City of Galveston
Hotel Occupancy Tax Audit - 31 Colony Park Circle
City Auditor Executive Summary

September 17, 2015

BACKGROUND

The City of Galveston levies a Hotel Occupancy Tax (HOT) of nine percent (9%) on qualified room stays costing more than two dollars per night. Hotels are defined in Article III Section 33-86 of the City of Galveston Code as any building or buildings, in which the public may, for a consideration, obtain sleeping accommodations. The term shall include hotels, motels, tourist homes, houses or courts, lodging houses, inns, rooming houses or other buildings where rooms are furnished for a consideration, but shall not be defined so as to include hospitals, sanitariums or nursing homes. The Hotel Occupancy Tax Collection Report is remitted to the City of Galveston in the following month after collections (i.e. Collections for the month of October are reported and remitted to the City of Galveston in the month of November).

The City of Galveston's Legal Department plays a supporting role in offering advice and filing City of Galveston claims against delinquent establishments. The Office of the City Auditor conducts regular Hotel Occupancy Tax Audits to help ensure compliance.

OBJECTIVES, SCOPE AND METHODOLOGY

The Hotel Occupancy Tax Revenue Recognition Audit was conducted as part of the Office of the City Auditor's Fiscal Year (FY) 2013-2014 Strategic Audit Plan presented to the Mayor and City Council.
