

City of Galveston

DEPARTMENT OF PUBLIC WORKS

Angelo Grasso, Director of Municipal Utilities

agrasso@galvestontx.gov | Office Number: (409) 797-3962 | www.galvestontx.gov

Date: July 12, 2019

To: Brian Maxwell, City Manager
Honorable Mayor and City Council Members

From: Angelo Grasso, Director of Municipal Utilities

RE: Consider for approval, the purchase of sanitary sewer inspection equipment through a Buyboard contract from CLS Equipment Co. Inc. at a cost of \$23,089.42. Authorizing the City Manager to execute all necessary documents upon final approval by the City Attorney.

I. Background

1. The Municipal Utilities Collections Division cleans, televises and inspects the City's existing sanitary sewer system. The cleaning and televising of the sewer system are required to determine whether there is possible root mass, grease, silt, debris, pipe collapse or other potential obstruction in the sanitary sewer system. Before a sanitary sewer system is televised, the sanitary sewer system must be cleared and cleaned of any potential obstruction to the camera system.

II. Current Situation

- 1 There is a need to purchase camera equipment that can be used to televise larger sanitary sewer systems (12 inch or larger sewer lines). As part of the sanitary sewer televising procedure for larger sanitary sewer systems, it is imperative that the elevation of the televising camera be adjustable during the televising process so that the camera lens stays above the sanitary sewer flow within the sanitary sewer line.
2. The Municipal Utilities Collection Division presently has CUES system camera equipment that is used to televise the City's sanitary sewer system. There is a CUES camera system that will allow you to adjust the elevation of the camera while you are televising a large sanitary sewer line. Through Buyboard Contract NO. 513-16, the City of Galveston quotes for the following CUE's equipment required:

• Lift Assembly Power, MC, PR/SPR	\$ 6,000.39
• Kit Wheel, 18 Inch Pneumatic, SPR-2	\$ 2,043.03
• Transporter Assembly, MC, SPR-2	\$14,943.00
Grand Total =	\$23,089.42

Angelo Grasso, Director of Municipal Utilities
agrosso@galvestontx.gov | Office Number: (409) 797-3962 | www.galvestontx.gov

3. CLS Sewer Equipment is the sole source provider and dealer in the State of Texas for CUES's cameras spare parts, repairs, trouble shooting and major equipment purchases. The total cost for CLS Sewer Equipment to provide the CUES Camera Sewer Equipment is \$23,089.42.

III. Issues

- Impact or Ramifications: There is a need to be able to televise larger sanitary sewer system with cameras that can adjust the elevation of the camera lens within the large sanitary sewer line. CUES Sewer Camera Equipment has the capabilities to do this.

IV. Recommendation

Recommend for the City Council to approve the purchase of sanitary sewer inspection equipment through a Buyboard contract from CLS Equipment Co. Inc. at a cost of \$23,089.42.

VI. Fiscal Impact Report

Requested by: Robert Diaz, Collection Division Supervisor
Angelo Grasso, Director of Municipal Utilities

Funding Source: Public Works Collection Division Minor Equipment Account
4210-611000-611815-522056

Costs of implementation: \$23,089.42

Submitted for Approval: Respectfully Submitted,

Angelo Grasso
Director of Municipal Utilities

Brandon Cook, Assistant City Manager
of Development and Municipal Services

RE: CLS Sewer Equipment Company

To Whom It May Concern:

This letter is for the purpose of confirming that CLS Sewer Equipment Company is the sole CUES factory authorized dealership for the State of Texas for CUES spare parts, service, repairs, trouble shooting, major unit equipment purchases and software. CUES asset management and decision-support software applications, Granite XP and GraniteNet, are both proprietary products of CUES. Contact information is as follows:

CLS Sewer Equipment Company – North Texas

Contact: Paul Baumy
726 S. Sherman Street
Richardson, TX 75081
Office: 972-479-1335
Fax: 972-479-1336
paul@sewertools.com

CLS Sewer Equipment Company – South Texas

Contact: Dan Albanese
8000 N. Loop East
Houston, TX 77028
Office: 281-440-1881
Fax: 281-440-1879
dan@sewertools.com

CLS Sewer Equipment Company is the sole authorized facility in the State of Texas to supply loaner equipment to operate on CUES systems. CUES spare parts are stocked at their facility. CLS service and parts personnel have received training on parts and repairs related to CUES equipment. Any parts, service or repair provided by any other vendor would void all warranty. This letter is valid through December 31, 2019.

I can be reached at 800-327-7791, for further information.

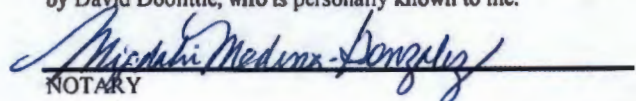

Sincerely,

David Doolittle
Vice President

STATE OF FLORIDA
COUNTY OF ORANGE

Sworn to and subscribed before me this 28th day of May, 2019,
by David Doolittle, who is personally known to me.
