RE: Transfer Station Operating Agreement

Dear Ms. DeWitt,

In accordance with Section 3.00 (Operations) of the contract dated September 17, 2018 between the City of Galveston and BFI Transfer Systems of Texas, LP., we are requesting the City's mutual agreement to the increase of the Service Fee as per the terms of Section 7.00 by the CPI percentage increase of 5.94% or \$2.34 per ton as calculated per the terms of Section 7.00 effective January 1, 2022.

The current fee paid by BFI to the City shall be increased by the same CPI percentage as per Section 7.00 of the above-mentioned contract.

We have attached the CPI Index and calculation for your review. Should you have any questions or require additional information, please do not hesitate to contact me. I can be reached at the numbers listed below.

Thank you in advance for your consideration and we look forward to being of continued service to the City of Galveston.
