Request: Consider approving purchases of maintenance, repair and operational (MRO) supplies for fiscal year 2022 using a contract with Fastenal Company through the Omnia Partners purchasing cooperative.

Prior Council Action

City Council has previously approved purchases of operational supplies, city wide, using a cooperative contract with Fastenal Company through The Cooperative Purchasing Network (TCPN/National IPA) cooperative for FY 2018, FY 2019, FY 2020, and FY 2021.

Background

The City of Galveston is a member of the Omnia Partners cooperative purchasing program. It is co-sponsored by the National League of Cities, Nation Association of Counties, the United States Conference of Mayors, and the National Governors Association. The cooperative allows the city to utilize contracts that have been competitively procured in compliance with state purchasing requirements. Click the link to find out how this cooperative works: [Omnia Partners](#). Texas Government Code Section 791 authorizes local governments to contract, as much as possible, with other local governments and any agencies of the State of Texas.

The Omnia Partners purchasing cooperative is a National Institute of Government Purchasing (NIGP) accredited purchasing cooperative. The objective of a cooperative purchasing program is to provide a mechanism for local governments to pool their collective purchasing power. Purchasing cooperatives save money in two ways: the price of the product and/or in the administrative cost savings from advertising for a formal solicitation.
