Dear resident

We would like to inform you that RAC Industries, LLC will be moving into your area from November 8, 2023, to approximately November 15, 2023, to initiate the construction of asphalt roadway in the alleys between Broadway & Church (East of 35<sup>th</sup>). We ask for you to please work with us in the time frame mentioned above and be prepared for this street to be closed during this time frame. If your alley is typically used for trash pickup, we ask that you place your trash in the front of your property during the mentioned timeframe. RAC Industries will diligently complete the above-mentioned project.

Shall you have any questions or concerns, please contact our project manager **Carlos Chapa** at **832-316-1994**.

We look forward to improving your roadway.

Sincerely,

RAC Industries, LLC
