

**ORDER CLOSING BED AND BREAKFAST FACILITIES AND  
HOTELS OPERATING IN THE CITY OF GALVESTON  
ISSUED BY  
THE MAYOR OF THE CITY OF GALVESTON**

WHEREAS, the City of Galveston, Texas, has declared a state of emergency in accordance with Tex. Gov't Code Ch. 418 related to the Corona/Covid 19 virus; and

WHEREAS, information issued by the federal Center for Disease Control and the Texas Department of Health Services related to the Corona/Covid 19 virus have stressed undertaking steps to control of the virus; and

WHEREAS, those entities have urged that the failure to take steps to diminish the spread of the virus will result in the overwhelming of the health care system in this area with a concomitant increase of mortality; and

WHEREAS, the Galveston County Health District has confirmed the presence of Corona virus in Galveston County caused by community spread and the number of active cases in the County continues to grow; and

WHEREAS, the present emphasis is the control of community spread of the virus by limiting the number of citizens who are interacting within a given area; and

WHEREAS, the presence of a high concentration of citizens in restaurants and bars open to the public presented an opportunity for community spread of the virus and the City has previously issued orders closing them except for take-out and delivery operations; and

WHEREAS, the City has taken further steps to discourage people from visiting the City by closing amenities at beaches and parks and prohibiting the lease of Short-Term Rentals in the City; and

WHEREAS, the purpose of these control measures has been to diminish the numbers of visitors to the City and thereby curtail the concentration of individuals in areas to reduce the chance of community spread of the virus from person to person; and

WHEREAS, since the time of the closure of restaurants and bars in the City there has been a steady increase in the number of active Corona/Covid 19 infections in the County and such increase warrants further control measures be undertaken to control the spread of the virus; and

WHEREAS, it appears that despite the efforts of the City to diminish the number of visitors to the City those efforts have been frustrated by local hotels booking and accepting guests that are not essential employees of essential businesses operating in or from Galveston in direct conflict with the public health measures undertaken by the City to reduce the opportunities for the spread of the virus and therefore more robust control measures are required.
