2) demotion; or 3) suspension. Those disciplinary actions and underlying OPS investigations are placed in the officer's personnel file ("a" file) and are open to review. Investigations which find no wrongdoing or result in lesser discipline are placed in the officer's "g" file and are confidential by law. Those documents may be reviewed only with the consent of the officer involved. Previously, the CRB had been afforded review of those investigations in violation of §143.089(g).

I spoke with the GMPA's attorney and he related he had voiced these concerns when the CRB was created and his concerns were ignored.

Procedurally, the CRB has been allowed to review case files at their convenience. A member can go to the police station and ask to review a file. The member reads the file in the presence of a police officer but there is little oversight. Since those files can contain confidential information such as TLETs information, that poses another confidentiality concern.

The proposed ordinance is directed to those concerns. The proposed procedure is that the Chief will give the Board all non confidential information which he deems relevant and necessary for the CRB to review. Presently contemplated is that the CRB will be presented a synopsis of the facts by one of the liaison officers using powerpoint to expedite the delivery of relevant

information. Confidential information will not be made available to the CRB. However, if there is information in an officer's "g" file it may be released with the consent of the officer.

Meetings will continue to conducted in the police station. This is driven by practical considerations; certain computer programs that may be needed are available only at the department. A citizen may request to attend the CRB meeting, but the Chief is given discretion to decide whether to grant the request. This is done out of security considerations. Recommendations of the Board will be given to the Chief and also to the City Secretary. With these changes the CRB can resume operations immediately.

The ordinance governing the CRB will be included for review again as part of the Code review process. But there is good reason for not doing that at this time.

After the event with Mr. Neely, the Department of Justice sponsored a local community group to address police and community issues related to policing. Those meeting are ongoing and have as their goal recommendations to enhance police/community relations. Those discussions may result in ideas which could be incorporated into the CRB, so the thought is to wait for that DOJ sponsored committee to issue its recommendations before making further changes to the CRB.

**ORDINANCE NO. 20-____**

AN ORDINANCE OF THE CITY OF GALVESTON, TEXAS, AMENDING "THE CODE OF THE CITY OF GALVESTON 1982, AS AMENDED", CHAPTER 8, "BEACHES AND WATERWAYS", SECTION 8-27, "LEAVE NO TRACE"; TO PROVIDE FOR A SPECIFIC HOUR OF THE MORNING BEFORE WHICH LEAVING PERSONAL PROPERTY UNATTENDED IS PROHIBITED; MAKING VARIOUS FINDINGS AND PROVISIONS RELATED TO THE SUBJECT; PROVIDING FOR AN EFFECTIVE DATE.

---

**WHEREAS**, the City Council of the City of Galveston has adopted an Ordinance entitled "Leave No Trace" found at Section 8-27 in The City Code of Galveston, 1982, as amended; and,

**WHEREAS**, the "Leave No Trace" ordinance provides it is a violation of the law to leave personal items unattended on the beach between the "hours of sunset and sunrise on the following day, except as otherwise permitted," and,

**WHEREAS**, representatives of the Galveston Beach Park Board of Trustees have requested a change to the law to provide a time certain in the morning before which the prohibition is in effect for the purpose of clarity in enforcement; and,

**WHEREAS**, the City Council deems it necessary and proper and in the best interests of the citizens of the City to accede to that request; and

**WHEREAS,** the City Council believes setting a time certain in the morning before which unattended items of personal property is declared unlawful will provide clarity and assist the citizens in complying with the provisions of the Ordinance; and,

**WHEREAS,** after public notice and hearing as required by law, the City Council finds that it is in the public's interest to amend Chapter 8, "Beaches and Waterways"; to provide for a specific hour of the morning before which leaving personal property on the beach unattended is prohibited.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Ordinance are found to be true and correct and they are hereby adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** Chapter 8 "Beaches and Waterways" of "The Code of The City of Galveston 1982, as amended," to read and provide for as follows:
Secs. 8-27**. Leave No Trace**

(1) ***

(b) It shall be unlawful for any person to leave an item of personal property unattended on the public beaches or within the public beach access areas between the ~~hours of sunset and sunrise~~ on and the hour of 7:00 am of the following day, except as otherwise permitted.

***

**SECTION 3** It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses, and phrases of this Ordinance are severable and, if any phrase, clause, sentence, paragraph or section of this Ordinance should be declared invalid by the final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs, and sections of this Ordinance.

**SECTION 4.** All Ordinances or parts thereof in conflict herewith are repealed to the extent of such conflict only.

**SECTION 5.** In accordance with the provisions of Section 12 and 13 of Article II of The City Charter this Ordinance has been publicly available in the office of the City Secretary for not less than 72 hours prior to its adoption; that this Ordinance may be read and published by descriptive caption only.

**SECTION 6.** This Ordinance shall be and become effective from and after its adoption and publication in accordance with the provisions of The Charter of the City of Galveston.

## Chapter 11.5 - CLEAN AIR: SMOKING IN PUBLIC PLACES

**Sec. 11.5-1. - ~~Purpose~~.**

~~The purpose of this chapter is to:~~

~~(1) Improve and protect the public's health by eliminating smoking in public places and workplaces;~~

~~(2) Promote the right of nonsmokers to breathe smoke-free air; and~~

~~(3) Recognize that the need to breathe smoke-free air shall have priority over the choice of smoke~~.

**Sec. 11.5-2. - Definitions.**

*Adult venue* ~~means~~ - a bar that excludes minors and that meets the following requirements:

(1) The bar does not allow the entrance of minors, including without limitation any guests, patrons or employees that are minors;

(2) The bar is located in a separate building from any other public place or is independently ventilated- or completely separated from any other public place by impermeable ceilings and impermeable walls; and

(3) Has a sign conspicuously posted that meets the requirements of subsection 11.5-11(d).

*Bar* ~~means~~ - an area that is devoted to the serving of alcoholic beverages for consumption by guests on the premises and in which the serving of food is only incidental to the consumption of such beverages. A "bar" includes those facilities located within a restaurant, hotel, motel or other similar transient occupancy establishment and those establishments that allow guests to bring their own alcoholic beverages for consumption on premises. For purposes of this chapter, a bar includes any place where alcohol is consumed, whether purchased on or brought to the premises.

*Business* ~~means~~ - any sole proprietorship, partnership, joint venture, corporation or other business entity formed for profit-making purposes, including retail establishments where goods or services are sold as well as professional corporations and other entities where legal, medical, dental, engineering, architectural or other professional services are delivered.

*City Park* – A city owned facility exclusively managed by the city or its utilities, where members of the general public assemble to observe and/ or engage in recreational activity. The term shall include city owned playgrounds often frequented by minors engaged in play or similar activity.

*E-cigarette* - an electronic cigarette or any other device that simulates smoking by using a mechanical heating element, battery, or electronic circuit to deliver nicotine or other substances to the individual inhaling from the device. The term does not include a prescription medical device unrelated to the cessation of smoking. The term includes:

(A) a device described by this Chapter regardless of whether the device is manufactured, distributed, or sold as an e-cigarette, e-cigar, or e-pipe or under another product name or description; and

(B) a component, part, or accessory for the device, regardless of whether the component, part, or accessory is sold separately from the device.

*Employee* ~~means~~ - a person who is employed by an employer in consideration for direct or indirect monetary wages or profit, and a person who volunteers his or her services for a nonprofit entity.

*Employer* ~~means~~ - a person, partnership, corporation, including a municipal corporation, or non-profit entity, which employs the services of one (1) or more persons.

*Enclosed area* ~~means~~ - a space that is enclosed on all sides by solid walls that extend from the floor to the ceiling (exclusive of windows, doors or passageways), including all space therein screened by partitions which do not extend to the ceiling or are not solid.

*Enclosed Public Area* - for purposes of this chapter shall include the following:

(1) Aquariums, galleries, libraries, and museums.

(2) Areas available to and customarily used by the general public in businesses and non-profit entities patronized by the public, including but not limited to, professional offices, banks, hotels, and laundromats.

(3) Areas where prohibited by city fire code.

(4) Bars, including restaurant bars, lounge bars, and taverns that do not satisfy the adult venue requirements of this chapter.

(5) Bingo facilities.

(6) City facilities and vehicles.

(7) Convention facilities.

(8) Educational facilities, both public and private.

(9) Elevators.

(10) Theaters and other facilities primarily used for exhibiting a motion picture, stage, drama, lecture, musical recital, or other similar performance.

(11) Health care facilities.

(12) Licensed childcare and adult day care facilities.

(13) Lobbies or hallways, and other common areas in apartment buildings, condominiums, hotel, motel, and bed and breakfasts, retirement facilities, nursing homes, and other multiple-unit residential facilities.

(14) Polling places.

(15) Public transportation facilities, including buses, trolleys, taxicabs, ferries, cruise ship terminals and ticket, boarding, covered or enclosed waiting areas of public transit depots.

(16) Restaurants.

(17) Restrooms, lobbies, reception areas, hallways, and other common-use areas.

(18) Retail establishments.

(19) Rooms, chambers, places of meeting or public assembly, including school buildings, under the control of an agency, board, commission, committee or council of the city or a

political subdivision of the state, to the extent the place is subject to the jurisdiction of the city.

(20) Service lines.

(21) Shopping malls.

(22) Sports arenas, including enclosed places in outdoor arenas.

*Fraternal organization* ~~means~~ - a non-profit organization that:

(1) Is chartered by a national organization in existence since 1953;

(2) Is tax exempt under Section 501(c)(8), (10), or (19) of the Internal Revenue Code;

(3) Operates under a lodge system with a respective form of government; and

(4) Is organized for the exclusive benefit of the members of the organization and their dependents.

*Health care facility* ~~means~~ - an office or institution providing care or treatment of diseases, whether physical, mental, or emotional, or other medical, physiological, or psychological conditions, including but not limited to, hospitals, rehabilitation hospitals or other clinics, including weight control clinics, nursing homes, homes for the aging or chronically ill, laboratories, and offices of surgeons, chiropractors, physical therapists, physicians, dentists, and all specialists within these professions. This definition shall include all waiting rooms, hallways, private rooms, semiprivate rooms, and wards within health care facilities.

*Minor* ~~means~~ - an individual under the age of eighteen (18).

~~*Necessary steps,* as used in this chapter, means that the owner/operator shall take the first step listed, and so many of the subsequent steps as are necessary to prevent occupants from smoking:~~

~~(1) Post signs advising occupants that smoking is prohibited, and remove all ashtrays from the premises;~~

~~(2) Advise a smoking occupant that smoking is prohibited on the premises;~~

~~(3) Refuse to serve any occupant who persists in smoking despite the above;~~

~~(4) Ask any occupant who persists in smoking despite the above, to leave the premises;~~

~~(5) Follow standard business procedures taken when any occupant violates house rules;~~

~~(6) If none of the previous steps causes the occupant to leave or stop smoking, notify the police department~~.

*Operator* ~~means~~ - the owner or person in charge of a public place or workplace, including an employer.

*Outdoor seating area* ~~means~~ - any patio, sidewalk cafe, or similar unenclosed area in which a contiguously situated restaurant or bar provides outdoor service to its patrons.

*Private club* ~~means~~ - an organization, whether incorporated or not, which is the owner, lessee, or occupant of a building or portion thereof used exclusively for club purposes at all times, which is operated solely for a recreational, fraternal, social, patriotic, political, benevolent, or athletic purpose, but not for pecuniary gain, and which only sells alcoholic beverages incidental to its

operation. The affairs and management of the organization are conducted by a board of directors, executive committee, or, similar body chosen by the members at an annual meeting. The organization has established bylaws and/or a constitution to govern its activities. The organization has been granted an exemption from the payment of federal income tax as a club under 26 U.S.C. Section 501.

*Private place* ~~means~~ - any enclosed area to which the public is not invited or in which the public is not permitted, including but not limited to, personal residences, or personal automobiles. A privately-owned business, open to the public, is not a "private place." A private residence used as child care, adult day care, or health care facility is not a private place.

~~*Public place* means - an enclosed area to which the public is invited or in which the public is permitted, including but not limited to, banks, bars, cruise ship terminals, educational facilities, health care facilities, laundromats, public transportation facilities, reception areas, restaurants, retail food production and marketing establishments, retail service establishments, retail stores, shopping malls, sports arenas, theaters and waiting rooms.~~ A private residence is not a "public place" unless it is used as child care, adult day care, or health care facility.

~~(20) Restrooms, lobbies, reception areas, hallways, and other common-use areas.~~

~~(21) Retail establishments.~~

~~(22) Rooms, chambers, places of meeting or public assembly, including school buildings, under the control of an agency, board, commission, committee or council of the city or a political subdivision of the state, to the extent the place is subject to the jurisdiction of the city.~~

~~(23) Service lines.~~

~~(24) Shopping malls.~~

~~(25) Sports arenas, including enclosed places in outdoor arenas.~~

**Sec. 11.5-3. - Enclosed places of employment**.

~~(b)~~ Smoking shall be prohibited in an enclosed area of a workplace. This includes common work areas, auditoriums, classrooms, conference and meeting rooms, private offices, elevators, hallways, medical facilities, cafeterias, employee lounges, stairs, restrooms, vehicles, and all other enclosed facilities.

~~(c) Smoking shall be prohibited within five (5) feet from an entrance, operable window, or ventilation system of an enclosed area in which smoking is prohibited.~~

~~(d) The owner or operator of a public place shall take necessary steps to prevent or stop another person from smoking in an enclosed area in a public place.~~

**Sec. 11.5-4. - ~~Prohibition of~~ Smoking in outdoor areas.**

Smoking shall be prohibited in the following outdoor areas:

(1) The seating area of an outdoor arena, stadium or amphitheater.

(2) In all outdoor service lines.

(3) In all outdoor public transportation stations, platforms, and shelters.

(4) City parks.

**Sec. 11.5-5. - Reasonable distance.**

Smoking is prohibited within a reasonable distance of not less than five (5) feet outside entrances, operable windows, and ventilation systems of enclosed areas where smoking is prohibited.

**Sec. 11.5-6. - City-owned and public transportation facilities. ~~Application of chapter to City-owned facilities and public transportation facilities.~~**

All facilities owned, leased or operated by the City, including but not limited to parks, playgrounds, transportation facilities including buses, trolleys, ticket, boarding, covered or

enclosed waiting areas of public transit depots, buildings, and vehicles owned, leased or operated by the city, shall be subject to the provisions of this chapter.

**Sec. 11.5-7. – Where smoking is not regulated. ~~Exceptions from prohibition~~.**

Unless otherwise noted, this chapter does not apply to:

(1) Private residential property; a dwelling unit that is used exclusively for a residential use;

(2) Private vehicles, except when being used in the course of employment;

(3) A hotel or motel room designated as a smoking room and rented to a person, provided, however, that no more than twenty (20) percent of hotel and motel rooms rented to guests may be so designated. All smoking rooms on the same floor must be contiguous and smoke from these rooms must not infiltrate into areas where smoking is prohibited under the provisions of this chapter. That status of rooms as smoking or nonsmoking may not be changed, except to add additional nonsmoking rooms;

(4) A private or semi-private room in a nursing home or long-term care facility that is occupied by individuals who smoke and have requested in writing to be placed in a room where smoking is permitted; provided that smoke from these places does not infiltrate into areas where smoking is prohibited under the provisions of this chapter;

(5) A retail tobacco store;

(6) Outdoor seating areas as defined in this chapter;

(7) Bars that satisfy all adult venue requirements; or

(8) Private clubs.

**Sec. 11.5-8. - Outdoor distance exceptions.**

A person may smoke within five (5) feet of an entrance to a restricted smoking facility if:

(1) The entrance is not a primary public pedestrian entrance to the premises; or

(2) The distance between the entrance and the adjacent roadway is less than five (5) feet.

~~**Sec. 11.5-9. - Employer responsibilities**.~~

~~(a) Except as provided in subsection (b), an employer shall provide a smoke-free workplace for employees.~~

~~(b) If an employer requires employees to work in an area described in section 11.5-7 (exceptions from prohibition), the employer shall make reasonable accommodations for an employee who requests assignment to a smoke-free area. This subsection shall not apply to retail tobacco stores or adult venues.~~

~~(c) Each employer having any enclosed workplace located within the city shall adopt, implement and maintain a written smoke policy, which shall contain the following requirements:~~

~~(1) Smoking shall be prohibited in all enclosed facilities within a workplace. This includes common work areas, auditoriums, classrooms, conference and meeting rooms, private~~

~~offices, elevators, hallways, medical facilities, cafeterias, employee lounges, stairs, restrooms, vehicles, and all other enclosed facilities.~~

~~(2) Additionally, smoking is prohibited with a reasonable distance of not less than five (5) feet outside entrances, operable windows, and ventilation systems of enclosed areas where smoking is prohibited.~~

~~(d) The smoking policy shall be communicated to all employees within four (4) weeks of its adoption and posted conspicuously in all workplaces under the employer's jurisdiction.~~

~~(e) All employers shall supply a written copy of the smoking policy upon request to any existing or prospective employees.~~

**Sec. 11.5-10. - Voluntary designation of a non-smoking facility**.

~~Nothing in this chapter implies that the operator of any public or private place is prohibited from designating the entire facility as non-smoking~~. Notwithstanding any other provision of this Chapter, an owner, operator, manager, or other person in control of an establishment, facility, or outdoor area may declare that entire establishment, facility, or outdoor area as a nonsmoking place, non-electronic cigarette (e-cigarette) use and vapor products facility. Smoking shall be prohibited in any place in which a sign conforming to the requirements of this Chapter is posted.

**Sec. 11.5-11. - Signs required**.

(a) The ~~operator~~ owner, operator, manager of a public place shall conspicuously post a "No Smoking" or "No Vaping" sign, and/or the international "No Smoking" or "No Vaping" symbol (depiction of a burning cigarette or e-cigarette enclosed in a red circle with a red bar across it), or other sign containing words or pictures that reasonably prohibit smoking and vaping. The signs shall be written in contrasting colors with bold block lettering of not less than one (1) inch in height and must be conspicuously posted:

(1) In each public place and workplace where smoking is prohibited ~~by this chapter~~, and

(2) At each entrance to a public place or workplace.

(b) The ~~operator~~ owner, operator, manager of a public place shall conspicuously post signs in areas where smoking is permitted ~~under section 11.5-7 (exceptions from prohibition).~~

(c) The ~~operator~~ owner, operator, manager, or employer ~~of a public place and an employer~~ shall remove all ashtrays ~~any ashtray~~ or other smoking accessory from a place where smoking is prohibited.

(d) The ~~operator~~ owner, operator, manager of a retail tobacco store or an adult venue shall conspicuously post a sign stating:

"SMOKING IS PERMITTED IN THIS VENUE. NO PERSON UNDER THE AGE OF 18 MAY ENTER THIS VENUE."

(e) It is not a defense to prosecution under this chapter that an ~~operator~~ owner, operator, manager, or employer failed to post ~~a sign~~ signage as required under this section.

(f) Prevention Steps. The owner or operator of a public place shall take steps to prevent or stop another person from smoking in an enclosed area in a public place. Prevention steps include but are not limited to the following:

1. Posting signs advising occupants that smoking is prohibited, and remove all ashtrays from the premises; and so many of the following to prevent occupants from smoking:

   i. Advise a smoking occupant that smoking is prohibited on the premises;

   ii. Refuse to serve any occupant who persists in smoking despite the above;

   iii. Ask any occupant who persists in smoking despite the above, to leave the premises;

   iv. Follow standard business procedures taken when any occupant violates house rules;

   v. Notification of the police department.

**~~Sec. 11.5-12. - Retaliation prohibited~~**.

~~(a) A person commits an offense if the person discharges, refuses to hire, or retaliates against a customer, employee, or applicant for employment because the customer, employee or applicant for employment reports a violation of this chapter.~~

~~(b) An employee who works in a setting where an employer allows smoking does not waive or otherwise surrender any legal rights the employee may have against the employer or any other party.~~

**~~Sec. 11.5-13. - Enforcement~~.**

(a) ~~This section is cumulative of other laws regulating smoking, electronic cigarette or vapor products use providing enforcement authority.~~

(b) ~~This chapter shall be enforced by the fire department, police department, building inspections division, or code enforcement officers.~~

(c) ~~Any citizen may report a violation of this chapter to the city manager or his designee~~.

(d) ~~An owner, manager, operator, or employee of an establishment regulated by this chapter shall inform persons violating this chapter of the appropriate provisions thereof.~~

(e) ~~In addition to the remedies provided by the provisions of this section, the city may apply for injunctive relief to enforce these provisions in any court of competent jurisdiction.~~

**Sec. 11.5-14. - Violation and penalties**.

(a) A person who ~~smokes~~ commits an offense in violation of any provision of this chapter commits a class C misdemeanor, ~~punishable by a fine not to exceed five hundred dollars ($500.00). A culpable mental state is not required for a violation of this chapter, and need not be proved. However, if the violation was done intentionally, knowingly or~~

~~recklessly, the offense is~~ punishable by a fine not to exceed two thousand dollars ($2,000.00).

(b) Whenever an act is prohibited or is made or declared to be unlawful or an offense or misdemeanor, or whenever in this Chapter the doing of any thing or act is required or the failure to do any thing or act is prohibited, the violation of the provision is a Class C misdemeanor punishable by a fine not to exceed two thousand dollars ($2,000.00).

~~Sec. 11.5-14. - Violation and penalties.~~

~~(a) A person who smokes in violation of any provision of this chapter commits a class C misdemeanor, punishable by a fine not to exceed five hundred dollars ($500.00). A culpable mental state is not required for a violation of this chapter, and need not be proved. However, if the violation was done intentionally, knowingly or recklessly, the offense is punishable by a fine not to exceed two thousand dollars ($2,000.00).~~

~~(b) An operator or employer who owns, manages, operates, or otherwise controls a public place or workplace and who fails to comply with the provisions of this chapter shall be guilty of a class C misdemeanor, punishable by:~~

~~(1) A fine not exceeding two hundred dollars ($200.00) for a first violation.~~

~~(2) A fine not exceeding four hundred dollars ($400.00) for a second violation within a period of twelve (12) consecutive months.~~

~~(3) A fine not exceeding five hundred dollars ($500.00) for each additional violation within a period of twelve (12) consecutive months.~~

~~(c) Violation of this chapter is hereby declared to be a public nuisance, which may be abated by restraining order, preliminary and permanent injunction, or other means provided for by law, and the city may recover the costs of the nuisance abatement.~~

~~(d) It shall be presumed that a violation of this chapter is intentional if a sign is posted near the main entrance of the premises, indicating that smoking is prohibited.~~

~~(e) Other violations.~~

~~(1) It shall be a violation of this chapter for the operator of a retail tobacco store or an adult venue to allow a minor to enter and remain in the retail tobacco store or adult venue.~~

~~(2) It shall be a violation of this chapter for any minor to enter or remain in a retail tobacco store or an adult venue.~~

~~**Sec. 11.5-15. - Public education**.~~

~~(a) The city manager, or designee, shall:~~

~~(1) Obtain or develop a comprehensive tobacco education program to educate the public about the harmful effect of tobacco and its addictive qualities.~~

~~(2) Conduct informational activities to notify and educate businesses and the public about this chapter; and~~

~~(3) Coordinate the city's tobacco education program with other civic or volunteer groups organized to promote smoking prevention and tobacco education.~~

~~(b) To implement this section, the city manager, or designee, may publish and distribute educational materials relating to this chapter to businesses, their employees, and the public.~~

~~**Sec. 11.5-16. - Governmental agency cooperation**.~~

~~The city manager, or designee, shall annually request that each federal, state, county, and school district agency with a facility in the city adopt local operating procedures and update its existing smoking control regulation in compliance with this chapter.~~

**Sec. 11.5-17. - Application of other law.**

This chapter is cumulative of other laws that regulate the use of smoking, electronic cigarette or vapor products (as described in this chapter). This chapter shall not be interpreted or construed to permit smoking, electronic cigarette or vapor products use where it is otherwise restricted by other applicable ordinances, laws or policies.

ORDINANCE NO. 20- _____

AN ORDINANCE OF THE CITY OF GALVESTON, TEXAS, AMENDING THE CODE OF THE CITY OF GALVESTON, AS AMENDED, CHAPTER 11.5, "CLEAN AIR: SMOKING IN PUBLIC PLACES", TO AMEND, UPDATE REGULATIONS, STANDARDS, AND DEFINITIONS; TO MAKE CLARIFICATIONS, RENAME, RENUMBER AND REARRANGE THE CHAPTER AS APPLICABLE; PROVIDING FOR PENALTIES AS APPLICABLE; MAKING VARIOUS FINDINGS AND PROVISIONS RELATED TO THE SUBJECT; PROVIDING FOR AN EFFECTIVE DATE.

Staff has made recommendations in order to update regulations, standards and procedures and make clarifications, and modifications, as applicable to the Chapter in furtherance of promoting the public health, safety, morals and general welfare of the municipality and the safe, orderly, and healthful development of the municipality; and,

**WHEREAS**, the City Council deems it in the public's interest to amend Chapter 11.5, "Clean Air: Smoking in Public Places", of "The Code of The City of Galveston 1982, as amended," as provided below.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Ordinance are found to be true and correct and they are hereby adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** Chapter 11.5, "Clean Air: Smoking in Public Places", of "The Code of The City of Galveston 1982, as amended," is amended to provide as follows:

~~**Sec. 11.5-1. - Purpose.**~~

~~The purpose of this chapter is to:~~

~~(1) Improve and protect the public's health by eliminating smoking in public places and workplaces;~~

~~(2) Promote the right of nonsmokers to breathe smoke-free air; and~~

~~(3) Recognize that the need to breathe smoke-free air shall have priority over the choice of smoke~~.

**Sec. 11.5-1. - Definitions.**

*Adult venue* ~~means~~ - a bar that excludes minors and that meets the following requirements:

(1) The bar does not allow the entrance of minors, including without limitation any guests, patrons or employees that are minors;

(2) The bar is located in a separate building from any other public place or is independently ventilated- or completely separated from any other public place by impermeable ceilings and impermeable walls; and

(3) Has a sign conspicuously posted that meets the requirements of subsection 11.5-11(d).

*Bar* ~~means~~ - an area that is devoted to the serving of alcoholic beverages for consumption by guests on the premises and in which the serving of food is only incidental to the consumption of such beverages. A "bar" includes those facilities located within a restaurant, hotel, motel or other similar transient occupancy establishment and those establishments that allow guests to bring their own alcoholic beverages for consumption on premises. For purposes of this chapter, a bar includes any place where alcohol is consumed, whether purchased on or brought to the premises.

(2) In all outdoor service lines.

(3) In all outdoor public transportation stations, platforms, and shelters.

(4) City parks.

**Sec. 11.5-5. - Reasonable distance.**

Smoking is prohibited within a reasonable distance of not less than five (5) feet outside entrances, operable windows, and ventilation systems of enclosed areas where smoking is prohibited.

**Sec. 11.5-6. - City-owned and public transportation facilities. ~~Application of chapter to City-owned facilities and public transportation facilities.~~**

All facilities owned, leased or operated by the City, including but not limited to parks, playgrounds, transportation facilities including buses, trolleys, ticket, boarding, covered or enclosed waiting areas of public transit depots, buildings, and vehicles owned, leased or operated by the city, shall be subject to the provisions of this chapter.

**Sec. 11.5-7. – Where smoking is not regulated. ~~Exceptions from prohibition~~.**

Unless otherwise noted, this chapter does not apply to:

(1) Private residential property; a dwelling unit that is used exclusively for a residential use;

(2) Private vehicles, except when being used in the course of employment;

(3) A hotel or motel room designated as a smoking room and rented to a person, provided, however, that no more than twenty (20) percent of hotel and motel rooms rented to guests may be so designated. All smoking rooms on the same floor must be contiguous and smoke from these rooms must not infiltrate into areas where smoking is prohibited under the provisions of this chapter. That status of rooms as smoking or nonsmoking may not be changed, except to add additional nonsmoking rooms;

(4) A private or semi-private room in a nursing home or long-term care facility that is occupied by individuals who smoke and have requested in writing to be placed in a room where smoking is permitted; provided that smoke from these places does not infiltrate into areas where smoking is prohibited under the provisions of this chapter;

(5) A retail tobacco store;

(6) Outdoor seating areas as defined in this chapter;

(7) Bars that satisfy all adult venue requirements; or

(8) Private clubs.

**Sec. 11.5-8. - Outdoor distance exceptions.**

A person may smoke within five (5) feet of an entrance to a restricted smoking facility if:

(1) The entrance is not a primary public pedestrian entrance to the premises; or

(2) The distance between the entrance and the adjacent roadway is less than five (5) feet.

~~**Sec. 11.5-9. - Employer responsibilities**~~.

~~(a) Except as provided in subsection (b), an employer shall provide a smoke-free workplace for employees.~~

~~(b) If an employer requires employees to work in an area described in section 11.5-7 (exceptions from prohibition), the employer shall make reasonable accommodations for an employee who requests assignment to a smoke-free area. This subsection shall not apply to retail tobacco stores or adult venues.~~

~~(c) Each employer having any enclosed workplace located within the city shall adopt, implement and maintain a written smoke policy, which shall contain the following requirements:~~

~~(1) Smoking shall be prohibited in all enclosed facilities within a workplace. This includes common work areas, auditoriums, classrooms, conference and meeting rooms, private offices, elevators, hallways, medical facilities, cafeterias, employee lounges, stairs, restrooms, vehicles, and all other enclosed facilities.~~

~~(2) Additionally, smoking is prohibited with a reasonable distance of not less than five (5) feet outside entrances, operable windows, and ventilation systems of enclosed areas where smoking is prohibited.~~

~~(d) The smoking policy shall be communicated to all employees within four (4) weeks of its adoption and posted conspicuously in all workplaces under the employer's jurisdiction.~~

~~(e) All employers shall supply a written copy of the smoking policy upon request to any existing or prospective employees.~~

**Sec. 11.5-10. - Voluntary designation of a non-smoking facility**.

~~Nothing in this chapter implies that the operator of any public or private place is prohibited from designating the entire facility as non-smoking~~. Notwithstanding any other provision of this Chapter, an owner, operator, manager, or other person in control of an establishment, facility, or outdoor area may declare that entire establishment, facility, or outdoor area as a nonsmoking place, non-electronic cigarette (e-cigarette) use and vapor products facility. Smoking shall be prohibited in any place in which a sign conforming to the requirements of this Chapter is posted.

**Sec. 11.5-11. - Signs required**.

(a) The ~~operator~~ owner, operator, manager of a public place shall conspicuously post a "No Smoking" or "No Vaping" sign, and/or the international "No Smoking" or "No Vaping" symbol (depiction of a burning cigarette or e-cigarette enclosed in a red circle with a red bar across it), or other sign containing words or pictures that reasonably prohibit smoking and vaping. The signs shall be written in contrasting colors with bold block lettering of not less than one (1) inch in height and must be conspicuously posted:

(1) In each public place and workplace where smoking is prohibited ~~by this chapter~~, and

(2) At each entrance to a public place or workplace.

(b) The ~~operator~~ owner, operator, manager of a public place shall conspicuously post signs in areas where smoking is permitted ~~under section 11.5-7 (exceptions from prohibition).~~

(c) The ~~operator~~ owner, operator, manager, or employer ~~of a public place and an employer~~ shall remove all ashtrays ~~any ashtray~~ or other smoking accessory from a place where smoking is prohibited.

(d) The ~~operator~~ owner, operator, manager of a retail tobacco store or an adult venue shall conspicuously post a sign stating:

"SMOKING IS PERMITTED IN THIS VENUE. NO PERSON UNDER THE AGE OF 18 MAY ENTER THIS VENUE."

(e) It is not a defense to prosecution under this chapter that an ~~operator~~ owner, operator, manager, or employer failed to post ~~a sign~~ signage as required under this section.

(f) Prevention Steps. The owner or operator of a public place shall take steps to prevent or stop another person from smoking in an enclosed area in a public place. Prevention steps include but are not limited to the following:

1. Posting signs advising occupants that smoking is prohibited, and remove all ashtrays from the premises; and so many of the following to prevent occupants from smoking:
   - i. Advise a smoking occupant that smoking is prohibited on the premises;
   - ii. Refuse to serve any occupant who persists in smoking despite the above;
   - iii. Ask any occupant who persists in smoking despite the above, to leave the premises;
   - iv. Follow standard business procedures taken when any occupant violates house rules;
   - v. Notification of the police department.

**~~Sec. 11.5-12. - Retaliation prohibited~~.**

~~(a) A person commits an offense if the person discharges, refuses to hire, or retaliates against a customer, employee, or applicant for employment because the customer, employee or applicant for employment reports a violation of this chapter.~~

~~(b) An employee who works in a setting where an employer allows smoking does not waive or otherwise surrender any legal rights the employee may have against the employer or any other party.~~

**~~Sec. 11.5-13. - Enforcement~~.**

(a) ~~This section is cumulative of other laws regulating smoking, electronic cigarette or vapor products use providing enforcement authority.~~

(b) ~~This chapter shall be enforced by the fire department, police department, building inspections division, or code enforcement officers.~~

(c) ~~Any citizen may report a violation of this chapter to the city manager or his designee~~.

(d) ~~An owner, manager, operator, or employee of an establishment regulated by this chapter shall inform persons violating this chapter of the appropriate provisions thereof.~~

(e) ~~In addition to the remedies provided by the provisions of this section, the city may apply for injunctive relief to enforce these provisions in any court of competent jurisdiction.~~

**Sec. 11.5-14. - Violation and penalties**.

(a) A person who ~~smokes~~ commits an offense in violation of any provision of this chapter commits a class C misdemeanor, ~~punishable by a fine not to exceed five hundred dollars ($500.00). A culpable mental state is not required for a violation of this chapter, and need not be proved. However, if the violation was done intentionally, knowingly or recklessly, the offense is~~ punishable by a fine not to exceed two thousand dollars ($2,000.00).

(b) Whenever an act is prohibited or is made or declared to be unlawful or an offense or misdemeanor, or whenever in this Chapter the doing of any thing or act is required or the failure to do any thing or act is prohibited, the violation of the provision is a Class C misdemeanor punishable by a fine not to exceed two thousand dollars ($2,000.00).

~~Sec. 11.5-14. - Violation and penalties.~~

~~(a) A person who smokes in violation of any provision of this chapter commits a class C misdemeanor, punishable by a fine not to exceed five hundred dollars ($500.00). A culpable mental state is not required for a violation of this chapter, and need not be proved. However, if the violation was done intentionally, knowingly or recklessly, the offense is punishable by a fine not to exceed two thousand dollars ($2,000.00).~~

~~(b) An operator or employer who owns, manages, operates, or otherwise controls a public place or workplace and who fails to comply with the provisions of this chapter shall be guilty of a class C misdemeanor, punishable by:~~

~~(1) A fine not exceeding two hundred dollars ($200.00) for a first violation.~~

~~(2) A fine not exceeding four hundred dollars ($400.00) for a second violation within a period of twelve (12) consecutive months.~~

~~(3) A fine not exceeding five hundred dollars ($500.00) for each additional violation within a period of twelve (12) consecutive months.~~

~~(c) Violation of this chapter is hereby declared to be a public nuisance, which may be abated by restraining order, preliminary and permanent injunction, or other means provided for by law, and the city may recover the costs of the nuisance abatement.~~

~~(d) It shall be presumed that a violation of this chapter is intentional if a sign is posted near the main entrance of the premises, indicating that smoking is prohibited.~~

~~(e) Other violations.~~

~~(1) It shall be a violation of this chapter for the operator of a retail tobacco store or an adult venue to allow a minor to enter and remain in the retail tobacco store or adult venue.~~

~~(2) It shall be a violation of this chapter for any minor to enter or remain in a retail tobacco store or an adult venue.~~

~~**Sec. 11.5-15. - Public education**.~~

~~(a) The city manager, or designee, shall:~~

~~(1) Obtain or develop a comprehensive tobacco education program to educate the public about the harmful effect of tobacco and its addictive qualities.~~

~~(2) Conduct informational activities to notify and educate businesses and the public about this chapter; and~~

~~(3) Coordinate the city's tobacco education program with other civic or volunteer groups organized to promote smoking prevention and tobacco education.~~

~~(b) To implement this section, the city manager, or designee, may publish and distribute educational materials relating to this chapter to businesses, their employees, and the public.~~

~~**Sec. 11.5-16. - Governmental agency cooperation**.~~

~~The city manager, or designee, shall annually request that each federal, state, county, and school district agency with a facility in the city adopt local operating procedures and update its existing smoking control regulation in compliance with this chapter.~~

**Sec. 11.5-17. - Application of other law.**

This chapter is cumulative of other laws that regulate the use of smoking, electronic cigarette or vapor products (as described in this chapter). This chapter shall not be interpreted or construed to permit smoking, electronic cigarette or vapor products use where it is otherwise restricted by other applicable ordinances, laws or policies.

**SECTION 3.** It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses and phrases of this Ordinance are severable and, if any phrase, clause, sentence, paragraph or section of this Ordinance should be declared invalid by the final judgment or decree of any court of competent jurisdiction, such invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Ordinance.

**SECTION 4.** All Ordinances or parts thereof in conflict herewith are repealed to the extent of such conflict only.

**SECTION 5.** In accordance with the provisions of Sections 12 and 13 of Article II of the City Charter this Ordinance has been publicly available in the office of the City Secretary for not less than 72 hours prior to its adoption; that this Ordinance may be read and published by descriptive caption only.

**SECTION 6.** This Ordinance shall be and become effective from and after its adoption and publication in accordance with the provisions of the Charter of the City of Galveston.

**ARTICLE IX. Graffiti Removal**

**Sec. ____. - Definitions.** For purposes of this section, the following definitions shall apply unless the context of their usage clearly indicates a different meaning:

*Graffiti* - any unauthorized form of painting, scratching, writing or inscription, including without limitation, initials, slogans or drawings, regardless of the content or nature of the material that has been applied to any wall, building, fence, sign, or other structure or surface and is visible from any public property or right-of-way or is visible from the private property of another person.

*Owner* - the record owner of the lot or parcel or other person specifically authorized in writing by the record owner to authorize the placement of any painting, scratching, writing or inscription upon the owner's property.

*Unauthorized* - without the consent of the owner or without authority of law, regulation or ordinance. Unless the owner proves otherwise, lack of consent will be presumed under circumstances tending to show:

(1) The absence of evidence of specific authorization of the graffiti by the owner;

(2) That the graffiti is inconsistent with the design and use of the subject property; or

(3) That the person causing the graffiti was unknown to the owner.

**Sec. 18. – Graffiti Violation**

(a) It shall be unlawful for any person who is the owner, or who has primary responsibility for control of property or for repair or maintenance of property in the city, to permit, allow, or suffer property that is defaced with graffiti to remain defaced for a period of more than fifteen (15) calendar days after receipt of notice of violation of the graffiti.

(b) It shall be the duty of each owner or person having the right of possession of any property within the city to keep and maintain their properties, including buildings and fences or other structures, free of graffiti, and to promptly remove such graffiti from the property.

(c) It shall be unlawful for the person owning or otherwise being in control of any real property within the city to maintain, permit or allow any graffiti to remain upon any structure located on such property when the graffiti is visible from the street or other public property.

**Sec. ___-____. Graffiti Violation Notice.**

(a) Graffiti is declared to be a public nuisance. Whenever the existence of graffiti on any lot or parcel of real estate situated within the city shall come to the knowledge of the department and (1) the graffiti is not located on transportation infrastructure, and (2) the removal would not create a hazard for the owner of the property performing the removal, the director shall send written notice to the owner of the property.

(b) The Department shall send notice to the Owner in accordance with city code or state law.

1. The notice shall offer abatement of the graffiti to the Owner, costs to be at the city's expense.

2. If the offer is not accepted within ten (10) calendar days, it shall be deemed rejected.

3. If rejected, the property owner shall remove the graffiti on or before the 15th day after the date the property owner received the original notice.

4. If the property owner fails to remove the graffiti on or before the 15th day after the date the notice was received, the city shall abate the graffiti and charge the expenses of removal to the property owner.

(c) The Graffiti Abatement Notice shall be substantially in the following form:

GRAFFITI VIOLATION NOTICE

[Property Owner] _____ Date _____

[CAD address for Property Owner]

Dear Property Owner:

Please be advised that there is graffiti on the property located at: _____, in Galveston, Texas, legally described as _____, for which you are the record owner. This graffiti is accessible and is not located on transportation infrastructure. The City of Galveston is prepared to abate this nuisance with any paint available to the City or paint provided by you, free of charge, provided the Director of Development Services receives the attached Acceptance Form within 10 calendar days at the following address:

Graffiti
c/o The Director, Development Services Department,
823 Rosenberg, 4th Floor

Galveston, TX 77553

I, _____ [print name] am the record owner of the property located at _____, Galveston, Texas. By choosing one of the below, I indicate the following:

1. _____ I hereby give the City of Galveston permission to enter this property during normal business hours and to abate, by painting over, the graffiti located on my property. Abatement shall be at the City's expense limited to:

   _____ i. costs to the city using any paint available to the City; or

   _____ ii. costs to the city using paint provided by owner.

2. _____. I prefer to abate/paint over the graffiti located on my property and at my expense. I understand that I must do so within 15 days of receipt of the Graffiti violation notice sent by the City of Galveston.

3. _____. I do NOT give the City of Galveston permission to abate the graffiti;

4. _____. I do NOT give the City of Galveston permission to abate the graffiti and request a hearing to determine whether:

   a. The graffiti is located on transportation infrastructure;

   b. The removal of the graffiti would create a hazard for the person performing the removal; or

   c. The matter/item is NOT "graffiti".

_____
Signature of Owner Contact Telephone Number

_____
Print - Name of Owner Email:

(d) *Public property.* Notwithstanding any other section in this Chapter, where a structure is owned by a public entity, the abatement of the graffiti may be authorized only after securing

the consent of an authorized representative of the public entity having jurisdiction over the structure.

If a hearing is requested, I will be advised of the date and time within 10 days of receipt of this request. My failure to appear and or establish any of the exceptions to abating the graffiti will subject me to abatement proceedings as described herein and pursuant to City Code and State law.

**Sec. 18. _____. Graffiti Removal Hearing.**

(a) The owner or responsible party of property subject to abatement under this Article may request a hearing by notifying the Director within ten (10) calendar days following the date of receipt of the Graffiti Abatement notice to establish that:

(1) The graffiti is located on transportation infrastructure;

(2) The removal of the graffiti would create a hazard to the person performing the removal; or

(3) The item is not "graffiti."

Failure to timely request a hearing or accept the city's offer to abate the graffiti shall constitute consent for the city to enter the owner's property to abate the graffiti. The costs of the abatement shall be at the owner's expense.

(b) The hearing shall be conducted by the City Manager or designee who shall be the Hearing Official for the purpose of the hearing. The hearing Official shall determine whether:

(1) The graffiti is located on transportation infrastructure;

(2) The removal of the graffiti would create a hazard to the person performing the removal; or

(3) The item on the property is not "graffiti".

(c) The owner shall be provided written notice of the time and place of the hearing. Notice of the hearing shall be mailed at least five (5) business days prior to the scheduled hearing.

(d) At the hearing, the owner and/or any representative of the owner and the Director, or their designee, may present any evidence relevant to the proceedings, in accordance with reasonable rules adopted by the Hearing Official and subject to approval by the City Attorney.

(1)Upon conclusion of the hearing, the Hearing Official shall determine whether:

(a) The graffiti is located on transportation infrastructure;

(b) The removal of the graffiti would create a hazard to the person performing the removal; or

(c) The item on the property is not "graffiti" [as applicable].

(2) An affirmative finding on any of the above shall be a ruling in the property owner's favor; otherwise the decision shall be in favor of the City.

(3) If the hearing official finds in favor of the property owner, the hearing official shall render a decision that, based on the information presented no abatement is required.

(4) If the hearing official finds in favor of the City, the hearing official shall render a decision that based on the information presented that abatement is required and order either of the following:

i. The City will abate the violation at the City's expense, using any paint available to the City; or

ii. The City will abate the violation at the City's expense using paint solely provided by the owner or

iii. The Owner will abate the graffiti at their expense and within a date certain as determined by the Hearing Officer.

(5) Failure of an owner to receive notice pursuant to the city code or state law shall not be a defense to prosecution and abatement as provided herein, and shall not affect the validity of any proceeding under this Article.

(6) The Decision of the Hearing Officer is final. The Owner or Responsible party may appeal the decision to the Building Board of Adjustments and Appeal.

**ARTICLE X. - Bulkheads and Shoreline Protection**

**Sec. 18-___ - Definitions**.

As used in this article, the following words and terms shall have the meanings ascribed to them in this section, unless the context of their usage clearly indicates another meaning:

*Boat House* - a structure located over the water used for the storage of boats.

*Building inspector* - the Development Services Director, or designee.

*Bulkhead* - an upright partition, or a retaining wall located at the edge of a body of water, or other shoreline protection.

*Dock* - a structure extending alongshore or out from the shore into a body of water, to which boats may be moored, commonly described as a pier.

*Shed* - a structure used for shelter or storage.

*Structure* - bulkheads, other shoreline protection, boat houses, docks, or sheds.

*Substandard condition* - the bulkhead or other structure constitutes a danger or nuisance to the health, safety or general welfare to the owner or occupants, adjacent property, or to the public.

**Sec. 18. ___ - Failure to Maintain.**

(1) Bulkheads, or other shoreline protections, boat houses, docks, or sheds are to be maintained in good condition.

(2) If the building inspector determines that a bulkhead, or other shoreline protection, boat house, dock, or shed is substandard, the building inspector shall give written notice to the owner or occupant upon which the structure exists to abate the violation in accordance with this Chapter.

(3) The Owner or Occupant shall abate the violation by the repair, replacement or removal of the substandard structure.

(4) If the owner fails to abate the violation as ordered by the building inspector, the city may make the necessary repairs or remove or remedy the condition, or cause the same to be done and charge the expenses incurred to the owner of the property or premises upon which the structure exists.

(5) The City, shall assess its expenses to abate the violation and place a lien on such property, in accordance with state law. The lien shall attach to the property on the date on which the statement of expenses is filed in the real property records of Galveston County and the lien is subordinate to any previously filed lien.

**ARTICLE X1. Deposit of Fill Material**

Unless specifically excepted, it shall be unlawful, for any person to deposit or dump on any property, or for any person to allow to be deposited or dumped on any property, any dirt or other fill materials without first obtaining a dumping permit from the City.

Sec. 18. ____Exceptions:

(1) Persons depositing or dumping and spreading dirt, sand or other gardening materials on the premises used in connection with an existing building for landscaping purposes;

(2) The depositing of sand or other building material on a lot in connection with construction of improvements in progress for which a building permit has been obtained;

(3) The dumping or depositing of dirt, sand, fill material, refuse, garbage, brush or junk for which a permit has been obtained under other provisions of the city Code; or

(4) The dumping or depositing of such materials in a city dumping ground so designated by the city.

**ARTICLE XII. General Violation Penalty Provision.**

**Sec. 18___-__. – Violation Penalties**.

(1) Any person failing to comply with a notice of violation or order served in accordance with the notice requirements of the City or state law shall be deemed guilty of a class C misdemeanor, punishable by a fine not to exceed $2,000.00 dollars ($2,000.00) per offense.
(2) Failure to comply shall be deemed a strict liability offense. Proof of a culpable mental state is not required for a conviction of an offense under this Chapter.
(3) The provisions of this article are cumulative of other remedies.
(4) Each day or portion of a day during which a violation occurs or continues constitutes a separate offense.

(5) Any abatement actions by the city shall be charged against the real estate upon which the structure is located and shall be a lien upon such real estate.

(6) The city may institute any other appropriate proceedings at law to correct or abate the violation. The city may seek to enjoin violations of this Chapter, and may file suit for the recovery of all expenses incurred, including without limitation, administrative and legal expenses, attorneys' fees, and costs, and for civil penalties as provided by law.

**ARTICLE XIII. Building Board of Adjustments and Appeals**.

(a) Any person directly affected by a decision of the code official or a notice or order issued under the code shall have the right to appeal to the Building Board of Adjustments and Appeals.

(b) A written application for appeal must be filed within twenty (20) days after the decision, notice or order was served.

(c) An application for appeal shall be based on a claim that the true intent of the City Code and the provisions of the international code council, as adopted, have been incorrectly interpreted, the provisions of said codes do not fully apply or an equally good or better form of construction or an equivalent method of protection or safety is proposed.

(d) Appeal from a decision of the Building Board of Adjustments and Appeals shall be to the District Court.

~~Sec. 18-5. - Board of adjustments and appeals.~~

~~(a) Pursuant to chapter 10, "building code", article ii, the building board of adjustments and appeals" and its rules, definitions, and procedures set therein, shall govern the board of adjustments and appeals of this chapter 18.~~

~~(b) The building board of adjustments and appeals, hereinafter, board of adjustments and appeals shall act upon such matters as it is required or authorized to consider by ordinance or state law.~~

~~(c) The board of adjustments and appeals shall hear appeals from decisions of the building official, the fire code official, or code official.~~

~~(d) The board of adjustments and appeals shall hear and act upon the provisions and requests for interpretations of chapter 18, of the city code and the provisions of the international code council. An application for appeal shall be based on a claim that the true intent of chapter 18, of the city code and the provisions of the international code council have been incorrectly interpreted, the provisions of said codes do not fully apply or an equally good or better form of construction or an equivalent method of protection or safety is proposed.~~

~~(e) The board of adjustments and appeals shall review, research, evaluate materials presented to it and make and present recommendations of this Code to the city council regarding chapter 18.~~

ORDINANCE NO. 20- _____

AN ORDINANCE OF THE CITY OF GALVESTON, TEXAS, AMENDING THE CODE OF THE CITY OF GALVESTON, AS AMENDED, CHAPTER 18, "INTERNATIONAL PROPERTY MAINTENANCE CODE" TO AMEND, UPDATE REGULATIONS, STANDARDS, AND DEFINITIONS; TO MAKE CLARIFICATIONS, RENAME, RENUMBER AND REARRANGE THE CHAPTER AS APPLICABLE; PROVIDING FOR PENALTIES AS APPLICABLE; MAKING VARIOUS FINDINGS AND PROVISIONS RELATED TO THE SUBJECT; PROVIDING FOR AN EFFECTIVE DATE.

---

**WHEREAS**, the Galveston City Council seeks to promote the public health, safety, morals and general welfare of the municipality and the safe, orderly, and healthful development of the municipality; and,

**WHEREAS**, staff has reviewed various Chapters of the City Code. Staff has made recommendations in order to update regulations, standards and procedures and make clarifications, and modifications, as applicable to the Chapter in furtherance of promoting the public health, safety, morals and general welfare of the municipality and the safe, orderly, and healthful development of the municipality; and,

**WHEREAS**, the City Council deems it in the public's interest to amend Chapter 18 "International Property Maintenance Code", of "The Code of The City of Galveston 1982, as amended," as provided below.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Ordinance are found to be true and correct and they are hereby adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** Chapter 18 "International Property Maintenance Code" of "The Code of The City of Galveston 1982, as amended," is amended in its entirety to provide as follows:

Chapter 18 - ~~INTERNATIONAL~~ PROPERTY MAINTENANCE CODE

**ARTICLE I. Adopted. International Code Council.**

There is hereby adopted by the City the 2018 edition, of the International Property Maintenance Code, as published by the International Code Council, including appendices and local amendments thereto, to provide standards regulating the erection, construction, enlargement, alteration, repair, moving, demolition, conversion, occupancy, equipment, use, area and maintenance of all buildings or structures in the city; providing for the

issuance of permits and the collection of fees thereof. The International Property Maintenance Code as adopted and amended for and by the city is declared to be the Property Maintenance code of the City to ensure the health, safety and welfare of the inhabitants, residents and visitors of the City of Galveston.

The adopted edition of the International Property Maintenance Code is published in book form and is referred to, incorporated in and made a part of this Chapter and City Code for all purposes.

A copy of the adopted edition of the International Property Maintenance Code, including appendices and local amendments thereto and any additions, insertions, deletions, and changes as are hereinafter made and set out in ordinance form, are kept on file in the respective offices of the city secretary and the building official.

2. The applicant shall exhibit or conspicuously display (as in a placard) the Wildflower permit that demonstrates the property has been granted a Wildflower Permit.
3. The Wildflower permit, as provided by the City, will display the permit/application number and display the designated mowing month.

**ARTICLE IX. Graffiti Removal**

**Sec. 18 - . Definitions.** For purposes of this section, the following definitions shall apply unless the context of their usage clearly indicates a different meaning:

*Graffiti* - any unauthorized form of painting, scratching, writing or inscription, including without limitation, initials, slogans or drawings, regardless of the content or nature of the material that has been applied to any wall, building, fence, sign, or other structure or surface and is visible from any public property or right-of-way or is visible from the private property of another person.

*Owner* - the record owner of the lot or parcel or other person specifically authorized in writing by the record owner to authorize the placement of any painting, scratching, writing or inscription upon the owner's property.

*Unauthorized* - without the consent of the owner or without authority of law, regulation or ordinance. Unless the owner proves otherwise, lack of consent will be presumed under circumstances tending to show:

(1) The absence of evidence of specific authorization of the graffiti by the owner;

(2) That the graffiti is inconsistent with the design and use of the subject property; or

(3) That the person causing the graffiti was unknown to the owner.

**Sec. 18 – . Graffiti Violation**

(a) It shall be unlawful for any person who is the owner, or who has primary responsibility for control of property or for repair or maintenance of property in the city, to permit, allow, or suffer property that is defaced with graffiti to remain defaced for a period of more than fifteen (15) calendar days after receipt of notice of violation of the graffiti.

(b) It shall be the duty of each owner or person having the right of possession of any property within the city to keep and maintain their properties, including buildings

and fences or other structures, free of graffiti, and to promptly remove such graffiti from the property.

(c) It shall be unlawful for the person owning or otherwise being in control of any real property within the city to maintain, permit or allow any graffiti to remain upon any structure located on such property when the graffiti is visible from the street or other public property.

**Sec. 18 - . Graffiti Violation Notice.**

(a) Graffiti is declared to be a public nuisance. Whenever the existence of graffiti on any lot or parcel of real estate situated within the city shall come to the knowledge of the department and (1) the graffiti is not located on transportation infrastructure, and (2) the removal would not create a hazard for the owner of the property performing the removal, the director shall send written notice to the owner of the property.

(b) The Department shall send notice to the Owner in accordance with city code or state law.

1. The notice shall offer abatement of the graffiti to the Owner, costs to be at the city's expense.

2. If the offer is not accepted within ten (10) calendar days, it shall be deemed rejected.

3. If rejected, the property owner shall remove the graffiti on or before the 15th day after the date the property owner received the original notice.

4. If the property owner fails to remove the graffiti on or before the 15th day after the date the notice was received, the city shall abate the graffiti and charge the expenses of removal to the property owner.

(c) The Graffiti Abatement Notice shall be substantially in the following form:

GRAFFITI VIOLATION NOTICE

[Property Owner] _____ Date _____

[CAD address for Property Owner]

Dear Property Owner:

Please be advised that there is graffiti on the property located at: _____, in Galveston, Texas, legally described as _____, for which you are the record owner. This graffiti is accessible and is not located on transportation infrastructure. The City of Galveston is prepared to abate this nuisance with any paint available to the City or paint provided by you, free of charge, provided the Director of Development Services receives the attached Acceptance Form within 10 calendar days at the following address:

Graffiti
c/o The Director, Development Services Department,
823 Rosenberg, 4th Floor

POB 779
Galveston, TX 77553

If you decline the City's offer by failing to return the Acceptance Form within the required 10 days, you are deemed responsible to remove, paint over, or otherwise correct the graffiti at your own expense and within 15 calendar days of the date you received this letter.

Failure to accept the City's offer to abate the graffiti at City expense, or failure to remove, paint over or otherwise correct the graffiti by the 16th calendar day after receipt of this letter, the City will remove the graffiti at your expense and file a lien against the property for the costs of removal and administrative expenses.

Thank you for your prompt cooperation in removing this blight on our community.

Sincerely,

_____

I, _____ [print name] am the record owner of the property located at _____, Galveston, Texas. By choosing one of the below, I indicate the following:

1. _____ I hereby give the City of Galveston permission to enter this property during normal business hours and to abate, by painting over, the graffiti located on my property. Abatement shall be at the City's expense limited to:

   _____ i. costs to the city using any paint available to the City; or

   _____ ii. costs to the city using paint provided by owner.

2. _____. I prefer to abate/paint over the graffiti located on my property and at my expense. I understand that I must do so within 15 days of receipt of the Graffiti violation notice sent by the City of Galveston.

3. _____. I do NOT give the City of Galveston permission to abate the graffiti;

4. _____. I do NOT give the City of Galveston permission to abate the graffiti and request a hearing to determine whether:

   a. The graffiti is located on transportation infrastructure;

b. The removal of the graffiti would create a hazard for the person performing the removal; or

c. The matter/item is NOT "graffiti".

(d) *Public property*. Notwithstanding any other section in this Chapter, where a structure is owned by a public entity, the abatement of the graffiti may be authorized only after securing the consent of an authorized representative of the public entity having jurisdiction over the structure.

If a hearing is requested, I will be advised of the date and time within 10 days of receipt of this request. My failure to appear and or establish any of the exceptions to abating the graffiti will subject me to abatement proceedings as described herein and pursuant to City Code and State law.

**Sec. 18 -. Graffiti Removal Hearing**.

(a) The owner or responsible party of property subject to abatement under this Article may request a hearing by notifying the Director within ten (10) calendar days following the date of receipt of the Graffiti Abatement notice to establish that:

(1) The graffiti is located on transportation infrastructure;

(2) The removal of the graffiti would create a hazard to the person performing the removal; or

(3) The item is not "graffiti."

Failure to timely request a hearing or accept the city's offer to abate the graffiti shall constitute consent for the city to enter the owner's property to abate the graffiti. The costs of the abatement shall be at the owner's expense.

(b) The hearing shall be conducted by the City Manager or designee who shall be the Hearing Official for the purpose of the hearing. The hearing Official shall determine whether:

(1) The graffiti is located on transportation infrastructure;

(2) The removal of the graffiti would create a hazard to the person performing the removal;

(3) The item on the property is not "graffiti".

(c) The owner shall be provided written notice of the time and place of the hearing. Notice of the hearing shall be mailed at least five (5) business days prior to the scheduled hearing.

(d) At the hearing, the owner and/or any representative of the owner and the Director, or their designee, may present any evidence relevant to the proceedings, in accordance with reasonable rules adopted by the Hearing Official and subject to approval by the City Attorney.

(1) Upon conclusion of the hearing, the Hearing Official shall determine whether:

(a) The graffiti is located on transportation infrastructure;

(b) The removal of the graffiti would create a hazard to the person performing the removal;

(c) The item on the property is not "graffiti".

(2) An affirmative finding on any of the above shall be a ruling in the property owner's favor; otherwise the decision shall be in favor of the City.

(3) If the hearing official finds in favor of the property owner, the hearing official shall render a decision that, based on the information presented no abatement is required.

(4) If the hearing official finds in favor of the City, the hearing official shall render a decision that based on the information presented that abatement is required and order either of the following:

i. The City will abate the violation at the City's expense, using any paint available to the City; or

ii. The City will abate the violation at the City's expense using paint solely provided by the owner or

iii. The Owner will abate the graffiti at their expense and within a date certain as determined by the Hearing Officer.

(5) Failure of an owner to receive notice pursuant to the city code or state law shall not be a defense to prosecution and abatement as provided herein, and shall not affect the validity of any proceeding under this Article.

(6) The Decision of the Hearing Officer is final. The Owner or Responsible party may appeal the decision to the Building Board of Adjustments and Appeal.

**ARTICLE X. Bulkheads and Shoreline Protection**

**Sec. 18-___. Definitions**.

As used in this article, the following words and terms shall have the meanings ascribed to them in this section, unless the context of their usage clearly indicates another meaning:

*Boat House* - a structure located over the water used for the storage of boats.

*Building inspector* - the Development Services Director, or designee.

*Bulkhead* - an upright partition, or a retaining wall located at the edge of a body of water, or other shoreline protection.

*Dock* - a structure extending alongshore or out from the shore into a body of water, to which boats may be moored, commonly described as a pier.

*Owner* - the owner of the structure, the owner's agent, or the owner or occupant of the property on which the structure is located.

*Shed* - a structure used for shelter or storage.

*Structure* - bulkheads, other shoreline protection, boat houses, docks, or sheds.

*Substandard condition* - the bulkhead or other structure constitutes a danger or nuisance to the health, safety or general welfare to the owner or occupants, adjacent property, or to the public.

**Sec. 18 - . Failure to Maintain.**

(1) Bulkheads, or other shoreline protections, boat houses, docks, or sheds are to be maintained in good condition.

(2) If the building inspector determines that a bulkhead, or other shoreline protection, boat house, dock, or shed is substandard, the building inspector shall give written notice to the owner or occupant upon which the structure exists to abate the violation in accordance with this Chapter.

(3) The Owner or Occupant shall abate the violation by the repair, replacement or removal of the substandard structure.

(4) If the owner fails to abate the violation as ordered by the building inspector, the city may make the necessary repairs or remove or remedy the condition, or cause the same to be done and charge the expenses incurred to the owner of the property or premises upon which the structure exists.

(5) The City, shall assess its expenses to abate the violation and place a lien on such property, in accordance with state law. The lien shall attach to the property on the date on which the statement of expenses is filed in the real property records of Galveston County and the lien is subordinate to any previously filed lien.

**ARTICLE X1. Deposit of Fill Material**

Unless specifically excepted, it shall be unlawful, for any person to deposit or dump on any property, or for any person to allow to be deposited or dumped on any property, any dirt or other fill materials without first obtaining a dumping permit from the City.

**Sec. 18. Exceptions**:

(1) Persons depositing or dumping and spreading dirt, sand or other gardening materials on the premises used in connection with an existing building for landscaping purposes;

(2) The depositing of sand or other building material on a lot in connection with construction of improvements in progress for which a building permit has been obtained;

(3) The dumping or depositing of dirt, sand, fill material, refuse, garbage, brush or junk for which a permit has been obtained under other provisions of the city Code; or

(4) The dumping or depositing of such materials in a city dumping ground so designated by the city.

**ARTICLE XII. General Violation Penalty Provision.**

**Sec. 18 - __. Violation - Penalties.**

(1) Any person failing to comply with a notice of violation or order served in accordance with the notice requirements of the City or state law shall be deemed guilty of a class C misdemeanor, punishable by a fine not to exceed $2,000.00 dollars ($2,000.00) per offense.
(2) Failure to comply shall be deemed a strict liability offense. Proof of a culpable mental state is not required for a conviction of an offense under this Chapter.
(3) The provisions of this article are cumulative of other remedies.
(4) Each day or portion of a day during which a violation occurs or continues constitutes a separate offense.
(5) Any abatement actions by the city shall be charged against the real estate upon which the structure is located and shall be a lien upon such real estate.
(6) The city may institute any other appropriate proceedings at law to correct or abate the violation. The city may seek to enjoin violations of this Chapter, and may file suit for the recovery of all expenses incurred, including without limitation, administrative and legal expenses, attorneys' fees, and costs, and for civil penalties as provided by law.

**ARTICLE XIII. Building Board of Adjustments and Appeals.**

(a) Any person directly affected by a decision of the code official or a notice or order issued under the code shall have the right to appeal to the Building Board of Adjustments and Appeals.

(b) A written application for appeal must be filed within twenty (20) days after the decision, notice or order was served.

(c) An application for appeal shall be based on a claim that the true intent of the City Code and the provisions of the international code council, as adopted, have been incorrectly interpreted, the provisions of said codes do not fully apply or an equally good or better form of construction or an equivalent method of protection or safety is proposed.

(d) Appeal from a decision of the Building Board of Adjustments and Appeals shall be to the District Court.

**SECTION 3.** It is hereby declared to be the intention of the City Council that the sections, paragraphs, sentences, clauses and phrases of this Ordinance are severable and, if any phrase, clause, sentence, paragraph or section of this Ordinance should be declared invalid by the final judgment or decree of any court of competent jurisdiction, such

invalidity shall not affect any of the remaining phrases, clauses, sentences, paragraphs and sections of this Ordinance.

**SECTION 4.** All Ordinances or parts thereof in conflict herewith are repealed to the extent of such conflict only.

**SECTION 5.** In accordance with the provisions of Sections 12 and 13 of Article II of the City Charter this Ordinance has been publicly available in the office of the City Secretary for not less than 72 hours prior to its adoption; that this Ordinance may be read and published by descriptive caption only.

**SECTION 6.** This Ordinance shall be and become effective on, from and after its adoption and publication in accordance with the provisions of the Charter of the City of Galveston.

(2) Have custody of all documents and papers relating to the business of the municipal court of record;

(3) Supervise the collections of fines imposed by the municipal court of record

(4) Maintain complaints for all cases in the municipal court of record for which a complaint is required by law;

(5) Be responsible for full and proper accounting of all fines collected and issue receipt to a person who pays a fine with cash money; and

(6) Preserve the records of the municipal court of record in accordance with the city records retention schedule; and

(7) Have all other powers and duties assigned to a court clerk by the city Charter, other city ordinances, Chapters 29 and 30 of the Texas Government Code, Chapter 45 of the Code of Criminal Procedure, or other state law.

(d)~~(c)~~The court~~ clerk~~ Administrator shall acquire and maintain a seal in conformance with state law for the municipal court of record in the city.

(e)(d) The court~~ clerk~~ Administrator clerk shall supervise the selection of persons for jury service in the municipal court of record.

(f) The Court Administrator or any of the deputy clerks shall have no authority to dismiss any case filed with the court, continue any case pending in the court, or accept any fines less than the minimum prescribed, except by written order of the judge of the municipal court.

**Sec. 22-8. - Complaints.**

Proceedings in the municipal court of record shall commence ~~by complaint~~, as provided by state law.

**Sec. 22-9. - Costs for producing records**.

The municipal court shall charge for producing records pursuant to a written request as provided by Rule 12 of the Texas ~~for~~ Rules of Judicial Administration. ~~Such charge shall be in conformance with charges established by the Texas General Services Commission.~~

**Sec. 22-10. - Record of proceedings**.

Upon request of the judge or upon written request of one of the parties to a trial, proceedings of the municipal court of record, limited to trial testimony and hearings on motions before the court, shall be recorded. For the purpose of recording the proceedings and preserving a record in cases tried before the municipal court of record, a good quality electronic recording device shall be used. When the recording device is used, a court reporter need not be present at the trial to certify the reporter's record. The recording shall be kept and stored for a ninety (90) day period beginning the day after the last day of the proceeding, trial or denial of motion for a new trial, whichever occurs last. If the case is appealed, the proceedings shall be transcribed by an official court reporter.

**Sec. 22-11. - Appeal; appeal bond; fees**.

(a) A defendant has the right of appeal from a judgment or conviction in the municipal court of record. The state has the right to an appeal as provided by Article 44.01, Texas Code of Criminal Procedure, as amended.

(b) Appeals shall be in accordance with Chapter 30 of the Texas Government Code, or other applicable state law.

~~(b) The appellate court shall determine each appeal from the court on the basis of the errors that are set forth in the appellant's motion and that are presented in the clerk's record and reporter's record, if any, prepared from the proceedings leading to the appeal. An appeal from the court shall not be by trial de novo.~~

~~(c) To perfect an appeal, the defendant must file a motion for new trial not later than the 10th after the date on which the judgment and sentence are rendered. The motion must set forth the points of error of which the appellant complains. The motion or an amended motion may be amended by leave of court at any time before action on the motion is taken, but not later than the 20th day after the date on which the original or amended motion is filed. The court may for good cause extend the time for filing or~~

~~amending, but the extension may not exceed ninety (90) days from the original deadline. If the court does not act on the motion before the expiration of the thirty (30) days allowed for determination of the motion the original or amended motion is overruled by operation of law.~~

~~(d) To perfect an appeal, the appellant must also give notice of the appeal. If the appellant requests a hearing on the motion for new trial, the appellant may give the notice of appeal orally in open court on the overruling of the motion. If there is no hearing, the appellant must give a written notice of appeal and must file the notice with the court not later than the 10th day after the date on which the motion is overruled. The court may for good cause extend that time period, but the extension may not exceed ninety (90) days from the original filing date.~~

~~(e) If the defendant is not in custody, the defendant may not take an appeal until the defendant files an appeal bond with the municipal court of record. The bond must be approved by the court and must be filed not later than the 10th day after the date on which the motion for new trial is overruled. If the defendant is in custody, the defendant shall be committed to jail unless the defendant posts the appeal bond.~~

~~(f) The appeal bond must be in the amount of one hundred dollars ($100.00) or double the amount of the fines and costs adjudged against the defendant, whichever is greater.~~

~~(g) The bond must:~~

~~(1) state that the defendant was convicted in the case and has appealed; and~~

~~(2) be conditioned on the defendant's immediate and daily personal appearance in the court to which the appeal is taken.~~

~~(h) After an order overruling a motion for new trial, the defendant shall give written notice of appeal and pay a fee for the preparation of the clerk's record of twenty-five dollars ($25.00) not later than ten (10) days after the date on which the motion is overruled. The court shall note the payment of the fee on the docket of the court. If the case is reversed on appeal, the fee shall be refunded to the defendant. The defendant shall pay the fee for the preparation of the clerk's record and the fee for an actual transcription of the proceedings.~~

~~(i) The appellant shall pay for any reporter's record containing a transcription of the proceedings unless the court finds, after a hearing in response to an affidavit by the defendant, that the defendant is unable to pay or provide security for the reporter's record. If the court so finds, the court shall order the reporter to prepare the record without charge to the defendant. Before the recorded proceedings are transcribed, the defendant shall, unless found by the court to be unable to pay for the reporter's record, post a cash deposit with the municipal court for the estimated cost of the record. The cash deposit shall be based on an estimate provided by the court reporter or the length of proceedings as indicated by the amount of tape used to electronically record the proceedings, if any, the cost of the court reporter. typing, and other incidental services. The municipal court may post a current schedule of the charges for transcription fees, including deposits. If the cash deposit exceeds the actual cost of the reporter's record, the court reporter shall refund the difference to the~~

~~defendant. If the cash deposit is insufficient to cover the actual cost of the transcription, the defendant must pay the additional amount to the court reporter before the transcription may be submitted. If a case is reversed on appeal, the court shall promptly refund to the defendant any amounts paid for the reporter's record.~~

~~(j) The record on appeal must substantially conform to the provisions relating to the preparation of a record on appeal in the Texas Rules of Appellate Procedure and the Texas Code of Criminal Procedure, as amended.~~

**Sec. 22-12. - Seal.**

The municipal court of record shall have a seal with a star of five (5) points in the center and the words "Municipal Court of Galveston, of/in Texas", the impress of which shall be attached to all papers issued out of said court except subpoenas and shall be used to authenticate the official acts of the clerk and of the judge. The court seal may be created by electronic means, including optical imaging, optical disk, or other electronic reproduction technique that does not permit changes, additions, or deletions to an original document created by the same type of system.

**Sec. 22-9. - Costs for producing records**.

The municipal court shall charge for producing records pursuant to a written request as provided by Rule 12 of the Texas ~~for~~ Rules of Judicial Administration. ~~Such charge shall be in conformance with charges established by the Texas General Services Commission.~~

**Sec. 22-10. - Record of proceedings**.

Upon request of the judge or upon written request of one of the parties to a trial, proceedings of the municipal court of record, limited to trial testimony and hearings on motions before the court, shall be recorded. For the purpose of recording the proceedings and preserving a record in cases tried before the municipal court of record, a good quality electronic recording device shall be used. When the recording device is used, a court reporter need not be present at the trial to certify the reporter's record. The recording shall be kept and stored for a ninety (90) day period beginning the day after the last day of the proceeding, trial or denial of motion for a new trial, whichever occurs last. If the case is appealed, the proceedings shall be transcribed by an official court reporter.

**Sec. 22-11. - Appeal; appeal bond; fees**.

(a) A defendant has the right of appeal from a judgment or conviction in the municipal court of record. The state has the right to an appeal as provided by Article 44.01, Texas Code of Criminal Procedure, as amended.

(b) Appeals shall be in accordance with Chapter 30 of the Texas Government Code, or other applicable state law.

~~(b) The appellate court shall determine each appeal from the court on the basis of the errors that are set forth in the appellant's motion and that are presented in the clerk's record and reporter's record, if any, prepared from the proceedings leading to the appeal. An appeal from the court shall not be by trial de novo.~~

~~(c) To perfect an appeal, the defendant must file a motion for new trial not later than the 10th after the date on which the judgment and sentence are rendered. The motion must set forth the points of error of which the appellant complains. The motion or an amended motion may be amended by leave of court at any time before action on the motion is taken, but not later than the 20th day after the date on which the original or amended motion is filed. The court~~

~~may for good cause extend the time for filing or amending, but the extension may not exceed ninety (90) days from the original deadline. If the court does not act on the motion before the expiration of the thirty (30) days allowed for determination of the motion the original or amended motion is overruled by operation of law.~~

~~(d) To perfect an appeal, the appellant must also give notice of the appeal. If the appellant requests a hearing on the motion for new trial, the appellant may give the notice of appeal orally in open court on the overruling of the motion. If there is no hearing, the appellant must give a written notice of appeal and must file the notice with the court not later than the 10th day after the date on which the motion is overruled. The court may for good cause extend that time period, but the extension may not exceed ninety (90) days from the original filing date.~~

~~(e) If the defendant is not in custody, the defendant may not take an appeal until the defendant files an appeal bond with the municipal court of record. The bond must be approved by the court and must be filed not later than the 10th day after the date on which the motion for new trial is overruled. If the defendant is in custody, the defendant shall be committed to jail unless the defendant posts the appeal bond.~~

~~(f) The appeal bond must be in the amount of one hundred dollars ($100.00) or double the amount of the fines and costs adjudged against the defendant, whichever is greater.~~

~~(g) The bond must:~~

~~(1) state that the defendant was convicted in the case and has appealed; and~~

~~(2) be conditioned on the defendant's immediate and daily personal appearance in the court to which the appeal is taken.~~

~~(h) After an order overruling a motion for new trial, the defendant shall give written notice of appeal and pay a fee for the preparation of the clerk's record of twenty-five dollars ($25.00) not later than ten (10) days after the date on which the motion is overruled. The court shall note the payment of the fee on the docket of the court. If the case is reversed on appeal, the fee shall be refunded to the defendant. The defendant shall pay the fee for the preparation of the clerk's record and the fee for an actual transcription of the proceedings.~~

~~(i) The appellant shall pay for any reporter's record containing a transcription of the proceedings unless the court finds, after a hearing in response to an affidavit by the defendant, that the defendant is unable to pay or provide security for the reporter's record. If the court so finds, the court shall order the reporter to prepare the record without charge to the defendant. Before the recorded proceedings are transcribed, the defendant shall, unless found by the court to be unable to pay for the reporter's record, post a cash deposit with the municipal court for the estimated cost of the record. The cash deposit shall be based on an estimate provided by the court reporter or the length of proceedings as indicated by the amount of tape used to electronically record the proceedings, if any, the cost of the court reporter. typing, and other incidental services. The municipal court may post a current schedule of the charges for transcription fees, including deposits. If the cash deposit exceeds the actual cost of the reporter's record, the court reporter shall refund the difference to the defendant. If the cash deposit is insufficient to cover the actual cost of the transcription, the defendant must pay the additional amount to the court reporter before the transcription may~~

~~be submitted. If a case is reversed on appeal, the court shall promptly refund to the defendant any amounts paid for the reporter's record.~~

~~(j) The record on appeal must substantially conform to the provisions relating to the preparation of a record on appeal in the Texas Rules of Appellate Procedure and the Texas Code of Criminal Procedure, as amended.~~

**Sec. 22-12. - Seal.**

(c) Upon the failure of a person who is required to abate a nuisance in the required manner, the City Manager or designee of the city may proceed to abate such nuisance and prepare a statement of costs incurred in the abatement thereof.

(d) The expense incurred by the city in abating a nuisance may be assessed on the real estate upon which such expense incurred, or in the case of the abatement of weeds, brush or other rank vegetation located in an alley, upon the abutting real estate and shall be a lien upon such real estate.

(e) If a violation covered by a notice pursuant to this Chapter occurs within the one-year period, and the city has not been informed in writing by the owner of an ownership change, the city may correct the violation and assess the expense against the property as permitted herein and by state law.

**Sec. 23-2. Notice to abate.**

(a) A written notice to abate a violation shall be given to the owner or occupant of the property upon which such nuisance exists or upon the person causing or maintaining the nuisance. In the case of weeds, brush, or other rank vegetation located in an alley, such notice shall be given to the owner or occupant of the property abutting such alley. Notice shall be in accordance with the City Code and state law.

(b) The notice to abate a violation shall:

(1) Be in writing:

(2) Include a description of the nuisance and why the notice is being issued;

(3) Include the location of the nuisance, if the same is stationary

(4) Include a statement of acts necessary to abate the nuisance;

(5) Include a reasonable time certain to abate the nuisance;

(6) Include a reasonable time certain to request a hearing before the city manager or designee, and such time shall be no less than within (10) days' notice of the notice to abate the violation.

(7) Include a statement that if the nuisance is not abated as directed and no request for hearing is made within ten (10) days, the city will abate such nuisance and assess the cost thereof against such person or real estate.

(8) Include a statement that if the owner/responsible party commits another violation of the same kind or nature that poses a danger to the public health and safety on or before the first anniversary of the date of the notice, the city without further notice may correct the violation at the owner's expense and assess the expense against the property.

(9) Include a statement that the owner/responsible party shall inform the City in writing of an ownership change that has occurred on or before the first anniversary of the date of the notice. Failure to inform the City of an ownership change may result in the city without further notice instituting appropriate action to restrain, correct or abate the violation and assess costs for such action against the property.

(c) Service of Notice to abate shall be deemed to be properly served if a copy of the written notice is:

(1) Personally delivered to the owner, responsible party or person concerned; or

(2) Sent by first-class mail addressed to the last known address; and

(3) If the notice is returned showing the letter was not delivered, a copy of the notice shall be posted in a conspicuous place at or about the site where the violation exists.

(i) a non-delivery or unable to be delivered returned letter does not preclude posting a copy of the written notice in a conspicuous place in or about the property affected by such notice;

**Sec. 23-3. Abatement required**.

(1) It shall be unlawful for any person to fail to abate a nuisance within the time limit prescribed in the notice to abate a nuisance if such person did not request an abatement hearing as provided herein;

(2) It shall be unlawful for any person to fail to abate a nuisance within the time limit as may be determined by the city manager at an abatement hearing where the city manager

or designee determined that a nuisance exists or existed and that it is to the duty of the person served with such notice to abate the nuisance;

(3) The method of abatement of such nuisance shall be as stated in the notice to abate if no hearing has been requested, or, if a hearing has been held, as determined by the city manager or designee at such hearing.

**Sec. 23-4. Transfer of Ownership.**

It shall be unlawful for the owner of any dwelling unit or structure who has been served with a compliance order or notice of violation, to sell, transfer, mortgage, lease or otherwise dispose of such dwelling or structure to another until the provisions of the compliance order or notice of violation have been complied with, or until such owner shall first furnish the grantee, transferee, mortgagee or lessee a true copy of any compliance order or notice of violation and shall furnish to the City a signed and notarized statement from the grantee, transferee, mortgagee or lessee, acknowledging the receipt of such compliance order or notice of violation and fully accepting the responsibility without condition for making the corrections or repairs required by such compliance order or notice of violation.

**Sec. 23-5. Abatement Hearing.**

(a) Within ten (10) days of a request by a person served with a notice to abate a violation, the City manager or designee shall hold a hearing to determine:

i. whether a nuisance exists or existed at the time of the violation notice; and

ii. whether the person served with the notice is responsible for its abatement;

(b) The City Manager or designee shall determine an abatement process/ time frame etc.

(c) The Owner or responsible party shall be informed that the decision of the City Manager or designee is final. The decision thereafter may be appealed to the Building Board of Adjustments and Appeals. (put in timeframe etc. governed by the BBAA)

**Sec. 23-6. Costs**

(a) The costs incurred by the city in abating a nuisance may be assessed on the real estate or lot or premises upon which such expense incurred, or in the case of the abatement of weeds, brush or other rank vegetation located in an alley, upon the abutting premises, lot or real estate.

(b) On filing with the county clerk a statement by the City Manager or designee of such expenses, the city shall have a privileged lien against said real estate, or lot or premises, including proceeds from the sale or foreclosure of such property, second only to tax liens and liens for street improvements to secure the expenditures so made and ten (10) percent compound interest, compounded quarterly, on the amount of expenditures from the date of such foreclosure had in the name of the city.

(c) The statement made by the City Manager or designee, or a certified copy thereof, shall be prima facie proof of the amount expended in any such work or improvements.

(d) The costs for abating a nuisance will include actual costs of the abatement and the administrative fees and costs incurred by the City.

**Sec. 23-7. Penalty.**

The maximum penalty for noncompliance with orders and violation notices of the city governing fire safety, zoning, public health and sanitation, including the dumping of refuse, and vegetation and litter violations, is an offense punishable by a fine not exceeding two thousand dollars ($2,000.00).

If such maximum penalty is greater than the maximum penalty provided for the same or a similar offense under the laws of the state, then the maximum penalty for the violation as provided by the state shall be the maximum penalty under this Code.

Each day any violation of this Code continues shall constitute a separate offense.

***This ends the Nuisance Chapter as it will be codified. Please Note the following sections that have been moved to other sections of the code. I am providing the following for informational purposes.***

(m) Any objectionable, unsightly or unsanitary matter.

**Sec. 23-2.1. - Prohibited**.

The owner or person in control of any private property shall at all times maintain the premises free and clear of all nuisances, and shall be responsible for mowing such property, except as provided in section 23.1-1

In the event the city has an easement on the property, or if the property is in a city right-of-way and the city manager determines that mowing the easement of right-of-way constitutes a safety hazard to the owner or person in control of the property, the city manager may direct city staff to mow such easement or right-of-way.

## ARTICLE VI. Containers with air tight snap lock, magnetic seal or similar lock device requiring *Immediate* Abatement.

**Sec. 18 _____.**

It shall be unlawful for any person to place, or allow to be placed, outside of any building or dwelling an abandoned, unattended, or discarded refrigerator, freezer, or any other container that has an airtight snap lock, or other locking device; or that has a magnetic seal-type door without first removing the lock or doors from the refrigerator, freezer, or similar container. Such a condition is considered an immediate danger to the health, life or safety of any person, and may be immediately abated without notice.

(1) A person served notice by the city to correct the violation, shall immediately remove the refrigerator, freezer, or other similar container, or shall immediately remove the doors.

(2) Should a person fail to immediately remove the refrigerator, freezer, or other container, or remove the doors, the city shall abate the nuisance as provided in the city code or state law

(3) In the event a person is not served notice prior to the City correcting the violation, the City shall give notice to the property owner in the manner required by this section not later than the tenth day after the city corrects the violation.

~~Sec. 23-2.2. - Iceboxes, refrigerators, freezers and other containers.~~

It shall be unlawful for any person to place, or allow to be placed, outside of any building or dwelling an abandoned, unattended, or discarded icebox, refrigerator, freezer, or any other container that has an airtight snap lock, or other locking device; or that has a magnetic seal-type door without first removing the lock or doors from the icebox, refrigerator, freezer, or similar container.

(1) A person served notice by the city, shall immediately remove the icebox, refrigerator, freezer, or other container, or shall immediately remove the doors.

(2) Should a person fail to remove immediately the icebox, refrigerator, freezer, or other container, or the doors, the city shall abate the nuisance as provided in compliance with section 23-6 of the Code of the City of Galveston, 1982, as amended.

(3) A violation of this section shall be an offense punishable by a fine not exceeding two thousand dollars ($2,000.00). Each day a violation continues shall constitute a separate offense.

**Sec. 23-3. - Notice to abate**.

(a) Whenever a nuisance is found to exist within the city or within five thousand (5,000) feet of the city limits, the director of planning and community development shall give written notice to the owner or occupant of the property upon which such nuisance exists or upon the person causing or maintaining the nuisance. In the case of weeds, brush, or other rank vegetation located in an alley, such notice shall be served to the owner or occupant of the property abutting such alley.

(b) Such notice shall contain:

(1) An order to abate the nuisance within a stated time, which shall never be less than ten (10) days, or to request a hearing before the city manager within ten (10) days.

(2) The location of the nuisance, if the same is stationary.

(3) A description of what constitutes the nuisance.

(4) A statement of acts necessary to abate the nuisance.

(5) A statement that if the nuisance is not abated as directed and no request for hearing is made within ten (10) days, the city will abate such nuisance and assess the cost thereof against such person.

(c) Service of such notice may be affected by personally delivering the written notice into the possession of the party or parties, person or persons concerned. Said service may also be affected by a letter, posted by certified, return receipt requested mail, addressed to the party or parties, person or persons concerned at his last known post office address, or by publication as many as two (2) times within ten (10) consecutive days.

(d) The notice of a violation shall inform the owner, delivered as required by subsection (c), that if the owner commits another violation of the same kind or nature that poses a danger to the public health and safety on or before the first anniversary of the date of the notice, the city without further notice may correct the violation at the owner's expense and assess the expense against the property.

If a violation covered by a notice under this section occurs within the one-year period, and the city has not been informed in writing by the owner of the ownership change, then the city without notice may take any action permitted by section 23-6 and assess its expenses as set forth in said section

**Sec. 23-4. Abatement hearing.**

Within ten (10) days of a request by a person served with a notice pursuant to the provisions of this article the city manager shall hold a hearing to determine whether a nuisance does exist and whether the person served with the notice is responsible for its abatement. Such hearing shall be conducted in such a manner as to afford the person served with the notice due process.

**Sec. 23-5. - Abatement required.**

It shall be unlawful for any person to fail to abate a nuisance:

(1) Within the time limit prescribed in notice to abate a nuisance served upon him pursuant to the provisions of this article, if such person did not request a hearing before the city ~~manager~~ within ten (10) days of the service of such notice.

(2) Within such time limit as may be determined by the city ~~manager~~ at a hearing on a notice to abate a nuisance held pursuant to the provisions of this article if at such hearing the city ~~manager~~ has determined that a nuisance does exist and that it is to the duty of the person served with such notice to abate the nuisance.

The method of abatement of such nuisance shall be as stated in the notice to abate if no hearing has been requested, or, if a hearing has been held, as determined by the city ~~manager~~ at such hearing.

**Sec. 23-6. - Abatement by city.**

(a) Upon the failure of a person who is required by the provisions of this article to abate a nuisance in the required manner, the ~~director of development services~~ or other duly designated officer of the city shall proceed to abate such nuisance and shall prepare a statement of costs incurred in the abatement thereof.

(b) The expense incurred by the city in abating the nuisance may be assessed on the real estate or lot or premises upon which such expense incurred, or in the case of the abatement of weeds, brush or other rank vegetation located in an alley, upon the abutting premises, lot or real estate. On filing with the county clerk a statement by the ~~director of development services~~ City Marshal, or designee of such expenses, the city shall have a privileged lien against said real estate, or lot or premises, including proceeds from the sale or foreclosure of such property, second only to tax liens and liens for street improvements to secure the expenditures so made and ten (10) percent compound interest, compounded quarterly, on the amount of expenditures from the date of such foreclosure had in the name of the city. The statement made by the director of development services City Marshal or designee, or a certified copy thereof, shall be prima facie proof of the amount expended in any such work or improvements.

(c) In addition to the actual cost for cleaning up or abating any nuisances, the city will charge an administrative fee for reimbursement of staff time. That administrative fee shall be composed of; but not limited to:

(1) First and final inspections (three (3) inspections) — ($18.14 per hour) ..... $54.42

(2) Clerical processing; mail and supplies .. $25.00

(3) Process for billing through finance ..... $25.00

(4) Filing a lien ..... $26.00

(5) Release of lien ..... $26.00

(6) Finance service charge ..... $2.00 $25.00

**State Law reference—** Power of city to abate nuisances, V.T.C.A., Local Government Code § 217.001 217.041 et seq.

**Sec. 23-7. - Article declared supplemental**.

The provisions of this article shall be supplemental to all other provisions of this Code.

**Sec. 23-8. - Penalty.**

A violation of this article shall be an offense punishable by a fine not exceeding two thousand dollars ($2,000.00). Each day a violation is allowed to continue shall constitute a separate offense.

**Secs. 23-9—23-23. - Reserved.**

## ARTICLE II. - ABANDONED OR JUNKED VEHICLES

### DIVISION 1. - GENERALLY

**Sec. 23-24. - Definitions.**

As used in this article the following terms shall have the meanings respectively ascribed to them in this section:

*Abandoned motor vehicle:* A motor vehicle that is inoperable, and more than five (5) years old and is left unattended on public property for more than forty-eight (48) hours, or a motor vehicle that has remained illegally on public property for a period of more than forty-eight (48) hours, or a motor vehicle that has remained on private property without the consent of the owner or person in control of the property for more than forty-eight (48) hours, or a motor vehicle left unattended on the rights-of-way of any designated county, state or federal highway within this state in excess of forty-eight (48) hours.

*Antique auto:* A passenger car or truck that was manufactured in 1925 or before, or a passenger car or truck that is at least thirty-five (35) years old.

*Collector:* The owner of one or more antique or special interest vehicles, who collects, purchases, acquires, trades, or disposes of special interest or antique vehicles or parts of them for his own use in order to restore, preserve, and maintain an antique or special interest vehicle for historic interest.

*Demolisher:* Any person whose business is to convert a motor vehicle into processed scrap or scrap metal, or otherwise to wreck or dismantle motor vehicles.

*Garage keeper:* shall mean any owner or operator of a parking place or establishment, motor vehicle storage facility, or any establishment for the servicing, repair, or maintenance of motor vehicles.

*Motor vehicle:* A motor vehicle subject to registration under the Certificate of Title Act (Article 6687-1, Vernon's Texas Civil Statutes), except that for purposes of Sections 23-38, 23-39 and 23-40 of this Code, "motor vehicle" includes a motorboat, outboard motor, or vessel subject to registration under Chapter 31, Texas Parks and Wildlife Code.

*Special interest vehicle:* A motor vehicle of any age which has not been altered or modified from original manufacturer's specifications and, because of its historic interest, is being preserved by hobbyists.

*Storage facility:* A garage, parking lot, or any type of facility or establishment for the servicing, repairing, storing, or parking of motor vehicles.

**Sec. 23-25. - Entry powers of city officials, powers of municipal court**.

Any person authorized by the city to administer the provisions of this article may enter upon private property for the purposes specified in the procedures to examine a vehicle or vehicle part, obtain information as to the identity of the vehicle and remove or cause the removal of a vehicle or vehicle part that constitutes a nuisance. The municipal court shall have authority to issue all orders necessary to enforce such procedures.

**Sec. 23-26. - Article cumulative.**

(a) Nothing in this article shall affect any statute or ordinance which permits immediate removal of a vehicle left on public property which constitutes an obstruction to traffic.

(b) The provisions of this article shall be supplemental to all other ordinances.

**Secs. 23-27—23-37. - Reserved.**

**DIVISION 2. - ABANDONED VEHICLES**

**Sec. 23-38. - Removal authorized.**

(a) The city may take into custody an abandoned motor vehicle found on public or private property.

(b) The city may employ its own personnel, equipment, and facilities or hire persons, equipment, and facilities to remove, preserve, and store an abandoned motor vehicle it takes into custody.

(c) The city shall be authorized to issue a parking citation on any vehicle found abandoned on public or private property. Such citation shall be issued in accordance with state law and other provisions of the Code of the City of Galveston, 1982, as amended, including, but not limited to, Chapter 34, Traffic.

**Sec. 23-39. - Notification of owner and lien holders.**

(a) When the city takes into custody an abandoned motor vehicle, it shall notify not later than the 10th day after taking the motor vehicle into custody, by certified mail, the last known registered owner of the motor vehicle and all lien holders of record pursuant to the Certificate of Title Act, (Article 6687-1, Vernon's Texas Civil Statutes), or Chapter 31, Parks and Wildlife Code, that the vehicle has been taken into custody. The notice shall describe the year, make, model, and vehicle identification number of the abandoned motor vehicle, set forth the location of the facility where the motor vehicle is being held, inform the owner and any lien holders of their right to reclaim the motor vehicle not later than the 20th day after the date of the notice, on payment of all towing, preservation, and storage charges resulting from placing the vehicle in custody, or garagekeeper's charges if notice is under section 23-41 of this Code. The notice shall also state that the failure of the owner or lien holders to exercise their right to reclaim the vehicle within the time provided constitutes a waiver by the owner and lien holders of all right, title, and interest in the vehicle and their consent to the sale of the abandoned motor vehicle at a public auction.

(b) If the identity of the last registered owner cannot be determined, if the registration contains no address for the owner, or if it is impossible to determine with reasonable certainty the identity and address of all lien holders, notice by one publication in one newspaper of general circulation in the area where the motor vehicle was abandoned is sufficient notice under this section. The notice by publication may contain multiple listings of abandoned vehicles, shall be published within the time requirements prescribed for notice by certified mail, and shall have the same contents required for a notice by certified mail.

(c) The consequences and effect of failure to reclaim an abandoned motor vehicle are as set forth in a valid notice given under this section.

(d) The city or its agent of the police department that takes custody of an abandoned motor vehicle is entitled to reasonable storage fees for:

(1) A period of not more than ten (10) days beginning on the day that the city takes custody and continuing through the day the city mails notice as provided by this section; and

(2) A period beginning on the day after the day the city mails notice and continuing through the day any accrued charges are paid and the vehicle is removed.

(e) If an abandoned motor vehicle has not been reclaimed as provided by this section, the city may use that vehicle for police department purposes as provided by this section.

(f) The city may use the abandoned motor vehicle for the police department purposes as long as the city considers it cost-effective. If the city discontinues use of the abandoned motor vehicle, the city shall auction the vehicle as provided by section 23-40 of this Code.

(g) This section does not apply to an abandoned motor vehicle with a garagekeeper's lien.

**Sec. 23-40. - Auction.**

(a) If an abandoned motor vehicle has not been reclaimed as provided by section 23-39 of this Code, the city may use the abandoned motor vehicle for police department purposes as provided by section 23-39 of this Code or sell the motor vehicle at a public auction. Proper notice of the public auction shall be given and in the case of a garagekeeper's lien, the garagekeeper shall be notified of the time and place of such auction.

(b) The purchaser of the motor vehicle takes title to the motor vehicle free and clear of all liens and claims of ownership, shall receive a sales receipt from the police department and is entitled to register the purchased vehicle and receive a certificate of title.

(c) From the proceeds of the sale of an abandoned motor vehicle, the city shall reimburse itself for the expenses of the auction, the costs of towing, preserving, and storing the vehicle that resulted from placing the abandoned motor vehicle in custody, and all notice and publication costs incurred. under section 23-39 of this Code. Any remainder from the proceeds of a sale shall be held for the owner of the vehicle or entitled lien holder for ninety (90) days, and then shall be deposited in a special fund which shall remain available for the payment of auction, towing, preserving, storage, and all notice and publication costs that result from placing another abandoned vehicle in custody, if the proceeds from a sale of another abandoned motor vehicle are insufficient to meet the expenses and costs. The city may transfer the amount in the special fund that exceeds one thousand dollars ($1,000.00) from the special fund to the city's general revenue account to be used by the police department.

**Secs. 23-41—23-52. - Reserved.**

## DIVISION 3. - JUNKED VEHICLES

**Sec. 23-53. - Authority.**

This article is adopted pursuant to the authority provided by the Texas Transportation Code, Chapter 683, Subchapter E, and any successor statutes, to establish procedures for the abatement and removal from private or public property or public right-of-way of a junked vehicle or part of a junked vehicle as a public nuisance.

**Sec. 23-54. - Definitions.**

*Antique vehicle* shall mean a passenger car or truck that is at least twenty-five (25) years old.

*Junked vehicle* shall mean a vehicle that is self-propelled and:

(1) Does not have lawfully attached to it:

a. An unexpired license plate; or

b. A valid motor vehicle inspection certificate; and

(2) Is:

a. Wrecked, dismantled or partially dismantled, or discarded; or

b. Inoperable and has remained inoperable for more than:

1. Forty-eight (48) consecutive hours, if the vehicle is on public property; or

2. Thirty (30) consecutive days if the vehicle is on private property.

(3) Not withstanding the provisions of subsections (1) and (2), a vehicle is a "junked vehicle" subject to enforcement under this chapter if a city code compliance officer determines that the vehicle constitutes a public nuisance due to the presence or threat of vandalism, health and safety violations, fire hazard, environmental hazard, or constitutes an attractive nuisance.

*Motor vehicle* shall mean any motor vehicle subject to registration pursuant to the Texas Certificate of Title Act.

*Motor vehicle collector* shall mean a person who owns one or more antique or special interest vehicles and who collects, purchases, acquires, trades, or disposes of special interest or antique vehicles or parts of them for his own use in order to restore, preserve, and maintain an antique or special interest vehicle for historic interest.

*Motor vehicle demolisher* shall mean any person in the business of converting motor vehicles into processed scrap or scrap metal, or to otherwise wreck or dismantle motor vehicles.

*Special interest vehicle* shall mean a motor vehicle of any age which has not been altered or modified from original manufacturer's specifications and, because of its historic interest, is being preserved by a hobbyist.

*Storage facility* shall mean a garage, parking lot, or any type of facility or establishment for the servicing, repairing, storing, or parking of motor vehicles.

**Sec. 23-55. - Junked (inoperable) vehicles declared a public nuisance**.

A junked vehicle which is located in any place where it is visible from a public place or public right-of-way is detrimental to the safety and welfare of the general public, tends to reduce the value of private property, invites vandalism, creates fire hazards, constitutes an attractive nuisance creating a hazard to the health and safety of minors, and is detrimental to the economic welfare of the city, by producing urban blight which is adverse to the maintenance and continuing development of the city, and such vehicles are therefore, declared to be a public nuisance.

**Sec. 23-56. - Offense.**

(a) A person commits an offense if the person maintains a public nuisance described by section 23-54 of this division.

(b) An offense under this section is a misdemeanor punishable by a fine not to exceed two hundred dollars ($200.00).

(c) The court shall order abatement and removal of the nuisance on conviction.

(d) Each day such offense shall continue shall be deemed a separate offense.

**Sec. 23-57. - Exceptions**.

The following vehicles or parts thereof are excepted from the provisions of this division:

(1) A vehicle or vehicle part which is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property.

(2) A vehicle or vehicle part which is stored or parked in a lawful manner on private property zoned for use as and in connection with the business of a licensed vehicle dealer or junkyard.

(3) An unlicensed, operable or inoperable antique or special interest vehicle or part thereof stored by a motor vehicle collector on the collector's property, provided that the vehicle or part and the outdoor storage area, if any, are maintained in such a manner that they do not constitute a health hazard and are screened from ordinary public view by means of a fence, rapidly growing trees, shrubbery, or other appropriate means.

Sec. 23-58. - Procedure for disposition of junked vehicles.

The procedure for the abatement and removal of a junked vehicle or part thereof, as a public nuisance, from private property, public property, or public right-of-way shall be as follows:

(1) Notice when on private property. There shall be furnished not less than ten (10) days notice, stating the nature of the public nuisance on private property and that it must be removed and abated not later than the tenth day after the date on which the notice was personally delivered or mailed and further that a request for a hearing must be made before expiration of said ten-day period. Such notice shall be:

a. Personally delivered or sent by certified mail;

b. With a five-day return requested;

c. To the last known registered owner of the junked vehicle and all lien holders of record and to the owner or the occupant of the private premises whereupon such public nuisance exists.

d. If the post office address of the last known registered owner of the nuisance is unknown, notice may be placed on the nuisance or, if the owner is located, personally delivered.

e. If the notice is returned undelivered by the United States Post Office, official action to abate said nuisance shall be continued to a date not earlier than the eleventh day after the date of such return.

(2) There shall be furnished not less than ten (10) days' notice, stating the nature of the public nuisance on public property or on public right-of-way and that it must be removed and abated not later than the tenth day after the date on which the notice was personally delivered or mailed and further that a request for hearing must be made before expiration of said ten-day period. Such notice shall be:

a. Personally delivered or mailed by certified mail;

b. With a five-day return requested;

c. To the last known registered owner of the junked vehicle and all lien holders of record; and,

d. If on public right-of-way, to the owner or occupant of the property adjacent to the public right-of-way whereupon such public nuisance exists.

e. If the post office address of the last known registered owner of the nuisance is unknown, notice may be placed on the nuisance or, if the owner is located, personally delivered.

f. If the notice is returned undelivered by the United States Post Office, official action to abate said nuisance shall be continued to a date not earlier than the eleventh day after the date of such return.

(3) After a vehicle has been removed, it shall not be reconstructed or made operable.

(4) There shall be a public hearing prior to the removal of the vehicle or part thereof as a public nuisance if such hearing is requested by the last known registered owner of the motor vehicle, or by any lien holder of record, or by the owner or occupant of the public or private premises, or by the owner or occupant of the premises adjacent to the public right-of-way on which said vehicle is located, or by the police department. The public hearing shall be held before the designee of the director of planning and community of the city, or his designee, not earlier than the eleventh day after the date of the service of notice to abate the nuisance. At the hearing, the vehicle which is the subject of the junked vehicle hearing is presumed, unless demonstrated otherwise by the owner, to be inoperable. Any resolution or order requiring the removal of a junked vehicle or part thereof must include the vehicle's description, vehicle identification number, and license plate number if the information is available at the location of the nuisance. A judge of the municipal court of the city may issue necessary orders to enforce the procedures for the abatement and removal of a public nuisance under this article.

(5) The relocation of a junked vehicle that is a public nuisance to another location within the city, after a proceeding for the abatement and removal of such junked vehicle has commenced, has no effect on the proceeding if the junked vehicle constitutes a public nuisance at the new location.

(6) Notice must be given to the state department of highways and public transportation not later than the fifth day after the date of removal identifying the vehicle or part thereof. Said department shall cancel the certificate of title issued for the vehicle immediately on receipt of such notice.

(7) The administration of the procedures herein shall be by the department of planning and community development and police department of the city and by such other regularly salaried, city employees as may be from time-to-time granted authority by the city's governing body to enforce this division, except that the removal of junked vehicles or parts thereof from property may be by any duly authorized person.

(8) A citation may be issued and a complaint may be filed in the municipal court of the city for the violation of maintaining a public nuisance, if the nuisance is not removed and abated and a hearing is not requested within the ten-day period provided in subsections (1) and (2).

**Sec. 23-59. - Disposal of junked (inoperable) vehicles.**

A junked vehicle or part thereof may be disposed of by removal to a scrapyard, a motor vehicle demolisher, or any suitable site operated by the city, for processing as scrap or salvage pursuant to authority provided in the Texas Transportation Code, § 683.078 or any successor statute for junked vehicle disposal.

**Sec. 23-60. - Authority to enforce.**

Any peace officer, code enforcement officer or other regularly salaried, full-time city employee authorized to enforce this ordinance, may enter the public areas of any building or premises, not a private residence or dwelling, structure or completely enclosed structure on private property, at all reasonable times whenever necessary in the performance of his duties to inspect and investigate for violations of any law, or to enforce any law. The authority to inspect shall include but not be limited to the authority to examine vehicles or parts thereof, obtain information as to identity of vehicles and to remove or cause the removal of a vehicle or part thereof declared to be a nuisance. If such building or premises be occupied and involved in conducting business, he shall first present proper credentials and demand entry, unless otherwise permitted by law. If such entry is refused, or, if no owner or other person having charge or control of the building or premises can be located, he shall have recourse to every remedy provided by law to secure entry.

**Sec. 23-61. - Effect of act on other laws**.

Nothing in this article shall affect laws that permit immediate removal of a vehicle left on public property which constitutes an obstruction to traffic, or laws that establish procedures for taking possession of abandoned motor vehicles.

**Secs. 23-62—23-69. - Reserved.**

**ARTICLE III. - BULKHEADS AND SHORELINE PROTECTION**

**Sec. 18-___ - Definitions**.

As used in this article, the following words and terms shall have the meanings ascribed to them in this section, unless the context of their usage clearly indicates another meaning:

*Boat House* - a structure located over the water used for the storage of boats.

*Building inspector* - the Development Services Director, or designee.

*Bulkhead* - an upright partition, or a retaining wall located at the edge of a body of water, or other shoreline protection.

*Dock* - a structure extending alongshore or out from the shore into a body of water, to which boats may be moored, commonly described as a pier.

*Owner* - the owner of the structure, the owner's agent, or the owner or occupant of the property on which the structure is located.

*Shed* - a structure used for shelter or storage.

*Structure* - bulkheads, other shoreline protection, boat houses, docks, or sheds.

*Substandard condition* - the bulkhead or other structure constitutes a danger or nuisance to the health, safety or general welfare to the owner or occupants, adjacent property, or to the public.

**Sec. 18. _- Failure to Maintain.**

(1) Bulkheads, or other shoreline protections, boat houses, docks, or sheds are to be maintained in good condition.

(2) If the building inspector determines that a bulkhead, or other shoreline protection, boat house, dock, or shed is substandard, the building inspector shall give written notice to the owner or occupant upon which the structure exists to abate the violation in accordance with this Chapter.

(3) The Owner or Occupant shall abate the violation by the repair, replacement or removal of the substandard structure.

(4) If the owner fails to abate the violation as ordered by the building inspector, the city may make the necessary repairs or remove or remedy the condition, or cause the same to be done and charge the expenses incurred to the owner of the property or premises upon which the structure exists.

(5) The City, shall assess its expenses to abate the violation and place a lien on such property, in accordance with state law. The lien shall attach to the property on the date on which the statement of expenses is filed in the real property records of Galveston County and the lien is subordinate to any previously filed lien.

## ARTICLE III. BULKHEADS AND SHORELINE PROTECTION

**Sec. 23-70. - Definitions**.

As used in this article, the following words and terms shall have the meanings ascribed to them in this section, unless the context of their usage clearly indicates another meaning:

*Awning* shall mean a structure extended before or over a window or door.

*Building inspector* shall mean the administration director of housing and community services, or designee.

*Bulkheads* shall mean an upright partition, or a retaining wall located at the edge of a body of water, or other shoreline protection.

*Commission* shall mean the building standards commission.

*Owner* shall mean the owner of the structure, the owner's agent, or the owner or occupant of the property on which the structure is located.

*Shed* shall mean a structure used for shelter or storage.

*Structure* shall mean bulkheads, other shoreline protection, awnings, or sheds.

*Substandard* shall mean the bulkhead or other structure constitutes a menace to the health, safety or general welfare to the owner or occupants, adjacent property, or to the public.

**Sec. 23-71. - Notice to abate.**

When the building inspector determines that a bulkhead, other shoreline protection, awning, or shed is substandard, the building inspector shall give written notice to the owner or occupant upon which the structure exists.

Such notice to abate shall contain:

(1) An order to abate the substandard structure within a stated time, which shall not be less than ten (10) days from the date of the notice;

(2) The location of the substandard structure;

(3) A statement of the acts necessary to abate the substandard structure;

(4) A statement that the owner can request a hearing before the building standards commission; and

(5) A statement that if the substandard structure is not abated within the designated time and the owner does not request a hearing before building standards commission, the city will abate the substandard structure and assess the costs against the owner and property.

**Sec. 23-72. - Repair or removal of substandard structures**.

(1) *Standards for ordering repair or removal.* The building inspector and the building standards commission may follow the following standards in ordering the repair or removal of a substandard structure:

(a) If the structure can be repaired so that it will no longer be in a condition that is in violation of this article, it shall be ordered repaired.

(b) If the structure cannot be repaired so that its existence will no longer be in violation of this article, the owner shall be ordered to remove the structure. If the removal of the structure causes a hazard to life or property, the owner shall be ordered to replace the structure.

(2) *Failure to abate.* If the owner fails to abate the substandard structure as ordered by the building inspector or by the commission, the following procedures shall be followed:

(a) The city may make the necessary repairs or remove or remedy the condition, or cause the same to be done and charge the expenses incurred to the owner of the property or premises upon which the structure exists and assess such expenses against the real estate upon which the work was done. The performance of such work and the charging and assessing of the expenses against the owner shall not relieve the owner from prosecution for violation of this article;

(b) Notice of the assessment of expenses shall be made to the owner by United States certified mail, or if the owner cannot be located, by single publication of such notice in a newspaper of general circulation in Galveston County, Texas;

(c) The building inspector shall place a lien in the name of the City of Galveston on the real estate on which the work was performed by filing a statement of expenses with the county clerk of Galveston County, Texas;

The statement of expenses shall set forth the amount of such expenses, the date the work was performed, or the date the improvements were made. The amount of expenses shall bear ten (10) percent interest from the date the statement is filed with the county clerk of Galveston, Texas;

For any such expenditures and interest, the city may institute a lawsuit against the owner for recovery and foreclosure of the lien made in the name of the city and the statement of expenses filed with the county clerk of Galveston County, Texas shall be prima facie proof of the amount expended for such work or improvements.

**Sec. 23-73. - Liability.**

Neither the City of Galveston, Texas, nor any authorized agent acting on behalf of the city shall be liable to the owner or have any liability placed upon them by reason of orders issued or work done.

**Sec. 23-74. - Penalties**.

Any person who violates any provision of this article III or who fails to comply with an order issued by the building inspector or the commission shall be deemed guilty of a misdemeanor and upon conviction shall be subject to a fine of not less than two hundred dollars ($200.00), nor more than five hundred dollars ($500.00) per day. Each day a violation exists shall constitute a separate and distinct offense.

**Sec. 23-75. - Civil penalties**.

(1) Cumulative of other remedies provided for in this article, the building standards commission may assess a civil penalty of up to one thousand dollars ($1,000.00) per day against a property owner, or a representative of the owner with control of the premises, who fails to abate a dangerously damaged or deteriorated bulkhead or shoreline protection improvement as ordered by the building inspector or by the commission.

(2) The city may recover this civil penalty if it proves to the commission that:

   (a) The violator was actually notified of the provisions of this article; and

   (b) After the violator received notice of the provisions of this article, the violator committed acts in violation of this article or failed to take action necessary for compliance with this article.

(3) The commission shall determine the amount and duration of the civil penalty. The penalty shall be assessed and enforced in the manner provided for by section 54.031 et seq. of the Texas Local Government Code.

**Secs. 23-76—23-79. - Reserved.**

## ARTICLE IX. Graffiti Removal

**Sec. ____. - Definitions.** For purposes of this section, the following definitions shall apply unless the context of their usage clearly indicates a different meaning:

*Graffiti* - any unauthorized form of painting, scratching, writing or inscription, including without limitation, initials, slogans or drawings, regardless of the content or nature of the material that has been applied to any wall, building, fence, sign, or other structure or surface and is visible from any public property or right-of-way or is visible from the private property of another person.

*Owner* - the record owner of the lot or parcel or other person specifically authorized in writing by the record owner to authorize the placement of any painting, scratching, writing or inscription upon the owner's property.

*Unauthorized* - without the consent of the owner or without authority of law, regulation or ordinance. Unless the owner proves otherwise, lack of consent will be presumed under circumstances tending to show:

(1) The absence of evidence of specific authorization of the graffiti by the owner;

(2) That the graffiti is inconsistent with the design and use of the subject property; or

(3) That the person causing the graffiti was unknown to the owner.

**Sec. 18. – Graffiti Violation**

(a) It shall be unlawful for any person who is the owner, or who has primary responsibility for control of property or for repair or maintenance of property in the city, to permit, allow, or suffer property that is defaced with graffiti to remain defaced for a period of more than fifteen (15) calendar days after receipt of notice of violation of the graffiti.

(b) It shall be the duty of each owner or person having the right of possession of any property within the city to keep and maintain their properties, including buildings and fences or other structures, free of graffiti, and to promptly remove such graffiti from the property.

(c) It shall be unlawful for the person owning or otherwise being in control of any real property within the city to maintain, permit or allow any graffiti to remain upon any structure located on such property when the graffiti is visible from the street or other public property.

**Sec. ___-____. Graffiti Violation Notice**.

(a) Graffiti is declared to be a public nuisance. Whenever the existence of graffiti on any lot or parcel of real estate situated within the city shall come to the knowledge of the department and (1) the graffiti is not located on transportation infrastructure, and (2) the removal would not create a hazard for the owner of the property performing the removal, the director shall send written notice to the owner of the property.

(b) The Department shall send notice to the Owner in accordance with city code or state law.

1. The notice shall offer abatement of the graffiti to the Owner, costs to be at the city's expense.

2. If the offer is not accepted within ten (10) calendar days, it shall be deemed rejected.

3. If rejected, the property owner shall remove the graffiti on or before the 15th day after the date the property owner received the original notice.

4. If the property owner fails to remove the graffiti on or before the 15th day after the date the notice was received, the city shall abate the graffiti and charge the expenses of removal to the property owner.

(c) The Graffiti Abatement Notice shall be substantially in the following form:

GRAFFITI VIOLATION NOTICE

[Property Owner] _____ Date _____

[CAD address for Property Owner]

Dear Property Owner:

Please be advised that there is graffiti on the property located at: _____, in Galveston, Texas, legally described as _____, for which you are the record owner. This graffiti is accessible and is not located on transportation infrastructure. The City of Galveston is prepared to abate this nuisance with any paint available to the City or paint provided by you, free of charge, provided the Director of Development Services receives the attached Acceptance Form within 10 calendar days at the following address:

(d) *Public property.* Notwithstanding any other section in this Chapter, where a structure is owned by a public entity, the abatement of the graffiti may be authorized only after securing the consent of an authorized representative of the public entity having jurisdiction over the structure.

If a hearing is requested, I will be advised of the date and time within 10 days of receipt of this request. My failure to appear and or establish any of the exceptions to abating the graffiti will subject me to abatement proceedings as described herein and pursuant to City Code and State law.

**Sec. 18. _____. – Graffiti Removal Hearing.**

(a) The owner or responsible party of property subject to abatement under this Article may request a hearing by notifying the Director within ten (10) calendar days following the date of receipt of the Graffiti Abatement notice to establish that:

(1) The graffiti is located on transportation infrastructure;

(2) The removal of the graffiti would create a hazard to the person performing the removal; or

(3) The item is not "graffiti."

Failure to timely request a hearing or accept the city's offer to abate the graffiti shall constitute consent for the city to enter the owner's property to abate the graffiti. The costs of the abatement shall be at the owner's expense.

(b) The hearing shall be conducted by the City Manager or designee ~~of the city manager~~, who shall be the Hearing Official for the purpose of the hearing. The hearing Official shall determine whether:

(1) The graffiti is located on transportation infrastructure;

(2) The removal of the graffiti would create a hazard to the person performing the removal; or

(3) The item on the property is not "graffiti" ~~[as applicable]~~.

(c) The owner shall be provided written notice of the time and place of the hearing. Notice of the hearing shall be mailed at least five (5) business days prior to the scheduled hearing.

(d) At the hearing, the owner and/or any representative of the owner and the Director, or their designee, may present any evidence relevant to the proceedings, in accordance with reasonable rules adopted by the Hearing Official and subject to approval by the City Attorney.

(1)Upon conclusion of the hearing, the Hearing Official shall determine whether:

(a) The graffiti is located on transportation infrastructure;

(b) The removal of the graffiti would create a hazard to the person performing the removal; or

(c) The item on the property is not "graffiti" [as applicable].

(2) An affirmative finding on any of the above shall be a ruling in the property owner's favor; otherwise the decision shall be in favor of the City.

(3) If the hearing official finds in favor of the property owner, the hearing official shall render a decision that, based on the information presented no abatement is required.

(4) If the hearing official finds in favor of the City, the hearing official shall render a decision that based on the information presented that abatement is required and order either of the following:

i. The City will abate the violation at the City's expense, using any paint available to the City; or

ii. The City will abate the violation at the City's expense using paint solely provided by the owner or

iii. The Owner will abate the graffiti at their expense and within a date certain as determined by the Hearing Officer.

(5) Failure of an owner to receive notice pursuant to the city code or state law shall not be a defense to prosecution and abatement as provided herein, and shall not affect the validity of any proceeding under this Article.

(6) The Decision of the Hearing Officer is final. The Owner or Responsible party may appeal the decision to the Building Board of Adjustments and Appeal.

## ARTICLE IV. - GRAFFITI

### Sec. 23-80. - Definitions.

Galveston, TX 77553

Note that if you decline the City's offer by failing to deliver an acceptance to the Director of Planning and Community within 10 days, you are required to remove/paint over the graffiti at your own expense on or before the 15 th calendar day from the date you received this letter.

If the City's Director of Planning and Community has not received your acceptance of the City's offer to abate the graffiti at City expense, and you haven't removed/painted over the graffiti by the 16th calendar day after receipt of this letter, the City will remove the graffiti at your expense and file a lien against this property for the cost of removal and administrative expenses, including: the cost of paint at $15/quart with a one quart minimum, plus the charges set out in the Galveston City Code Section 23-6(c) for labor and administrative expenses.

Thank you for your prompt cooperation in removing this blight on our community.

Sincerely,

_____
Director of Planning and Community

ACCEPTANCE

To: Graffiti Coordinator
c/o Department of Planning and Community

823 Rosenberg, 4th Floor
POB 779
Galveston, TX 77553

I, _____ [print name] am the record owner of the property located at _____ , Galveston, Texas legally described as _____ in the City and County of Galveston, Texas. I received a notice that the City will abate/paint over the graffiti located on my property on _____ 20 _____ .

□ I hereby give the City of Galveston permission to enter this property during normal business hours and to abate/paint over the graffiti located on my property at the City's expense with:

(Choose one)

i. any paint available to the City; or

ii. paint provided by me.

Or

□ I prefer to abate/paint over the graffiti located on my property by myself and at my expense. I understand that I must do so within 15 days of receipt of the Graffiti Notice sent by the City of Galveston.

Or

□ I do not want the City to abate the graffiti and I would like a hearing to establish that:

a) Located on transportation infrastructure, or

b) The removal of the graffiti would create a hazard for the person performing the removal, or

c) The item is NOT "graffiti"

Please advise me of the date and time of the hearing. I understand that if I fail to show up at the hearing or the Hearing Officer decides that I have failed to establish any of the above, I will have to abate or pay for the abatement of the graffiti

(d) *Public property*. Notwithstanding any other section in this article, where a structure is owned by a public entity other than the city, the abatement of the graffiti may be authorized only after securing the consent of an authorized representative of the public entity having jurisdiction over the structure.

**Sec. 23-81.1. - Hearing**.

(a) The owner of a lot or parcel subject to abatement under this article may request a hearing by notifying the director within ten (10) calendar days following the date of receipt of the notice set out in subsection 23-81(c) to establish that:

(1) The graffiti is located on transportation infrastructure;

(2) The removal of the graffiti would create a hazard to the person performing the removal; or

(3) The item is not "graffiti."

Failure to timely request a hearing or accept the city's offer to abate graffiti at the city's expense shall constitute consent for the city to enter the owner's property to abate the graffiti at the owner's expense for all purposes.

(b) The hearing shall be conducted by a designee of the city manager ("hearing official") for the purpose of determining whether:

(1) The graffiti is located on transportation infrastructure;

(2) The removal of the graffiti would create a hazard to the person performing the removal; or

(3) The item on the property is not "graffiti" [as applicable].

(c) The owner shall be provided written notice of the time and place of the hearing mailed at least five (5) business days prior to the hearing.

(d) The failure of an owner to receive/accept such notice of hearing addressed to the owner at the address recorded in the Galveston County Appraisal District (GCAD) records and deposited in the United States Mail with proper postage shall not affect the validity of any proceeding under this section.

(e) At the hearing, the owner and/or any representative of the owner (if present) and the director, or her representative, may present any evidence relevant to the proceedings, in accordance with reasonable rules adopted by the hearing official and subject to approval by the city attorney.

(f) Upon conclusion of the hearing, the hearing official shall determine whether:

(1) The graffiti is located on transportation infrastructure;

(2) The removal of the graffiti would create a hazard to the person performing the removal; or

(3) The item on the property is not "graffiti" [as applicable].

An affirmative finding on any of the above shall be a ruling in the property owner's favor; otherwise the decision shall be in favor of the director.

(g) If the hearing official finds in the property owner's favor, the hearing official shall render a decision that, based on the information presented no abatement is required, otherwise the city shall proceed to abate the graffiti at the owner's expense and place a lien on the property.

(h) Upon request A copy of the hearing official's determination shall be served by mail upon the owner of the affected premises at the address listed by GCAD.

(i) Failure of the owner to receive a determination letter shall not be grounds for delaying abatement by the city.

**Sec. 23-82. - Abatement by the city; expenses, and liens.**

(a) It shall be the duty of each owner or person having the right of possession of any property within the city to keep and maintain their properties, including buildings and fences or other structures, free of graffiti, and to promptly remove such graffiti from the property.

(b) It shall be unlawful for the person owning or otherwise being in control of any real property within the city to maintain, permit or allow any graffiti to remain upon any structure located on such property when the graffiti is visible from the street or other public property. Violation of this section shall constitute an offense and may be prosecuted under section 23-84.

(c) (1) If the owner fails to accept the city's offer to abate the graffiti at the city's expense or timely abate the graffiti or timely request a hearing as provided in this article, or

(2) If after a hearing, the hearing officer rules in favor of the director, then the city shall be authorized to abate the graffiti, assess its expenses and place a lien on the property, specifying the name of the property owner (if known), the legal description of the property, and the amount of expenses incurred, including the assessment of the city's costs and of administrative expenses as outlined below. and any other information required by state law. Additionally, the owner may be prosecuted in municipal court for failure to abate the graffiti.

(3) The lien shall attach to the property on the date on which the statement of expenses is filed in the real property records of Galveston County and the lien is subordinate to any previously filed lien.

(d) Graffiti abatement—Reimbursement.

(1) If a lien is to be filed, by the city, the director shall assess the costs of such removal against the property owner. Notice, service of which on the owner shall be in the manner provided for in subsection 23-81(b), stating the cost to the city or its agent(s) to abate the nuisance, including the cost of paint at fifteen dollars ($15.00) per quart with a one-quart minimum, plus the charges set out in subsection 23-6(c) for labor and administrative expenses shall be sent in writing to the owner by the director of the finance department or his designee. The notice shall request payment to the city within thirty (30) days of receipt by the owner. The costs for removal shall be payable within such 30-day period and thereafter bearing interest as set out below per annum until the debt is paid.

**Secs. 23-82.1, 23-82.2. - Reserved.**

**Sec. 23-83. - Landlord/tenant**.

The terms of this article shall not be construed to alter the terms of any lease or other agreement between any landlord and any tenant or others relating to property that is the subject of this article. It is the intent of this article to identify the parties the city will hold responsible for compliance with and violations of this article, rather than to determine the rights and liabilities of persons under agreements to which the city is not a party.

**Sec. 23-84. - Noncompliance with this article.**

(a) It shall be unlawful for any person who is the owner, or who has primary responsibility for control of property or for repair or maintenance of property in the city, to permit, allow, or suffer property that is defaced with graffiti to remain defaced for a period of more than fifteen (15) calendar days after receipt of notice of the graffiti.

(b) Code enforcement officers are authorized to commence the filing of appropriate charges in municipal court for violations of this section.

(c) It is an affirmative defense to prosecution under this section, that the person who is the owner or who has primary responsibility for control of property or for repair or maintenance of property, timely accepted the city's offer to abate the graffiti in writing.

(d) It is no defense to prosecution that the City abated the graffiti or that the item or marking on the property is not "graffiti", that the graffiti is located on transportation infrastructure, or the removal of the graffiti would create a hazard to the person performing the removal, unless a hearing to establish that was timely requested by the stating abatement pursuant to section 23-81 and the owner ultimately established that fact.

(e) In computing the 15-day period set out in subsection (a), the time from the date the owner accepts the city's offer to abate the graffiti or the days from the date that a hearing is requested until the date of the hearing officer's decision resulting in the city's abating the graffiti shall not be considered.

(f) A violation of this section shall be an offense punishable by a fine not exceeding five hundred dollars ($500.00).

**Sec. 23-85. - Special purpose fund.**

The city council hereby creates the "City of Galveston Anti-Vandalism and Graffiti Special Purpose Fund." Penalties assessed against violators of this article shall be placed in the fund, along with any donations received from persons wishing to contribute to the fund. The director shall oversee the expenditures of monies in the fund. Such expenditures shall be limited to the payment of the direct labor/material cost of graffiti removal.

*Structure* shall mean materials assembled at a fixed location to give support or shelter such as a building, framework, retaining wall, tent, reviewing stand, platform, bin, fence, sign, flagpole, or mast for an antenna, or the like.

**Sec. 23-91. - Painting exterior wood panels on boarded-up buildings; notice to abate.**

(a) When an owner boards up a building within the city, it shall be the duty of the owner to apply one coat of exterior paint to the exterior wood panels installed on all openings, windows or doors. The one coat of exterior paint shall be a compatible color with the color of the building.

(b) Upon finding a violation of this section, the director shall serve a written abatement notice upon the owner. The notice shall advise the owner of the violation and shall give the owner sixty (60) calendar days from the date of the notice to abate the violation.

(c) If the owner fails to abate the violation, the city may, without further notice, abate the violation by painting the exterior wood panels, and charging the cost of expense, material and labor incurred in abating the violation to the owner, and the city shall fix a lien upon the property.

**Sec. 23-92. - Installing fence around the perimeter of buildings; notice to abate.**

(a) When an owner boards up a building within the city, and if the property owner fails to keep the property secured, it shall be the duty of the owner to install a minimum eight-foot high chain link fence around the perimeter of the building.

(b) Upon finding a violation of this section, the director shall serve a written abatement notice upon the owner. The notice shall advise the owner of the violation and shall give the owner sixty (60) calendar days from the date of the notice to abate the violation.

(c) If the owner fails to abate the violation, the city may, without further notice, abate the violation by erecting an eight-foot high chain link fence around the perimeter of the building, and charging the cost of expense, material and labor incurred in abating the violation to the owner, and the city shall fix a lien upon the property.

(d) Fencing regulations set forth in "Zoning Regulations 1991 of the City of Galveston" shall not apply to fences erected pursuant to this article.

**Sec. 23-93. - Removing or repairing other structures.**

(a) An owner shall promptly remove or repair any structure or sign that is in a condition of decay or partial ruin by reason of neglect, misuse or deterioration.

(b) Upon finding a violation of this section, the director shall serve a written abatement notice upon the owner. The notice shall advise the owner of the violation and shall give the owner sixty (60) calendar days from the date of the notice to abate the violation.

(c) If the owner fails to abate the violation, the city may, without further notice, remove or repair the structure and charge the cost of expense, material and labor incurred in abating the violation to the owner, and the city shall fix a lien upon the property.

**Sec. 23-94. - Reserved.**

**Sec. 23-95. - Penalties.**

Any person who violates any provision of this article, or who fails to comply with an order issued by the director shall be deemed guilty of a misdemeanor and upon conviction shall be subject to a fine of not more than five hundred dollars ($500.00) per day. Each day a violation exists shall constitute a separate offense.

**Secs. 23-96—23-99. - Reserved.**

**ARTICLE VI. - DEPOSIT OF FILL MATERIAL**

Unless specifically excepted, it shall be unlawful, for any person to deposit or dump on any property, or for any person to allow to be deposited or dumped on any property, any dirt or other fill materials without first obtaining a dumping permit from the City.

Sec. 18. Exceptions:

(1) Persons depositing or dumping and spreading dirt, sand or other gardening materials on the premises used in connection with an existing building for landscaping purposes;

(2) The depositing of sand or other building material on a lot in connection with construction of improvements in progress for which a building permit has been obtained;

(3) The dumping or depositing of dirt, sand, fill material, refuse, garbage, brush or junk for which a permit has been obtained under other provisions of the city Code; or

(4) The dumping or depositing of such materials in a city dumping ground so designated by the city.

**ARTICLE VI. - DEPOSIT OF FILL MATERIAL**

**Sec. 23-100. - Definitions**.

The following words, terms, and phrases when used in this article, shall have the meanings ascribed to them in this article, unless the context of their usage clearly indicates a different meaning:

*Department* shall mean the department of planning and community development or any city department designated by the city manager.

*Director* shall mean director of the department of planning and community or the director's designee.

**Sec. 23-101. - Permit requirements; exceptions**.

It shall be unlawful, except as specifically provided by this article VI, for any person to deposit or dump on any property, or for any person to allow to be deposited or dumped on any property, any dirt or other fill materials without first obtaining a dumping permit from the department.

The provisions of this article VI shall not apply to:

(a) Persons depositing or dumping and spreading dirt, sand or other gardening materials on the premises used in connection with an existing building for landscaping purposes;

(b) The dumping of sand or other building material on a lot in connection with construction of improvements in progress for which a building permit has been obtained;

(c) The dumping or depositing of dirt, sand, fill material, refuse, garbage, brush or junk for which a permit has been obtained under other provisions of the city Code; or

(d) The dumping or depositing of such materials in a city dumping ground so designated by the city.

**Sec. 23-102. - Issuance of permit.**

The department shall be responsible for the issuance of dumping permits for dumping or depositing dirt or other fill material.

(a) The department shall not issue a permit for dumping or depositing refuse, or junk. The department shall not issue a permit for dumping or depositing garbage or rubbish as those terms are defined in Texas Health and Safety Code, section 361.003.

(b) The department shall issue each dumping permit to a specific person, firm, or corporation. Each permit shall specifically describe the property and location on which the material is to be placed. Each permit shall specify the type, origin and source of fill material to be dumped.

(c) Before issuing the permit, the department shall ensure that the applicant has obtained the property owner's written approval for the filling of the property.

(d) Each permit shall specify an expiration date, to be established by the director of the department, or the director's designee; however, the maximum duration of a permit shall not exceed thirty (30) days unless the director of the department or the director's designee grants an extension of time. Such extension of time shall not exceed thirty (30) days. A permit shall not be valid for more than sixty (60) days including any extension.

(e) Before issuing the permit, the department shall ensure that the dirt or fill material appears to be free from any substance that is or could be injurious to the public health and welfare.

(f) Before issuing the permit, the department shall ensure that the applicant shall handle, dump, deposit, and level off the dirt or fill material in a manner that will not be injurious to the public health. The department is authorized to promulgate forms to be completed by applicants for dumping permits requiring such information as deemed necessary to carry out the purposes of this article VI.

(f) Before issuing the permit, the department shall ensure that the applicant has obtained the property owner's written approval for the filling of the property.

(g) Persons who have been dumping fill materials before the effective date of this article shall cease such dumping unless the department issues a permit.

**Sec. 23-103. - Notice to abate**.

The director shall issue a notice to abate in accordance with section 23-3 of the city Code to any person who violates any provision of this article and may institute the filing of criminal charges.

**Sec. 23-104. - Permit fees.**

The fee for each permit issued under the provisions of this article shall be one hundred fifty dollars ($150.00). Fees are nonrefundable and shall not be prorated.

**Sec. 23-105. - Reserved.**

**Sec. 23-106. - Penalties.**

Any person who violates any provision of this article, or who fails to comply with an order issued by the director of the department shall be deemed guilty of a misdemeanor and upon conviction shall be subject to a fine in accordance with the city Code and applicable state laws.

ORDINANCE NO. 20- _____

AN ORDINANCE OF THE CITY OF GALVESTON, TEXAS, AMENDING THE CODE OF THE CITY OF GALVESTON, AS AMENDED, CHAPTER 23, "NUISANCES" TO AMEND, UPDATE REGULATIONS, STANDARDS, AND DEFINITIONS; TO MAKE CLARIFICATIONS, RENAME, RENUMBER AND REARRANGE THE CHAPTER AS APPLICABLE; PROVIDING FOR PENALTIES AS APPLICABLE; MAKING VARIOUS FINDINGS AND PROVISIONS RELATED TO THE SUBJECT; PROVIDING FOR AN EFFECTIVE DATE.

---

**WHEREAS**, the Galveston City Council seeks to promote the public health, safety, morals and general welfare of the municipality and the safe, orderly, and healthful development of the municipality; and,

**WHEREAS**, staff has reviewed various Chapters of the City Code. Staff has made recommendations in order to update regulations, standards and procedures and make clarifications, and modifications, as applicable to the Chapter in furtherance of promoting the public health, safety, morals and general welfare of the municipality and the safe, orderly, and healthful development of the municipality; and,

**WHEREAS**, the City Council deems it in the public's interest to amend Chapter 23 "Nuisances", of "The Code of The City of Galveston 1982, as amended," as provided below.

**NOW, THEREFORE, BE IT ORDAINED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Ordinance are found to be true and correct and they are hereby adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** Chapter 23 "Nuisances" of "The Code of The City of Galveston 1982, as amended," is renamed and amended to provide as follows:

**Chapter 23. ~~Nuisances~~ Nuisance Abatement**

**ARTICLE I. - IN GENERAL**

**Sec. 23-1.** In accordance with the Codes of the City of Galveston, the Charter and State law, the owner or person in control of any private property shall at all times maintain the premises free and clear of all nuisances.

(a) In the event the city has an easement on private property, and upon a determination by the city manager or designee that immediate maintenance or abatement of a nuisance in, on, or under the easement constitutes a safety hazard to the owner or person in control of the property, the city manager or designee may direct city staff to provide maintenance or abatement of such easement.

(b) In the event the property is in the city right-of-way, and upon a determination by the city manager or designee that immediate maintenance or abatement of a nuisance in, on, or under the right-of-way constitutes a safety hazard to the owner or person in control of the property, the city manager or designee may direct city staff to provide for the maintenance or abatement of the nuisance in the right-of-way.

(c) Upon the failure of a person who is required to abate a nuisance in the required manner, the City Manager or designee of the city may proceed to abate such nuisance and prepare a statement of costs incurred in the abatement thereof.

(d) The expense incurred by the city in abating a nuisance may be assessed on the real estate upon which such expense incurred, or in the case of the abatement of weeds, brush or other rank vegetation located in an alley, upon the abutting real estate and shall be a lien upon such real estate.

(e) If a violation covered by a notice pursuant to this Chapter occurs within the one-year period, and the city has not been informed in writing by the owner of an ownership change, the city may correct the violation and assess the expense against the property as permitted herein and by state law.

**Sec. 23-2. Notice to abate**.

(a) A written notice to abate a violation shall be given to the owner or occupant of the property upon which such nuisance exists or upon the person causing or maintaining the nuisance. In the case of weeds, brush, or other rank vegetation located in an alley, such notice shall be given to the owner or occupant of the property abutting such alley. Notice shall be in accordance with the City Code and state law.

(b) The notice to abate a violation shall:

(1) Be in writing:

(2) Include a description of the nuisance and why the notice is being issued;

(3) Include the location of the nuisance, if the same is stationary

(4) Include a statement of acts necessary to abate the nuisance;

(5) Include a reasonable time certain to abate the nuisance;

(6) Include a reasonable time certain to request a hearing before the city manager or designee, and such time shall be no less than within (10) days' notice of the notice to abate the violation.

(7) Include a statement that if the nuisance is not abated as directed and no request for hearing is made within ten (10) days, the city will abate such nuisance and assess the cost thereof against such person or real estate.

(8) Include a statement that if the owner/responsible party commits another violation of the same kind or nature that poses a danger to the public health and safety on or before the first anniversary of the date of the notice, the city without further notice

may correct the violation at the owner's expense and assess the expense against the property.

(9) Include a statement that the owner/responsible party shall inform the City in writing of an ownership change that has occurred on or before the first anniversary of the date of the notice. Failure to inform the City of an ownership change may result in the city without further notice instituting appropriate action to restrain, correct or abate the violation and assess costs for such action against the property.

(c) Service of Notice to abate shall be deemed to be properly served if a copy of the written notice is:

(1) Personally delivered to the owner, responsible party or person concerned; or

(2) Sent by first-class mail addressed to the last known address; and

(3) If the notice is returned showing the letter was not delivered, a copy of the notice shall be posted in a conspicuous place at or about the site where the violation exists.

(i) a non-delivery or unable to be delivered returned letter does not preclude posting a copy of the written notice in a conspicuous place in or about the property affected by such notice;

**Sec. 23-3. Abatement required.**

(1) It shall be unlawful for any person to fail to abate a nuisance within the time limit prescribed in the notice to abate a nuisance if such person did not request an abatement hearing as provided herein;

(2) It shall be unlawful for any person to fail to abate a nuisance within the time limit as may be determined by the city manager at an abatement hearing where the city manager or designee determined that a nuisance exists or existed and that it is to the duty of the person served with such notice to abate the nuisance;

(3) The method of abatement of such nuisance shall be as stated in the notice to abate if no hearing has been requested, or, if a hearing has been held, as determined by the city manager or designee at such hearing.

**Sec. 23-4. Transfer of Ownership.**

It shall be unlawful for the owner of any dwelling unit or structure who has been served with a compliance order or notice of violation, to sell, transfer, mortgage, lease or otherwise dispose of such dwelling or structure to another until the provisions of the compliance order or notice of violation have been complied with, or until such owner shall first furnish the grantee, transferee, mortgagee or lessee a true copy of any compliance order or notice of violation and shall furnish to the City a signed and notarized statement from the grantee, transferee, mortgagee or lessee, acknowledging the receipt of such compliance order or notice of violation and fully accepting the responsibility without condition for making the corrections or repairs required by such compliance order or notice of violation.

**Sec. 23-5. Abatement Hearing.**

(a) Within ten (10) days of a request by a person served with a notice to abate a violation, the City manager or designee shall hold a hearing to determine:

i. whether a nuisance exists or existed at the time of the violation notice; and

ii. whether the person served with the notice is responsible for its abatement;

(b) The City Manager or designee shall determine an abatement process/ time frame etc.

(c) The Owner or responsible party shall be informed that the decision of the City Manager or designee is final. The decision thereafter may be appealed to the Building Board of Adjustments and Appeals. (put in timeframe etc. governed by the BBAA)

**Sec. 23-6. Costs**

(a) The costs incurred by the city in abating a nuisance may be assessed on the real estate or lot or premises upon which such expense incurred, or in the case of the abatement of weeds, brush or other rank vegetation located in an alley, upon the abutting premises, lot or real estate.

(b) On filing with the county clerk a statement by the City Manager or designee of such expenses, the city shall have a privileged lien against said real estate, or lot or premises, including proceeds from the sale or foreclosure of such property, second only to tax liens and liens for street improvements to secure the expenditures so made and ten (10) percent compound interest, compounded quarterly, on the amount of expenditures from the date of such foreclosure had in the name of the city.

(c) The statement made by the City Manager or designee, or a certified copy thereof, shall be prima facie proof of the amount expended in any such work or improvements.

(d) The costs for abating a nuisance will include actual costs of the abatement and the administrative fees and costs incurred by the City.

**Sec. 23-7. Penalty.**

The maximum penalty for noncompliance with orders and violation notices of the city governing fire safety, zoning, public health and sanitation, including the dumping of refuse, and vegetation and litter violations, is an offense punishable by a fine not exceeding two thousand dollars ($2,000.00).

If such maximum penalty is greater than the maximum penalty provided for the same or a similar offense under the laws of the state, then the maximum penalty for the violation as provided by the state shall be the maximum penalty under this Code.

Each day any violation of this Code continues shall constitute a separate offense.

***

*Special interest vehicle:* A motor vehicle of any age which has not been altered or modified from original manufacturer's specifications and, because of its historic interest, is being preserved by hobbyists.

*Storage facility:* A garage, parking lot, or any type of facility or establishment for the servicing, repairing, storing, or parking of motor vehicles.

Sec. 23-25. - Entry powers of city officials, powers of municipal court.

Any person authorized by the city to administer the provisions of this article may enter upon private property for the purposes specified in the procedures to examine a vehicle or vehicle part, obtain information as to the identity of the vehicle and remove or cause the removal of a vehicle or vehicle part that constitutes a nuisance. The municipal court shall have authority to issue all orders necessary to enforce such procedures.

Sec. 23-26. - Article cumulative.

(a) Nothing in this article shall affect any statute or ordinance which permits immediate removal of a vehicle left on public property which constitutes an obstruction to traffic.

(b) The provisions of this article shall be supplemental to all other ordinances.

Secs. 23-27—23-37. - Reserved.

DIVISION 2. - ABANDONED VEHICLES

Sec. 23-38. - Removal authorized.

(a) The city may take into custody an abandoned motor vehicle found on public or private property.

(b) The city may employ its own personnel, equipment, and facilities or hire persons, equipment, and facilities to remove, preserve, and store an abandoned motor vehicle it takes into custody.

(c) The city shall be authorized to issue a parking citation on any vehicle found abandoned on public or private property. Such citation shall be issued in accordance with state law and other provisions of the Code of the City of Galveston, 1982, as amended, including, but not limited to, Chapter 34, Traffic.

Sec. 23-39. - Notification of owner and lien holders.

(a) When the city takes into custody an abandoned motor vehicle, it shall notify not later than the 10th day after taking the motor vehicle into custody, by certified mail, the last known registered owner of the motor vehicle and all lien holders of record pursuant to the Certificate of Title Act, (Article 6687-1, Vernon's Texas Civil Statutes), or Chapter 31, Parks and Wildlife Code, that the vehicle has been taken into custody. The notice shall describe the year, make, model, and vehicle identification number of the abandoned motor vehicle, set forth the location of the facility where the motor vehicle is being held, inform the owner and any lien holders of their right to reclaim the motor vehicle not later than the 20th day after the date of the notice, on payment of all towing, preservation, and storage charges resulting from placing the vehicle in custody, or garagekeeper's charges if notice is under section 23-41 of this Code. The notice shall also state that the failure of the owner or lien holders to exercise their right to reclaim the vehicle within the time provided constitutes a waiver by the owner and lien holders of all right, title, and interest in the vehicle and their consent to the sale of the abandoned motor vehicle at a public auction.

(b) If the identity of the last registered owner cannot be determined, if the registration contains no address for the owner, or if it is impossible to determine with reasonable certainty the identity and address of all lien holders, notice by one publication in one newspaper of general circulation in the area where the motor vehicle was abandoned is sufficient notice under this section. The notice by publication may contain multiple listings of abandoned vehicles, shall be published within the time requirements prescribed for notice by certified mail, and shall have the same contents required for a notice by certified mail.

(c) The consequences and effect of failure to reclaim an abandoned motor vehicle are as set forth in a valid notice given under this section.

(d) The city or its agent of the police department that takes custody of an abandoned motor vehicle is entitled to reasonable storage fees for:

(1) A period of not more than ten (10) days beginning on the day that the city takes custody and continuing through the day the city mails notice as provided by this section; and

(2) A period beginning on the day after the day the city mails notice and continuing through the day any accrued charges are paid and the vehicle is removed.

(e) If an abandoned motor vehicle has not been reclaimed as provided by this section, the city may use that vehicle for police department purposes as provided by this section.

(f) The city may use the abandoned motor vehicle for the police department purposes as long as the city considers it cost-effective. If the city discontinues use of the abandoned motor vehicle, the city shall auction the vehicle as provided by section 23-40 of this Code.

(g) This section does not apply to an abandoned motor vehicle with a garagekeeper's lien.

Sec. 23-40. - Auction.

(a) If an abandoned motor vehicle has not been reclaimed as provided by section 23-39 of this Code, the city may use the abandoned motor vehicle for police department purposes as provided by section 23-39 of this Code or sell the motor vehicle at a public auction. Proper notice of the public auction shall be given and in the case of a garagekeeper's lien, the garagekeeper shall be notified of the time and place of such auction.

(b) The purchaser of the motor vehicle takes title to the motor vehicle free and clear of all liens and claims of ownership, shall receive a sales receipt from the police department and is entitled to register the purchased vehicle and receive a certificate of title.

(c) From the proceeds of the sale of an abandoned motor vehicle, the city shall reimburse itself for the expenses of the auction, the costs of towing, preserving, and storing the vehicle that resulted from placing the abandoned motor vehicle in custody, and all notice and publication costs incurred under section 23-39 of this Code. Any remainder from the proceeds of a sale shall be held for the owner of the vehicle or entitled lien holder for ninety (90) days, and then shall be deposited in a special fund which shall remain available for the payment of auction, towing, preserving, storage, and all notice and publication costs that result from placing another abandoned vehicle in custody, if the proceeds from a sale of another abandoned motor vehicle are insufficient to meet the expenses and costs. The city may transfer the amount in the special fund that exceeds one thousand dollars ($1,000.00) from the special fund to the city's general revenue account to be used by the police department.

Secs. 23-41—23-52. - Reserved.

DIVISION 3. - JUNKED VEHICLES

Sec. 23-53. - Authority.

This article is adopted pursuant to the authority provided by the Texas Transportation Code, Chapter 683, Subchapter E, and any successor statutes, to establish procedures for the abatement and removal from private or public property or public right-of-way of a junked vehicle or part of a junked vehicle as a public nuisance.

Sec. 23-54. - Definitions.

*Antique vehicle* shall mean a passenger car or truck that is at least twenty-five (25) years old.

*Junked vehicle* shall mean a vehicle that is self-propelled and:

(1) Does not have lawfully attached to it:

a. An unexpired license plate; or

b. A valid motor vehicle inspection certificate; and

(2) Is:

a. Wrecked, dismantled or partially dismantled, or discarded; or

b. Inoperable and has remained inoperable for more than:

1. Forty-eight (48) consecutive hours, if the vehicle is on public property; or

2. Thirty (30) consecutive days if the vehicle is on private property.

(3) Not withstanding the provisions of subsections (1) and (2), a vehicle is a "junked vehicle" subject to enforcement under this chapter if a city code compliance officer determines that the vehicle constitutes a public nuisance due to the presence or threat of vandalism, health and safety violations, fire hazard, environmental hazard, or constitutes an attractive nuisance.

*Motor vehicle* shall mean any motor vehicle subject to registration pursuant to the Texas Certificate of Title Act.

*Motor vehicle collector* shall mean a person who owns one or more antique or special interest vehicles and who collects, purchases, acquires, trades, or disposes of special interest or antique vehicles or parts of them for his own use in order to restore, preserve, and maintain an antique or special interest vehicle for historic interest.

*Motor vehicle demolisher* shall mean any person in the business of converting motor vehicles into processed scrap or scrap metal, or to otherwise wreck or dismantle motor vehicles.

*Special interest vehicle* shall mean a motor vehicle of any age which has not been altered or modified from original manufacturer's specifications and, because of its historic interest, is being preserved by a hobbyist.

*Storage facility* shall mean a garage, parking lot, or any type of facility or establishment for the servicing, repairing, storing, or parking of motor vehicles.

Sec. 23-55. - Junked (inoperable) vehicles declared a public nuisance.

A junked vehicle which is located in any place where it is visible from a public place or public right-of-way is detrimental to the safety and welfare of the general public, tends to reduce the value of private property, invites vandalism, creates fire hazards, constitutes an attractive nuisance creating a hazard to the health and safety of minors, and is detrimental to the economic welfare of the city, by producing urban blight which is adverse to the maintenance and continuing development of the city, and such vehicles are therefore, declared to be a public nuisance.

Sec. 23-56. - Offense.

(a) A person commits an offense if the person maintains a public nuisance described by section 23-54 of this division.

(b) An offense under this section is a misdemeanor punishable by a fine not to exceed two hundred dollars ($200.00).

(c) The court shall order abatement and removal of the nuisance on conviction.

(d) Each day such offense shall continue shall be deemed a separate offense.

Sec. 23-57. - Exceptions.

The following vehicles or parts thereof are excepted from the provisions of this division:

(1) A vehicle or vehicle part which is completely enclosed within a building in a lawful manner where it is not visible from the street or other public or private property.

(2) A vehicle or vehicle part which is stored or parked in a lawful manner on private property zoned for use as and in connection with the business of a licensed vehicle dealer or junkyard.

(3) An unlicensed, operable or inoperable antique or special interest vehicle or part thereof stored by a motor vehicle collector on the collector's property, provided that the vehicle or part and the outdoor storage area, if any, are maintained in such a manner that they do not constitute a health hazard and are screened from ordinary public view by means of a fence, rapidly growing trees, shrubbery, or other appropriate means.

Sec. 23-58. - Procedure for disposition of junked vehicles.

The procedure for the abatement and removal of a junked vehicle or part thereof, as a public nuisance, from private property, public property, or public right-of-way shall be as follows:

(1) Notice when on private property. There shall be furnished not less than ten (10) days notice, stating the nature of the public nuisance on private property and that it must be removed and abated not later than the tenth day after the date on which the notice was personally delivered or mailed and further that a request for a hearing must be made before expiration of said ten-day period. Such notice shall be:

a. Personally delivered or sent by certified mail;

b. With a five-day return requested;

c. To the last known registered owner of the junked vehicle and all lien holders of record and to the owner or the occupant of the private premises whereupon such public nuisance exists.

d. If the post office address of the last known registered owner of the nuisance is unknown, notice may be placed on the nuisance or, if the owner is located, personally delivered.

e. If the notice is returned undelivered by the United States Post Office, official action to abate said nuisance shall be continued to a date not earlier than the eleventh day after the date of such return.

(2) There shall be furnished not less than ten (10) days' notice, stating the nature of the public nuisance on public property or on public right-of-way and that it must be removed and abated not later than the tenth day after the date on which the notice was

personally delivered or mailed and further that a request for hearing must be made before expiration of said ten-day period. Such notice shall be:

a. Personally delivered or mailed by certified mail;

b. With a five-day return requested;

c. To the last known registered owner of the junked vehicle and all lien holders of record; and,

d. If on public right-of-way, to the owner or occupant of the property adjacent to the public right-of-way whereupon such public nuisance exists.

e. If the post office address of the last known registered owner of the nuisance is unknown, notice may be placed on the nuisance or, if the owner is located, personally delivered.

f. If the notice is returned undelivered by the United States Post Office, official action to abate said nuisance shall be continued to a date not earlier than the eleventh day after the date of such return.

(3) After a vehicle has been removed, it shall not be reconstructed or made operable.

(4) There shall be a public hearing prior to the removal of the vehicle or part thereof as a public nuisance if such hearing is requested by the last known registered owner of the motor vehicle, or by any lien holder of record, or by the owner or occupant of the public or private premises, or by the owner or occupant of the premises adjacent to the public right-of-way on which said vehicle is located, or by the police department. The public hearing shall be held before the designee of the director of planning and community of the city, or his designee, not earlier than the eleventh day after the date of the service of notice to abate the nuisance. At the hearing, the vehicle which is the subject of the junked vehicle hearing is presumed, unless demonstrated otherwise by the owner, to be inoperable. Any resolution or order requiring the removal of a junked vehicle or part thereof must include the vehicle's description, vehicle identification number, and license plate number if the information is available at the location of the nuisance. A judge of the municipal court of the city may issue necessary orders to enforce the procedures for the abatement and removal of a public nuisance under this article.

(5) The relocation of a junked vehicle that is a public nuisance to another location within the city, after a proceeding for the abatement and removal of such junked vehicle has commenced, has no effect on the proceeding if the junked vehicle constitutes a public nuisance at the new location.

(6) Notice must be given to the state department of highways and public transportation not later than the fifth day after the date of removal identifying the vehicle or part thereof. Said department shall cancel the certificate of title issued for the vehicle immediately on receipt of such notice.

(7) The administration of the procedures herein shall be by the department of planning and community development and police department of the city and by such other regularly salaried, city employees as may be from time-to-time granted authority by the city's governing body to enforce this division, except that the removal of junked vehicles or parts thereof from property may be by any duly authorized person.

(8) A citation may be issued and a complaint may be filed in the municipal court of the city for the violation of maintaining a public nuisance, if the nuisance is not removed and abated and a hearing is not requested within the ten-day period provided in subsections (1) and (2).

Sec. 23-59. - Disposal of junked (inoperable) vehicles.

A junked vehicle or part thereof may be disposed of by removal to a scrapyard, a motor vehicle demolisher, or any suitable site operated by the city, for processing as scrap or salvage pursuant to authority provided in the Texas Transportation Code, § 683.078 or any successor statute for junked vehicle disposal.

Sec. 23 -60. - Authority to enforce.

Any peace officer, code enforcement officer or other regularly salaried, full-time city employee authorized to enforce this ordinance, may enter the public areas of any building or premises, not a private residence or dwelling, structure or completely enclosed structure on private property, at all reasonable times whenever necessary in the performance of his duties to inspect and investigate for violations of any law, or to enforce any law. The authority to inspect shall include but not be limited to the authority to examine vehicles or parts thereof, obtain information as to identity of vehicles and to remove or cause the removal of a vehicle or part thereof declared to be a nuisance. If such building or premises be occupied and involved in conducting business, he shall first present proper credentials and demand entry, unless otherwise permitted by law. If such entry is refused, or, if no owner or other person having charge or control of the building or premises can be located, he shall have recourse to every remedy provided by law to secure entry. Sec. 23-61. - Effect of act on other laws.

Nothing in this article shall affect laws that permit immediate removal of a vehicle left on public property which constitutes an obstruction to traffic, or laws that establish procedures for taking possession of abandoned motor vehicles.

**RE: Consider for action to request the Project Fund balance of the Series 2006 GCWA Chocolate Bayou Contract Note Payable to be refunded to the City.**

**I. Background**

On November 16, 2006, the City entered into a contract with Gulf Coast Water Authority (GCWA) whereby GCWA issued $6,970,000 of Gulf Coast Water Authority Contract Note Payable with Bank of America to be used to obtain water rights from the Brazos River and execute a purchase agreement with Chocolate Bayou Water Company.

**II. Current Situation**

The Assistant General Manager for the GCWA advised the City of an unaudited balance of the Project Fund of the Series 2006 GCWA Chocolate Bayou Contract Note Payable totaling approximately $179,252.27 as of August 31, 2019. The note was for 10 years. The Project Fund balance represents the unused projects funds.

**III. Issues**

The note payable issue makes no reference regarding the application of unused Project Fund balances upon the maturity date. The GCWA representative has recommended that Project Fund balance of approximately $179,252.72 to be refunded to the City.

**IV. Recommendation**

I am recommending that we request the Project Fund balance to be refunded to the City.

**RE: Consider for Approval to Authorize the City Manager or his Designee to Execute a Certification of Consistency (HUD Form–50077-SL) with the City's Consolidated Plan for the Galveston Housing Authority.**

## I. Background

A. The Consolidated Plan is a multi-year strategic plan required by the U.S. Dept. of Housing & Urban Development (HUD). The Plan identifies an Entitlement Community's housing and non-housing community development needs and actions to address the priority goals within the Plan.

B. HUD regulations require that an applicant agency or organization for HUD funds must provide a Certification of Consistency Form from each Entitlement Community or Jurisdiction in which a project will be located.

## II. Current Situation

A. The Galveston Housing Authority (GHA) has submitted their Annual and Five-Year Plans to the City to affirm that it is consistent with the City's Consolidated Plan.

B. The City has reviewed the GHA Annual and Five-Year Plans and found that the proposed elements and activities of creating sustainable homeownership opportunities; educating potential homebuyers or renters; restoring and increasing the supply of assisted housing and promoting a path to self-sufficiency; improving the quality of assisted housing and fostering an improved living environment; promoting participant self-sufficiency and asset development; ensuring equal opportunity and affirmatively furthering fair housing; addressing blight and deconcentrating poverty; and staff development are consistent with the goals and objectives of the City of Galveston's Consolidated Plan. **(Attachment A)**

## III. Issues

A. Consistency: Galveston Housing Authority's proposed programs and activities are consistent with the identified needs and strategies and considered High Priorities in the City's Consolidated Plan.

B. Budget is not an issue. There is no direct cost associated to the City for the GHA programs.

C. Compliance with HUD requirements: If the City denies the request for a Certification of Consistency, it must provide specific reasons for the denial.

## IV. Recommendation

A. Authorize the City Manager or his Designee to execute a Certification of Consistency with the City's Consolidated Plan for the Galveston Housing Authority.

**Purpose.** The 5-Year and Annual PHA Plans provide a ready source for interested parties to locate basic PHA policies, rules, and requirements concerning the PHA's operations, programs, and services, and informs HUD, families served by the PHA, and members of the public of the PHA's mission, goals and objectives for serving the needs of low- income, very low- income, and extremely low- income families.

**Applicability.** Form HUD-50075-ST is to be completed annually by **STANDARD PHAs or TROUBLED PHAs.** PHAs that meet the definition of a High Performer PHA, Small PHA, HCV-Only PHA or Qualified PHA do not need to submit this form.

**Definitions.**

(1) ***High-Performer PHA*** – A PHA that owns or manages more than 550 combined public housing units and housing choice vouchers, and was designated as a high performer on both of the most recent Public Housing Assessment System (PHAS) and Section Eight Management Assessment Program (SEMAP) assessments if administering both programs, or PHAS if only administering public housing.

(2) ***Small PHA*** - A PHA that is not designated as PHAS or SEMAP troubled, or at risk of being designated as troubled, that owns or manages less than 250 public housing units and any number of vouchers where the total combined units exceeds 550.

(3) ***Housing Choice Voucher (HCV) Only PHA*** - A PHA that administers more than 550 HCVs, was not designated as troubled in its most recent SEMAP assessment and does not own or manage public housing.

(4) ***Standard PHA*** - A PHA that owns or manages 250 or more public housing units and any number of vouchers where the total combined units exceeds 550, and that was designated as a standard performer in the most recent PHAS or SEMAP assessments.

(5) ***Troubled PHA*** - A PHA that achieves an overall PHAS or SEMAP score of less than 60 percent.

(6) ***Qualified PHA*** - A PHA with 550 or fewer public housing dwelling units and/or housing choice vouchers combined, and is not PHAS or SEMAP troubled.

**GHA Annual Plan Elements**
**B.2 New Activities**

**FYB July 1, 2020**

**GHA plans to undertake new activities related to the following in the upcoming GHA Fiscal Year:**

## Mixed Finance Modernization or Development

GHA, with help from its developer MBS, will begin construction on two mixed finance projects consisting of replacement public housing units. This activity will begin in the current fiscal year and progress into the upcoming fiscal year.

## Demolition and/or Disposition

GHA, will amend its HUD Special Applications Center submission for disposition of the former Oleander Homes site. This activity will begin in the current fiscal year and progress into the upcoming fiscal year. GHA may seek to dispose of property at 4700 Broadway (current site of Island Community Center) and demolish the current Community Center for redevelopment of replacement housing during GHA FYB July 1, 2020.

## Designated Housing for Elderly and/or Disabled Families

Prior to Hurricane Ike in 2008, Holland House and Gulf Breeze were limited to elderly and disabled populations. These developments lost this designation following the storm because of the shortage of affordable housing available in Galveston. In the years since the hurricane, GHA has replaced 282 affordable housing units. GHA is currently working with its developer to replace the remaining units lost to Hurricane Ike. HUD granted the elderly and disabled designation for Holland House in 2017 after the completion of 184 units. Now that additional affordable units are available on the island, GHA will likely request approval to reinstate the elderly/disabled designation for Gulf Breeze in the upcoming fiscal year.

## Units with Approved Vacancies for Modernization

GHA utilizes capital funds to conduct modernization activities at the current public housing sites at Gulf Breeze, Holland House, Oaks, and Scattered Sites.

# B.4-Statement on VAWA from Administrative Plan

## FYB July 1, 2020

**3.10 Violence against Women Reauthorization Act Policy (VAWA)**
Links: Violence Against Women Reauthorization Act 2005; 24 CFR 5.2005 (b), (d), (e); 24 CFR 5.2003; 24 CFR 5.2009; 24 CFR 5.2007 (a)(1)(v); Federal Register / Vol. 81, No. 221
This Policy is applicable to all federally subsidized housing administered by GHA. GHA will not discriminate against an applicant or resident on the basis of the rights or privileges provided under the VAWA. This policy is gender-neutral, and its protections are available to persons who are victims (including affiliated individuals) of domestic violence, dating violence, sexual assault or stalking.
The GHA will not deny admission to the housing choice voucher program to any person because that person is or has been a victim or affiliated individual of domestic violence, dating violence, sexual assault or stalking; provided that such person is otherwise qualified for such admission. In addition to prohibiting a denial, termination, or eviction based on the fact that the applicant or tenant/participant is or has been a victim of domestic violence, dating violence, sexual assault or stalking, GHA will not deny admission to an applicant based on an adverse factor, if the adverse factor is determined to be a direct result of the fact that the applicant is or has been a victim of domestic violence, dating violence, sexual assault, or stalking.
3.10.1 VAWA - Notification of Rights
The GHA will enclose in each application packet a notice advising applicants of their rights under VAWA. The GHA will notify participants of their rights under VAWA during the annual re-certification process and with any adverse action notice along with a copy of the form HUD form 5380 (Notice of Occupancy Rights); HUD form 5382 (Certification of VAWA).
3.10.2 VAWA - Confidentiality
All VAWA information provided to the GHA, including the fact that an individual is a victim or affiliated individual of domestic violence, sexual assault, dating violence, sexual assault or stalking (VAWA violence); will be retained in confidence, and will not be entered into any shared database or provided to any related entity, except to the extent that disclosure is:
• Requested or consented to by the individual in writing
• Required for use in an eviction proceeding
• Otherwise required by applicable law
If disclosure is required for use in an eviction proceeding or is otherwise required by applicable law, GHA will inform the victim before disclosure occurs so that safety risks can be identified and addressed.
3.10.4 VAWA - Documentation
When a participant is facing lease termination because of the actions of a family member, household member, guest, or other person under the participant's control and a participant or immediate family member of the participant's family claims that she or he is the victim or affiliated individual of such actions and that the actions are related to VAWA violence, the GHA will request in writing that the individual submit documentation within fourteen (14) business days affirming that claim. The written request will include instructions on where, when, and to whom the documentation must be submitted. It will also state the consequences for failure to submit the documentation by the deadline. GHA may choose to extend the 14 day requirement to provide documentation or may choose to waive the requirement based on the circumstances surrounding the claim.
The individual may satisfy this request by providing any one of the following documents as described under 24 CFR 5.2007(b)(1):
• Form HUD-5382; or

• A document:
• Signed by an employee, agent, or volunteer of a victim service provider, an attorney, or medical professional or a mental health professional (collectively, "professional") from whom the victim has sought assistance relating to domestic violence, dating violence, sexual assault, or stalking, or the effects of abuse:
• Signed by the applicant or tenant; and
• That specifies, under penalty of perjury, that the professional believes in the occurrence of the incident of domestic violence, dating violence, sexual assault, or stalking that is the ground for protection and remedies under the VAWA Final Rule, and that the incident meets the applicable definition of domestic violence, dating violence, sexual assault, or stalking under 24 CFR 5.2003; or
• A record of a Federal, State, tribal, territorial or local law enforcement agency (may include a police report), court, or administrative agency; or
• At the discretion of GHA, a statement or other evidence provided by the applicant or tenant.

3.10.5 VAWA Lease Bifurcation

The GHA may request the owner to bifurcate a family's lease and terminate the tenancy of the culpable family member if the GHA determines that the family member has committed criminal acts of physical violence against other family members or others. This action will not affect the tenancy or program assistance of the remaining, non-culpable family members. In making its decision, the GHA will consider all credible evidence, including, but not limited to, a signed certification (form HUD-50066, HUD-5832) or other documentation of abuse submitted to the GHA by the victim.

If the GHA does bifurcate the lease and terminate the tenancy of the culpable family member, it will do so in accordance with the lease, applicable law, policies in this Administrative Plan and the GHA VAWA Procedure. If necessary, the GHA will also take steps to ensure that the remaining family members have a safe place to live during the termination process. For example, the GHA may refer the remaining family members to a victim service provider or other agency with shelter facilities.

3.10.6 Limitation On VAWA Protection

VAWA does not limit GHA's otherwise available authority to terminate assistance to or evict a victim for lease violations not premised on an act of domestic violence, dating violence, or stalking providing that GHA does not subject the victim to a more demanding standard than the standard to which it holds other tenants.

VAWA does not limit GHA's authority to terminate the tenancy of any tenant if GHA can demonstrate an actual and imminent threat to other tenants or those employed at or providing service to the property if that tenant's tenancy is not terminated.

In determining whether a tenant who is a victim of domestic violence, dating violence, or stalking is an actual and imminent threat to other tenants or those employed at or providing service to a property, GHA will consider the following, and any other relevant, factors:
• Whether the threat is toward an employee or tenant other than the victim of domestic violence, dating violence, or stalking
• Whether the threat is a physical danger beyond a speculative threat, whether the threat is likely to happen within a short period of time
• Whether the threat to other tenants or employees can be eliminated in some other way, such as by helping the victim relocate to a confidential location, transferring the victim to another unit, or seeking a legal remedy to prevent the perpetrator from acting on the threat

If the participant wishes to contest GHA's determination that he or she is an actual and imminent threat to other tenants or employees, the participant may do so as part of the informal hearing or in a court proceeding.

## STAFF REPORT

February 6, 2020

To: Dan Buckley, Deputy City Manager
Honorable Mayor and City Council Members

Subject: Consider for Approval acceptance of a grant from Galveston County for training expenses in the amount of $22,500.00.

## I. Background

A. The Galveston Fire Department is a member of the Galveston County Firefighters Association.
B. As part of this membership, we are eligible for annual contract monies which come from the Galveston County Commissioner's Court to be used for fire department projects and training.

## II. Current Situation

A. The current contract runs through September 30, 2020.

## III. Alternatives in order of priority

A. Approve the acceptance of the grant from Galveston County to supplement the training of Galveston Fire Department personnel.
B. Do not approve the grant and forfeit the money.

## IV. Recommendation

A. Accept the Grant and allocate the funds to the GFD's training account for additional training.

## V. Fiscal Impact Report

## STAFF REPORT

February 5, 2020

To: Dan Buckley, Deputy City Manager
Honorable Mayor and City Council Members

Subject: Consider for Approval the Purchase of 35 sets of Personal Protective Equipment (PPE) from NAFECO through Buy Board (contract #524-17) for a total amount of $89,960.50. Funding for the PPE's will come from our Protective Clothing account.

### I. Background

A. In accordance with Texas Administrative Code Title 37 Part 13 Chapter 435.1, all regulated Fire Departments shall provide a full ensemble of NFPA approved personal protective equipment (PPE).
B. This equipment must be maintained in compliance with NFPA 1851 Standard on Selection, Care & Maintenance of Structural Fire Fighting Protective Ensembles.
C. A full set of PPE for one Fire Fighter costs approximately $2,700.00. Cost per item is as follows: Coats - $1,534.50 each / Pants - $1,035.80 each

### II. Current Situation

A. GFD strives to maintain 234 full sets of PPE. This would provide a full set for all 117 active duty Firefighters plus 117 sets of replacement PPE.
B. GFD initiated a plan in 2017 to replace all PPE on a three-year rotation. NFPA now requires us to maintain two full sets of gear for each firefighter.
C. The current plan that we have in place to replace our PPE will cover this requirement.

### III. Alternatives in order of priority

A. Approve the purchase of 35 sets of PPE for $89,960.50 and comply with NFPA's requirements.
B. Do not approve the purchase which would make GFD non-compliant with NFPA requirements.

### IV. Recommendation

A. Proceed with the purchase of the protective clothing for $89,960.50

**Re:** *Notice of The Local Government Purchasing Cooperative Award*
**Proposal Name and Number:** Public Safety and Firehouse Supplies and Equipment, Proposal No. 524-17

Congratulations, The Local Government Purchasing Cooperative (Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. The contract is effective 4/1/2017 through 3/31/2018, with two possible one-year renewals. The contract documents are those identified in Section 3 of the General Terms and Conditions of the specifications.

To view the items your company has been awarded, please review the proposal tabulation No. 524-17 on the following web-site: www.buyboard.com/vendor. Only items marked as awarded to your company can be sold through the BuyBoard contract. In addition, on this website you will find the membership list which will provide you with the names of all entities with membership in our purchasing cooperative.

Enclosed with this letter you will find the following documents:

- Vendor Quick Reference Sheet
- Electronic Catalog Format Instructions
- Vendor Billing Procedures

**You are advised that receipt of a purchase order directly from a Cooperative member is not within the guidelines of the Cooperative.** Accepting purchase orders directly from Cooperative members may result in a violation of the State of Texas competitive bid statute and termination of this Cooperative BuyBoard contract. **Therefore, all purchase orders must be processed through the BuyBoard in order to comply**. Please forward by fax (1-800-211-5454) any order received directly from a Cooperative member. If you inadvertently process a purchase order sent directly to you by a Cooperative member, please fax the order to the above number and note it as **RECORD ONLY** to prevent duplication.

**Per proposal specifications, awarded vendors will have 30 days or sooner to submit their electronic catalog including pricing**. **If the electronic data is not provided within 30 days or sooner of notice of award, we reserve the right to inactivate any company's award information from the BuyBoard until such time the electronic data is received**.

On behalf of the Texas Association of School Boards, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, please contact **BuyBoard Procurement Staff** at 800-695-2919.

# AFFIRMATION REGARDING CONSTRUCTION-RELATED GOODS AND SERVICES

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, attached to this Form F, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services.

By signature below, the undersigned affirms that Proposer has read and understands the Advisory attached to this Form F and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

## BUYBOARD PROCUREMENT AND CONSTRUCTION-RELATED GOODS AND SERVICES ADVISORY FOR TEXAS MEMBERS

**Why make purchases using BuyBoard?** Purchasing through a cooperative or "interlocal contract" satisfies the requirement of local governments to seek competitive procurement for the purchase of goods or services.[i] Therefore, you may purchase goods and services from a vendor through BuyBoard without having to conduct your own competitive procurement. If, however, you are procuring construction-related services through a BuyBoard Job Order Contract (JOC) or contract for the installation of equipment or materials (e.g., athletic fields and surfaces, kitchen equipment, HVAC, playground equipment, or modular buildings), you may, as explained in this Advisory, need to procure certain aspects of these services using a separate procurement process outside of the BuyBoard and should consult your procurement officer and/or legal advisor for specific advice.

**What is BuyBoard's Procurement Process?** The BuyBoard uses a competitive procurement process to award contracts to vendors for goods and services that the BuyBoard determines, based on an evaluation of multiple criteria, represents the best value for its members.

**How does BuyBoard award a contract to a vendor?** As a condition of being awarded a BuyBoard contract, a vendor is bound by and must agree to comply with all the terms of the BuyBoard's proposal invitation (or specifications), the vendor's proposal response, and any additional contract terms negotiated with the BuyBoard member. Among other things, the vendor must honor the pricing submitted in the vendor's proposal. THE PRICE YOU PAY FOR THE GOODS AND SERVICES COVERED BY THE BUYBOARD CONTRACT MAY BE LESS THAN THE AWARDED PRICING, BUT CANNOT BE MORE. Additionally, the vendor must comply with the BuyBoard contract's general terms and conditions, and any additional terms and conditions that apply to the specific BuyBoard contract, as set out in the proposal invitation.

**How does a BuyBoard member make purchases through the BuyBoard contract?** You utilize the awarded BuyBoard contract by issuing a signed purchase order through the BuyBoard online application to procure the selected goods or services. Although BuyBoard must receive a copy of the signed purchase order, BuyBoard does not review or approve the purchase order or other supplemental agreement that you obtain – this is a matter between you and the vendor. If construction-related services are procured through the BuyBoard, additional contracts with professionals and the contractor may be required, depending on the nature and scope of the services. As stated above, you should consult your procurement officer and/or legal advisor for specific advice.

**How do I know that my entity has made a purchase through the BuyBoard?**
BuyBoard must have a copy of the purchase order in order for the purchase to be considered a BuyBoard procurement. To ensure that your entity has satisfied state law requirements for competitive procurement, make sure that the BuyBoard has your purchase order. Do not rely on the vendor to submit the purchase order on your behalf; it is your responsibility to make sure that the BuyBoard has the signed purchase order. You may log in to www.buyboard.com using your member I.D. and password to view the Purchase Order Status Report to confirm that the purchase order is in the BuyBoard system.

**What should BuyBoard members consider when using BuyBoard for construction-related purchases?** While purchasing goods and services through BuyBoard satisfies your legal requirement to competitively procure a good or service, as a general matter you must keep in mind other legal requirements that may relate to the purchase, especially when using BuyBoard for construction-related procurement.

When making construction-related purchases through a BuyBoard contract, BuyBoard members must consider the following:

BuyBoard®
Cooperative Purchasing
12007 Research Boulevard • Austin, Texas 78759-2439
PH: 800-695-2919 • FAX: 800-211-5454 • www.buyboard.com

- **Best value determination.** In compliance with Texas law and any local policy, your entity must first determine that purchasing through an interlocal contract or purchasing cooperative is the procurement method that will provide best value.[ii] This is done by the governing body (e.g., board of trustees, council, commissioners' court, etc.) or may be delegated by the governing body to an individual or committee, with written notice.

- **Products or services not covered by the BuyBoard contract.** The BuyBoard contract covers only the specific goods and services awarded by the BuyBoard. If you want to purchase from a BuyBoard vendor goods or services from a BuyBoard vendor that are not covered by the vendor's BuyBoard contract, such as architectural, design, or engineering services, you must procure them separately in accordance with state law and local policy.

- **Architectural or Engineering and Independent Testing services.** If your procurement includes a construction component that requires architectural or engineering services, you must procure those services separately. YOU MAY NOT PROCURE ARCHITECTURAL OR ENGINEERING SERVICES THROUGH A BUYBOARD CONTRACT. Texas law requires architectural and engineering services to be obtained in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and prohibits them from being procured through a purchasing cooperative.[iii]

  - **Architecture.** A new building owned by a political subdivision having construction costs exceeding $100,000 or an alteration or addition to an existing building having construction costs exceeding $50,000 must have architectural plans and specifications prepared by an architect.[iv] (An "alteration" or "addition" for purposes of this requirement requires the removal, relocation, or addition of a wall or partition or the alteration or addition of an exit.)

  - **Engineering.** If the goods or services procured through the BuyBoard will involve engineering in which the public health, welfare, or safety is involved, the plans for structural, mechanical, electrical, electronic, fire suppression, geotechnical systems, foundation design, surface water drainage, plumbing and certain roof modifications and associated estimates must be prepared by an engineer, and the engineering construction must be performed under the direct supervision of an engineer.[v] The Engineering Practice Act provides two exceptions to this rule – no engineer is required if (1) the project involves mechanical or electrical engineering and will cost $8,000 or less, or (2) the project does not require mechanical or electrical engineering and will cost $20,000 or less.[vi]

  - **Independent Testing.** If acceptance of a facility by a public entity involves independent testing of construction materials engineering and/or verification testing services, the testing services should be procured under the Professional Services Procurement Act, and may not be procured under a BuyBoard contract.

  - **Written Certification.** Effective 09/01/2013, a local governmental entity purchasing construction-related goods and services through a cooperative in an amount that exceeds $50,000 must designate a person to certify in writing that the project does not require the preparation of plans or specifications by an architect or engineer OR that an architect or engineer has prepared the plans or specifications.[vii]

12007 Research Boulevard • Austin, Texas 78759-2439
PH: 800-695-2919 • FAX: 800-211-5454 • www.buyboard.com

- **Bonds.** You must also consider whether the vendor is required to provide a payment or performance bond. A payment bond is required for contracts that exceed $25,000 to protect subcontractors who supply labor or materials for the project. A performance bond is required for a contract that exceeds $100,000, to protect the local government if a contractor fails to complete the project. [viii] Without payment and performance bonds, if the contractor fails to pay its subcontractors or to complete the project, the public entity that entered the contract can be held responsible for payment claims or costs to complete.

- **Construction Contract.** Even though the procurement of construction or construction-related services may be through the BuyBoard, your construction contract is between your entity and the contractor. The BuyBoard contract's general terms and conditions, standing alone, are not sufficient to document your entity's specific transaction. THEREFORE, YOU SHOULD USE AN APPROPRIATE FORM OF CONSTRUCTION CONTRACT JUST AS YOU WOULD DO IF YOU PROCURED CONSTRUCTION SERVICES INDEPENDENTLY, USING COMPETITIVE SEALED PROPOSALS. The contract must contain provisions required by state law including: performance and payment bonds, requirements for payment of prevailing wages to all construction workers, workers' compensation coverage for all workers and, on projects where contractor employees may have direct contact with students, criminal history record checks. Other provisions which should be considered in the construction contract are retainage, contingency, liquidated damages and dispute resolution, among others. By supplementing the BuyBoard contract with an appropriate form of construction contract, you ensure that your entity's unique interests are addressed and that your entity can enforce the contract directly.

- **Legal advice.** Because of the variety of laws that relate to construction-related purchasing and the potential risk of high exposure, you are well-advised to consult with your entity's legal counsel before procuring construction-related goods and services under any procurement method, including a purchasing cooperative.

**This Advisory is provided for educational purposes only to facilitate a general understanding of the law. This Advisory is neither an exhaustive treatment on the subject nor is it intended to substitute for the advice of an attorney.**

# NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

**By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:**

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

# FEDERAL AND STATE/PURCHASING COOPERATIVE DISCOUNT COMPARISON FORM

The Cooperative strives to provide its members with the best services and products at the best prices available. The Cooperative determines whether prices/discounts are fair and reasonable by comparing prices/discounts stated in your Proposal with prices/discounts you offer federal and state entities and other interlocal purchasing cooperatives (collectively referred to as "purchasing cooperative" in this form). Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: $ 896,009.00 (The period of the 12 month period is 6/15 / 6/16). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. Based on your written discounting policies are the discounts you offer the Cooperative equal to or better than the best price you offer other purchasing cooperatives acquiring the same items regardless of quantity or terms and conditions?

   YES ☒ NO ☐

3. Based on your written discounting policies, provide the information requested below for other purchasing cooperatives, either in the chart below or in an equivalent format. Rows should be added to accommodate as many purchasing cooperatives as required.

| PURCHASING GROUP | DISCOUNT (%) | QUANTITY/VOLUME | FOB TERM |

# EDGAR VENDOR CERTIFICATION FORM

**(2 CFR Part 200 and Appendix II)**

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which ***may*** be applicable to specific Cooperative member purchases using federal grant funds. This completed form will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

***For <u>each</u> of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative check and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply.*** A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

## 1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, Cooperative member ancillary contract, or Member Construction Contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity.

By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

**Vendor Certification, Item 1 (Vendor Violation or Breach of Contract Terms)**

☑ **YES, I <u>agree</u> to the above.** (Initial: RLa)

☐ **NO, I do <u>NOT</u> agree to the above.** (Initial: _____)

## 2. Termination for Cause or Convenience:

For any Cooperative member purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

*The Cooperative member may terminate or cancel any purchase order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).*

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's purchase order, ancillary agreement, or Member Construction Contract agreed to by the Vendor, the Cooperative member's provision shall control.

**Vendor Certification, Item 2 (Termination for Cause or Convenience):**

☑ **YES, I agree to the above.** (Initial: RW)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

## 3. Equal Employment Opportunity:

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

**Vendor Certification, Item 3 (Equal Employment Opportunity):**

☑ **YES, I agree to the above.** (Initial: RW)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

**4. Davis-Bacon Act:**

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of $2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

**Vendor Certification, Item 4 (Davis-Bacon Act):**

☑ **YES, I agree to the above.** (Initial: RW)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

---

**5. Contract Work Hours and Safety Standards Act:**

Where applicable, for all Cooperative member contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

**Vendor Certification, Item 5 (Contract Work Hours and Safety Standards Act):**

☑ **YES, I agree to the above.** (Initial: RW)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

**6. Right to Inventions Made Under a Contract or Agreement:**

If the Cooperative member's Federal award meets the definition of "funding agreement" under 37 CFR 401.2(a) and the recipient or subrecipient wishes to enter into a contract with a small business firm or nonprofit organization regarding the substitution of parties, assignment or performance or experimental, developmental, or research work under that "funding agreement," the recipient or subrecipient must comply with the requirements of 37 CFR Part 401, "Rights to Inventions Made by Nonprofit Organizations and Small Business Firms Under Government Grants, Contracts and Cooperative Agreements," and any implementing regulations issued by the awarding agency.

Vendor agrees to comply with the above requirements when applicable.

**Vendor Certification, Item 6 (Right to Inventions Made Under a Contract or Agreement):**

☑ **YES, I agree to the above.** (Initial: RW)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

---

**7. Clean Air Act and Federal Water Pollution Control Act:**

Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act (33 USC 1251-1387), as amended – Contracts and subgrants of amounts in excess of $150,000 must contain a provision that requires the non-Federal award to agree to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act (42 USC 7401-7671q.) and the Federal Water Pollution Control Act, as amended (33 USC 1251-1387). Violations must be reported to the Federal awarding agency and the Regional Office of the Environmental Protection Agency (EPA).

When required, Vendor agrees to comply with all applicable standards, orders, or regulations issued pursuant to the Clean Air Act and the Federal Water Pollution Control Act.

**Vendor Certification, Item 7 (Clean Air Act and Federal Water Pollution Control Act):**

☑ **YES, I agree to the above.** (Initial: RW)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

**8. Debarment and Suspension:**

Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

**Vendor Certification, Item 8 (Debarment and Suspension):**

☑ **YES, I agree / certify to the above.** (Initial: RW)

☐ **NO, I do NOT agree / certify to the above.** (Initial: _____)

---

**9. Byrd Anti-Lobbying Amendment:**

Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

**Vendor Certification, Item 9 (Byrd Anti-Lobbying Amendment):**

☑ **YES, I agree to the above.** (Initial: RW)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

---

**10. Procurement of Recovered Materials:**

For Cooperative member purchases utilizing Federal funds, Vendor agrees to comply with Section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act where applicable and provide such information and certifications as a Cooperative member may require to confirm estimates and otherwise comply. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR Part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the item exceeds $10,000 or the value of the quantity acquired during the preceding fiscal year exceeded $10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery, and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.

**11. Profit as a Separate Element of Price**

For purchases using federal funds in excess of $150,000, a Cooperative member may be required to negotiate profit as a separate element of the price. *See*, 2 CFR 200.323(b). When required by a Cooperative member, Vendor agrees to provide information and negotiate with the Cooperative member regarding profit as a separate element of the price for a particular purchase. However, Vendor agrees that the total price, including profit, charged by Vendor to the Cooperative member shall not exceed the awarded pricing, including any applicable discount, under Vendor's Cooperative Contract.

**Vendor Certification, Item 11 (Profit as Separate Element of Price):**

☑ **YES, I agree to the above.** (Initial: RW)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

**12. General Compliance and Cooperation with Cooperative Members**

In addition to the foregoing specific requirements, Vendor agrees, in accepting any Purchase Order from a Cooperative member, it shall make a good faith effort to work with Cooperative members to provide such information and to satisfy such requirements as may apply to a particular Cooperative member purchase or purchases including, but not limited to, applicable recordkeeping and record retention requirements.

**Vendor Certification, Item 12 (General Compliance and Cooperation with Cooperative Members):**

☑ **YES, I agree to the above.** (Initial: RW)

## DEPARTMENT OF DISASTER RECOVERY

Tesa Wrobleski, FEMA Public Assistance Program Manager
twrobleski@galvestontx.gov | Office Number: (409) 797-3517 | www.galvestontx.gov

February 13, 2020

To: Brian Maxwell, City Manager
Hon. Mayor and City Council Members

From: Tesa Wrobleski, FEMA Public Assistance Program Manager

RE: Consider for approval the professional engineering services agreement with Zarinkelk Engineering Services, Inc. to design the structural floodwall, deployable floodwall, generator and dewatering system, for the trolley barn for an amount not to exceed $133,245.20. Authorizing the City Manager to execute all necessary documents upon final approval by the legal department.

## I. Background

A. Hurricane Ike in 2008 resulted in heavy winds and storm surge flooding at the Island Transit trolley barn damaging the rail trolleys.

B. As a result of flooding during Hurricane Ike FEMA developed Project worksheet 13099 with Hazard Mitigation to address mitigation measures to prevent future damages to the trolleys.

C. The Trolleys are currently being restored off-site and expected to be returned to the island in the next several months.

D. The mitigation approved by FEMA in September of 2019 is a combination of structural and deployable floodwall systems and a generator and dewatering system.

## II. Current Situation

A. Zarinkelk Engineering Services, Inc has submitted a proposal to provide engineering services for the structural floodwall, deployable floodwall, generator and dewatering system.

B. Zarinkelk Engineering Services, Inc. is on the list of engineering service providers procured under solicitation RFQ 18-04 approved by City Council on September 13, 2018.

Tesa Wrobleski, FEMA Public Assistance Program Manager
twrobleski@galvestontx.gov | Office Number: (409) 797-3517 | www.galvestontx.gov

## III. Issues

The mitigation needs to be designed and implemented as soon as practicable as the refurbished trolleys will be returning to the island soon and need to be protected from future storm events.

## IV. Alternatives in order of Priority

A. Approve the professional engineering services agreement with Zarinkelk Engineering Services, Inc. for an amount not to exceed $133,245.20 to design the structural floodwall, deployable floodwall, generator and dewatering system.

B. Do not approve the professional engineering services agreement with Zarinkelk Engineering Services, Inc. for an amount not to exceed $133,245.20 to design the structural floodwall, deployable floodwall, generator and dewatering system.

## V. Recommendation

Approve the professional engineering services agreement with Zarinkelk Engineering Services, Inc. for an amount not to exceed $133,245.20 to design the structural floodwall, deployable floodwall, generator and dewatering system.

**CITY OF GALVESTON**
**PROFESSIONAL SERVICES CONTRACT**

THIS AGREEMENT is entered into this _____day of February, 2020, by and between the City of Galveston ("City"), a Texas home-rule municipality, and Zarinkelk Engineering Services, Inc. (Company), located at 617 Caroline Street Houston, Texas 77002. By entering into this Agreement, Company agrees that City is entering into this agreement in its governmental capacity,

**ISLAND TRANSIT TROLLEY BARN**

This agreement between the Parties consist of the terms and conditions set forth herein, and in those documents, attached and incorporated for all purposes; Exhibit "A", identified as Responsive Proposal from COMPANY

WHEREAS, the City desires to engage COMPANY to render certain services in connection with the above stated project.

**NOW THEREFORE**, the parties do mutually agree as follows:

**PART I**

1. Scope of Services

   The Scope of Services shall be as set forth in the attached "Exhibit A".

2. Time of Performance - The services as set forth in Exhibit A shall commence on the above referenced date of this Agreement. Due to the nature and extent of the project the work is expected to be completed within 90 calendar days of issuance of a Notice to Proceed.

3. Independent Contractors – The parties are independent contractors as to each other. Nothing in this Contract shall be construed as creating any agency or employment relationship. Neither party shall make any representations tending to create an apparent or implied agency or employment relationship. Neither party has the authority to act for the other or to create obligations or debts binding on the other. Neither party shall be responsible for any obligations or expenses incurred by the other.

4. Standard of Care – The standard of care for all contractual and related services performed or furnished by COMPANY under this agreement will be the care and skill ordinarily used by members of the subject profession practicing under similar circumstances at the same time and in the same locality.

5. Access to Information - It is agreed that all information, data, reports and records and maps as are existing, available and necessary for the carrying out of the work outlined above

shall be furnished to COMPANY by the City and its agencies. The City and its agencies will cooperate with COMPANY in every way possible to facilitate the performance of the work described in the contract.

6. Appropriations - The obligations of the City to make payment under this Agreement are expressly subject to appropriations by the City of funds that are lawfully available to be applied to such purpose.

7. Compensation - The maximum amount of compensation and reimbursement to be paid hereunder shall not exceed **one hundred thirty-three thousand two hundred forty-five dollars and twenty cents ($133,245.20)**. Invoices are submitted by COMPANY each month (not necessarily falling on the first or last day of the month). City shall notify COMPANY in writing, of any and all objections, if any, to an invoice within ten (10) days of the date of invoice. Otherwise, the invoice shall be deemed proper and acceptable by the City. Amounts indicated on invoices are due and payable immediately upon receipt. City's account will be considered delinquent if COMPANY does not receive full payment within thirty (30) days after the invoice date.

8. The City shall not be responsible for payment to COMPANY for any additional services or expenses not specifically included in Exhibit "A", except upon execution of an amendment to this Agreement in writing by both parties. Parties shall attempt to resolve any payment disputes within sixty (60) days or the matter may be submitted to mediation

9. INDEMNIFICATION: FOR CONSIDERATION RECEIVED, COMPANY shall indemnify, defend, save and hold the City of Galveston harmless, including City's officers, agents, employees and servants, from any claims, actions, lawsuits, proceedings, damages, loss, damage, judgments, liabilities or expense on account of damage to property and injuries, including death, which may arise or result, in whole or in part from any negligent act or omission of COMPANY or those acting under COMPANY'S supervision or control. COMPANY shall not be responsible, however, for any loss, damage, liability or expense on account of damage to property and injuries, including death, which may arise from the sole negligence of the city. **COMPANY shall comply with the requirements of all current applicable laws, rules and regulations and shall indemnify, and hold harmless the City and its agency members from and against the failure to comply with those laws, and shall assume full responsibility for payments of Federal, State and local taxes on contributions imposed or required under the Social Security, worker's compensation and income tax laws.**

10. Construction – This Agreement shall be construed under and in accord with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Galveston County, Texas. Agreement shall be binding upon and insure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors and assigns where permitted by this Agreement. In any case, if one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof and this Agreement shall not

be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.

11. Termination of Contract for Cause. If, through any cause, COMPANY shall fail to fulfill in a timely and proper manner his/her obligations under this Contract, or if COMPANY shall violate any of the covenants, agreements, or stipulations of this Contract, the City shall thereupon have the right to terminate this Contract by giving written notice to COMPANY of such termination and specifying the effective date thereof, at least five days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs and reports prepared by COMPANY under this Contract shall, at the option of the City, become property of the City and the COMPANY shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, COMPANY shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the Contract by COMPANY, and the City may withhold any payments to COMPANY for the purpose of set-off until such time as the exact amount of damages due the City from COMPANY is determined.

12. Termination for Convenience of the City. The City may terminate this Contract at any time by giving at least ten (10) days' notice in writing to COMPANY. If the Contract is terminated by the City as provided herein, COMPANY will be paid for the time provided and expenses incurred up to the termination date. If this Contract is terminated due to the fault of COMPANY, Paragraphs relative to termination shall apply.

13. Modification: No change in the terms of this Contract shall be binding unless it is in writing and signed by an authorized representative of both parties.

14. Force Majeure: No party to this agreement shall be deemed in violation if it is prevented from timely performing any of its obligations by reason of labor disputes, acts of God, acts of the public enemy, acts of superior governmental authority, or other circumstances for which the party is not responsible or which is not in its control.

15. Proof of Insurance: COMPANY shall maintain certain types of insurance protection throughout the duration of the project. All insurance policies are to be issued by an insurance company authorized to do business in the State of Texas, using an insurance company with an A.M. Best rating of a B+ or better.

16. Required Insurance: Commercial general liability insurance, naming the City of Galveston as an additional insured and as certificate holder, and waiving subrogation per the contractual requirements of this project; Automobile Liability Insurance, Worker's Compensation Insurance and Professional Liability Insurance. Limits are to be equal to or greater than:

    a. **Commercial general liability insurance**:

        **$2,000,000** general liability (includes products and personal, etc.)

        **$1,000,000** fire damage

        **$1,000,000** automobile damage

**$500,000** workers compensation employers' liability
**Statutory** limits for workers compensation
Insurance coverage shall be on an "**occurrence basis**"

17. Assignability: COMPANY shall not assign any interest on this Agreement, and shall not transfer any interest in the same (whether by assignment or novation), without the prior written consent of the City. Unless specifically stated to the contrary in any written consent to assignment, no assignment will release or discharge the assignor from any duty or responsibility under this Agreement.

18. Reports and Information: COMPANY, at such times and in such forms as the City may require, shall furnish the City such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Contract, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Contract.

19. Findings Confidential: To the extent permitted by law, all of the reports, information, data, etc., prepared or assembled by COMPANY under this contract are confidential and COMPANY agrees that they shall not be made available to any individual or organization without the prior written approval of the City.

20. Copyright: No report, maps, or other documents produced in whole or in part under this Contract shall be the subject of an application for copyright by or on behalf of COMPANY.

21. Compliance with Local, State and Federal Laws: This Contract shall be construed under and in accordance with the laws of the State of Texas, with jurisdiction in the courts of the State of Texas and venue in Galveston, County regardless of where the obligations of the parties were performed. By execution of this Contract, the parties agree to subject themselves to the jurisdiction of the Courts of the State of Texas in all matters relating to or arising out of this Contract or the Work.

22. Conflict of Interest: A person or business, and their agents, who seek to contract or enter into an agreement with the City, are required by Texas Local Government Code, Chapter 176, to file a conflict of interest questionnaire (FORM CIQ) which is found in Appendix C of the original request for proposal. The form must be filed with the City Secretary no later than seven (7) days after the date the person or business begins contract discussions or negotiations with the City, or other writing related to any potential agreement with the City. If no conflict exists the offeror must mark the form Not Applicable or NA and return with the contract packet.

23. Property Tax: The City of Galveston will not do business with any person or business that owes delinquent property taxes to the City. By execution of this Contract, the parties agree that they do not owe the City property taxes that are delinquent.

24. Nepotism Statement: By signing this agreement, Contractor agrees that no principal of the company is related by blood or marriage to any official or employee of the City of Galveston.

25. Non-Collusion Statement: The undersigned affirm that they are duly authorized to execute this contract, that this company, firm, partnership, or individual has not prepared this contract in collusion with any other proposer, and that the contents of this contract as to prices, terms or conditions of said contract have not been communicated by the undersigned nor by any employee or agent to any other person engaged in this type of business prior to the official opening of this proposal.

26. Certification Regarding Debarment, Suspension, Ineligibility And Voluntary Exclusion: The undersigned certifies, by acceptance of this contract, that neither Contractor nor its principals is presently debarred, suspended, proposed for debarment, declared ineligible, or voluntary excluded from participation in this transaction by any Federal department or agency. Contractor agrees that by submitting this contract that Contractor will include this clause without modification in all lower tier transactions, solicitations, proposals, contracts, and subcontracts. Where the Contractor or any lower tier participant is unable to certify to this statement, that participant shall attach an explanation to this document.

27. Compliance Clauses:

1. No Govermental Obligation To Third Parties: The Owner and Contractor acknowledge and agree that, notwithstanding any concurrence by the Federal Government in or approval of the solicitation or award of the underlying contract, absent the express written consent by the Federal Government, the Federal Government is not a party to this contract and shall not be subject to any obligations or liabilities to the Owner, Contractor, or any other party (whether or not a party to that contract) pertaining to any matter resulting from the underlying contract.

2. Program Fraud And False Or Fraudulent Statements And Related Acts: Contractor acknowledges that the provisions of the Program Fraud Civil Remedies Act of 1986, as amended, 31 U.S.C. § 3801 et seq., "Administrative Remedies for False Claims and Statements," apply to its actions pertaining to this Project. Upon execution of the underlying contract, the Contractor certifies or affirms the truthfulness and accuracy of any statement it has made, it makes, it may make, or causes to be made, pertaining to the underlying contract for which this contract work is being performed. In addition to other penalties that may be applicable, the Contractor further acknowledges that if it makes, or causes to be made, a false, fictitious, or fraudulent claim, statement, submission, or certification, the Federal Government reserves the right to impose the penalties of the Program Fraud Civil Remedies Act of 1986 on the Contractor to the extent the Federal Government deems appropriate.

3. Access To Records And Reports: The contractor agrees to provide (insert name of state agency or local or Indian tribal government), (insert name of recipient), the FEMA Administrator, the Comptroller General of the United States, or any of their authorized representatives access to any books, documents, papers, and records of the Contractor which

are directly pertinent to this contract for the purposes of making audits, examinations, excerpts, and transcriptions. The Contractor agrees to permit any of the foregoing parties to reproduce by any means whatsoever or to copy excerpts and transcriptions as reasonably needed. The contractor agrees to provide the FEMA Administrator or his authorized representatives' access to construction or other work sites pertaining to the work being completed under the contract."

4. Equal Employment Opportunity: The contractor will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause. The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive considerations for employment without regard to race, color, religion, sex, or national origin. The contractor will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the contractor's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment. The contractor will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor. The contractor will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders. In the event of the contractor's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the contractor may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions as may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law. The vendor will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The contractor will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance: Provided, however, That in the event a contractor becomes involved in, or is threatened

with, litigation with a subcontractor or vendor as a result of such direction by the administering agency the contractor may request the United States to enter into such litigation to protect the interests of the United States."

5. Government-Wide Suspension And Debarment: This contract is a covered transaction for purposes of 2 C.F.R. pt. 180 and 2 C.F.R. pt. 3000. As such the contractor is required to verify that none of the contractor, its principals (defined at 2 C.F.R. § 180.995), or its affiliates (defined at 2 C.F.R. § 180.905) are excluded (defined at 2 C.F.R. § 180.940) or disqualified (defined at 2 C.F.R. § 180.935). The contractor must comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C and must include a requirement to comply with these regulations in any lower tier covered transaction it enters into. This certification is a material representation of fact relied upon by (insert name of subrecipient). If it is later determined that the contractor did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt.3000, subpart C, in addition to remedies available to (name of state agency serving as recipient and name of subrecipient), the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment. The bidder or proposer agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The bidder or proposer further agrees to include a provision requiring such compliance in its lower tier covered transactions.

6. Contract Work Hours And Safety Standards Act:

1. **Overtime requirements** - No contractor or subcontractor contracting for any part of the contract work which may require or involve the employment of laborers or mechanics shall require or permit any such laborer or mechanic in any workweek in which he or she is employed on such work to work in excess of forty hours in such workweek unless such laborer or mechanic receives compensation at a rate not less than one and one-half times the basic rate of pay for all hours worked in excess of forty hours in such workweek.

2. **Violation; liability for unpaid wages; liquidated damages** - In the event of any violation of the clause set forth in paragraph (1) of this section the contractor and any subcontractor responsible therefor shall be liable for the unpaid wages. In addition, such contractor and subcontractor shall be liable to the United States for liquidated damages. Such liquidated damages shall be computed with respect to each individual laborer or mechanic, including watchmen and guards, employed in violation of the clause set forth in paragraph (1) of this section, in the sum of $10 for each calendar day on which such individual was required or permitted to work in excess of the standard workweek of forty hours without payment of the overtime wages required by the clause set forth in paragraph (1) of this section.

3. **Withholding for unpaid wages and liquidated damages** – The Owner shall, upon its own action or upon written request of an authorized representative of the Department of Labor, withhold or cause to be withheld, from any moneys payable on account of work performed by the contractor or subcontractor under any such contract or any other

Federal contract with the same prime contractor, or any other federally-assisted contract subject to the Contract Work Hours and Safety Standards Act, which is held by the same prime contractor, such sums as may be determined to be necessary to satisfy any liabilities of such contractor or subcontractor for unpaid wages and liquidated damages as provided in the clause set forth in paragraph (2) of this section.

4. **Subcontracts** - Contractor or subcontractor shall insert in any subcontracts the clauses set forth in paragraphs (1) through (4) of this section and also a clause requiring the subcontractors to include these clauses in any lower tier subcontracts. The prime contractor shall be responsible for compliance by any subcontractor or lower tier subcontractor with the clauses set forth in paragraphs (1) through (4) of this section.

7. Lobbying:

Byrd Anti-Lobbying Amendment, 31 U.S.C. § 1352 (as amended)

Contractors who apply or bid for an award of $100,000 or more shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

APPENDIX A, 44 C.F.R. PART 18 – CERTIFICATION REGARDING LOBBYING

Certification for Contracts, Grants, Loans, and Cooperative Agreements

(To be submitted with each bid or offer exceeding $100,000)

The undersigned [Contractor] certifies, to the best of his or her knowledge, that:

**1)** No Federal appropriated funds have been paid or will be paid, by or on behalf of the undersigned, to any person for influencing or attempting to influence an officer or employee of an agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement.

**2)** If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal contract, grant, loan, or cooperative agreement, the undersigned shall complete and submit Standard Form - LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions.

**3)** The undersigned shall require that the language of this certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by 31, U.S.C. § (as amended by the Lobbying Disclosure Act of 1995). Any person who fails to the required certification shall be subject to a civil penalty of not less than $10,000 and not more than $100,000 for each such failure.

The Contractor, Zarinkelk Engineering Services Inc, certifies or affirms by signing this contract the truthfulness and accuracy of each statement of its certification and disclosure, if any. In addition, Contractor understands and agrees that the provisions of 31 U.S.C. § 3801 *et seq* apply to this certification and disclosure, if any.

8. Clean Air 42 U.S.C. § 7401 et seq.: Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Clean Air Act, as amended, 42 U.S.C. §§ 7401 et seq. The Contractor agrees to report each violation to the Owner and understands and agrees that the Owner will, in turn, report each violation as required to assure notification to the State of Texas, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office.

Contractor also agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

9. CLEAN WATER REQUIREMENTS 33 U.S.C. 1251 et seq.: Contractor agrees to comply with all applicable standards, orders or regulations issued pursuant to the Federal Water Pollution Control Act, as amended, 33 U.S.C. 1251 *et seq.* Contractor agrees to report each violation to the Owner and understands and agrees that the Owner will, in turn, report each violation as required to assure notification to the State of Texas, Federal Emergency Management Agency, and the appropriate Environmental Protection Agency Regional Office. Contractor also agrees to include these requirements in each subcontract exceeding $150,000 financed in whole or in part with Federal assistance provided by FEMA.

10. Procurement Of Recovered Materials 42 U.S.C 6962:
(1) In the performance of this contract, the Contractor shall make maximum use of products containing recovered materials that are EPA- designated items unless the product cannot be acquired—

(i) Competitively within a timeframe providing for compliance with the contract performance schedule;

(ii) Meeting contract performance requirements; or

(iii) At a reasonable price.

(2) Information about this requirement, along with the list of EPA-designate items, is available at EPA's Comprehensive Procurement Guidelines web site, https://www.epa.gov/smm/comprehensive- procurement-guideline-cpg-program.

11. Department Of Homeland Security Seal, Logo, And Flags: By signing this contract, the contractor agrees it shall not use the DHS seal(s), logos, crests, or reproductions of flags or likenesses of DHS agency officials without specific FEMA pre- approval.

12. Compliance With Federal Law, Regulations, And Executive Orders: This is an acknowledgement that FEMA financial assistance will be used to fund the contract only. The contractor will comply will all applicable federal law, regulations, executive orders, FEMA policies, procedures, and directives.

28. Notices: All notices required or permitted under this Contract shall be in writing and shall be deemed given when delivered in person or three days after deposit in the United States Mail, postage prepaid, addressed to the party's address reflected at the end of this Contract. A party's notice address may be changed from time to time by that party's providing written notice to the other. A copy of the notice to the City shall be sent to:

**RE: Trolley Maintenance Facility Flood Wall**

Dear Mr. Christodoss:

Following our discussions with City of Galveston Engineering and FEMA Public Assistance Program Management, Zarinkelk Engineering Services, Inc. (ZESI) is please to submit this fee proposal for professional engineering services for the above referenced project. The proposed project will include construction of a new flood protection wall along 29th Street between the sidewalk and the Trolley Maintenance Facility. The wall will be constructed to the height to match a portable flood protection wall that will be deployed on the interior of the site around the facility when flooding depths high enough to inundate the facility are anticipated.

We are proposing to complete our design in three phases. The first phase will be a conceptual design phase where we will develop two alternatives for the concrete flood wall along the 29th Street sidewalk, development of a specification for a deployable flood protection wall for the interior of the site to surround the building that can be secured to the permanent flood wall, a suitable pump to discharge rainfall that will enter the facility during a large storm event and a generator to power the pump. We envision a 5 hp pump. Included during phase one will be a conceptual cost estimate, utility research, survey and a geotechnical study.

Phase two will be the 30% preliminary design phase for the conceptual alternative selected by the City. The preliminary design will include plans, finish options, details and refined costs.

The final design will include 100% plans, specifications and bid documents. Plans will include survey control, utility signatures as needed, traffic control, SWPPP, typical general details, structural details and general notes.

We are also proposing bid phase and construction phase services.

Our schedule to complete basic design services is 3 months from notice to proceed from the City.

Our fee estimate for this project including basic design, additional services and optional additional services is $133,245.20. A detailed level of effort spreadsheet is attached. Following is a summary breakdown of fees:

| | Fee |
|---|---:|
| Surveying Services | $7,606.50 |
| Geotechnical Study | $17,893.70 |
| Electrical & Controls | $11,550.00 |
| Utilities & Project Coordination | $8,955.00 |
| Conceptual Design | $13,560.00 |
| Preliminary Design | $24,180.00 |
| Final Design | $31,800.00 |
| Bid Phase Services | $6,360.00 |
| Construction Phase Services | $11,340.00 |
| Total | $133,245.20 |

Please call me at 832-242-2426 if you have any questions. We look forward to working with the City of Galveston on this project.

Sincerely,

Giti Zarinkelk

Proposal for Professional Services in Connection With: Flood Wall to be located between Strand and Mechanic on 29th, Galveston, Galveston County, Texas. .

Weisser Engineering & Surveying is pleased to submit this proposal and terms of service (together, the "Agreement") to Zarinkelk Engineering Services, Inc. (the "Client").

## I. SCOPE OF SERVICES

Weisser Engineering & Surveying will provide the following services ("Services") to Client:

Topographic survey of the limits shown on the attached aerial image..

## II. PROPOSED COST OF SERVICES

A. The Services will be performed on a lump-sum basis. We propose to provide the above-described services, subject to the Terms and Conditions below, for $6,915.00 (SIX THOUSAND NINE HUNDRED FIFTEEN DOLLARS) plus any applicable state sales tax.

## III. TERMS AND CONDITIONS

1. This Agreement may only be modified by a writing acknowledging agreement of modification by both parties.
2. The Responsible Party signing this Agreement agrees to be fully responsible for the timely and complete payment for Services within thirty (30) days of invoicing. Any requests for modification of this provision must be signed by an officer or department director of Weisser Engineering & Surveying.
3. Weisser Engineering & Surveying is an independent contractor. Nothing in this Agreement forms a partnership, joint venture, employment, franchise, master-servant, or agency relationship between Client and Weisser Engineering & Surveying.
4. WEISSER ENGINEERING & SURVEYING SHALL ONLY BE LIABLE FOR DAMAGE OR LOSS TO ANY PERSON OR PROPERTY TO THE EXTENT SUCH DAMAGE OR LOSS IS CAUSED BY WEISSER ENGINEERING & SURVEYING'S NEGLIGENT ACT OR OMISSION IN CONNECTION WITH THE SERVICES. WEISSER ENGINEERING & SURVEYING'S LIABILITY TO CLIENT OR ANY OTHER PARTY FOR CLAIMS OF ANY KIND, WHETHER BASED ON CONTRACT OR TORT OR OTHERWISE RELATING TO THIS AGREEMENT, SHALL NOT EXCEED THE COMPENSATION PAID OR OWED TO WEISSER ENGINEERING & SURVEYING FOR SERVICES UNDER THIS AGREEMENT.
5. Client shall not solicit Weisser Engineering & Surveying employees for purposes of employment during the course of the Agreement or for a period of twelve (12) months thereafter. Client acknowledges and agrees that breach of this provision may result in irreparable and continuing damage to Weisser Engineering & Surveying, for which there would be no adequate remedy at law, and that, in the event of such breach, Weisser Engineering & Surveying may be entitled to equitable or injunctive relief and/or a

decree for specific performance, in addition to all such other and further relief as may be available at law, in equity, or otherwise.

6. Upon request, Weisser Engineering & Surveying may make electronic files of its CAD drawings available to Client on an "as is" basis for informational purposes only that may not be relied upon for any other purpose. ALL WARRANTIES AND REPRESENTATIONS OF ANY KIND WITH REGARD TO ELECTRONIC FILES ARE DISCLAIMED, INCLUDING BUT NOT LIMITED TO THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Since revisions or additions to design file drawings may occur at any time, Client agrees to indemnify, defend and hold harmless Weisser Engineering & Surveying, its officers, directors, agents, shareholders, and employees from and against any and all claims, suits, losses, damages or costs, including reasonable attorney's fees, arising from the use of outdated or amended design file drawings by Client or any third party, and such indemnification shall survive acceptance of said file(s) by Client or the termination of this Agreement. Client promises to notify any third party that the third party may not reasonably rely on electronic files, drawings, or documents not directly provided to such third party by Weisser Engineering & Surveying.
7. This Agreement shall be deemed entered into in Texas and shall be governed by and construed and interpreted in accordance with the laws of the State of Texas, without reference to any rules of conflict of laws. Venue shall be in Houston, Harris County, Texas.
8. In the event that any one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal, or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provisions, and the Agreement shall be construed as if such invalid, illegal, or unenforceable provision had never been contained in it.
9. This Agreement may be executed by facsimile or scanned and electronically transferred signatures. A copy of this Agreement bearing such a signature or signatures shall have the same force and effect as an original agreement with inked original signatures. Once signed, any reproduction of this Agreement made by reliable means (e.g., photocopy, scan, facsimile) is considered an original.
10. Client's failure to sign and return this Agreement to Weisser Engineering & Surveying within fifteen (15) days of Effective Date renders the Agreement voidable by Weisser Engineering & Surveying.

We appreciate the opportunity to provide this proposal. If you have any questions or comments, please do not hesitate to contact John Harvill, SIT (jharvill@weissereng.com).

The Client, by signing below, represents that he or she has the authority to enter into this Agreement, agrees to the terms and conditions in this Agreement, is willing to be the Responsible Party, promises to pay the invoiced amount within thirty (30) days of invoicing, and authorizes Weisser Engineering & Surveying to proceed with the Services as described above.

**REVISED PROPOSAL**
**GEOTECHNICAL STUDY**
**PROPOSED FLOOD WALL**
**MECHANIC STREET**
**CITY OF GALVESTON, TEXAS**
**REVISION I**

Gentlemen:

We are pleased to submit this proposal for design of a flood wall at Mechanic Street in City of Galveston, Texas. The scope of our work was discussed with Mr. Mike Bagstad, P.E. prior to development of this proposal.

## INTRODUCTION

It is planned to construct a flood wall at Mechanic Street, City of Galveston, Texas. The purpose of our report is to provide recommendations for a cantilever wall or a gravity wall.

## FIELD EXPLORATION

Safety Requirements

We understand that the safety requirements at this facility will consist of safety glasses, steel-toed boots, and hard hats. There will be no additional safety requirements.

Permit

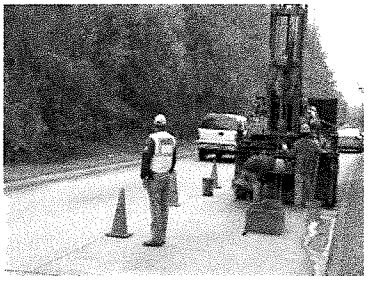
GET will obtain the permit for conducting field exploration from City of Galveston.

Notice to Residents

GET will distribute handout fliers stating GET will be conducting soil borings to nearby residents prior to drilling operations.

Site Visit/Access

A site visit will be conducted by the Project Engineer. We understand that the site is accessible to a truck-mounted drilling rig.



Traffic Control

There will be traffic control along the project alignment during our field exploration. Our traffic control will be subcontracted out.

Pavement Coring

We understand that all borings will be drilled in grass. No pavement coring will be required.

Drilling and Sampling

We will evaluate the soil stratigraphy and groundwater conditions for the proposed flood wall by conducting one (1) geotechnical boring to a depth of 40-ft deep.

Soil samples will be obtained continuously from the surface to a depth of 10-ft and at 5-ft intervals; thereafter. Standard Penetration Tests (SPT) will be performed in sands, if encountered, and the clays will be sampled by a Shelby tube. Shear strengths of the clays will be measured in the field with a hand penetrometer and correlations between this data and laboratory unconfined compression and Torvane tests used to supplement laboratory shear strength data.

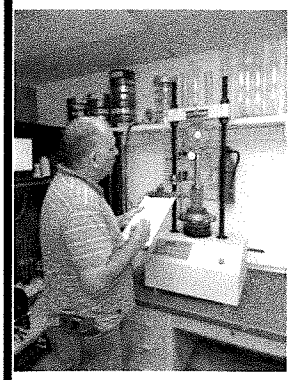
Groundwater

Depth to groundwater will be important for design and construction of the pavements and underground utilities. The borings will be drilled dry and the depth at which groundwater is encountered will be recorded.

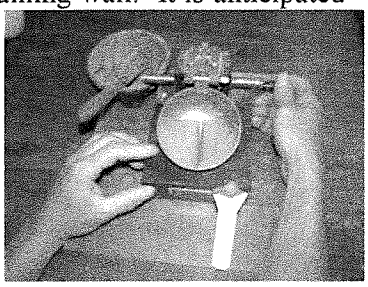
Borehole Grouting

The borehole will be grouted with a mixture of cement and bentonite, using Tremie Method.

## LABORATORY TESTING



Laboratory tests will vary with the soils encountered but will be planned to evaluate soils design parameters for the proposed retaining wall. It is anticipated that tests will include unconfined compression, torvane, hand penetrometer, unit weight, moisture content, gradation and liquid and plastic limits.

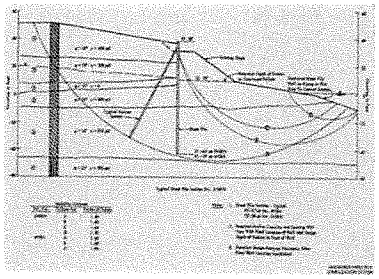


All tests will be performed in general accordance with American Society of Testing Materials (ASTM) Procedures. All of the subsoils will be classified in general accordance with the ASTM Soil Classification System.

## ENGINEERING ANALYSES AND REPORTING

The field and laboratory data will be summarized in an engineering report. Analyses of these data will be presented, and recommendations made relative to the following:

- Project site pictures.
- Existing site conditions and topography.
- Generalized soil stratigraphy and groundwater levels.
- Recommendations on the design of the retaining wall, including lateral pressures, soil design parameters for short term and long term.
- Retaining walls will consist of graity or cantilever wall systems.
- Global slope-stability of the walls based on furnished cross section.
- Soil stabilization requirements (if any) behind the wall.
- Erosion protection recommendations in front of wall.
- Potential construction problems.



## COST ESTIMATE

General

Based on the scope of work outlined above, we estimate the cost for field, laboratory, and engineering services based on the Harris County Fee Schedule as shown on Plates 1 and 2. This estimate assumes underground obstructions will not be encountered that require boring relocations. GET is not responsible for damages to underground utilities, man-made utilities, etc. In the event that concrete, rock/rubble is encountered, the boring(s) will be terminated. We understand that all of the boring elevations will be provided by the client prior to completion of GET report. Our cost estimate includes one draft report copy and one final report copy. A digital copy of the report will also be provided. Additional report copies will be provided at a separate charge.

Underground Utilities

The cost estimate for geotechnical services assumes that underground obstructions will not be encountered during boring that requires boring relocation(s). GET will contact Texas 811 for the presence of underground utilities. However, Texas 811 does not have information regarding the presence of underground utilities inside the properties. GET is not responsible for damage to underground utilities, man-made objects, etc., that are not identified by Texas 811. The scope of our work does not include subsurface utility engineering. We recommend the scope of our work to include subsurface utility investigation at boring locations to assess that underground utilities are not hit during field exploration.

Traffic Control Allowance

The cost estimate for traffic control is only an allowance. GET is prepared to use any qualified traffic control subcontractor specified by the client. **Our estimated traffic control schedule is as follows:**

| Day | Services |
|---|---|
| 1 | Drilling and Sampling, Borehole Grouting |
| Total 1 | |

The actual number of days could be higher or lower, depending on access, pavement thickness and daily production.

Summary Cost Estimate

A summary of project cost is presented below:

| Scope of Work | Estimated Cost | Cost Breakdown Plate(s) |
|---|---|---|
| Basic Geotechnical Report | $13,515.00 | 1-2 |
| Allowances: | | |
| Permit from City of Galveston | 1,270.00 | 2 |
| Traffic Control and Flier Distribution | 1,482.00 | 2 |
| Estimated Total | $ 16,267.00 | |

## REPORT REVIEWS AND COMMENTS

Our report will be submitted to Zarinkelk Engineering Services, Inc and City of Galveston Engineering Department in a draft form for comments. Once these reviews are completed, a final report will be issued. All of these comments will be incorporated in the final report. The client agrees that all reviews are complete once a notice for a final report is issued. Any changes to the final report will be outside the scope of our study. We will incorporate any future comments after the final report is issued on a time and materials basis per the applicable fee schedule.

## TIME SCHEDULES

We estimate that the field work can be started about one (1) week after authorization is received. The project schedule will be as follows:

| No. of Working Days | | | | | |
|---|---|---|---|---|---|
| Utility Clearance | City of Galveston Permit | Field Exploration | Lab | Engineering | Total |
| 5 | 20 | 5 | 14 | 14 | 58 |

Preliminary recommendations will be submitted during the course of the exploration, if required to expedite design.

We appreciate the opportunity to submit this proposal and look forward to being of service to you on this project. Formal acceptance of this proposal and our general conditions can be acknowledged by signing below and returning one copy for our files.

Very truly yours,

Subject: Galveston Trolley Building Pump and Generator Design
MCA Proposal 9GLV20001

Dear Mr. O'Gorman,

Marrero, Couvillon and Associates (MCA) is pleased to offer this proposal for the engineering design of vertical pump with back up generator for the Trolley Building. This proposal is based on information provided by email communication.

Project Description

This project involves installation of pump that would pump out the maintenance pit at the Trolley Building at a flowrate of 300 gpm with appx. 40' of discharge head. The pump would be electrically powered from power available inside the existing building. The piping will discharge the water out of the building and over the perimeter flood wall. An emergency generator would provide power to the pump in the event of a loss of power.

Scope of Services

MCA's scope for this project is to provide mechanical and electrical engineering and design for the following:

1. Specification of a single pump (appx. 5 hp).
2. Piping design for the inlet/outlet of the pump.
3. Size feeder breaker, motor starter, conductors, manual transfer switch, and generator.
4. Produce motor elementary diagram.
5. Verify required working space per NEC 110.
6. Coordinate with structural design engineer.
7. Produce drawing and specification package.

MCA will provide the scope of services outlined herein on a Lump Sum Basis in the amount of $10,500.00. This proposal is contingent on a mutually acceptable purchase order or contract. This proposal pricing is valid for 30 days.

# MARRERO, COUVILLON & ASSOCIATES, LLC.

## DELIVERABLES

Electrical and Mechanical design package, suitable for bidding sealed by professional engineers registered in the state of Texas.

## CLARIFICATIONS

1. There is no demolition included in the scope.
2. Background drawings to be provided by others.
3. Structural design by others.
4. Site visit not included in this scope. Support from knowledgeable site personnel to be provided when needed.
5. Proposal assumes there is sufficient normal power capacity available for the pump in the building.
6. Client to provide accurate electrical drawings of existing systems.
7. Design for a fuel tank not included. It is assumed that the fuel tank will be a commercially available tank. If generator is fueled by natural gas, no fuel tank will be required.
8. Proposal assumes area is unclassified
9. Design parameters to be provided by the City of Galveston.
10. Bid Support and Construction Administration not included in this proposal

MCA would like to thank you for this opportunity. If you have any questions please do not hesitate to contact Brian Miller at 225-408-8249 or bmiller@mca-llc.com.

Please acknowledge your acceptance below if in agreement.

Sincerely,

**RE: Consider entering into an Interlocal Government Agreement with the City of Seattle Washington, the purpose of which is to permit the City of Galveston to use their Cooperative Purchasing Agreement with Gtechna USA Corporation to extend our current contract with Gtechna.**

## I. Background

A. The Interlocal Agreement would allow the City of Galveston to extend our current contract with Gtechna USA Corporation.

B. The Marshals office needs to extend our current contract with Gtechna USA Corporation so we can continue utilizing our current equipment and technology to enforce the parking ordinances.

C. The use of the Gtechna system is imperative to the utilization of our ALPR system which makes identifying and enforcing the parking violations without interruption of service for the city.

## II. Current Situation

Whether to approve entering into the Interlocal Agreement or not.

## III. Alternatives in order of priority

A. Enter into the Interlocal Government Agreement with the County of Galveston.
   a. Cost - $0.00
   b. Timing – As soon as possible
   c. Departmental Improvements – Entering into the Interlocal Agreement will allow:
      i. The City to extend our current contract with Gtechna using the Interlocal Agreement with Seattle, WA.

# STATE OF TEXAS
# DEPARTMENT OF INFORMATION RESOURCES

## CONTRACT FOR PRODUCTS AND RELATED SERVICES

## SELEX ES, INC. DBA ELSAG NORTH AMERICA

## 1. Introduction

### A. Parties

This Contract for Products and Related Services ("Contract") is entered into between the State of Texas ("State"), acting by and through the Department of Information Resources ("DIR") with its principal place of business at 300 West 15th Street, Suite 1300, Austin, Texas 78701, and Selex ES, Inc. dba ELSAG North America ("Vendor"), with its principal place of business at 205-H Creek Ridge Road, Greensboro NC 27406.

### B. Compliance with Procurement Laws

This Contract is the result of compliance with applicable procurement laws of the State of Texas. DIR issued a solicitation on the Comptroller of Public Accounts' Electronic State Business Daily, Request for Offer (RFO) DIR-SDD-TMP-229, on October 6, 2015, for Products and Related Services for Surveillance, Security and Monitoring. Upon execution of this Contract, a notice of award for RFO DIR-SDD-TMP-229 shall be posted by DIR on the Electronic State Business Daily.

### C. Order of Precedence

For purchase transactions under this Contract, the order of precedence shall be as follows: this Contract; Appendix A, Standard Terms and Conditions For Products and Related Services Contracts; Appendix B, Vendor's Historically Underutilized Businesses Subcontracting Plan; Appendix C, Pricing Index; Exhibit 1, Vendor's Response to RFO DIR-TSO-TMP-229, including all addenda; and Exhibit 2, RFO DIR-TSO-TMP-229, including all addenda; are incorporated by reference and constitute the entire agreement between DIR and Vendor governing purchase transactions. In the event of a conflict between the documents listed in this paragraph related to purchases, the controlling document shall be this Contract, then Appendix A, then Appendix B, then Appendix C, then Exhibit 1, and finally Exhibit 2. In the event and to the extent any provisions contained in multiple documents address the same or substantially the same subject matter but do not actually conflict, the more recent provisions shall be deemed to have superseded earlier provisions.

## 2. Term of Contract

The term of this Contract shall be one (1) year commencing on the last date of approval by DIR and Vendor. Prior to expiration of the original term, DIR and Vendor may extend the Contract, upon mutual agreement, for up to three (3) optional one-year terms. Additionally, the parties by mutual agreement may extend the term for up to ninety (90) additional calendar days.

## 3. Product and Service Offerings

### A. Products

Products available under this Contract are limited to Products and Related Services for Surveillance, Security and Monitoring as specified in Appendix C, Pricing Index. Vendor may incorporate changes to their product offering; however, any changes must be within the scope of products awarded based on the posting described in Section 1.B above. Vendor may not add a manufacturer's product line which was not included in the Vendor's response to the solicitation described in Section 1.B above.

### B. Services

Services available under this Contract are limited to Products and Related Services for Surveillance, Security and Monitoring as specified in Appendix C, Pricing Index. Vendor may incorporate changes to their service offering; however, any changes must be within the scope of services awarded based on the posting described in Section 1.B above.

## 4. Pricing

Pricing to the DIR Customer shall be as set forth in Appendix A, Section 8, Pricing, Purchase Orders, Invoices and Payment, and as set forth in Appendix C, Pricing Index, and shall include the DIR Administrative Fee.

## 5. DIR Administrative Fee

**A)** The administrative fee to be paid by the Vendor to DIR based on the dollar value of all sales to Customers pursuant to this Contract is three-quarters of one percent (.75%). Payment will be calculated for all sales, net of returns and credits. For example, the administrative fee for sales totaling $100,000 shall be $750.00.

**B)** All prices quoted to Customers shall include the administrative fee. DIR reserves the right to change this fee upwards or downwards during the term of this Contract, upon written notice to Vendor without further requirement for a formal contract amendment. Any change in the administrative fee shall be incorporated in the price to the Customer.

## 6. Notification

All notices under this Contract shall be sent to a party at the respective address indicated below.

## 7. Software License Agreements

### A. Shrink/Click-wrap License Agreement

Regardless of any other provision or other license terms which may be issued by Vendor after the effective date of this Contract, and irrespective of whether any such provisions have been proposed prior to or after the issuance of a Purchase Order for products licensed under this Contract, or the fact that such other agreement may be affixed to or accompany software upon delivery (shrink-wrap), the terms and conditions set forth in this Contract shall supersede and govern the license terms between Customers and Vendor. **It is the Customer's responsibility to read the Shrink/Click-wrap License Agreement and determine if the Customer accepts the license terms as amended by this Contract. If the Customer does not agree with the license terms, Customer shall be responsible for negotiating with the reseller to obtain additional changes in the Shrink/Click-wrap License Agreement language from the software publisher.**

### B. Conflicting or Additional Terms

In the event that conflicting or additional terms in Vendor Software License Agreements, Shrink/Click Wrap License Agreements, Service Agreements or linked or supplemental documents amend or diminish the rights of DIR Customers or the State, such conflicting or additional terms shall not take precedence over the terms of this Contract.

In the event of a conflict, any linked documents may not take precedence over the printed or referenced documents comprising this contract; provided further that any update to such linked documents shall only apply to purchases or leases of the associated Vendor product or service offering after the effective date of the update; and, provided further, that, if Vendor has responded to a solicitation or request for pricing, no update of such linked documents on or after the initial date of Vendor's initial response shall apply to that purchase unless Vendor directly informs Customer of the update before the purchase is consummated.

In the event that different or additional terms or conditions would otherwise result from accessing a linked document, agreement to said linked document shall not be effective until reviewed and approved in writing by Customer's authorized signatory.

Vendor shall not [without prior written agreement from Customer's authorized signatory,] require any document that: 1) diminishes the rights, benefits, or protections of the Customer, or that alters the definitions, measurements, or method for determining any authorized rights, benefits, or protections of the Customer; or 2) imposes additional costs, burdens, or obligations upon Customer, or that alters the definitions, measurements, or method for determining any authorized costs, burdens, or obligations upon Customer.

If Vendor attempts to do any of the foregoing, the prohibited documents will be void and inapplicable to the contract between DIR and Vendor or Vendor and Customer, and Vendor will nonetheless be obligated to perform the contract without regard to the prohibited documents, unless Customer elects instead to terminate the contract, which in such case may be identified as a termination for cause against Vendor.

The foregoing requirements apply to all contracts, including, but not limited to, contracts between Customer and a reseller who attempts to pass through documents and obligations from its Manufacturer of Publisher.

## 8. Authorized Exceptions to Appendix A, Standard Terms and Conditions for Product and Related Services Contracts.

No exceptions have been agreed to by DIR and Vendor.

RE: Consider for approval a three-year contract with Gtechna with the option to extend the contract for two one-year terms for a total of five years, for an estimated amount not to exceed $150,135 to be funded with Council approved budgets for funding from the Parking Management and Court Technology Funds, and authorize the City Manager to execute the contract upon final approval by the City Attorney.

**I. <u>Background</u>**

A. The Marshals Office needs the APLR systems to aid in locating and enforcing the parking ordinances.

B. We are currently utilizing the Gtechna Integrated eCitaion Software, and have been for over five years.

C. Getechna software is compatible with our other pay to park collection systems.

D. Staff has added a 20% contingency in order to cover any unforeseen cost increases.

E. The city has the ability to terminate this agreement after 30 days after providing written notice.

F. The following breakdown illustrates the involved costs per year.

| Period | Quote | Contingency | Increase | Total |
|---|---|---|---|---|
| Year One | $33,176.90 | 20% | $6,635.38 | $ 39,812.28 |
| Year Two | $21,330.12 | 20% | $4,266.02 | $ 25,596.14 |
| Year Three | $22,396.63 | 20% | $4,479.33 | $ 26,875.96 |
| Year Four | $23,516.46 | 20% | $4,703.29 | $ 28,219.75 |
| Year Five | $24,692.28 | 20% | $4,938.46 | $ 29,630.74 |
| | | | | $150,134.87 |

**II. Current Situation**

Staff is recommending the approval of a three-year contract with Gtechna with the option to extend the contract for two one-year terms for a total of five years, for an estimated amount not to exceed $150,135 to be funded with Council approved budgets for funding from the Parking Management and Court Technology Funds, and authorize the City Manager to execute the contract upon final approval by the City Attorney.

**III. Alternatives in order of priority**

A. Approve the contract to Gtechna Integrated eCitation Software.

1. Cost – The total cost not to exceed $150,134.87.
2. Timing – ASAP this purchase is necessary to prevent interruption of our APLR system.
3. Departmental Improvements – This purchase will ensure that the Parking Enforcement Division of the Marshals Office has the equipment to effectively locate and enforce the parking ordinances of the city.

B. Do not approve the contract to Gtechna Integrated eCitation Software.

1. Cost – No cost
2. Timing – N/A
3. Departmental Improvements – No improvements.

**IV. Recommendation**

Concur in Alternative A and approve a three-year contract with Gtechna with the option to extend the contract for two one-year terms for a total of five years, for an estimated amount not to exceed $150,135 to be funded with Council approved budgets for funding from the Parking Management and Court Technology Funds, and authorize the City Manager to execute the contract upon final approval by the City Attorney.

# Schedule – Basic Contractual Provisions

**Scope of Provisions**

Notwithstanding any provision to the contrary in the document to which this schedule is appended or any other applicable document, as the case may be, including any definitive agreement among the parties in connection with the relevant project, the general provisions set out herein shall prevail and override any such other provisions to the extent of any inconsistency.

The general provisions set out herein are not restrictive and may be supplemented (but not refuted except as provided herein) by any other provisions upon which the parties may mutually agree from time to time.

The general provisions set out herein may not be refuted or amended except with the prior written mutual consent of the parties, which consent shall specifically refer to the refuted or amended provisions hereof to be enforceable against Gtechna USA Corporation. Any purchase order or other document issued unilaterally by Client shall be for its internal administrative purposes only and none of its terms or conditions may have any detrimental effect against Gtechna USA Corporation .

**License**

Any right to use a technological solution of Gtechna USA Corporation to be granted to Client as contemplated in the document to which this schedule is appended, as applicable,shall be granted pursuant to a non-exclusive and non-assignable license solely for Client's own internal use and exclusively for use in connection with its designated activities.Such license shall be subject to the payment of the corresponding fees to Gtechna USA Corporation as well as the other conditions set out below and in the license agreement to be entered into between Client and Gtechna USA Corporation following the acceptance of Gtechna USA Corporation's proposal by Client.

Client shall not reverse engineer, de-compile, disassemble, transform, modify, translate or otherwise attempt to decrypt or derive the source code, any trade secrets, or any sensitive or proprietary information in or in respect of Gtechna USA Corporation technological solutions, nor attempt or allow same, either directly or indirectly.

Except as expressly permitted by Gtechna USA Corporation in writing, Client shall have no other right to use Gtechna USA Corporation's technological solutions, or to sublicense, deliver, distribute, re-sell, rent, disclose or otherwise allow access to or make available the same to any third party whatsoever.

Client shall take all appropriate action by instruction, agreement, or otherwise, with any employees, consultants or other persons who are given any access to Gtechna USA Corporation's technological solutions to inform such persons of the confidential and proprietary nature thereof, and to have appropriate agreements with said persons to satisfy the obligations hereunder with respect to use, copying, modification, protection, non-disclosure and security thereof. Client shall immediately report in writing to Gtechna USA Corporation any and all breaches of such obligations hereunder committed by a person obtaining access to Gtechna USA Corporation's technological solutions through Client, and fully cooperate at its costs and expenses with Gtechna USA Corporation in the event any dispute or litigation arises in connection therewith.

**Provision of Services**

Professional resources of Gtechna USA Corporation Solutions involved in the relevant project shall be suitably qualified, with technical expertise and skills necessary to perform services as required. General training of such resources in terms of systems proficiency and other basic aptitudes that are consistent with industry standards remain Gtechna USA Corporation responsibility. Specific training of such resources on the use and/or functionalities of Client's own hardware and software will be Client's responsibility, and attendance by resources to training sessions as directed by Client will be deemed to be services performed as required.

Gtechna USA Corporation remains the sole employer or principal of its resources. Without limiting the generality of the foregoing, Gtechna USA Corporation is entirely responsible for paying all resources' compensation, fringe benefits, payroll burdens and similar applicable charges in connection with the performance of their services.

Gtechna USA Corporationshall determine, in its sole discretion, how the services shall be performed from an operational standpoint, including in connection with the choice and allocation of professional, technological and material resources; provided that Gtechna USA Corporation will attempt to accommodate any reasonable Client's request to use specific resources, as the case may be.

Client remains solely responsible for (i) carrying out its business and operations, (ii) obtaining all necessary consents from third parties, including the necessary third party rights to use software, that are required for Gtechna USA Corporation to perform its services, (iii) ensuring that all directions and instructions as Client may provide to and its resources pertaining to their services comply with all applicable legislation, including in terms of protection of copyrights and other third party rights, (iv) ensuring that its own resources or those of third party suppliers efficiently cooperate with Gtechna USA Corporation to the extent required for the performance of ACCEO Solutions' services, (v) ensuring that Gtechna USA Corporation services meet Client's requirements, and (vi) Client's operation and use of Gtechna USA Corporationdeliverables.

For greater clarity, any recommendation by Gtechna USA Corporation to Client with regards to any equipment, tool or element of intellectual property to be provided by a third party as well as any estimate of internal costs or efforts required from Client or suppliers other than Gtechna USA Corporation to carry out a project or any portion thereof merely constitute subjective opinions of which Client is under no obligation to consider in its corresponding decision, which decision is to be made exclusively by Client, and Gtechna USA Corporation may not be held liable for any detrimental consequence or other direct or indirect damage arising from said decision by Client thereafter.

**Intellectual Property**

As between the parties, each party shall retain exclusive ownership of its own technological systems, tools and other components and all intellectual property rights therein. For greater clarity, Gtechna USA Corporation development platforms shall not be assigned to Client.

Upon payment in full to Gtechna USA Corporation of the fees and other charges for the development of a deliverable, Gtechna USA Corporation shall grant to Client, during the term set out therefor in their agreement, a non-exclusive and non-transferable license to use such deliverable for the limited purposes of Client's own internal use as part of its business, and not for resale or sub-distribution.

All rights of a party that are not expressly granted to the other party hereunder are expressly reserved to the party owning said rights.

Gtechna USA Corporation shall not be precluded from (i) independently developing for itself, or for others, anything, whether in tangible or non-tangible form, which is competitive with, or similar to, the foregoing deliverables, nor (ii) using its general knowledge, skills and experience, and any ideas, concepts, know-how, and techniques that are acquired or used in the course of performing the services; provided that no Client confidential information or intellectual property is used in connection therewith.

**Invoicing**

Client shall pay to Gtechna USA Corporation all agreed upon fees and pre-approved disbursements relating thereto, as the case may be, as well as all taxes applicable thereto within 30 days of its receipt of Gtechna USA Corporation detailed invoices. Interest at the lesser of 12.68% per annum (1% per month) or the highest amount allowed by law will be charged and paid by Client on all past due amounts. In the event of any good faith dispute with regard to a portion of an invoice, the undisputed portion shall be paid as provided herein. Upon judgment or other resolution of the disputed portion, any amounts owed to Gtechna USA Corporation shall be paid with interest at the rate above, which shall accrue from the date these amounts were originally due.

**Restrictive Covenant**

Except with the prior written consent of the other party, neither party shall solicit, offer work to, employ, or contract with, directly or indirectly, any of the other party's personnel during the term of their agreement and for a twelve-month period thereafter. For purposes hereof, a party's personnel means any individual or entity employed as an employee, independent contractor or sub-contractor and with which the other party comes into contact in the performance of the services or is otherwise referred to such party in anticipation of such services.

**Limited Warranty and Liability**

Gtechna USA Corporation warrants that its deliverables which constitute original content will materially conform to their relevant specifications for a period of 30 days from delivery to Client, and will correct any such non-conforming deliverable which is brought toGtechna USA Corporation attention in writing within 30 days of its delivery to Client. For the purpose of such warranty, the term deliverable refers exclusively to a final deliverable, to the exclusion of any testing or certification process which forms part of such deliverable.

The foregoing warranty shall not apply to defaults resulting from any act or omission of Client or third parties, is limited to the time spent by Gtechna USA Corporation resources to cure the default and excludes any efforts required from Client or third parties, and is made expressly in lieu of all other warranties, conditions and representations, express or implied.

Gtechna USA Corporation maximum aggregate cumulative liability, including without limitation for breach of contract, strict or statutory liability, extra-contractual or delictual liability, shall be limited to actual and direct losses suffered by Client and shall not, under any circumstances, exceed the annualized average fees actually paid to Gtechna USA Corporation by Client pursuant to their agreement; provided that such limitation shall not apply to claims based on fraud, gross negligence or wilful misconduct ofGtechna USA Corporation.

**Insurance**

Each party will determine the types and amounts of insurance coverage it deems is required in connection with the performance of its obligations pursuant to their agreement. Neither party is required to obtain insurance for the benefit of the other party, and each party shall pay all costs and receive all benefits under policies arranged by it. Each party waives rights of subrogation it may otherwise have regarding the other party's insurance policies, including but not limited to property insurance, business interruption insurance, and other first-party insurance.

**Confidentiality**

Each party shall protect the confidentiality of the other party's confidential information to which it shall have access in the performance of Gtechna USA Corporation services in the same manner as it protects the confidentiality of its own confidential information, which may not be less than reasonable care. Access to such confidential information by the recipient shall be restricted to internal purposes, on a need-to-know basis, and solely to give effect to the parties' agreement, with prior directions to protect its confidential nature as provided for herein.

**RESOLUTION NO. 20-____**

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS APPROVING AND AUTHORIZING THE CITY MANAGER TO EXECUTE AN INTERLOCAL COOPERATION AGREEMENT WITH THE CITY OF SEATTLE, WASHINGTON TO ENTER INTO A COOPERATIVE PURCHASING AGREEMENT FOR VARIOUS SUPPLIES, MATERIALS, EQUIPMENT AND SERVICES RELATED GTECHNA USA CORPORATION; APPROVING AND AUTHORIZING THE CITY MANAGER TO EXECUTE THE AGREEMENT; PROVIDING FOR FINDINGS OF FACT AND PROVIDING FOR AN EFFECTIVE DATE.

---

**WHEREAS,** the State of Texas, in the Interlocal Cooperation Act, has provided in Chapter 791, of the Texas Government Code, that the City of Galveston (hereinafter called "the City") may enter into agreements with other governmental entities; and,

**WHEREAS**, Section 271.102, of the Tex. Local Gov. Code authorizes a local government to participate in a cooperative purchasing program of the state or another state or with a local cooperative organization of this state or another state; and,

**WHEREAS**, the City of Galveston and the City of Seattle are both governmental entities engaged in the purchase of goods and services, which is a recognized governmental function; and,

**WHEREAS,** the City and Gtechna entered into an Agreement, in March of 2013 for services related to mobile plate recognition and law enforcement solutions for the City's paid parking system. The agreement between Gtechna and the City of Galveston is currently scheduled to expire in March 2020 ; and,

**WHEREAS,** the City of Seattle has entered in a services agreement with Gtechna; and,

**WHEREAS**, a local government that purchases goods and services pursuant to a cooperative purchasing program with another local government satisfies the requirement of the local government to seek competitive bids for the purchase of the goods and materials; and

**WHEREAS,** the City Council finds it in the public interest to enter into this Interlocal Agreement between the City of Galveston and the City of Seattle, Washington to enter into a Cooperative Purchasing Agreement regarding Gtechna supplies, materials, equipment and routine, expert and/or consultant services.

**NOW, THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF GALVESTON, TEXAS:**

**SECTION 1.** The findings and recitations set out in the preamble to this Resolution are found to be true and correct and are hereby adopted by the City Council and made a part hereof for all purposes.

**SECTION 2.** The City Council of the City of Galveston hereby approves the Interlocal Agreement, in substantially the same form as "Exhibit 1" attached to and incorporated herein for all intents and purposes in accordance with State law.

**SECTION 3.** The City Council of the City of Galveston hereby authorizes the City Manager to execute the Interlocal Agreement attached hereto and as approved by the City Attorney.

**SECTION 4.** That this Resolution shall be and become effective from and after its adoption.

RE: **CONSIDER FOR APPROVAL AMENDING THE AGE QUALIFICATION FOR SENIOR DISCOUNTS AT LASKER POOL FROM 55+ TO 65+ YEARS OF AGE. AUTHORIZING THE CITY MANAGER TO EXECUTE ALL NECESSARY DOCUMENTS UPON FINAL APPROVAL BY THE CITY ATTORNEY.**

**I. Background:**

A. The Lasker Park Community Pool opened in August of 2017.

B. The following daily and annual pass fees have been in effect since the opening of the pool:

| | Adult (18-54) | Senior (55+) | Child (3-17) | Child (Under 2) |
|---|---|---|---|---|
| **Daily Resident** | $4 | $3 | $3 | FREE |
| **Daily Non-Resident** | $6 | $4 | $4 | FREE |
| **Annual Passes Resident** | $70 | $55 | $55 | FREE |
| **Annual Passes Non-Resident** | $100 | $70 | $70 | FREE |

C. In February of 2019 City Council approved membership fees for the City's recreation centers.

D. The senior discount at the McGuire Dent Recreation Center is available to adults who are 65+ years of age.

**II. Current Situation:**

A. Staff is requesting to increase the qualifying age for senior discounts at Lasker Pool from 55+ to 65+. Making the Lasker Pool qualifying age for seniors consistent with the recreation centers policy.

B. If approved, staff is requesting the change to come into effect for daily passes at the start of the 2020 season.
C. If approved, staff is requesting existing annual memberships purchased at the former discounted senior rate to be honored until the end of their expiration date.
D. Renewals will be subject to the newly established 65+ senior discount policy.
E. New passes will be subject to the newly established 65+ senior discount policy at the start of the 2020 season.

**III. Alternatives in order of priority:**

A. City Council approval to amend the age qualification for senior discounts at the Lasker Community Pool from 55+ to 65+ years of age.
B. City Council does not approve amending the age qualification for senior discounts at the Lasker Community Pool.

**IV. Recommendation:**

Concur in Alternative A. Council approval to amend the age qualification for senior discounts at the Lasker Community Pool from 55+ to 65+ years of age.

## CAPITAL PROJECTS
### STAFF REPORT

February 18, 2020

To: Brian Maxwell, City Manager
Hon. Mayor and City Council Members

From: J. Dudley Anderson, Building Program Manager

**RE:** Consider for approval a contract with Lucas Construction Company, Inc., for the 27th Street Improvement (Phase 3) from Broadway to Market project (Bid #20-011) in the amount of $1,004,772.00 for the base bid plus alternates (estimated total cost of project not to exceed $1,132,772.00). Authorizing the City Manager to execute all necessary documents upon final approval by the City Attorney.

**I. Background**

A. The City recently completed Phase I of the 27th Street Improvement from Broadway to Avenue O, providing for a walkable streetscape, traffic calming, and improved connectivity to the various public destinations in the area.
B. The City is currently constructing Phase 2 of the 27th Street Improvement from Avenue O to Seawall Blvd. providing for a walkable streetscape, traffic calming, and to improve connectivity to the various public destinations in the area.
C. It is now desired to continue the 27th Street corridor project through Phase 3, extending the improvements from Broadway to Market St.
D. The proposed project includes demolition of street corners, sidewalks, ramps, curbs, etc. and the construction of new ramps, sidewalks, curbs, gutters, paver crosswalks, corners, bulb-outs, drainage boxes, ornamental lights, landscape, road paving, bicycle and travel lane striping, etc.

**II. Current Situation**

A. The project was advertised as Bid #20-011.
B. Bids were received on January 21, 2020.
C. Three (3) bids were received. The Letter of Recommendation from the Engineer and Bid Tabulation is attached to this Staff Report:
D. Lucas Construction submitted the lowest responsive bid in the amount of $1,004,722.00 for the base bid plus alternates which is within the project budget.

**III. Impact or ramifications:**

## CAPITAL PROJECTS
### STAFF REPORT

February 18, 2020

To: Brian Maxwell, City Manager
Hon. Mayor and City Council Members

From: J. Dudley Anderson, Building Program Manager

Re: Consider approval of a contract with Main Lane Industries, Ltd. for the 73rd Street Reconstruction – Heards Lane to Avenue N ½ project (RFP #19-30) in the amount of $2,043,134.00 for the base bid (estimated total cost of project not to exceed $2,286,409.00). Authorizing the City Manager to execute all necessary documents upon final approval by the City Attorney.

## I. Background

**A.** The Public Works Department is responsible for the maintenance of the City of Galveston Roadways. In order to determine the pavement condition of City roadways, the City of Galveston contracted with LJA Engineering Inc. in 2012, to prepare a Roadway Evaluation Report.

**B.** As part of the Fiscal Year 2017 Capital Improvement Plan, funding was allocated for reconstruction of 73rd Street. This project includes rebuilding the roadway, and replacement of aged water and sewer lines. Sidewalks and ADA ramps will be integrated into the design of this project.

**C.** LJA, was selected for design and engineering of the 73rd Street Reconstruction from Heards Lane to Avenue N1/2.

**D.** Proposals were requested by the City of Galveston for construction of the reconstruction and received October 30, 2109.

## II. Current Situation

A. The project was advertised as RFP #19-30.

B. Three (3) proposals were received. The Bid Tabulation is attached to this Staff Report:

C. Main Lane Industries, Ltd. submitted the highest scoring proposal in the amount of $2,043,134.00 for the base bid.

## IV. Alternatives in order of priority

A. Approve a contract with Main Lane Industries, Ltd. for the 73rd Street Reconstruction – Heards Lane to Avenue N ½ project (RFP #19-30) in the amount of $2,043,134.00.

B. Do not approve the proposal and risk further deterioration of the road in addition to loss of water and sewer service in conjunction with additional problems due to drainage system limitations.

## V. Recommendation

A. Approve a contract with Main Lane Industries, Ltd. for the 73rd Street Reconstruction – Heards Lane to Avenue N ½ project (RFP #19-30) in the amount of $2,043,134.00.

## CAPITAL PROJECTS
### STAFF REPORT

10 February 2020

To: Brian Maxwell, City Manager
Hon. Mayor and City Council Members

From: Daniel Christodoss, Ph.D., P.E., City Engineer

**RE:** Consider for approval Amendment#1 for $23,955 increasing the total design contract for Harborside Drive Improvements by CobbFendley from $191,262.50 to $215,217.50. Authorizing the City Manager to execute all necessary documents upon final approval by the City Attorney.

## I. Background

A. In the interest of promoting economic development and improving the safety of individuals using Harborside Drive and the downtown, the City and the Port of Galveston conceived the project of providing for improvements to Harborside Drive from the Pelican Island Bridge to Ferry Road.
B. The project was approved using the Industrial Development Corporation Economic Development Silo funding.
C. On 22 May 2014, the City Council approved Cobb, Fendley & Associates, Inc. (CobbFendley) to perform engineering design for Harborside Drive Corridor Study - Intersection of Pelican Island Causeway (51st Street) to Second (2nd) Street project.
D. CobbFendley successfully completed the design of the roadway improvements, including the appropriate TxDOT permitting.
E. The project was advertised on 17 April 2018 as RFP #18-15 to provide the ability to negotiate with the winning respondent and value engineer the project costs.
F. The RFP responses were received on 23 May 2018.
G. Three responses were received and scored as follows:

| | Score |
|---|---|
| Main Lane Industries, Ltd. | 947 |
| Fused Industries | 760 |
| Tucon, LLC | 683 |

Main Lane Industries, Ltd. received the highest score.

H. City staff met and negotiated a contract amount of $2,011,084.41 with Main Lane, which is within the project budget.
I. Change Order #1 was approved February 2109 for a decrease in the contract amount of $7,277.56 and adding 120 days to the contract time.

J. Main Lane Industries, Ltd. requested Change Order No. 2 for various items as follows:
   1. Provide added landscaping / irrigation work required at the 24th St parking garage to the east side of the garage as well as connecting irrigation to the original landscape work.
   2. Provide the landscaping requested along Harborside Drive and at 23rd St by the City of Galveston / Mitchell Historic Properties staff.
   3. Provide extra project scope to install "bulbouts" at 23rd St to better define parking and construct ADA compliant pedestrian curb ramps.
   4. Provide the extra soil to account for the unexpected unsuitable conditions in the subgrade for landscaping.
   5. Provide for an increase in proposed area for the Paveway System application.

| | |
|---|---|
| Total | $126,007.99 |

K. Cobb Fendley and Associates, Inc recommended approval of this request.

A. City Council on September, 2019, approved Change Order No. 2 to the contract with Main Lane Industries, Ltd., for the Harborside Drive from 51st Street to 2nd Street Project, increasing the contract by $126,007.99 to a new total amount of $2,129,814.84.

## II. Current Situation

A. CobbFendley recently indicated that they had cost overruns on the design project due to the following activities:
   - Revision of drawings for construction coordination
   - Revision of Exhibits to present concepts to Port of Galveston Board of Trustees
   - Attendance to meetings and presenting to Port of Galveston Board of Trustees
   - Revision of approved plans to incorporate additional features requested and approved by Mitchell Historic Properties, Port of Galveston, City of Galveston, etc.
   - Adjust drawings to avoid potential variances for pedestrian curb ramps (bulb outs at 23rd St)
   - Unexpected utility coordination and composition of letters to send (ExteNet)
   - Increase of construction meeting frequency from monthly (original) to bi-weekly
   - TDLR inspection requirements
   - Mileage

B. CobbFendley has submitted design amendment#1 proposal attached for reimbursement of $23,955.

C. CobbFendley awaits City Council Action for the services already rendered which was brought to the City's attention per attached amendement#1 dated 1.31.2020.

**III. Impact or ramifications:**

The project is designed to enhance the safety and appearance of the heavily travelled roadway that is a primary gateway to the city for tourists and other travelers.

**IV. <u>Alternatives in order of priority</u>**

B. Approve the amendment#1 for $23,955..
C. Do not approve the request.

**V. <u>Recommendation</u>**

Approve the amendment#1 for $23,955.

**VI. <u>Fiscal Impact Report</u>**

Re: Harborside Drive Design (51st St to 2nd St) - Amendment 1

Dear Mr. Cook:

Cobb, Fendley & Associates, Inc. is currently under contract with the City of Galveston to perform Preliminary Engineering and Design services for Harborside Drive from 51st St to 2nd St. Additionally, the original contractual fee schedule was revised in Sept. 2017 for the design portion of the project with the contract amount remaining the same.

Since the original contract was signed and fee schedule update, we have incurred additional costs and delay to the project due to unforeseen/unanticipated circumstances. In order to keep the project moving forward without further delay, the overages have been tracked and recorded in order to submit an amendment. "Amendment 1" (attached) includes a breakdown of the original scope and the proposed additions (also listed below).

Please review the following summary of additions included in "Amendment 1":

- Lump Sum-
  - Revision of drawings for construction coordination
  - Revision of Exhibits to present concepts to Port of Galveston Board of Trustees
  - Attendance to meeting and presenting to Port of Galveston Board of Trustees
  - Revision of approved plans to incorporate additional features requested and approved by Mitchell Historic Properties, Port of Galveston, City of Galveston, etc.
  - Adjust drawings to avoid potential variances for pedestrian curb ramps (bulb outs at 23rd St)
  - Unexpected utility coordination and composition of letters to send (ExteNet)
- Time & Materials-
  - Increase of construction meeting frequency from monthly (original) to bi-weekly
- Expenses-
  - TDLR inspection requirements
  - Mileage

Upon your approval of these changes, the contract amount will increase from $191,262.50 to $215,217.50 (a $23,955 increase). Preliminary Engineering will stay the same at $52,793.25. Please see the amended cost breakdown for the design portion of the project below:

| Description | Amount |
|---|---|
| **Original Design Amount:** | **$191,262.50** |
| **Amendments to Original Contract:** | **$23,955.00** |
| *Lump Sum (Completed tasks/expenses)* | *$18,700.00* |
| *Time & Materials (Labor)* | *$4,255.00* |
| *Direct Expenses (Reimbursables)* | *$1,000.00* |
| **TOTAL Amended Amount:** | **$215,217.50** |

We respectfully request the City of Galveston Engineering, Management, Attorney, and Council to accept and amend the original contract to extend the duration of the contract and cover the extra incurred costs by CobbFendley. If there are any questions, please let me know. Thanks.

Sincerely,

**COBB, FENDLEY & ASSOCIATES, INC.**

# City OF GALVESTON
# CONTRACT FOR PROFESSIONAL SERVICES
## Amendment 1

**THIS AGREEMENT,** entered into this _____ day of _____, , by and between the **City OF GALVESTON, TEXAS**, a home-rule municipal corporation with its principal location at 823 Rosenberg, Galveston, Texas 77550 (hereinafter referred to as "City"), and **Cobb, Fendley and Associates, Inc.**, hereinafter referred to as "CobbFendley," located in Pearland, Texas, referred to collectively as the "Parties."

The City desires to obtain professional services in connection with the following project:

**Harborside Drive Corridor Study – Preliminary Engineering and Design**
**Intersection of Pelican Island Causeway (51st Street) 2nd Street Project**

This Agreement between the Parties consists of the terms and conditions set forth herein and the provisions and scope of work set forth **Attachment A** which is identified as the proposal from CobbFendley for preliminary engineering services, **Attachment B** which is identified as the proposal from CobbFendley for design services, and **Attachment C** which is identified as the project schedule, attached and incorporated herein for all purposes.

**WHEREAS,** CobbFendley will provide a preliminary engineering report to document the feasibility for constructing medians and landscaping, upgrading the existing sidewalk system, relocating the existing Port of Galveston Cruise Terminal Entrance from 22nd to 23rd Street, and improvements to the intersection at 51st Street and Harborside Drive; and

**WHEREAS**, CobbFendley will develop design plans as shown in the preliminary engineering report for medians and landscaping from 33rd Street to 20th Street, upgrading the existing sidewalk system from 24th Street to Ferry Road (2nd Street), adjusting the 23rd Street intersection up to the right-of-way line to accommodate relocating the existing Port of Galveston Cruise Terminal Entrance from 22nd Street to 23rd Street and intersection improvements at 51st Street; and

**WHEREAS,** CobbFendley represents itself as well-qualified to render professional engineering and design services for the City of Galveston.

**NOW THEREFORE**, the parties do mutually agree as follows:

1. Scope of Services. The Scope of Services for the Project are those set forth in **Attachment A, Attachment B** and **Attachment C** including the preparation of a Preliminary Engineering Report to document the feasibility of construction and developing design plans for the proposed improvements.

2. Time of Performance. The professional services in connection with the Project shall commence after execution of this Agreement and Notice to Proceed by the City of Galveston. The Project schedule consists of five phases – 1) Developing a schematic and preliminary engineering report to document the feasibility of construction; 2) Developing

design plans as shown in the preliminary engineering report; 3) TxDOT Permit Coordination and Permit Processing; 4) Bid Phase Services; and 5) Project Construction Phase. The Project duration is expected to have a duration of two hundred fifty-six (256) weeks, as detailed in **Attachment C**.

3. Appropriations. The obligations of the City to make payment under this Agreement are expressly subject to appropriations by the City of funds that are lawfully available to be applied to such purpose.

4. Compensation and Method of Payment. The maximum amount of compensation and reimbursement to be paid hereunder shall not exceed fifty-two thousand, seven hundred ninety three dollars and twenty-five cents ($52,793.25) for preliminary engineering services and **two hundred fifteen thousand, two hundred seventeen dollars and fifty cents** cents ($ **215,217.50** ) for design. The details for engineering and design services are fully outlined on page 4 of **Attachment A** and **Attachment B** and shall not exceed the maximum amounts unless expressly authorized in an amended agreement between the Parties.

   CobbFendley shall submit invoices to the City for work accomplished during each financial month. For services provided on a Lump Sum basis, the amount of each monthly invoice shall be determined on the "percentage of completion method" whereby CobbFendley will estimate the percentage of the total work (provided on a Lump Sum basis) accomplished during the invoicing period. Monthly invoices shall include, separately listed, any charges for services for which time charges and/or unit costs shall apply. Such invoices shall also include, separately listed, any charges for Professional Associates and reimbursable costs. Such invoices shall be submitted by CobbFendley as soon as possible after the end of the month in which the work was accomplished and shall be due and payable by the City upon receipt.

   The City, as owner or authorized agent for the owner, hereby agrees that payment as provided herein will be made for said work within forty-five (45) days from the date the invoice for same is mailed to the City at the address set out herein or is otherwise delivered. The City reserves the right to dispute unreasonable or unnecessary expenses. The City shall not be subject to any late fees and/or accrued interest for such invoices.

5. Access to Information. It is agreed that all information, data, reports, records, and maps as are existing, available, and necessary for the carrying out of the work outlined above shall be furnished to CobbFendley by the City. The City will cooperate with CobbFendley in every way possible to facilitate the performance of the work described in this Agreement.

6. Terms and Conditions. Specific conditions set forth in this Agreement shall prevail in the event of conflict with any general term or condition.

7. Standard of Care. The standard of care applicable to CobbFendley's services will be the degree of care and skill ordinarily exercised by consultants performing the same or similar services in the same locality at the time the services are provided. No warranty, express or

implied, is made or intended by CobbFendley's undertaking herein or its performance of services, and it is agreed that CobbFendley is not a fiduciary with respect to the City.

8. Hazardous Substances and Conditions. In no event shall CobbFendley be a custodian, transporter, handler, arranger, contractor, or remediator with respect to hazardous substances and conditions. CobbFendley's services will be limited to professional analysis, recommendations, and reporting, including, when agreed to, plans and specifications for isolation, removal, or remediation. CobbFendley shall notify the City of hazardous substances or conditions not contemplated in the scope of services of which CobbFendley actually becomes aware. Upon such notice by CobbFendley, affected portions of services may stop until the hazardous substance or condition is eliminated.

9. **INDEMNIFICATION. FOR CONSIDERATION RECEIVED, COBBFENDLEY SHALL INDEMNIFY, DEFEND, AND HOLD THE City OF GALVESTON HARMLESS, INCLUDING CITY'S OFFICERS, AGENTS, AND EMPLOYEES, FROM ANY CLAIMS, ACTIONS, LAWSUITS, PROCEEDINGS, DAMAGES, LOSS, DAMAGE, JUDGMENTS, LIABILITIES OR EXPENSES ON ACCOUNT OF DAMAGE TO PROPERTY AND INJURIES, INCLUDING DEATH, WHICH MAY ARISE OR RESULT, IN WHOLE OR IN PART TO THE EXTENT OF ANY NEGLIGENT ACT OR OMISSION OF COBBFENDLEY OR THOSE ACTING UNDER COBBFENDLEY'S SUPERVISION OR CONTROL. COBBFENDLEY SHALL NOT BE RESPONSIBLE, HOWEVER, FOR ANY LOSS, DAMAGE, LIABILITY OR EXPENSE ON ACCOUNT OF DAMAGE TO PROPERTY AND INJURIES, INCLUDING DEATH, WHICH MAY ARISE FROM THE NEGLIGENCE OF THE City. COBBFENDLEY SHALL COMPLY WITH THE REQUIREMENTS OF ALL APPLICABLE LAWS, RULES, AND REGULATIONS AND SHALL EXONERATE, INDEMNIFY, AND HOLD HARMLESS THE City AND ITS AGENCY MEMBERS FROM AND AGAINST THE FAILURE TO COMPLY WITH THOSE LAWS, AND SHALL ASSUME FULL RESPONSIBILITY FOR PAYMENTS OF FEDERAL, STATE, AND LOCAL TAXES ON CONTRIBUTIONS IMPOSED OR REQUIRED UNDER THE SOCIAL SECURITY, WORKERS' COMPENSATION, AND INCOME TAX LAWS.**

10. **LIMIT OF LIABILITY. NOTWITHSTANDING ANY PROVISION OF THIS AGREEMENT TO THE CONTRARY, NEITHER PARTY WILL BE ENTITLED IN CONNECTION WITH ANY BREACH OR VIOLATION OF THIS AGREEMENT TO RECOVER ANY PUNITIVE, EXEMPLARY OR OTHER SPECIAL DAMAGES OR ANY INDIRECT, INCIDENTAL OR CONSEQUENTIAL DAMAGES, INCLUDING WITHOUT LIMITATION DAMAGES RELATING TO LOSS OF PROFIT, BUSINESS OPPORTUNITY OR BUSINESS REPUTATION. EACH PARTY, AS A MATERIAL INDUCEMENT TO THE OTHER PARTY TO ENTER INTO AND PERFORM ITS OBLIGATIONS UNDER THIS AGREEMENT, HEREBY EXPRESSLY WAIVES ITS RIGHT TO ASSERT ANY CLAIM RELATING TO SUCH DAMAGES AND AGREES NOT TO SEEK TO RECOVER SUCH DAMAGES IN CONNECTION WITH ANY CLAIM, ACTION, SUIT OR PROCEEDING RELATING TO THIS AGREEMENT.**

11. Termination of Agreement for Cause. If, through any cause, CobbFendley shall fail to fulfill in a timely and proper manner its obligations under this Agreement, or if CobbFendley shall violate any of the covenants, agreements, or stipulations of this Agreement, the City shall thereupon have the right to terminate this Agreement by giving written notice to CobbFendley of such termination and specifying the effective date thereof, at least ten (10) days before the effective date of such termination. In such event, all finished or unfinished documents, data, studies, surveys, drawings, maps, models, photographs, and reports prepared by CobbFendley under this Agreement shall, at the option of the City, become property of the City, and CobbFendley shall be entitled to receive just and equitable compensation for any work satisfactorily completed hereunder. Notwithstanding the above, CobbFendley shall not be relieved of liability to the City for damages sustained by the City by virtue of any breach of the Agreement by CobbFendley and the City may withhold any payments to CobbFendley for the purpose of set-off until such time as the exact amount of damages due the City from CobbFendley is determined.

12. Termination for Convenience of the City. The City may terminate this Agreement at any time by giving at least ten (10) days written notice to CobbFendley. If the Agreement is terminated by the City as provided herein, CobbFendley will be paid for the time provided and expenses incurred up to the termination date. If this Agreement is terminated due to the fault of CobbFendley, paragraphs relative to termination shall apply.

13. Changes. The City may, from time to time, request changes in the scope of the services of CobbFendley to be performed hereunder. Such changes, including any increase or decrease in the amount of compensation to CobbFendley, which are mutually agreed upon by and between the City and CobbFendley, shall be incorporated in written amendments to this Agreement.

14. Force Majeure. No party to this Agreement shall be deemed in violation if it is prevented from timely performing any of its obligations by reason of labor disputes, acts of God, acts of the public enemy, acts of superior governmental authority, or other circumstances for which the party is not responsible or which is not in its control.

15. Proof of Insurance. CobbFendley shall maintain certain types of insurance protection throughout the duration of the Project. All insurance policies are to be issued by an insurance company authorized to do business in the State of Texas, using an insurance company with an A.M. Best rating of a B+ or better. All subcontractors utilized must also comply with these specifications as if they were the winning proposer. Specific details of coverage limits and conditions are listed in Section 16 of this Agreement.

16. Required Insurance.
    a. Commercial general liability insurance, naming the City of Galveston, Texas as an additional insured and as certificate holder and waiving subrogation per the contractual requirements of this Project. Limits are to be equal to or greater than:

**$2,000,000** general liability (includes products, personal, etc.)

**$1,000,000** fire damage
**$1,000,000** automobile damage
**$500,000** workers' compensation employers' liability
**Statutory** limits for workers' compensation

Insurance coverage shall be on an "**occurrence basis**"

b. Professional Liability Insurance. CobbFendley shall maintain in full force and effect a professional liability insurance policy which provides coverage in an amount not less than $2,000,000 per occurrence and $2,000,000 aggregate. Said insurance policy provides coverage to the City for any damages or losses suffered by the City as a result of any error or omission or neglect by CobbFendley which arises out of the professional services required by this Agreement.

17. Personnel.
    a. CobbFendley represents that it has, or will secure at its own expense, all personnel required in performing the services under this Agreement. Such personnel shall not be employees of or have any contractual relationship with the City.
    b. All of the services required hereunder will be performed by CobbFendley or under its supervision and all personnel engaged in the work shall be fully qualified and shall be authorized or permitted under federal, state, and local law to perform such services.
    c. None of the work or services covered by this Agreement shall be subcontracted without the prior written approval of the City. Any work or services subcontracted hereunder shall be specified by written contract or agreement and shall be subject to each provision of this Agreement.

18. Assignability. CobbFendley shall not assign any interest on this Agreement, and shall not transfer any interest in the same (whether by assignment or novation), without the prior written consent of the City thereto; provided, however, that claims for money by CobbFendley from the City under this Agreement may be assigned to a bank, trust company, or other financial institution without such approval. Written notice of any such assignment or transfer shall be furnished promptly to the City.

19. Reports and Information. CobbFendley, at such times and in such forms as the City may require, shall furnish the City such periodic reports as it may request pertaining to the work or services undertaken pursuant to this Agreement, the costs and obligations incurred or to be incurred in connection therewith, and any other matters covered by this Agreement.

20. Findings Confidential. To the extent permitted by law, all of the reports, information, and data prepared or assembled by CobbFendley under this Agreement are confidential and CobbFendley agrees that the information shall not be made available to any individual or organization without the prior written approval of the City.

21. Ownership of Documents/Work Product. All documents prepared or furnished by CobbFendley (and CobbFendley's subcontractors or subconsultants) pursuant to this Agreement are instruments of service and shall become the property of the City upon the termination of this Agreement. CobbFendley is entitled to retain copies of all such

documents. The documents prepared and furnished by CobbFendley are intended only to be applicable to this Project, and the City's use of these documents in other projects shall be at the City's sole risk and expense. In the event, the City uses any of the information or materials developed pursuant to this Agreement in another project or for other purposes than specified herein, CobbFendley is released from any and all liability relating to the use in that project.

22. Compliance with Federal, State, and Local Laws. CobbFendley shall comply with all applicable laws, rules, regulations, ordinances, and codes of the federal, state, and local governments, and CobbFendley shall save the City harmless with respect to any damages to the extent of any tort done in performing any of the work embraced by this Agreement.

23. Miscellaneous Provisions.
    a. This Agreement shall be construed under and accord with the laws of the State of Texas, and all obligations of the parties created hereunder are performable in Galveston County, Texas.
    b. The venue for all proceedings resulting from actions covered under this agreement shall be in Galveston County, Texas. Both parties agree that they may be sued only in Galveston County, Texas and voluntarily submit themselves to jurisdiction therein.
    c. This Agreement shall be binding upon and insure to the benefit of the parties hereto and their respective heirs, executors, administrators, legal representatives, successors, and assigns where permitted by this Agreement.
    d. In any case, if one or more of the provisions contained in this Agreement shall for any reason be held to be invalid, illegal or unenforceable in any respect, such invalidity, illegality, or unenforceability shall not affect any other provision thereof and this Agreement shall not be construed as if such invalid, illegal, or unenforceable provision had never been contained herein.
    e. If any action at law or in equity is necessary to enforce or interpret the terms of this Agreement, relief will be subject to the requirements of Local Government Code section 271.153, as amended.
    f. This Agreement may be amended by mutual agreement of the parties in writing. Such amendment shall be attached to and incorporated into this Agreement.

24. Notices. All notices required or permitted under this Agreement shall be in writing and shall be deemed given when delivered in person or three (3) calendar days after deposit in the United States Mail, postage prepaid, addressed to the party's address reflected at the end of this Agreement. A party's notice address may be changed from time to time by that party's providing written notice to the other. The notices shall be sent to:

# SERVICES TO BE PROVIDED BY COBB, FENDLEY & ASSOCIATES, INC.

**Project Location:**

Harborside Drive (SH 275) in Galveston, Texas

**Project Description:**

Develop a schematic and preliminary engineering report to document the feasibility for constructing medians and landscaping from 33rd Street to 20th Street, upgrading the existing sidewalk system from 24th Street to Ferry Road (2nd Street), relocating the existing Port of Galveston Cruise Terminal Entrance from 22nd Street to 23rd Street and intersection improvements at 51st Street.

**Project Limits on Harborside Drive:**

From 51st Street to Ferry Road (2nd Street)

All work including analysis and design will be performed in accordance with the Texas Manual on Uniform Traffic Control Devices, AASHTO Guidelines from most recent roadway design manual, TxDOT Standards and TxDOT Specifications.

**Scope of Work:**

**Project Management**
Overall management of the tasks associated with this project including the QA / QC process in order to ensure a quality product.

**Topographic Survey (33rd Street to 20th Street)**
Topographic survey will be performed along Harborside Drive between 33rd Street and 20th Street (cross sections every 200' west of 25th Street and cross sections every 100' east of 25th Street) and will include at a minimum the following:

- Right of Way
- Easements
- Existing Curb (including median islands)
- Sidewalk (including wheel chair ramps)
- Water line locations (including fire hydrants)
- Gas line locations
- Power pole locations
- Storm sewer
- Storm sewer inlets
- Manholes
- Valves
- Utility markers
- Phone and Fiber Optic Cable
- Sanitary sewer
- Overhead utilities (phone and electric)
- Other utilities
- Driveways
- Trees and shrubs
- Ground boxes
- Roadway illumination
- Roadside signs
- Other significant features

**Site Visit**
A site visit shall be performed to survey and investigate site conditions and to review general field survey information.

**Utility Assessment (33rd Street to 20th Street)**
Deed research will be performed in order to determine any special utility situations between 33rd Street and 20th Street.

**Base Mapping**
Develop a base map that will include the following:

- Right of Way
- Existing Curb (including median islands)
- Utilities
- Roadway illumination
- Roadside signs
- Other significant features

**Schematic Design (33rd Street to 20th Street)**
A conceptual schematic layout will be developed following appropriate design criteria. This will include medians and landscaping between 33rd Street and 25th Street.

**Cruise Terminal Entrance Diagrammatic (23rd Street)**
A diagrammatic will be developed for the relocated Port of Galveston Cruise Terminal Entrance from 22nd Street to 23rd Street. For locations outside of the topographic survey limits, basic base mapping will be developed using aerial photography, basic field measurements and electronic drawings from the *Harborside Drive Corridor Study* project that is also for the City of Galveston. The diagrammatic plan will be developed following appropriate design criteria.

**Sidewalk Plan Diagrammatic (24th Street to Ferry Road)**
A diagrammatic will be developed from 24th Street to Ferry Road (2nd Street) to depict proposed sidewalks and pedestrian curb ramp locations. For locations outside of the topographic survey limits, basic base mapping will be developed using aerial photography, basic field measurements and electronic drawings from the *Harborside Drive Corridor Study* project that is also for the City of Galveston. The diagrammatic plan will be developed following appropriate design criteria.

**Intersection Improvement Plan Diagrammatic (51st Street)**
A diagrammatic will be developed for the 51st Street intersection to depict proposed intersection signing and lighting improvements. For locations outside of the topographic survey limits, basic base mapping will be developed using aerial photography. The diagrammatic plan will be developed following appropriate design criteria.

**Probable Cost of Construction**
Develop a probable cost of construction based on the schematic layout, sidewalk plan diagrammatic and intersection improvement diagrammatic.

**Preliminary Engineering Report**
A preliminary engineering report will be created summarizing the findings from the investigations of the schematic development. This report will include:

- Introduction
- Project Location Map
- Investigation of public and private utilities
- Existing / Proposed typical sections
- Schematic Design

- Summary of probable cost of construction

**Agency Coordination**
Coordination with the City of Galveston, Port of Galveston and TxDOT.

**Deliverables:**
The deliverable shall consist of preliminary engineering report.

**Fee:**
The compensation for these services shall be lump sum not to exceed costs indicated per **Exhibit "A"**, attached hereto.

# SERVICES TO BE PROVIDED BY COBB, FENDLEY & ASSOCIATES, INC.

**Project Location:**

Harborside Drive (SH 275) in Galveston, Texas

**Project Description:**

Develop design plans as shown in the Preliminary Engineering Report (PER) for medians and landscaping from 33rd Street to 20th Street, upgrading the existing sidewalk system from 24th Street to Ferry Road (2nd Street), adjust the 23rd Street intersection up to the R.O.W. line to accommodate relocating the existing Port of Galveston Cruise Terminal Entrance from 22nd Street to 23rd Street and intersection improvements at 51st Street.

**Project Limits on Harborside Drive:**

From 51st Street to Ferry Road (2nd Street)

All work including analysis and design will be performed in accordance with the Texas Manual on Uniform Traffic Control Devices, AASHTO Guidelines from most recent roadway design manual, TxDOT Standards and TxDOT Specifications.

**Scope of Work:**

**Lump Sum Tasks**

**Project Management**
Overall management of the tasks associated with this project including the QA / QC process in order to ensure a quality product.

**Agency Coordination**
Coordination with the City of Galveston, Port of Galveston and TxDOT.

**Status Meetings**
Maximum of two (2) status meetings to update City of Galveston on status of project.

**Update Preliminary Cost Estimate**
Update preliminary cost estimate for the project established in the Preliminary Engineering Report (PER).

**Prepare Project Manual**
A project manual will be prepared for the project based on City of Galveston criteria and documents

**Construction Cost Estimate**
Upon completion of the plan set, a construction cost estimate will be generated.

**Summary of Quantities**
Upon completion of the plan set, a summary of all construction quantities will be generated.

**Update Utility Conflict Assessment**
Update utility conflict list for the project established in the PER.

**Utility Coordination**
Convene and provide an agenda for a Utility Coordination meeting including representatives of the Utilities, both public and private, as well as the City of Galveston. The purpose of the meeting shall be to notify the Utilities of the project and the planned date for the completion of movements of utilities as may be required by the project.

**Prepare/Review Utility Agreement Package**
Generate utility exhibits to be included in the package and review the package.

**Update Topographic Survey**
Update topographic survey performed from the PER. Any updated items found in the field will be adjusted/incorporated into the original design file. Otherwise, topographic survey / linework utilized in the PER will be used.

**Site Visit**
A site visit shall be performed to survey and investigate site conditions and to review general field survey information.

**Roadway Design**
A roadway design shall be produced for the proposed improvements as follows:

- Intersection improvements at 51st Street (signing and lighting)
- Medians and landscaping from 33rd Street to 20th Street
- Storm sewer modifications as required
- Traffic signal modifications as required
- Upgrading the existing sidewalk system from 24th Street to Ferry Road (2nd Street)
- Adjust the 23rd Street intersection up to the R.O.W. line to accommodate relocating the existing Port of Galveston Cruise Terminal Entrance from 22nd Street to 23rd Street

These proposed improvements shall be provided in a set of plans as required by the City of Galveston which includes the following:

- Vicinity Map
- Index of Sheets
- General Notes
- Typical Sections (Update from PER)
- Landscaping Plan
- Survey Control Sheets
- Traffic Control Narrative
- Demolition Plan (1” = 20’ on 22” x 34”)
- SW3P Narrative
- Traffic Signal Modifications (1” = 20’ on 22” x 34”)
- Roadway Plan Sheets (1” = 20’ on 22” x 34”)
- Signing & Pavement Marking Layouts (1” = 20’ on 22” x 34”)
- Applicable TxDOT Standards

Packages will be submitted for City of Galveston review at 30%, 60%, 90% and 100%.

**Increased Impervious Area Calculations**
Calculations to account for increased impervious area (pavement widening) will be included.

**TxDOT Permit Coordination**
This will include completing the permit application and submitting to TxDOT for approval.

**Bid Phase Services**

This will include:

- Provide Notice to Bidders (NTB)
- Reproduce and disseminate bid sets
- Chair pre-bid meeting and attend the Bid Opening
- Respond in writing to questions from bidders and prepare addenda as necessary
- Assist with design of Bid Proposal
- Prepare Engineer's Recommendation of Award
- Attend City Council meeting and recommendation for award of Contract for Construction.
- Produce and transmit to selected contractor five (5) sets of project manuals ready for execution with City's Notice of Intent to Award (NOI)

**Deliverables:**

- Full size (22" x 34") mylar plan set signed and sealed by a Professional Engineer licensed in the State of Texas.
- Ten (10) copies of project manual.

**Time & Materials Tasks**

**Construction Phase Services**
Provide construction phase services for the proposed construction. The construction phase services could consist of the following:

- Attend Precon Meeting
- Attend Monthly Progress Meetings
- RFI Submittals and Shop Drawings
- Provide Interpretation of Drawings
- Provide Record Drawings
- Inspector

# ***Amendment 1***

**Lump Sum Tasks**

- Revision of drawings for construction coordination
- Revision of Exhibits to present concepts to Port of Galveston Board of Trustees
- Attendance to meeting and presenting to Port of Galveston Board of Trustees
- Revision of approved plans to incorporate additional features requested and approved by Mitchell Historic Properties, Port of Galveston, City of Galveston, etc.
- Adjust drawings to avoid potential variances for pedestrian curb ramps (bulb outs at 23rd Street)
- Unexpected utility coordination and composition of letters to send (ExteNet)

**Time & Materials**

- Increase of construction meeting frequency from monthly (original) to bi-weekly

**Expenses**

- TDLR inspection requirements
- Mileage

**Fee:**
The compensation for these services shall be per costs indicated per **Exhibit "B" Amendment 1**, attached hereto.

**Date:** **February 5, 2020**

**To:** **Brian Maxwell, City Manager**
**Honorable Mayor and City Council Members**

**From:** **Trino Pedraza, Director of Municipal Utilities**

**RE:** **City Council to consider for approval, the disposal of sanitary sewer solid waste from the City of Galveston's Wastewater Treatment facilities and Sewer Collection system to the Republic Services Galveston County Landfill at an estimated cost not to exceed $190,000.00. The time frame is from October 1, 2019 through September 30, 2020. Authorizing the City Manager to execute all necessary document upon final approval by the City Attorney.**

## I. Background

A. BFI Galveston County Landfill, located at 3935 Ave A, Santa Fe Texas, is the nearest landfill in Galveston County that will accept the deposit of sludge and grit waste.

B. During the wastewater treatment process, sanitary sewer solid waste (biological sludge and grit) is generated. The sanitary sewer solid material generated at each of the City's wastewater treatment plants is processed at the Main Wastewater Treatment Plant.

C. In addition, the process of cleaning the City's Sewer Collection system, grit, sand and sludge is removed from the City's underground sanitary sewer lines.

D. As an end result this sanitary sewer solid wastewater material must be disposed in a proper and sanitary manner.

E. Historically, the transportation of the sludge waste to the landfill was awarded to a sludge hauler. Currently the Wastewater Treatment Plant is providing this service.

## II. Current Situation

A. The BFI Galveston County Landfill is the closest landfill site to dispose of solid sanitary sewer waste (grit, sludge, etc.). The Wastewater Treatment and Sewer Collection disposes of the waste at the landfill rather than hire a contractor to do so.

Angelo Grasso, Director of Municipal Utilities
agrasso@galvestontx.gov | Office Number: (409) 797-3962 | www.galvestontx.gov

B. The landfill has been utilized by the WWTP Division to deposit sludge since October 1, 2019 and there are outstanding invoices due in the amount of $64,750.34.
C. City Council approval is needed for the City to dispose of sludge at the BFI Galveston County Landfill.

## III. Issues

A. Cost
B Removal of Sludge Wastewater Materials

## IV. Recommendation

City Council to consider for approval, the disposal of sanitary sewer solid waste from the City of Galveston's Wastewater Treatment facilities and Sewer Collection system to the Republic Services Galveston County Landfill at an estimated cost not to exceed $190,000.00. The time frame is from October 1, 2019 through September 30, 2020. Authorizing the City Manager to execute all necessary document upon final approval by the City **Attorney.**

**Date:** **February 10, 2020**

**To:** **Brian Maxwell, City Manager**
**Honorable Mayor and City Council**

**From:** **Angelo Grasso, Acting Director of Public Works**

**Re:** **Consider approving purchases of pavement marking supplies/equipment and traffic related equipment, supplies, signs, posts, hardware and materials using the contract with Trantex Transportation Products of Texas, Inc. through the BuyBoard purchasing cooperative. Estimated costs for products not to exceed Council approved budgets. Authorizing the City Manager to execute all necessary documents upon final approval by the City Attorney.**

## I. Background:

The City of Galveston is a member of the BuyBoard cooperative purchasing program, governed by other Texas municipalities, this allows the city to utilize contracts that have been competitively procured in compliance with state purchasing requirements. Click the link to find out how this cooperative works: https://www.buyboard.com/Texas/About-Us/Member-FAQ.aspx. Texas Government Code Section 791 authorizes local governments to contract, as much as possible, with other local governments and any agencies of the State of Texas.

The BuyBoard purchasing cooperative is endorsed by the Texas Municipal League. The objective of a cooperative purchasing program is to provide a mechanism for local governments to pool their collective purchasing power. Purchasing cooperatives save money in two ways: the price of the product and/or in the administrative cost savings from advertising for a formal solicitation. The City of Galveston has received member rebates in the past from BuyBoard.

## II. Current:

Trantex Transportation Products of Texas, Inc. has a contract with BuyBoard. The contract number is 534-17. This contract provides for a ten (10%) percent discount on various traffic control devices/products, traffic control equipment, pavement marking supplies and pavement marking equipment.

The Website for contract documents is the following:

https://app.buyboard.com/Search/Index?SearchTerm=&Vendorid=4557&DiscountProductid=-1&Contrctid=690.

## III. Alternatives:

Angelo Grasso, Director of Municipal Utilities
agrasso@galvestontx.gov | Office Number: (409) 797-3962 | www.galvestontx.gov

1. Approve using the cooperative purchasing contract through BuyBoard for Trantex Transportation Products of Texas, Inc.

2. Do not approve using the cooperative purchasing contract and bid office supplies through the Purchasing Department.

**IV. Issues:**

1. Cost – Total estimated cost as provided for through budgets adopted by City Council and administered by the City Manager
2. Timing – Current Fiscal Year
3. Term – Through May 31, 2020

**V. Recommendation:**

**Approve using the cooperative purchasing contract through BuyBoard for Trantex Transportation Products of Texas, Inc.**

This will be the final renewal of this contract.

All discounts, terms, and conditions of your contract will remain the same. If you agree with the renewal, there is nothing you need to do. However, if you do not agree to this renewal, you must notify me immediately via email at connie.burkett@tasb.org.

**Reminder: All purchase orders must be processed through the BuyBoard. Except as expressly authorized in writing by the Cooperative's administrator, you are not authorized to process a purchase order received directly from a Cooperative member**. Accepting orders directly from a member entity without Cooperative authorization is a violation of the terms of your contract. We request your assistance in immediately forwarding any orders received directly from member entities. Purchase orders may be sent to us either by fax (800-211-5454) or by email (info@buyboard.com). If by chance an order sent directly to you has been unintentionally processed, please forward it to the Cooperative and note it as **RECORD ONLY** to prevent duplication.

If you have questions or comments concerning this renewal, please contact me as soon as possible at connie.burkett@tasb.org. We appreciate your interest and participation in The Local Government Purchasing Cooperative.

Sincerely,

Connie W. Burkett

**Re:** Notice of The Local Government Purchasing Cooperative Award
**Proposal Name and Number:** Highway Safety and Traffic Control Products, Proposal No. 534-17

Congratulations, The Local Government Purchasing Cooperative (Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. The contract is effective 6/1/2017 through 5/31/2018, with two possible one-year renewals. The contract documents are those identified in Section 3 of the General Terms and Conditions of the specifications.

To view the items your company has been awarded, please review the proposal tabulation No. 534-17 on the following web-site: www.buyboard.com/vendor. Only items marked as awarded to your company can be sold through the BuyBoard contract. In addition, on this website you will find the membership list which will provide you with the names of all entities with membership in our purchasing cooperative.

Enclosed with this letter you will find the following documents:

- Vendor Quick Reference Sheet
- Electronic Catalog Format Instructions
- Vendor Billing Procedures

**You are advised that receipt of a purchase order directly from a Cooperative member is not within the guidelines of the Cooperative.** Accepting purchase orders directly from Cooperative members may result in a violation of the State of Texas competitive bid statute and termination of this Cooperative BuyBoard contract. **Therefore, all purchase orders must be processed through the BuyBoard in order to comply**. Please forward by fax (1-800-211-5454) any order received directly from a Cooperative member. If you inadvertently process a purchase order sent directly to you by a Cooperative member, please fax the order to the above number and note it as **RECORD ONLY** to prevent duplication.

**Per proposal specifications, awarded vendors will have 30 days or sooner to submit their electronic catalog including pricing**. **If the electronic data is not provided within 30 days or sooner of notice of award, we reserve the right to inactivate any company's award information from the BuyBoard until such time the electronic data is received**.

Finally, your proposal was awarded based on a number of factors, one was the marketing strategy you outlined in your response. The BuyBoard does provide some co-branding resources to assist in your marketing efforts if interested.

On behalf of the Texas Association of School Boards, we appreciate your interest in the Cooperative and we are looking forward to your participation in the program. If you have any questions, please contact **BuyBoard Procurement Staff** at 800-695-2919.

Sincerely,

Arturo Salinas

**Re:** Notice of National Purchasing Cooperative Piggy-Back Award
**Proposal Name and Number:** Highway Safety and Traffic Control Products, Proposal No. 534-17

Congratulations, The National Purchasing Cooperative (National Cooperative) has awarded your company a BuyBoard® contract based on the above-referenced Proposal. As provided for in the Proposal and your National Purchasing Cooperative Vendor Award Agreement, you are authorized to sell the goods and services awarded under the Proposal to National Cooperative members in states other than Texas through the BuyBoard. The contract is effective 6/1/2017 through 5/31/2018, with two possible one-year renewals.

The National Cooperative membership list is available at our website www.buyboard.com/vendor. The list identifies the current members that may purchase awarded goods and services under your National Cooperative BuyBoard contract.

**You are advised that receipt of a purchase order directly from a National Cooperative member is not within BuyBoard guidelines.** Accepting purchase orders directly from Cooperative members may result in a violation of applicable competitive procurement law and termination of this National Cooperative BuyBoard contract. **Therefore, all purchase orders from National Cooperative members must be processed through the BuyBoard**. Please forward by fax (1-800-211-5454) any order received directly from a National Cooperative member. If you inadvertently process a purchase order sent directly to you by a National Cooperative member, please fax the order to the above number and note it as **RECORD ONLY** to prevent duplication.

**Per proposal specifications, awarded vendors will have 30 days or sooner to submit their electronic catalog including pricing**. **If the electronic data is not provided within 30 days or sooner of notice of award, we reserve the right to inactivate any company's award information from the BuyBoard until such time the electronic data is received**.

Finally, your proposal was awarded based on a number of factors, one was the marketing strategy you outlined in your response. The BuyBoard does provide some co-branding resources to assist in your marketing efforts if interested.

On behalf of the National Cooperative, we are looking forward to your participation in the program. If you have any questions, please contact BuyBoard Procurement Staff at 800-695-2919.

# FELONY CONVICTION DISCLOSURE AND DEBARMENT CERTIFICATION

## FELONY CONVICTION DISCLOSURE

Subsection (a) of Section 44.034 of the Texas Education Code (Notification of Criminal History of Contractor) states: "A person or business entity that enters into a contract with a school district must give advance notice to the district if the person or an owner or operator has been convicted of a felony. The notice must include a general description of the conduct resulting in the conviction of a felony."

Section 44.034 further states in Subsection (b): "A school district may terminate a contract with a person or business entity if the district determines that the person or business entity failed to give notice as required by Subsection (a) or misrepresented the conduct resulting in the conviction. The district must compensate the person or business entity for services performed before the termination of the contract."

Please check (√) one of the following:

☐ My company is a publicly-held corporation. (Advance notice requirement does not apply to publicly-held corporation.)
☒ My company is not owned or operated by anyone who has been convicted of a felony.
☐ My company is owned/operated by the following individual(s) who has/have been convicted o a felony:

## RESIDENT/NONRESIDENT CERTIFICATION

Chapter 2252, Subchapter A, of the Texas Government Code establishes certain requirements applicable to proposers who are not Texas residents. Under the statute, a "resident" proposer is a person whose principal place of business is in Texas, including a person whose ultimate parent company or majority owner has its principal place of business in Texas. A "nonresident" proposer is a person who is not a Texas resident. Please indicate the status of your company as a "resident" proposer or a "nonresident" proposer under these definitions. Please check (√) one of the following.

☒ I certify that my company is a **Resident Proposer.**

☐ I certify that my company is a **Nonresident Proposer.**

If your company is a Nonresident Proposer, you must provide the following information for your resident state (the state in which your company's principal place of business is located):

Company Name _____ Address _____

City _____ State _____ Zip Code _____

A. Does your resident state require a proposer whose principal place of business is in Texas to under-price proposers whose resident state is the same as yours by a prescribed amount or percentage to receive a comparable contract?
☐ Yes ☒ No

B. What is the prescribed amount or percentage? $_____ or _____%

## VENDOR EMPLOYMENT CERTIFICATION

Section 44.031(b) of the Texas Education Code establishes certain criteria that a school district must consider when determining to whom to award a contract. Among the criteria for certain contracts is whether the vendor or the vendor's ultimate parent or majority owner (i) has its principal place of business in Texas; or (ii) employs at least 500 people in Texas.

If neither your company nor the ultimate parent company or majority owner has its principal place of business in Texas, does your company, ultimate parent company, or majority owner employ at least 500 people in Texas? Please check (√) one of the following.

☐ Yes ☑ No

By signature below, I certify that the information in Sections 1 (*Resident/Nonresident Certification)* and 2 *(Vendor Employment Certification)* above is true, complete and accurate and that I am authorized by my company to make this certification.

# AFFIRMATION REGARDING CONSTRUCTION-RELATED GOODS AND SERVICES

A contract awarded under this Proposal Invitation covers only the specific goods and services awarded by the BuyBoard. As explained in the BuyBoard Construction Related Goods and Services Advisory for Texas Members ("Advisory"), **Texas law prohibits the procurement of architecture or engineering services through a purchasing cooperative. This BuyBoard contract does not include such services. Architecture or engineering services must be procured by a Cooperative member separately, in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and other applicable law and local policy.**

The Advisory, attached to this Form F, provides an overview of certain legal requirements that are potentially relevant to a Cooperative member's procurement of construction or construction-related goods and services, including those for projects that may involve or require architecture, engineering or independent testing services.

By signature below, the undersigned affirms that Proposer has read and understands the Advisory attached to this Form F and is authorized by Proposer to make this affirmation. If Proposer sells construction-related goods or services to a Cooperative member under a BuyBoard contract awarded under this Proposal Invitation, Proposer will comply with the Advisory and applicable legal requirements, make a good faith effort to make its Cooperative member customers or potential Cooperative member customers aware of such requirements, and provide a Cooperative member with a copy of the Advisory before executing a Member Construction Contract with the member or accepting the member's purchase order for construction-related goods or services, whichever comes first.

## BUYBOARD PROCUREMENT AND CONSTRUCTION-RELATED GOODS AND SERVICES ADVISORY FOR TEXAS MEMBERS

**Why make purchases using BuyBoard?** Purchasing through a cooperative or "interlocal contract" satisfies the requirement of local governments to seek competitive procurement for the purchase of goods or services.[i] Therefore, you may purchase goods and services from a vendor through BuyBoard without having to conduct your own competitive procurement. If, however, you are procuring construction-related services through a BuyBoard Job Order Contract (JOC) or contract for the installation of equipment or materials (e.g., athletic fields and surfaces, kitchen equipment, HVAC, playground equipment, or modular buildings), you may, as explained in this Advisory, need to procure certain aspects of these services using a separate procurement process outside of the BuyBoard and should consult your procurement officer and/or legal advisor for specific advice.

**What is BuyBoard's Procurement Process?** The BuyBoard uses a competitive procurement process to award contracts to vendors for goods and services that the BuyBoard determines, based on an evaluation of multiple criteria, represents the best value for its members.

**How does BuyBoard award a contract to a vendor?** As a condition of being awarded a BuyBoard contract, a vendor is bound by and must agree to comply with all the terms of the BuyBoard's proposal invitation (or specifications), the vendor's proposal response, and any additional contract terms negotiated with the BuyBoard member. Among other things, the vendor must honor the pricing submitted in the vendor's proposal. THE PRICE YOU PAY FOR THE GOODS AND SERVICES COVERED BY THE BUYBOARD CONTRACT MAY BE LESS THAN THE AWARDED PRICING, BUT CANNOT BE MORE. Additionally, the vendor must comply with the BuyBoard contract's general terms and conditions, and any additional terms and conditions that apply to the specific BuyBoard contract, as set out in the proposal invitation.

**How does a BuyBoard member make purchases through the BuyBoard contract?** You utilize the awarded BuyBoard contract by issuing a signed purchase order through the BuyBoard online application to procure the selected goods or services. Although BuyBoard must receive a copy of the signed purchase order, BuyBoard does not review or approve the purchase order or other supplemental agreement that you obtain – this is a matter between you and the vendor. If construction-related services are procured through the BuyBoard, additional contracts with professionals and the contractor may be required, depending on the nature and scope of the services. As stated above, you should consult your procurement officer and/or legal advisor for specific advice.

**How do I know that my entity has made a purchase through the BuyBoard?**
BuyBoard must have a copy of the purchase order in order for the purchase to be considered a BuyBoard procurement. To ensure that your entity has satisfied state law requirements for competitive procurement, make sure that the BuyBoard has your purchase order. Do not rely on the vendor to submit the purchase order on your behalf; it is your responsibility to make sure that the BuyBoard has the signed purchase order. You may log in to www.buyboard.com using your member I.D. and password to view the Purchase Order Status Report to confirm that the purchase order is in the BuyBoard system.

**What should BuyBoard members consider when using BuyBoard for construction-related purchases?** While purchasing goods and services through BuyBoard satisfies your legal requirement to competitively procure a good or service, as a general matter you must keep in mind other legal requirements that may relate to the purchase, especially when using BuyBoard for construction-related procurement.

When making construction-related purchases through a BuyBoard contract, BuyBoard members must consider the following:

BuyBoard®
Cooperative Purchasing
12007 Research Boulevard • Austin, Texas 78759-2439
PH: 800-695-2919 • FAX: 800-211-5454 • www.buyboard.com

- **Best value determination.** In compliance with Texas law and any local policy, your entity must first determine that purchasing through an interlocal contract or purchasing cooperative is the procurement method that will provide best value.[ii] This is done by the governing body (e.g., board of trustees, council, commissioners' court, etc.) or may be delegated by the governing body to an individual or committee, with written notice.

- **Products or services not covered by the BuyBoard contract.** The BuyBoard contract covers only the specific goods and services awarded by the BuyBoard. If you want to purchase from a BuyBoard vendor goods or services from a BuyBoard vendor that are not covered by the vendor's BuyBoard contract, such as architectural, design, or engineering services, you must procure them separately in accordance with state law and local policy.

- **Architectural or Engineering and Independent Testing services.** If your procurement includes a construction component that requires architectural or engineering services, you must procure those services separately. YOU MAY NOT PROCURE ARCHITECTURAL OR ENGINEERING SERVICES THROUGH A BUYBOARD CONTRACT. Texas law requires architectural and engineering services to be obtained in accordance with the Professional Services Procurement Act (Chapter 2254 of the Texas Government Code) and prohibits them from being procured through a purchasing cooperative.[iii]

  - **Architecture.** A new building owned by a political subdivision having construction costs exceeding $100,000 or an alteration or addition to an existing building having construction costs exceeding $50,000 must have architectural plans and specifications prepared by an architect.[iv] (An "alteration" or "addition" for purposes of this requirement requires the removal, relocation, or addition of a wall or partition or the alteration or addition of an exit.)

  - **Engineering.** If the goods or services procured through the BuyBoard will involve engineering in which the public health, welfare, or safety is involved, the plans for structural, mechanical, electrical, electronic, fire suppression, geotechnical systems, foundation design, surface water drainage, plumbing and certain roof modifications and associated estimates must be prepared by an engineer, and the engineering construction must be performed under the direct supervision of an engineer.[v] The Engineering Practice Act provides two exceptions to this rule – no engineer is required if (1) the project involves mechanical or electrical engineering and will cost $8,000 or less, or (2) the project does not require mechanical or electrical engineering and will cost $20,000 or less.[vi]

  - **Independent Testing**. If acceptance of a facility by a public entity involves independent testing of construction materials engineering and/or verification testing services, the testing services should be procured under the Professional Services Procurement Act, and may not be procured under a BuyBoard contract.

  - **Written Certification.** Effective 09/01/2013, a local governmental entity purchasing construction-related goods and services through a cooperative in an amount that exceeds $50,000 must designate a person to certify in writing that the project does not require the preparation of plans or specifications by an architect or engineer OR that an architect or engineer has prepared the plans or specifications.[vii]

12007 Research Boulevard • Austin, Texas 78759-2439
PH: 800-695-2919 • FAX: 800-211-5454 • www.buyboard.com

- **Bonds.** You must also consider whether the vendor is required to provide a payment or performance bond. A payment bond is required for contracts that exceed $25,000 to protect subcontractors who supply labor or materials for the project. A performance bond is required for a contract that exceeds $100,000, to protect the local government if a contractor fails to complete the project. [viii] Without payment and performance bonds, if the contractor fails to pay its subcontractors or to complete the project, the public entity that entered the contract can be held responsible for payment claims or costs to complete.

- **Construction Contract.** Even though the procurement of construction or construction-related services may be through the BuyBoard, your construction contract is between your entity and the contractor. The BuyBoard contract's general terms and conditions, standing alone, are not sufficient to document your entity's specific transaction. THEREFORE, YOU SHOULD USE AN APPROPRIATE FORM OF CONSTRUCTION CONTRACT JUST AS YOU WOULD DO IF YOU PROCURED CONSTRUCTION SERVICES INDEPENDENTLY, USING COMPETITIVE SEALED PROPOSALS. The contract must contain provisions required by state law including: performance and payment bonds, requirements for payment of prevailing wages to all construction workers, workers' compensation coverage for all workers and, on projects where contractor employees may have direct contact with students, criminal history record checks. Other provisions which should be considered in the construction contract are retainage, contingency, liquidated damages and dispute resolution, among others. By supplementing the BuyBoard contract with an appropriate form of construction contract, you ensure that your entity's unique interests are addressed and that your entity can enforce the contract directly.

- **Legal advice.** Because of the variety of laws that relate to construction-related purchasing and the potential risk of high exposure, you are well-advised to consult with your entity's legal counsel before procuring construction-related goods and services under any procurement method, including a purchasing cooperative.

**This Advisory is provided for educational purposes only to facilitate a general understanding of the law. This Advisory is neither an exhaustive treatment on the subject nor is it intended to substitute for the advice of an attorney.**

# NATIONAL PURCHASING COOPERATIVE VENDOR AWARD AGREEMENT

In accordance with the Terms and Conditions associated with this Proposal Invitation, a contract awarded under this Proposal Invitation may be "piggy-backed" by another governmental entity. The National Purchasing Cooperative is an intergovernmental purchasing cooperative formed by certain school districts outside of Texas to serve its members throughout the United States. If you agree to be considered for a piggy-back award by the National Purchasing Cooperative, you agree to the following terms and agree to serve National Purchasing Cooperative members in the states you have indicated on the State Service Designation form, in your Proposal.

**By signing this form, Proposer (referred to in this Agreement as "Vendor") agrees as follows:**

1. Vendor acknowledges that if The Local Government Purchasing Cooperative ("Texas Cooperative") awards Vendor a contract under this Proposal Invitation ("Underlying Award"), the National Purchasing Cooperative ("National Cooperative") may - but is not required to - "piggy-back" on or re-award all or a portion of that Underlying Award ("Piggy-Back Award"). By signing this National Cooperative Vendor Award Agreement ("Agreement"), Vendor accepts and agrees to be bound by any such Piggy-Back Award as provided for herein.

2. In the event National Cooperative awards Vendor a Piggy-Back Award, the National Cooperative Administrator ("BuyBoard Administrator") will notify Vendor in writing of such Piggy-Back Award, which award shall commence on the effective date stated in the Notice and end on the expiration date of the Underlying Award, subject to annual renewals as authorized in writing by the BuyBoard Administrator. Vendor agrees that no further signature or other action is required of Vendor in order for the Piggy-Back Award and this Agreement to be binding upon Vendor. Vendor further agrees that no interlineations or changes to this Agreement by Vendor will be binding on National Cooperative, unless such changes are agreed to by its BuyBoard Administrator in writing.

3. Vendor agrees that it shall offer its goods and services to National Cooperative members at the same unit pricing and same general terms and conditions, subject to applicable state laws in the state of purchase, as required by the Underlying Award. However, nothing in this Agreement prevents Vendor from offering National Cooperative members better (i.e., lower) competitive pricing and more favorable terms and conditions than those in the Underlying Award.

4. Vendor hereby agrees and confirms that it will serve those states it has designated on the State Service Designation Form of this Proposal Invitation. Any changes to the states designated on the State Service Designation Form must be approved in writing by the BuyBoard Administrator.

5. Vendor agrees to pay National Cooperative the service fee provided for in the Underlying Award based on the amount of purchases generated from National Cooperative members through the Piggy-Back Award. Vendor shall remit payment to National Cooperative on such schedule as it specifies (which shall not be more often than monthly). Further, upon request, Vendor shall provide National Cooperative with copies of all purchase orders generated from National Cooperative members for purposes of reviewing and verifying purchase activity. Vendor further agrees that National Cooperative shall have the right, upon reasonable written notice, to review Vendor's records pertaining to purchases made by National Cooperative members in order to verify the accuracy of service fees.

6. Vendor agrees that the Underlying Award, including its General Terms and Conditions, are adopted by reference to the fullest extent such provisions can reasonably apply to the post-proposal/contract award phase. The rights and responsibilities that would ordinarily inure to the Texas Cooperative pursuant to the Underlying Award shall inure to National Cooperative; and, conversely, the rights and responsibilities that would ordinarily inure to Vendor in the Underlying Award shall inure to Vendor in this Agreement. Vendor recognizes and agrees that Vendor and National Cooperative are the only parties to this Agreement, and that nothing in this Agreement has application to other third parties, including the Texas Cooperative. In the event of conflict between this Agreement and the terms of the Underlying Award, the terms of this Agreement shall control, and then only to the extent necessary to reconcile the conflict.

7. This Agreement shall be governed and construed in accordance with the laws of the State of Rhode Island and venue for any dispute shall lie in the federal district court of Alexandria, Virginia.

8. Vendor acknowledges and agrees that the award of a Piggy-Back Award is within the sole discretion of National Cooperative, and that this Agreement does not take effect unless and until National Cooperative awards Vendor a Piggy-Back Award and the BuyBoard Administrator notifies Vendor in writing of such Piggy-Back Award as provided for herein.

WHEREFORE, by signing below Vendor agrees to the foregoing and warrants that it has the authority to enter into this Agreement.

# FEDERAL AND STATE/PURCHASING COOPERATIVE DISCOUNT COMPARISON FORM

The Cooperative strives to provide its members with the best services and products at the best prices available. The Cooperative determines whether prices/discounts are fair and reasonable by comparing prices/discounts stated in your Proposal with prices/discounts you offer federal and state entities and other interlocal purchasing cooperatives (collectively referred to as "purchasing cooperative" in this form). Please respond to the following questions.

1. Provide the dollar value of sales to or through purchasing cooperatives at or based on an established catalog or market price during the previous 12-month period or the last fiscal year: $ 0.00 (The period of the 12 month period is NA / ). In the event that a dollar value is not an appropriate measure of the sales, provide and describe your own measure of the sales of the item(s).

2. Based on your written discounting policies are the discounts you offer the Cooperative equal to or better than the best price you offer other purchasing cooperatives acquiring the same items regardless of quantity or terms and conditions?

   YES☐ NO☐ N/A

3. Based on your written discounting policies, provide the information requested below for other purchasing cooperatives, either in the chart below or in an equivalent format. Rows should be added to accommodate as many purchasing cooperatives as required.

**Future developments.** Information about developments affecting Form W-9 (such as legislation enacted after we release it) is at *www.irs.gov/fw9*.

### Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) which may be your social security number (SSN), individual taxpayer identification number (ITIN), adoption taxpayer identification number (ATIN), or employer identification number (EIN), to report on an information return the amount paid to you, or other amount reportable on an information return. Examples of information returns include, but are not limited to, the following:

- Form 1099-INT (interest earned or paid)
- Form 1099-DIV (dividends, including those from stocks or mutual funds)
- Form 1099-MISC (various types of income, prizes, awards, or gross proceeds)
- Form 1099-B (stock or mutual fund sales and certain other transactions by brokers)
- Form 1099-S (proceeds from real estate transactions)
- Form 1099-K (merchant card and third party network transactions)
- Form 1098 (home mortgage interest), 1098-E (student loan interest), 1098-T (tuition)
- Form 1099-C (canceled debt)
- Form 1099-A (acquisition or abandonment of secured property)

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN.

*If you do not return Form W-9 to the requester with a TIN, you might be subject to backup withholding.* See *What is backup withholding?* on page 2.

By signing the filled-out form, you:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the withholding tax on foreign partners' share of effectively connected income, and
4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct. See *What is FATCA reporting?* on page 2 for further information.

# EDGAR VENDOR CERTIFICATION FORM

**(2 CFR Part 200 and Appendix II)**

When a Cooperative member seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. This includes, but is not limited to, the procurement standards of the Uniform Administrative Requirements, Cost Principles and Audit Requirements for Federal Awards, 2 CFR 200 (sometimes referred to as the "Uniform Guidance" or new "EDGAR"). All Vendors submitting proposals must complete this EDGAR Certification Form regarding Vendor's willingness and ability to comply with certain requirements which ***may*** be applicable to specific Cooperative member purchases using federal grant funds. This completed form will be made available to Cooperative members for their use while considering their purchasing options when using federal grant funds. Cooperative members may also require Vendors to enter into ancillary agreements, in addition to the BuyBoard contract's general terms and conditions, to address the member's specific contractual needs, including contract requirements for a procurement using federal grants or contracts.

***For each of the items below, Vendor should certify Vendor's agreement and ability to comply, where applicable, by having Vendor's authorized representative check and initial the applicable boxes and sign the acknowledgment at the end of this form. If you fail to complete any item in this form, the Cooperative will consider and may list the Vendor's response on the BuyBoard as "NO," the Vendor is unable or unwilling to comply.*** A "NO" response to any of the items may, if applicable, impact the ability of a Cooperative member to purchase from the Vendor using federal funds.

## 1. Vendor Violation or Breach of Contract Terms:

Contracts for more than the simplified acquisition threshold currently set at $150,000, which is the inflation adjusted amount determined by the Civilian Agency Acquisition Council and the Defense Acquisition Regulations Council (Councils) as authorized by 41 USC 1908, must address administrative, contractual, or legal remedies in instances where contractors violate or breach contract terms, and provide for such sanctions and penalties as appropriate.

Provisions regarding Vendor default are included in the BuyBoard General Terms and Conditions, including Section E.18, Remedies for Default and Termination of Contract. Any Contract award will be subject to such BuyBoard General Terms and Conditions, as well as any additional terms and conditions in any Purchase Order, Cooperative member ancillary contract, or Member Construction Contract agreed upon by Vendor and the Cooperative member which must be consistent with and protect the Cooperative member at least to the same extent as the BuyBoard Terms and Conditions.

The remedies under the Contract are in addition to any other remedies that may be available under law or in equity.

By submitting a Proposal, you agree to these Vendor violation and breach of contract terms.

**2. Termination for Cause or Convenience:**

For any Cooperative member purchase or contract in excess of $10,000 made using federal funds, you agree that the following term and condition shall apply:

*The Cooperative member may terminate or cancel any purchase order under this Contract at any time, with or without cause, by providing seven (7) business days advance written notice to the Vendor. If this Agreement is terminated in accordance with this Paragraph, the Cooperative member shall only be required to pay Vendor for goods or services delivered to the Cooperative member prior to the termination and not otherwise returned in accordance with Vendor's return policy. If the Cooperative member has paid Vendor for goods or services not yet provided as of the date of termination, Vendor shall immediately refund such payment(s).*

If an alternate provision for termination of a Cooperative member purchase for cause and convenience, including the manner by which it will be effected and the basis for settlement, is included in the Cooperative member's purchase order, ancillary agreement, or Member Construction Contract agreed to by the Vendor, the Cooperative member's provision shall control.

**Vendor Certification, Item 2 (Termination for Cause or Convenience):**

☑ **YES, I agree to the above.** (Initial: JM)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

**3. Equal Employment Opportunity:**

Except as otherwise provided under 41 CFR Part 60, all Cooperative member purchases or contracts that meet the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 shall be deemed to include the equal opportunity clause provided under 41 CFR 60-1.4(b), in accordance with Executive Order 11246, "Equal Employment Opportunity" (30 FR 12319, 12935, 3 CFR Part, 1964-1965 Comp., p. 339), as amended by Executive Order 11375, "Amending Executive Order 11246 Relating to Equal Employment Opportunity," and implementing regulations at 41 CFR Part 60, "Office of Federal Contract Compliance Programs, Equal Employment Opportunity, Department of Labor."

The equal opportunity clause provided under 41 CFR 60-1.4(b) is hereby incorporated by reference. Vendor agrees that such provision applies to any Cooperative member purchase or contract that meets the definition of "federally assisted construction contract" in 41 CFR Part 60-1.3 and Vendor agrees that it shall comply with such provision.

**4. Davis-Bacon Act:**

When required by Federal program legislation, Vendor agrees that, for all Cooperative member prime construction contracts/purchases in excess of $2,000, Vendor shall comply with the Davis-Bacon Act (40 USC 3141-3144, and 3146-3148) as supplemented by Department of Labor regulations (29 CFR Part 5, "Labor Standards Provisions Applicable to Contracts Covering Federally Financed and Assisted Construction"). In accordance with the statute, Vendor is required to pay wages to laborers and mechanics at a rate not less than the prevailing wages specified in a wage determinate made by the Secretary of Labor. In addition, Vendor shall pay wages not less than once a week.

Current prevailing wage determinations issued by the Department of Labor are available at www.wdol.gov. Vendor agrees that, for any purchase to which this requirement applies, the award of the purchase to the Vendor is conditioned upon Vendor's acceptance of the wage determination.

Vendor further agrees that it shall also comply with the Copeland "Anti-Kickback" Act (40 USC 3145), as supplemented by Department of Labor regulations (29 CFR Part 3, "Contractors and Subcontractors on Public Building or Public Work Financed in Whole or in Part by Loans or Grants from the United States"). The Act provides that each contractor or subrecipient must be prohibited from inducing, by any means, any person employed in the construction, completion, or repair of public work, to give up any part of the compensation to which he or she is otherwise entitled.

**Vendor Certification, Item 4 (Davis-Bacon Act):**

☑ **YES, I agree to the above.** (Initial: JM)

☐ **NO, I do NOT agree to the above.** (Initial: _____)

**5. Contract Work Hours and Safety Standards Act:**

Where applicable, for all Cooperative member contracts or purchases in excess of $100,000 that involve the employment of mechanics or laborers, Vendor agrees to comply with 40 USC 3702 and 3704, as supplemented by Department of Labor regulations (29 CFR Part 5). Under 40 USC 3702 of the Act, Vendor is required to compute the wages of every mechanic and laborer on the basis of a standard work week of 40 hours. Work in excess of the standard work week is permissible provided that the worker is compensated at a rate of not less than one and a half times the basic rate of pay for all hours worked in excess of 40 hours in the work week. The requirements of 40 USC 3704 are applicable to construction work and provide that no laborer or mechanic must be required to work in surroundings or under working conditions which are unsanitary, hazardous or dangerous. These requirements do not apply to the purchases of supplies or materials or articles ordinarily available on the open market, or contracts for transportation or transmission of intelligence.

**Vendor Certification, Item 5 (Contract Work Hours and Safety Standards Act):**

☑ **YES, I agree to the above.** (Initial: JM)

**8. Debarment and Suspension:**

Debarment and Suspension (Executive Orders 12549 and 12689) – A contract award (see 2 CFR 180.220) must not be made to parties listed on the government-wide exclusions in the System for Award Management (SAM), in accordance with the OMB guidelines at 2 CFR 180 that implement Executive Orders 12549 (3 CFR Part 1966 Comp. p. 189) and 12689 (3 CFR Part 1989 Comp. p. 235), "Debarment and Suspension." SAM Exclusions contains the names of parties debarred, suspended, or otherwise excluded by agencies, as well as parties declared ineligible under statutory or regulatory authority other than Executive Order 12549.

Vendor certifies that Vendor is not currently listed on the government-wide exclusions in SAM, is not debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549. Vendor further agrees to immediately notify the Cooperative and all Cooperative members with pending purchases or seeking to purchase from Vendor if Vendor is later listed on the government-wide exclusions in SAM, or is debarred, suspended, or otherwise excluded by agencies or declared ineligible under statutory or regulatory authority other than Executive Order 12549.

**9. Byrd Anti-Lobbying Amendment:**

Byrd Anti-Lobbying Amendment (31 USC 1352) -- Vendors that apply or bid for an award exceeding $100,000 must file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant or any other award covered by 31 USC 1352. Each tier must also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the non-Federal award.

As applicable, Vendor agrees to file all certifications and disclosures required by, and otherwise comply with, the Byrd Anti-Lobbying Amendment (31 USC 1352).

**Vendor Certification, Item 9 (Byrd Anti-Lobbying Amendment):**

☑ **YES, I agree to the above.** (Initial: )

**Date:** **February 10, 2020**

**To:** **Brian Maxwell, City Manager**
**Honorable Mayor and City Council**

**From:** **Angelo Grasso, Acting Director of Public Works**

**Re:** **Consider approving purchase of traffic signal equipment, supplies and hardware using the contract with Texas Highway Products through the BuyBoard purchasing cooperative. Estimated costs for products is not to exceed Council approved budget for the Traffic Division. Authorizing the City Manager to execute all necessary documents upon final approval by the City Attorney.**

## I. Background:

The City of Galveston is a member of the BuyBoard cooperative purchasing program, governed by other Texas municipalities, this allows the city to utilize contracts that have been competitively procured in compliance with state purchasing requirements. Click the link to find out how this cooperative works: https://www.buyboard.com/Texas/About-Us/Member-FAQ.aspx. Texas Government Code Section 791 authorizes local governments to contract, as much as possible, with other local governments and any agencies of the State of Texas.

The BuyBoard purchasing cooperative is endorsed by the Texas Municipal League. The objective of a cooperative purchasing program is to provide a mechanism for local governments and TxDOT to pool their collective purchasing power. Purchasing cooperatives save money in two ways: the price of the product and/or in the administrative cost savings from advertising for a formal solicitation. The City of Galveston has received member rebates in the past from BuyBoard.

## II. Current:

Texas Highway Products has contracts with BuyBoard. The contract numbers are Contract No. 534-17 (Dates:5/1/19 to 5/31/20) and Contract No. 608-20 (Dates: 6/1/20 to 5/31/21). This contract provides for various percent discount on traffic control products, traffic control equipment and locking systems for highway safety products.

Attached is the contract information for BuyBoard Contract No. 534-17 and Contract No. 608-20.
