15. Develop An Integrated Set Of Recommendations In A Report To The City Council
16. Work Toward Galveston Becoming A Zero Waste Community
17. Questions For Staff
  1. How much garbage is collected from the beaches? Does it all go to the landfill? the city pays? Improve the recycling bins on the beaches? Perhaps, if we could redirect those cans and bottles, we might save more on landfill costs.
  2. What is the city's vision on recycling, the city's sense of potential?
  3. City is understandable focused on process and finances, but why is it important to provide this service to Galvestonians?
  4. Communicate and discuss the impact of constraints; such as limitations on

using contractors, and if beneficial, how to remove those constraints.

5. Have more detailed discussion regarding the recycling process, including the role and issues with a transfer station and vendor capabilities.
