A MESSAGE FROM OUR CITY MANAGER

Mardi Gras season is here in Galveston, one of our favorite holidays on the island. After a year off during the pandemic, we know many residents will be ready once again to brush off their purple, green, and gold outfits and celebrate.

As we head into the parade season, we want residents to be aware of road closures and other effects Mardi Gras could have on their daily life. Remember Mardi Gras will run February 18-March 1, with events throughout both weekends and on Fat Tuesday.

Road closures and traffic are, of course, the primary aspect affecting residents. There will be closures downtown on the Strand and Mechanic between 21st and 25th streets during both Mardi Gras weekends.

On the first weekend, February 18-20, there will be a Saturday closure of the Seawall from 59th Street to 23rd Street from 10:30 a.m. to 11 p.m. for the large Seawall parades.

The second weekend, there will be the same closures downtown. On the Seawall, there will be closures from 25th Street to 33rd street from 10 a.m. to 2 p.m. and from 19th to 27 streets from 2 p.m. to 10 p.m. There will be a closure on 25th Street from Seawall to Market from 2 p.m. to 10 p.m.

The Galveston Police Department will team up with other area law enforcement to help secure the event, and police will be enforcing DWI and other driving laws to the full extent. We’re grateful to all our public safety officers and our special events team working this event to make sure it runs smoothly and safely, as well as our partners from other agencies.

We hope everyone has a safe and enjoyable Mardi Gras season! Let the good times roll.

Sincerely,

Brian Maxwell

COMMUNITY OUTREACH

LAST MONTH’S ACCOMPLISHMENTS

- Informed the public about City events, outreach & campaigns via social media, press releases and website. This included responding to media requests and updating the city website
- Created daily content for city social media channels to inform the public about city-related events
- Prepared the City Manager’s Report
- Worked with special event organizers for permitting of events
- Collaborated with other departments and committees, including Development Services and GIS, to raise awareness of ongoing initiatives
- Updated website for several departments
- Educated the public about city’s response to potential freeze
- Prepared for Mardi Gras

UPCOMING PROJECTS

- Finalize planning for Galveston University beginning in March
- Continue normal operations
LAST MONTH’S VIDEOS
- Employee Spotlight: Brandon Hill
- Sanitation 101
- Exciting programs at Rosenberg Library
- Employee Spotlight: Stormy Collins

SPECIAL EVENTS

LAST MONTH’S ACCOMPLISHMENTS
- Held 5 meetings with event organizers regarding their events
- Continued planning for Mardi Gras
- Began planning for Spring & Summer Special Events
- Special Event Permits Issued: 2
- Loudspeaker Permits Issued: 5
- Completed Events:
  - January 14-15: Chili Quest & Beer Fest
  - January 15: Dr. Martin Luther King Jr. Parade
  - January 17-20: Texas Public Pool Council Conference

UPCOMING PROJECTS
- February 13: Galveston Marathon
- February 18-March 1: Mardi Gras! Galveston
- For additional information on Special Events, please visit https://www.galvestontx.gov/calendar.aspx?CID=26 or reach out to our team at (409) 797-3705 or MPierce@GalvestonTX.gov

LEGISLATIVE AFFAIRS

VIEW REPORTS
- Legislative Report, January 7
- Legislative Report, January 14
- Legislative Report, January 21
- Legislative Report, January 28
• 24” water line: Work of the contract is for the construction of approximately 3.5 miles of 24” water transmission main and 4” fiber optic conduit from the City of Galveston’s 59th Street Pump Station to the City’s Airport Pump Station. This contract also provides for the construction of approximately 1 mile of 10” water line along 55th Street.

• Airport water plant expansion: Work of the Contract is for, but is not limited to, construction of one (1) new building to house two (2) new vertical turbine can pumps including new electrical switchgear, one (1) 3.0 MG ground storage tank, refurbishment of existing pump station building with chlorination system replacement, liquid ammonium sulfate (LAS) system, zinc orthophosphate (ZOP) system, two (2) new flow control stations, existing yard piping demolition and removal, installation of proposed yard piping and connections with existing system, and on-site paving and grading. The project is located at the City of Galveston’s Airport Pump Station on Jones Road in Galveston County, Texas.

• 18th Street storm sewer system: Work of the contract is for construction of the 18th Street Storm Sewer System including approximately 16,000 LF of storm sewer ranging in size from 24” pipe to a 5’x10’ reinforced concrete box, 3,000 feet of water line replacement and 4,500 feet of sanitary sewer line replacement. Also included is resurfacing of the roadway.

• 35th Street improvements: Work of the contract includes removal and replacement of existing concrete pavement, asphalt pavement, base material, concrete curb, sidewalks and driveways; removal and replacement, adjustment or abandonment of storm sewer lines, leads, inlets and manholes; removal and replacement, adjustment or abandonment of water lines, valves, meters and fire hydrants; upsizing of sanitary sewer lines, steel casing and replacements of manholes; removal and replacement of sod, pavement markings and permanent signs.

• Church Street drainage: Work of the contract is for construction of the Church Street Storm Sewer System between 33rd Street - 37th Street including approximately 725 linear feet of 6’X2’ storm sewer, 730 linear fee of 4’X2’ storm sewer and inlets; resurfacing of the roadway. The project time will be extended due to weather, storm water related issues and private utility conflicts.

• Sanitation equipment shelter: Work of the con-
The contract includes both design and construction of the facility. This includes, but is not limited to: geotechnical investigation necessary for the foundation design; foundation and structural design of the building; windstorm engineering and certification including a WPI-8; design and construction all-weather electric system to provide security lighting; all materials and labor to construction the metal building and electric system; any other services required for a complete and functional facility. The project time will be extended due to material delivery lead times.

- Trolley barn pump and generator: Work of the contract is for providing a storm water pump, a generator and fuel tank and the construction of a platform to mount the fuel tank, generator and compressor. The work will also include electrical wiring and connections for the generator and pump and piping to discharge the storm water from the pit to the exterior of a deployable flood wall.

- Trolley barn concrete wall: Work of the contract is for construction of a structural flood wall and deep foundation adjacent to the Trolley Barn facility. The work includes utility conflicts and associated site work. The project time will be extended due to material delivery lead times.

- Trolley barn deployable wall: Work of the contract is for construction of a deployable flood wall protection around the Trolley Barn facility. Included around the perimeter is a uniform concrete pad for sealing and securing the flood wall and associated site work. The project time will be extended due to material delivery lead times as well as phasing of the concrete flood wall performed outside of this scope of work.
DEVELOPMENT SERVICES

LAST MONTH’S ACCOMPLISHMENTS

• Completed the ISO Evaluation.
• Continued the 2021 Code Changes.
• Continued the process for the CRS Recertification.
• Inspections Completed
• Permits Issued

UPCOMING PROJECTS

• Continue to finalize the CRS Report.
• Cain Parrish will go to the 40 hour BPAT course.
• Continue the update process for the 2021 Code Changes.
Permitting Activity:
- Residential and Commercial Building Permits
- Infrastructure Permits: Subdivision water, sewer, roads, drainage and ADA, 2-year Maintenance and Final Approval and Acceptance.
- Utility (5G/4G, Electrical, Gas, fiber optic) and Geotechnical/Environmental Boring Permits
- Fill permits – 1
- Culvert survey to determine as-built flow line of ditches and outfalls and corresponding construction staking – 8
- Temporary License to use (TLTUs) – 12

Projects in Development Phase:
- South Shore Stormwater Pump Station Grant (Design & Construction $57M) – The City is currently scoping the project with the highest-ranking design consultant and will be taking a recommendation to City Council in March (est.).
- Stormwater Master Plan – The City is working through the scoping & negotiation phase with the selected engineering consultant and will take this project to City Council for consideration of awarding a contract in February.
- 14th Street Construction Phase Engineering Services – The City is currently scoping the project with the highest-ranking design consultant and will be taking a recommendation to City Council in March (est.).
- 14th Street Construction Owner’s Representative Services - The City is currently scoping the project with the highest-ranking design consultant and will be taking a recommendation to City Council in March (est.).
- Senate Bill 3 Water Utility Emergency Preparedness Plan – Project is currently under way with the DRAFT report due in February.

Projects in Design Phase:
- Beach Pocket Park #3 Parking Lot Improvements
- 11 Mile Road Drainage Improvements (FM3005 to Gulf of Mexico)
- Terramar WWTP Preliminary Design – Final PER report submitted.
- Pirates Beach Lift Stations 40, 47 and 35 Design
- 23rd Street Downtown Corridor-in-house design
- 30-inch Gifford Hill Aged Pipe Supply Waterline Replacement Projects in 95-100% Design
• 14th Street Stormwater Pump Station HMGP DR-4332-024 – 100% Design completed (Design & Construction $35M), working through comment review period with FEMA and other stakeholders.
• 23rd Street Reconstruction from Broadway to Seawall - 100% design in progress
• New 7 MG Ground Storage Tank #2 at Airport Pump Station — 100% Design in Progress
• 2.5 Million Gallon, 10 Mile Road Elevated Storage Tank – 100% Design in Progress
• 59th Street Pump Station Tanks Rehabilitation Preliminary Engineering (PER)/Feasibility Study
• 36” Old Causeway-RR Bridge Waterline Rehabilitation PER
• Lead and Copper Rule – Data collection phase underway with the Consultant.
• Galveston Water Resource Plan
• Port Outfalls Repair and Upgrade to 25-year Storm Atlas 14 Intensities Projects in 30% Design, Study or Reports
• City Waterwells Asset Condition Assessment and Evaluation and Aquifer Storage and Recovery Appraisal Project.

Projects Advertised for Bids
• Pirates Beach WWTP 100% Design completed – Contractor Bids received. Staff is working with the Engineer to analyze the bid results.
• Avenue S Reconstruction from 53rd to Seawall (thru Galveston County) – Contractor Bids were received on 12/22/2021.

• 23rd Street Reconstruction from Broadway to Seawall (thru Galveston County) – The project is being advertised for bids.

Projects Awarded:
• 37th St. Improvement Project

Projects in Construction:
• Legas Drive Structural repair design of sloped paving, bulkhead, storm sewer pipe system and sidewalk
• Teichman Neighborhood Waterline Improvements Developer Meetings/Water/Sewer/Drainage/Traffic Design
• Island Transit Flood Dewatering VFD Pumps, Generator and Elevated Platform
• 18th Street Storm Drain Improvements – Ship Channel to Seawall
• Church Street Storm Drain Improvements – 33rd to 37th Streets
• 35th Street Storm Drain & Utility Improvements
• Broadway Bridge Block Drainage Crossings Upgrades
• 24-inch water transmission line from 59th Street Pump Station to the Airport Pump Station
• Airport PS and new MG Ground Storage Tank #1
• Airport PS Disinfection Upgrade
• Pier 10 Waterline (Port of Galveston)
LAST MONTH’S ACCOMPLISHMENTS

• Ongoing construction of the equipment shelter at the Sanitation Building.
• Ongoing construction of the deployable wall project at the Trolley Barn
• COVID decontamination operations
• Handled and completed 483 work orders.

UPCOMING PROJECTS

• Ongoing construction of the equipment shelter at the Sanitation Building
• Ongoing construction of the Deployable wall project at the Trolley Barn
• Continued COVID decontamination operations
• City Hall Windows repair project will begin
FINANCE

BUDGET

LAST MONTH’S ACCOMPLISHMENTS

• Assist Accounting with final entries for FY2021 year-end financial close
• Submit entry for Distinguished Budget Presentation Award for the FY2022 Adopted Budget
• Begin work on the FY2022 1st Quarter Budget Report

UPCOMING PROJECTS

• Distribute FY2022 1st Quarter Budget Report
• Prepare 1st Quarter Budget Amendment
• Begin work on the 2023-2028 Capital Improvement Program
• Begin work on FY2023 Departmental Budget Folders

PURCHASING

LAST MONTH’S ACCOMPLISHMENTS

• Opened solicitations for Enterprise Resource Planning (ERP) system consulting services
• Advertised armored vehicle services RFP 22-05
• Executed the contract for the City Hall window project
• Purchasing Data for November

UPCOMING PROJECTS

• Drafting RFP/RFQ’s for Island Transit software, and lawn maintenance and landscaping various locations
• Preparing the contract for the emergency preparedness plan
• Facilitating the negotiations of the AMI project
• Facilitating the negotiations for the storm water master plan
• Facilitating the negotiations for the South Shore drainage project
CUSTOMER SERVICE

LAST MONTH’S ACCOMPLISHMENTS

• Billing platform system update to version 6.5

MUNICIPAL COURT

LAST MONTH’S ACCOMPLISHMENTS

• View the report [here](#)
LAST MONTH’S ACCOMPLISHMENTS

- Pre-Fire plan meeting and training with the Sulfur Terminal
- Filled two vacant position
- NIMS 400 training for all officer’s on B-Shift
- POG Cruise Operations Response Team- Planning Exercise
- City council approved the purchase of a new apparatus for Station 7
- Fire Marshal Inspection Report

UPCOMING PROJECTS

- Mardi Gras February 18th thru March 1, 2020
- Badge Pinning Ceremony for new hire’s and promotion
- Rotary Club award for Firefighter of the year
- Grant writing training for administration
- Officer development training
LAST MONTH’S ACCOMPLISHMENTS

- Mechanics worked on 563 vehicle work orders within the month and performed;
- General Repairs - 538
- Accident Repairs - 3
- Capital Repairs - 0
- Recall Repairs - 1
- Preventive Maintenance Services - 235
- Repairs from PM’s Services - 31
- Road Calls - 63
- Other Services
- Provided 49,252 gallons of fuel for city and outside organizations.
- Re-decaling older fleet vehicles with newly designed decals.
- Provided COVID-19 cleaning and detailing during preventive maintenance services.
- Received new fleet vehicles
- Auctioned four items totaling $510,578.73 of revenue.

UPCOMING PROJECTS

- Continue services
LAST MONTH’S ACCOMPLISHMENTS

• HOME Program-American Rescue Plan funding
• Planning processes for the development of the HUD required needs assessment and gaps analysis and Allocation Plan including consultation with homeless shelter and services providers
• 1-5-22 Presentation by Mayor Brown on ARPA total funding and HOME-ARP homeless funding to the Homeless Coalition and staff facilitated questions regarding HOME-ARP
• 1-6-22 phone conference with Salvation Army on processes for the HOME-ARP allocation
• Financial Management -
  • Facilitated review of project accounts for allowable and allocable expenditures and preparation of adjustments as needed for development of program drawdowns to reimburse the City
• Completed CDBG draw for $192,002.68
• Tenant-Based Rental Assistance Program
• To date, assisted a total of 46 LMI households with rental assistance for 1 year and security deposit
• Staff determined five 5 Low-income households eligible for assistance
• Staff performed three 3 Housing Quality Standards inspections
• Staff received applications and are processing intake reviews
• Texas Emergency Rental Assistance Program
• Contract completed on 1-14-22
• Facilitated final reporting for the TERAP funding of $150,000: estimated service to 17 LMI households
• Served 21 LMI households with 49 persons
• Completed final drawdown of $7,010.50
• Davis Bacon – Staff reviewed certified payrolls for the CDBG projects that invoke the Davis-Bacon Act
• Monitoring Review – Staff conducted desk audits on CDBG funded City Departments Projects to ensure that the activities and expenditures are eligible, allowable, and conforming to the grant
• Entered all project accomplishments into HUD’s Integrated Disbursement and Information System (IDIS)
• Provided assistance for 7 homeowners with housing information, 54 homebuyers for homebuyer assistance program, 79 for Covid-19 Testing, and over 250 phone inquiries for rental assistance
• HUD Technical Assistance and Information Webinars – (HUD Regulatory Requirement)
• 1-11-22 HUD Representative and Financial
Analyst provided TA for the HUD quarter reporting Cash-On-Hand report
- Submitted revised Cash-On-Hand Reports for past quarters to meet with the HUD requirements as provided in the TA
- Staff participated in HUD CDBG-CV training webinar and conference

UPCOMING Projects

- 2022 CDBG & HOME Program
- Planning processes for the 2022 program year of funding
- 2021 CDBG Timeliness
- City must expend 1.5 times its annual CDBG Allocation to meet the HUD timeliness test on April 2nd
- Continue coordination for project implementation to ensure City meets its designated ration of expenditures
- HOME Program-American Rescue Plan (ARP) funding – (HUD Regulatory Requirement)
- Planning and development of the HUD required needs assessment and gaps analysis and Allocation Plan including consultation with homeless shelter and services providers
- Financial Management – (HUD Regulatory Requirement)

- Training Webinars – (HUD Regulatory Requirement)
- Staff will participate in a Section 3 Final Rule Training Series webinar
- Staff will participate in HUD training webinars
LAST MONTH’S ACCOMPLISHMENTS

• Held four New Hire Orientations. Hired Twenty Two (22) New Employees- 1 Sr. Assistant City Engineer, 1 Deputy Director of Public Works & Utilities, 1 WW Plant Maintenance Superintendent, 1 Auditor I, 1 Police Officer, 1 Payroll Specialist, 2 Firefighters, 1 Telecommunicator, 1 Sr. Heavy Equipment Operator, 3 Utility Customer Service Specialists, 1 Shift Leader, 4 Customer Service Agents, 2 D/C Technician Trainees, and 2 Laborers
• Hosted a Civil Service Commission election of new Chair and Vice-Chairman
• Held Civil Service Exams for Lateral Police Officers
• Held Civil Service Entrance Exam for Police Department
• Hosted a Pryor Learning session “How to Deliver Exceptional Customer Service” training
• Attended the College of the Mainland Law Enforcement Academy for GPD recruitment effort.
• Continued support of City Departments in filling job vacancies
• Hosted the Galveston Health Board Meeting

UPCOMING PROJECTS

• Hold Civil Service Exams for Lateral Police Officers
• Attend the Galveston College’s Career and Transfer Fair as part of the recruitment initiative to fill all City job vacancies.
• Host Pryor Learning sessions “Developing Emotional Intelligence” trainings
• Host Virtual Health Benefits Plan Board Meetings (at least 2)
• New Hire Orientation (at least 4)
• Continue support of City Departments in filling job vacancies
LAST MONTH’S ACCOMPLISHMENTS

- Mitigated security risks to the City’s network by:
- Blacklisting eight (8) addresses/domains related to phishing or spam
- Completed 2 public information requests
- Tier I Support completed 362 calls for service
- Completed configuration and deployment of 11 laptops for public works.
- Deployed 12 laptops for public safety mobile equipment refresh.
- Completed and deployed 23 desktops as part of the annual equipment refresh program
- Configured and deployed 4 laptops for Public Works call center personnel
- Completed Banner Finance/HR software system upgrade and placed into production
- Completed upgrade of the utility billing software application
- Assisted finance with processing W-2
- Generated and printed 1099s
- Generated eight (8) custom reports for various departments

UPCOMING PROJECTS

- Complete public safety mobile equipment refresh
- Complete workstation equipment refresh deployment
- Continue project efforts on the IT service desk replacement software solution
- Continue project efforts to upgrade the enterprise telephone system
- Complete deployment of the annual equipment refresh
- Continue project efforts for phase 2 of the O365 migration project
- Continue project efforts on the infrastructure equipment refresh project and begin upgrading equipment in the production data center
- Continue project tasks on the upgrade of the SCADA network
- Continue project efforts on the discovery for implementing the bank reconciliation module
- Continue project efforts on the modification to the security system
- Kick off backflow prevention software system upgrade
GIS Division

LAST MONTH’S ACCOMPLISHMENTS

- Completed 16 GIS map and data requests consisting of 30 items:
- Fulfilled request for Maps from Development Service, Public Works, Fire Department, EOC, Parks, City Marshal, Finance and the City Manager’s office
- Update Sanitary Sewer Overflow layer with December 2021 data
- Update fire station names to reflect which ones house EMS
- Calculate 75% of the mean base flood elevation for Galveston for a rule for placing dunes
- Flood data for all building permits issued in 2021
- Update 27th Street from proposed to existing
- Update names for officers and change some of the titles from officer to investigator
- Join table of historical district permits to parcel information
- Create shapefile of registered short term rentals and create 2 maps showing STR regs by city council district and by historic district plus web map and web app
- Coyote Sightings Form - Added several questions to the form for coyote sightings.
- Short Term Rental Restricted Subdivision - Create Map Service and Web App of short term rental restricted areas.
- Added Water Service Work Areas to Water map service for VUEWorks.
- Added domains to fire hydrants for use in VUEWorks
- Provided CRS 520 map of Buyouts with Deeds
- Provided CRS 520 map of Buyouts with map IDs
- Updated the Public Works bldg map with new emergency equipment
- Completed 6 City Wide and GIS Support requests
- Added new user to the GIS Portal
- Assisted user with editing error.
- Assisted new users with editing error in VUEWorks.
- Public Meeting Maps - Public Meetings were not updating. Did troubleshooting on script and corrected.
- Created new user accounts for the GIS Portal
- Troubleshoot Field Editors - Versions and arccollector apps got messed up when JG version was corrupted. Worked with PW folks and fixed the issues.
- Terminated Employees - Removed fifteen (15) terminated employees as users from GIS Portal, ArcGIS Online and GIS databases.
- Responded to 2 PIRs. Pointed requestors to online maps containing the desired information.
- Public Utilities ArcGIS Utility Network
- Work for contractor to prepare for migration to the ESRI utility network

UPCOMING PROJECTS

- Continued development of the City Staff GIS training program
- Public Utilities data scrub and migration to the Utility Network Data Model
LAST MONTH’S ACCOMPLISHMENTS

• Ridership
• Fixed Route-9,544 Trips
• Seawall Route-1,424 Trips
• ADA-1,000 Estimate Trips
• Trolley-523 Trips
• Total Ridership 12,491
• Average Ridership
• Fixed Route 381 trips per day
• Seawall -109 trips per day
• Trolley-174 per day
• Avg fares per day $304.05

UPCOMING PROJECTS

• Continue operations
LAST MONTH’S ACCOMPLISHMENTS

- Mowed grass and maintained litter from all City-Owned or City-Managed Parks, Ballfields and Facilities as well as main thoroughfares, Right-of-ways, City owned cemeteries and the I-45 feeder roads
- Secured and Monitored Park Facilities and Equipment
- Repaired park maintenance equipment
- Continued trimming shrubs on Broadway
- Continue to Assist Citizens in Locating Family Plots at All City Owned Cemeteries

LAST MONTH’S ACCOMPLISHMENTS

Arrests – 554
Calls for service – 5445
Reports taken – 658
Citations - 289

- Seizure of 1644.6 grams of narcotics
- Seizure of 16 firearms
- 23 new gang members identified and documented in TXGANG
- Sergeant Jovan Harris was installed as the President of the Women’s Auxiliary and a member of the Advisory Board for the Salvation Army (Galveston County). Sergeant Harris is interested in helping bring about changes to protect the quality of life and well-being of all human beings. She has a grateful heart for fellowship, ministry, and service to our community.
- Gladys Henrietta Jones, 89, of Galveston, passed away Tuesday, January 18, 2022. Gladys served the citizens of Galveston for 51 years. She began her career with the City of Galveston tax office in 1954 before transferring to the police department in 1974. Gladys was a fixture in the police department training division for many years before retiring in 2005. In 2003 she was honored and recognized as GPD Civilian Employee of the Year for her unparalleled support and service to the Galveston Police Dept. In addition to her full-time presence at the Galveston Police Department, Mrs. Jones also worked countless hours for the Galveston College Law Enforcement Academy beginning in 1992. In 2017, the Galveston College Police Academy honored her with its Legacy Award for 30 years of service in Law Enforcement training. In 1976, Gladys was instrumental in the development of the Crime Stoppers program for Galveston County. She devoted 40 years of service to Crime Stoppers, helping to protect the citizens of the City and County of Galveston. Gladys was a truly special person with a selflessness that is very rare, she had a heart for serving her community. As a law-abiding citizen of good moral character who, by her actions, displays respect for the law and support of the law enforcement community, the Galveston Police Department hereby honors Gladys Jones as an Honorary Police Officer, January 19, 2022. May she rest in peace.
• Recycling Division processed 100.33 tons of recyclable materials. Including 46.120 tons of paper, cardboard, and plastic, 28 tons of glass, and 26.21 tons of mixed metals.
• Recycling Division continued to meet our monthly sales goal of $10,000 by receiving $11,036.69 in commodity sales.
• The Recycling Center had an estimated 14,534 visitors this month, with a daily average 468.
• Recycling Division provided curb-side services for 184 residents, adding 3 new residents to the program.
• Recycling Division continued optimization of the Recycling Center.
• Recycling division completed special projects for the Rosenberg library, Shriners Hospital, the District Attorney’s Office and the Galveston Historical Foundation.
MUNICIPAL UTILITIES
