Galveston, Texas
Request for Proposal

1. Introduction

A. Project Overview: The City of Galveston is requesting proposals with the intent of awarding a contract for the purchase of goods and services contained in Appendix J – Scope of Services.

B. Questions: Following are contacts for questions as identified.

   i. RFP Clarifications: All questions related to requirements or processes of this RFP should be submitted in writing to the Purchasing Division. Contact information provided in section 2 below.

   ii. Scope of Service Questions: All questions related to the scope of services should be submitted in writing to the contact person(s) noted in Appendix J – Scope of Services.

   iii. Replies: Responses to inquiries which directly affect an interpretation or effect a change to this RFP will be issued in writing by addendum and posted to City website. All such addenda issued by City prior to the submittal deadline shall be considered part of the RFP. The City shall not be bound by any reply to an inquiry unless such reply is made by such formal written addendum.

   iv. Acknowledgement of Addenda: The Proposer must acknowledge all addenda by signing and returning such document(s) or by initialing appropriate area of the proposal document or the submittal will marked Non-Responsive.

C. Notification of Errors or Omissions: Proposers shall promptly notify the City of any omissions, ambiguity, inconsistency or error that they may discover upon examination of this RFP. The City shall not be responsible or liable for any errors and/or misrepresentation that result from the solicitations which are inadvertently incomplete, ambiguous, inconsistent or obviously erroneous.

D. Conflict of Interest Questionnaire (Form CIQ): A person or business, and their agents, who seek to contract or enter into an agreement with the City, are required by Texas Local Government Code, Chapter 176, to file a conflict of interest questionnaire (FORM CIQ) which is found in Appendix C. The form must be filed with the City Secretary no later than seven (7) days after the date the person or business begins contract discussions or negotiations with the City, or submits an application, response to a request for proposals or proposals, correspondence, or other writing related to any potential agreement with the City. If no conflict exists the offeror must mark the form Not Applicable or NA and return with the proposal packet.

E. Disclosure of Interested Parties Form 1295: A person or business, who enters into a contract with the City, meeting the conditions according to Texas Local Government Code Sec. 2252.908, is required to file Form 1295 with Texas Ethics Commission. This form is not required unless there is a contract between the vendor and the City of Galveston. Do not submit this form unless you receive an award letter from the City.
2. **Contact Information**

**Mailing Address:** City of Galveston, Purchasing Division, Room 306, PO Box 779, Galveston, Texas 77553

**Physical Address:** City of Galveston, Purchasing Division, 823 Rosenberg Street, Room 306, Galveston, Texas 77550

**Email Address:** purchasing@galvestontx.gov

3. **General Information**

A. **Tax Exempt Status:** City purchases are exempt from State Sales Tax and Federal Excise Tax. Do not include tax in the proposal. City will furnish Excise Tax Exemption Certificate upon request.

B. **Public Inspection of Proposals:** The City strictly adheres to the Texas Public Information Act (Texas Government Code Chapter 552.001, et seq.) and all other governing statutes, regulations, and laws regarding the disclosure of RFP information. Proposal Documents are not available for public inspection until after the contract award. If the Proposer has notified the City, in writing, that the Proposal Document contains trade secrets or confidential information, the City will generally take reasonable steps to prevent disclosure of such information, in accordance with the Public Information Act. This is a statement of general policy only, and in no event shall the City be liable for disclosure of such information by the City in response to a request, regardless of the City’s failure to take any such reasonable steps, even if the City is negligent in failing to do so.

C. All Proposers are hereby put on notice that if the Proposer is awarded a contract for procurement of goods or services, the City of Galveston is entering into that contract in its governmental capacity, and not a proprietary capacity.

D. The City of Galveston is required to verify, that company does not do business with Iran, Sudan, or any Foreign Terrorist Organization, pursuant to Texas Government Code, Chapter 2252, Section 2252.152, and Section 2252.153.

4. **RFP Withdrawals and/or Amendments**

A. **RFP Withdrawal:** The City reserves the right to withdraw this RFP for any reason.

B. **RFP Amendments:** The City reserves the right to amend any aspect of this RFP by formal written Addendum prior to the Proposal submittal deadline and will endeavor to notify all potential Proposers that have notified the Purchasing Division of their intent to Proposal, but failure to notify shall impose no obligation or liability on the City.

5. **Estimated Quantities**

The City does not guarantee to purchase any minimum or maximum quantity but does contemplate purchasing exclusively during the term of the contract from the successful vendor(s).

6. **Proposal Submittal Requirements**

A. **Submittal Packet – How to submit:** All Proposals must be submitted in person or by mail at the addresses in Section 2, above. No Proposals will be accepted electronically, either by fax or email. Proposals submitted electronically will be marked non-responsive. Proposals shall be sealed and marked clearly with the Proposal number, Proposal name,
closing date and time, on the outside of the package or envelope. Unidentifiable Proposals will be unopened and marked as non-responsive.

B. **Submittal Packet – Required Contents:** All items in this Proposal are considered part of the Proposal package. Submittals must include the package in its entirety; signed in the appropriate places by an authorized representative of the company with an original signature. Proposals not including all of the above will be considered non-responsive. A Proposal requires an Original signed document, copies, and a media source. Please mark the Proposals “Original” and “Copy” and label the media source (preferred media is a jump/thumb drive). Please submit the original and correct number of copies indicated on the title page, or Proposal will be marked “Non-responsive”. Offerors must submit their Proposals on the forms provided herein, otherwise, it will be marked non-responsive.

C. **Submittal Deadline:** The deadline for submittal of Proposals shall be as identified on the title of the Proposal and on page _9_ (nine) of Appendix A-Proposal. It is the Offeror’s responsibility to have the Proposal Documents, including Addenda, correctly submitted by the submittal deadline. No extensions will be granted and no late Proposals will be accepted.

D. **Proposals Received Late:** Proposers are encouraged to submit their Proposals as soon as possible. The time and date of receipt as recorded in the Purchasing Office shall be the official time of receipt. The City is not responsible for late submission regardless of the reason. Late Proposals will not be considered under any circumstances.

E. **Alterations or Withdrawals of Proposal Document:** Any submitted Proposal may be withdrawn or a revised Proposal substituted prior to the submittal deadline. Proposal Documents cannot be altered, amended or withdrawn by the Proposer after the submittal deadline.

F. **Proposal Document Format:** All proposal Documents must be prepared in single-space type, on standard 8-1/2” x 11“ vertically oriented pages, numbered at the bottom, with the exception of plans or drawings, those may be submitted landscape on 8-1/2” x 11“ pages. The package must be written in pen or typed, signatures must be signed in pen, and anything written in pencil will not be accepted. Mistakes can be crossed out and corrections inserted and initialed in ink by the individual signing the proposal. The City only accepts proposals that are hand delivered or by mail, to the addresses in Section 2 of the proposal documents. No fax or email copies will be considered and will be marked “Non-responsive”.

G. **Questions and Responses:** Questions regarding proposals must be addressed to the Purchasing Division purchasing@galvestontx.gov. The subject line must read “Proposal 17-30 Police Uniforms”. The question deadline will be addressed in Appendix J-Scope of Services. Responses will be answered after the question deadline in the form of an Addendum. No responses will be given to questions submitted after the deadline. Questions submitted outside of the Purchasing Division will not be answered and any communication with a User Department prior to award by City Council will disqualify a vendor from being considered for award.

H. **Pre-Proposal Conferences:** The date and time of a pre-proposal conference, if necessary, will be found in Appendix J-Scope of Services.

I. **Validity Period:** Once the submittal deadline has passed, any proposal Document shall constitute an irrevocable proposal to provide the commodities and/or services set forth in the Scope of Services at the price(s) shown in the Proposal Document. Such proposal shall
be irrevocable until the earlier of the expiration of ninety (90) days from the submittal
deadline, or until a contract has been awarded by the City.

7. Proposal Evaluation and Contract Award
   A. Proposal Evaluation and Contract Award Process: An award of a contract to provide the
goods or services specified herein will be made using competitive sealed proposals, in
accordance with Chapter 252 of the Texas Local Government Code and with the City’s
purchasing policy. The City will evaluate all proposals to determine which offerors are
reasonably qualified for the award of the contract, applying the anticipated evaluation
factors and emphasis to be placed on each factor as identified in the Scope of Services. A
variety of factors may be used in the evaluation of the submitted proposals for this project.
The City may, at its option, conduct discussions with or accept proposal revisions from any
reasonably qualified proposer. Discussions may not be initiated by offerors. These
discussions will be limited to issues and topics brought forth by the City. Any
attempt by proposer or vendor at deviating from the issues and topics to discuss
other issues and topics concerning the Proposal brought forth by the City of
Galveston shall be grounds for disqualification. Vendors shall not contact any City of
Galveston personnel during the proposal process without the express permission from the
City’s Purchasing Supervisor.

   B. All correspondence relating to this proposal, from advertisement to award, shall be sent
to the City of Galveston’s Purchasing Division. All presentations and/or meetings between
the City of Galveston and the vendor relating to this proposal shall be coordinated by the
City of Galveston Purchasing Division. The City reserves the right to determine which
proposal provides the City with the best value and which will be in the City’s best interest.

   C. Completeness: If the Proposal Document is incomplete or otherwise fails to conform to
the requirements of the RFP, the City alone will determine whether the variance is so
significant as to render the Proposal non-responsive.

   D. Ambiguity: Any ambiguity in the Proposal Document as a result of omission, error, lack of
clarity or non-compliance by the Proposer with specifications, instructions and all
conditions shall be construed in the favor of the City. In the event of a conflict between
these standard RFP requirements and details provided in Appendix J – Scope of Services
or Appendix A – Proposal, the Appendices shall prevail.

   E. Unit Prices and Extensions: If unit prices and their extensions do not coincide, the City may
accept the price most beneficial to the City, and the Proposer will be bound thereby.

   F. Additional Information: City may request any other information necessary to determine
Proposer’s ability to meet the minimum standards required by this RFP.

   G. Partial Contract Award: City reserves the right to award one contract for some or all the
requirements proposed or award multiple contracts for various portions of the
requirements to different Proposers based on the unit prices proposed in response to this
request, or to reject any and all Proposals and re-solicit for Proposals, as deemed to be in
the best interest of City.

   H. No Commitment: The Request for Proposal does not commit the City of Galveston to
award any costs or pay any costs, or to award any contract, or to pay any costs associated
with or incurred in the preparation of a (Proposal/proposal) to this request, or to procure
or contract for services or supplies.

   I. Protest Procedures: Any actual or prospective proposer who is allegedly involved with the
solicitation or award of a proposal may submit a protest to the decision. The protest must
be submitted in writing to the City of Galveston’s Purchasing Supervisor within three working days after such aggrieved person knows of, or should have known of the facts giving rise thereto. If the protest is not resolved by mutual agreement, the Purchasing Supervisor will promptly issue a decision in writing to the protesting party.

i. All protest lodged by potential or actual contractors or proposers must be made in writing and contain the following information.
   a. Name, address and telephone number of the protestor.
   b. Identification of the solicitation or contract number and time.
   c. A detailed statement of the protest’s legal and factual grounds, including copies of relevant documents.
   d. Identification of the issue (s) to be resolved and statement of what relief is requested.
   e. Arguments and authorities in support of the protest.
   f. A statement that copies of the protest have been mailed or delivered to all interested parties in the request for proposals process. In the case of request for proposals, the City of Galveston Purchasing Supervisor shall ask the protester to mail or deliver the protest to relevant parties.

ii. The City of Galveston’s City Manager has the authority to render the final determination regarding the protest. Any determination rendered by the City of Galveston’s City Manager will be final.

J. Single Proposal Response: If only one bid or proposal is received in response to the Request for Proposal/Bid, a detailed cost proposal may be requested of the single contractor. A cost/price analysis and evaluation and/or audit may be performed of the cost proposal in order to determine if the price is fair and reasonable.

K. Re-Appropriation of Budget Items: The City may reduce the funds allocated and the services required under this Agreement at its discretion. The City shall notify Contractor in writing of this reduction. Contractor shall not perform any services subtracted from this Agreement. The de-obligation of funds does not require any formal amendment of this Agreement but shall be evidenced by a revised budget approved by City Council.

L. Appropriation of Funds: The City of Galveston has established an appropriation (allocation) of funds for this project. If in the event that appropriated (allocated) funds are exhausted, the contractor’s only remedy shall be suspension or termination of its performance under this contract and shall have no other remedy in law or in equity against the City and no right to damages of any kind.

M. Terminate for Cause: The occurrence of any one or more of the following events will justify termination of the contract by the City of Galveston for cause:

   i) The successful Proposer fails to perform in accordance with the provisions of these specifications; or
   
   ii) The successful Proposer violates any of the provisions of these specifications; or
   
   iii) The successful Proposer disregards laws or regulations of any public body having jurisdiction; or
   
   iv) The successful Proposer transfers, assigns, or conveys any or all of its obligations or duties under the contract to another without written consent of the City.
v) If one or more of the events identified in Subparagraphs G i) through iv) occurs, the City of Galveston may, terminate the contract by giving the successful Proposer seven (7) days written notice of such termination. In such case, the successful Proposer shall only be entitled to receive payment for goods and services provided before the effective date of termination. The successful Proposer shall not receive any payment on account of loss of anticipated profits or revenue or other economic loss resulting from such termination.

vi) When the contract has been so terminated by the City of Galveston, such termination shall not affect any rights or remedies of the City then existing or which may thereafter accrue.

J. **Terminate for Convenience:** This contract may be cancelled or terminated at any time by giving vendor thirty (30) days written notice. Vendor may be entitled to payment for services actually performed prior to termination; to the extent said services are satisfactory.

8. **Pursuant to Sec. 2-341 of the City Code – Declaration of Policy**

A. It is the policy of the City of Galveston to stimulate growth of local minority and women-owned business enterprise (M/WBE) by encouraging their participation in all phases of its contract and procurement activity and by affording them the opportunity to compete for all City of Galveston contracts. The purpose and objectives of this article are to:

i. Increase the capacity of local M/WBE’s to provide products and services.

ii. Increase the opportunities for local M/WBE’s to expand their business with the city and other public and private sector business entities.

B. Provided, however, nothing herein shall require the city to award contracts for services or procurements to a M/WBE which is not also the lowest responsive and responsible Proposer and otherwise qualified unless the city may otherwise lawfully award the contract to someone other than the lowest responsive, responsible Proposer.

C. Additionally The City of Galveston has a Disadvantaged Business Enterprise, (DBE) program mandated by the US Department of Transportation, which is part of its M/WBE program.
Appendix A – Proposal Document

Submittal Checklist: (To determine validity of Proposal)

- Appendix A (pages 9 through 18) must be included in the Proposal submittal.
- Appendix B – G (pages 20 through 25) all forms must be complete and included in the submittal.
- Appendix J (pages 29 through 93) must be included in the Proposal submittal.

All Proposals submitted to the City of Galveston shall include this page with the submitted Proposal.

Appendix A – Proposal Document (continued)

1. REQUIRED PROPOSAL INFORMATION. IN ORDER FOR A PROPOSAL TO BE CONSIDERED COMPLETE, AND TO BE EVALUATED FOR A CONTRACT AWARD BY THE CITY, PROPOSER MUST SUBMIT ALL OF THE FOLLOWING INFORMATION

1. Proposed Products and/or Services
   A. Product or Service Description: Proposers should utilize this section to describe the technical aspects, capabilities, features and options of the service or product and/or service proposed in accordance with the required Scope of Services as identified in Appendix J. Promotional literature, brochures, or other technical information may be used.
   B. Additional Hardware Descriptions: Proposers should also include in this section a detailed description of what additional hardware and/or software, if any, would be required by the City in order to fully utilize the goods and/or services proposed.
   C. Guarantees and Warranties: Each Proposer shall submit a complete copy of any warranties or guarantees provided by the manufacturer or Proposer with the Proposal submitted.
   D. Project Schedule/Delivery Date: Proposer must provide a project schedule noting all projected completion dates for segments of the Project, from start-up to completion, and all delivery dates for goods covered by the RFP. The Proposal Document must show the number of days required to deliver and install the product or equipment after the receipt of the City’s Purchase Order.

2. Cost of Proposed Products and/or Services
   A. Pricing: Pricing shall reflect the full Scope of Services defined herein, inclusive of all associated cost for delivery, labor, insurance, taxes, overhead, and profit.
   B. Schedule of Pricing: Proposer shall quote unit pricing in accordance with the itemized listing of products or contract segments stated in the Scope of Services and using the following format:

<table>
<thead>
<tr>
<th>Item #</th>
<th>Quantity</th>
<th>Description of Products/Services</th>
<th>Unit Cost</th>

| TOTAL ALL LINE ITEMS | $   | $   |

3. Term of Contract and Option to Extend:

Any contract resulting from this RFP shall be effective for thirty-six (36) months upon execution by the City of Galveston. The City anticipates that contract shall be renewed pursuant to the availability of funds and at the discretion of the City. The following clauses shall be included in the contract:

A. Option Clause: It is agreed that City will have the option to extend the contract for up to two (2) additional years, in one-year intervals. To exercise this option, the City shall serve notice 30 days prior to contract termination or to the end of any one-year extension. The Option to Extend will not be considered if funding is unavailable or if the contractor’s past
performance is not within the industry standard.

B. Escalation Clause: Should market conditions prevail which dictate an increase, the successful contractor may submit documentation requesting permission to increase pricing no later than 30 days after receiving notice from the City of its intent to extend the agreement. Escalation may only occur at the time of renewal and only upon securing the approval of the City in writing. Requests for price adjustments must be solely for the purpose of accommodating an increase in the contractor’s cost, not profits.

Vendors shall show in this quote their anticipated percent of escalation if/when the option to extend is exercised. The percent quoted will be a maximum. In addition, the percentage proposed will be a factor in determining the best value to the City. It is the average price over the period of the contract that will be the price factor considered in the evaluation of this quote. Quotes in which negative or no escalation is shown will be considered as 0% escalation.

C. Price Increases Upon Extension: If approved by the City, the Contractor shall modify the rates charged by the Contractor to reflect any changes shown in the comparative statement delivered to the City. The maximum increase allowed under this provision shall be two percent (2%) per year. The City shall have authority, in its reasonable discretion, to determine the validity of any change in Contractor’s rates. City cannot exercise the Option to Extend with any price increases unless the Vendor completes the section of the Quote requesting anticipated percentage of annual escalation. The escalation time frame will be determined by the City’s Fiscal Year which begins in October and ends the following September. (example: FY 2017 October 1, 2016 – September 30, 2017)

FIRST ADDITIONAL YEAR (FY 2019) ESCALATION ....................... ____%
SECOND ADDITIONAL YEAR (FY 2020) ESCALATION ..................... ____%
THIRD ADDITIONAL YEAR (FY 2021) ESCALATION ....................... ____%
FOURTH ADDITIONAL YEAR (FY 2022) ESCALATION ....................... ____%

4. Proposer’s Experience / Staff

A. Project Team: Identify all members of the Proposer’s team (including both team members and management) who will be providing any services proposed and include information which details their experience.

B. Removal or Replacement of Staff: If an assigned staff person must be removed or replaced for any reason, the replacement person must be approved by City prior to joining the project.

C. Business Establishment: State the number of years the Proposer’s business has been established and operating. If Proposer’s business has changed names or if the principals operating the business operate any similar businesses under different names, or have operated any other businesses or changed the legal status or form of the business within the last five (5) years, all names, of predecessor business names, affiliated entities, and previous business entities operated by the principals, if different than present, must be provided;

State the number of years’ experience the business has: _____; and the number of employees: ______.
D. **Project Related Experience:** All Bids must include detailed information that details the Proposer’s experience and expertise in providing the requested services that demonstrates the Proposer’s ability to logically plan and complete the requested project.

5. **References**

Proposer shall provide four (4) references where Proposer has performed similar to or the same types of services as described herein.

6. Trade Secrets and/or Confidential Information

Trade Secrets and/or Confidential Information: This proposal ___ (does) ___ (does not) contain trade secrets and/or confidential information. If applicable, describe such trade secrets and confidential information, and the basis for your assertion that such material qualifies for legal protection from disclosure.

7. Federal, State and/or Local Identification Information

A. Centralized Master Bidders List registration number: ______________________________.

B. Prime contractor HUB / MWBE registration number: ______________________________.

C. An individual Proposer acting as a sole proprietor must also enter the Proposer’s Social Security Number: #_______-_______-_______.

8. Emergency Business Services Contact Notice

During a natural disaster, or homeland security event, there may be a need for the City of Galveston to access your business for products or services after normal business hours and/or holidays. The City may request City employee pick up or vendor delivery of product or services.

For this purpose, a primary and secondary emergency contact name and phone number are required. It is critical the vendor’s emergency contact information remains current. City shall be contacted by E-mail with any change to a contact name or phone number of these emergency contacts. Updates may be emailed to purchasing@galvestontx.gov.

All products or services requested during an emergency event are to be supplied as per the established contract prices, terms and conditions. The vendor shall provide the fee (pricing) for an after-hours emergency opening of the business, if any. In general, orders will be placed using a City of Galveston procurement card (Master Card) or City issued Purchase Order. The billing is to include the emergency opening fee, if applicable.

The contractor shall provide the names, phone numbers and fee (pricing), if any, for an after-hours emergency opening of the business listed below.

Business Name: _____________________________________________________________________

Contract #: _________________________________________________________________

Description: __________________________________________________________________

Primary Contact (Name):________________________________________________________________

Primary Contact Phone Numbers: Home: ________________ Cell: ________________

Secondary Contact (Name):________________________________________________________________

Secondary Contact Phone Numbers: Home: ________________ Cell: ________________

After Hours emergency opening fee, if applicable: $__________________________________
9. **Cooperative Governmental Purchasing Notice**

Other governmental entities maintaining inter-local agreements with the City, may desire, but are not obligated, to purchase goods and services defined in this RFP from the successful Proposer. All purchases by governmental entities, other than the City, will be billed directly to and paid by that governmental entity. The City will not be responsible for another governmental entity’s debts. Each governmental entity will place their own orders with the successful Proposer and be responsible for ensuring full compliance with the RFP specifications. Prior to other governmental entities placing orders, the City will notify the successful Proposer of their intent.

Please indicate below if you will permit other governmental entities to purchase from your agreement with the City.

[ ] Yes, Others can purchase  [ ] No, Only the City can purchase.

II. **CONTRACT TERMS AND CONDITIONS.** EXCEPT WHERE PROPOSER MAKES SPECIFIC EXCEPTION IN THE SUBMITTED PROPOSAL, ANY CONTRACT RESULTING FROM THIS RFP WILL CONTAIN THE FOLLOWING TERMS AND CONDITIONS, WHICH PROPOSER HEREBY ACKNOWLEDGES, AND TO WHICH PROPOSER AGREES BY SUBMITTING A PROPOSAL:

1. **Delivery of Products and/or Services**

   A. **Payment Terms:** Unless otherwise specified in the Scope of Services or otherwise agreed to in writing by the City, payment terms for the City are Net 30 days upon receipt of invoice. Refer to Texas Local Government Code 2251, Payment for Goods and Services. Otherwise known as the Prompt Payment Act. Send all invoices to City of Galveston Attention: Accounts Payable, PO Box 779, Galveston, Texas 77553 or email: accounts payable@galvestontx.gov. See Appendix H for ACH Payment Information, if you elect to receive your payments according to Appendix H, fill out the form and return with your documents.

   B. **Warranty of Products and Services:** All products furnished under this contract shall be warranted to be merchantable and good quality and fit for the purposes intended as described in this Proposal, to the satisfaction of City and in accordance with the specifications, terms, and conditions of the Scope of Services, and all services performed shall be warranted to be of a good and workmanlike quality, in addition to, and not in lieu of, any other express written warranties provided.

   C. **Late Delivery or Performance:** If Proposer fails to deliver acceptable goods or services within the timeframes established in the Project Schedule, the City shall be authorized to purchase the goods or services from another source and assess any increase in costs to the defaulting Proposer, who agrees to pay such costs within ten days of invoice.

   D. **FOB (delivery charges):** All products offered shall be FOB final destination, with all delivery charges to be prepaid by the Proposer. The City does not accept C.O.D. or collect shipments. The contract price shall include all charges, including delivery, installation and set-up fees. All packing, crating, or other debris resulting from the delivery or set-up of the commodity purchased shall be removed and properly disposed by the successful Proposer at no additional cost to the City.
E. **Title to Goods and Risk of Loss:** For goods to be provided by Proposers hereunder, if any, the title and risk of loss of the goods shall not pass to City until City actually receives, takes possession, and accepts the goods and the installation of such goods, has tested the system, and determined that it is in good and acceptable working order.

F. **Force Majeure:** If by reason of Force Majeure either party shall be rendered unable, wholly or in part, to carry out its responsibilities under this contract by any occurrence by reason of Force Majeure, then the party unable to carry out its responsibility shall give the other party notice and full particulars of such Force Majeure in writing within a reasonable time after the occurrence of the event, and such notice shall suspend the party’s responsibility for the continuance of the Forced Majeure claimed, but for no longer period. Force Majeure means acts of God, floods, hurricanes, tropical storms, tornadoes, earthquakes, or other natural disasters, acts of public enemy, acts of terrorism, sovereign conduct, riots, civil commotion, strikes or lockouts, and other causes that are not occasioned by either Party’s conduct which by the exercise of due diligence the party is unable to overcome and which substantially interferes with operations.

G. **Liquidated Damages:** This section left intentionally blank.

H. **Change Orders:** per Texas Local Government Code Sec. 252.048. CHANGE ORDERS.

(a) If changes in plans or specifications are necessary after the performance of the contract is begun or if it is necessary to decrease or increase the quantity of work to be performed or of materials, equipment, or supplies to be furnished, the governing body of the municipality may approve change orders making the changes.

(b) The total contract price may not be increased because of the changes unless additional money for increased costs is appropriated for that purpose from available funds or is provided for by the authorization of the issuance of time warrants.

(c) If a change order involves a decrease or an increase of $50,000 or less, the governing body may grant general authority to an administrative official of the municipality to approve the change orders.

(c-1) If a change order for a public works contract in a municipality with a population of 300,000 or more involves a decrease or an increase of $100,000 or less, or a lesser amount as provided by ordinance, the governing body of the municipality may grant general authority to an administrative official of the municipality to approve the change order.

(d) The original contract price may not be increased under this section by more than 25 percent. The original contract price may not be decreased under this section by more than 25 percent without the consent of the contractor.

2. **Miscellaneous**

A. **Independent Contractor:** Proposer agrees that Proposer and Proposer’s employees and agents have no employer-employee relationship with City. Proposer agrees that if Proposer is selected and awarded a contract, City shall not be responsible for the Federal Insurance Contribution Act (FICA) payments, Federal or State unemployment taxes, income tax withholding, Workers Compensation Insurance payments, or any other insurance payments, nor will City furnish any medical or retirement benefits or any paid vacation or sick leave.
B. **Assignments:** The rights and duties awarded the successful Proposer shall not be assigned to another without the written consent of the Purchasing Supervisor. Such consent shall not relieve the assigner of liability in the event of default by the assignee.

C. **Liens:** Proposer shall indemnify and save harmless the City against any and all liens and encumbrances for all labor, goods, and services which may be provided to the City by Proposer or Proposer’s vendor(s), and if the City requests, a proper release of all liens or satisfactory evidence of freedom from liens shall be delivered to the City.

D. **Gratuities / Bribes:** Proposer certifies that no bribes in the form of entertainment, gifts, or otherwise, were offered or given by the successful Proposer, or its agent or representative, to any City officer, employee or elected representative, with respect to this RFP or any contract with the City, and that if any such bribe is found to have been made this shall be grounds for voiding of the contract.

E. **Financial Participation:** Proposer certifies that it has not received compensation from the City to participate in preparing the specifications or RFP on which the Proposal is based and acknowledges that this contract may be terminated and/or payment withheld if this certification is inaccurate.

F. **Required Licenses:** Proposer certifies that he holds all licenses required by the State of Texas for a provider of the goods and/or services described by the Scope of Services herein.

G. **Authority to Submit Proposal and Enter Contract:** The person signing on behalf of Proposer certifies that the signer has authority to submit the Proposal on behalf of the Proposer and to bind the Proposer to any resulting contract.

H. **Authority to Enter Contract – City:** The City Manager is the only person authorized to execute contracts on behalf of the City. All signature pages must include “approved as to form” and be signed by the City Manager before the contract is executed. Neither department heads nor elected officials are authorized to sign any binding contracts or agreements prior to being properly placed on the City Council’s agenda and approved in an open meeting. Department heads and other elected officials are not authorized to enter into any type of agreement or contract on behalf of the City of Galveston. Only the City Manager may enter into a contract on behalf of the City of Galveston as authorized by City Council and the City Charter. Additionally, department heads and other elected officials are not authorized to agree to any type of supplemental agreements or contracts for goods or services. Supplemental agreements are subject to review by the City’s Legal Department prior to being signed by the City Manager, (City’s authorized representative).

I. **Compliance with Applicable Law:** Proposer agrees that the contract will be subject to, and Proposer will strictly comply with, all applicable federal, state, and local laws, ordinances, rules, and regulations.

J. **Non-Discrimination:** During the performance of this contract, the contractor agrees as follows: (1) The contractor will not discriminate against any employee or applicant for employment because of race, age, disability, color, religion, sex, or national origin. The contractor will take affirmative action to ensure that applicants and employees are not discriminated against on the basis of race, age, disability, color, religion, sex or national origin. In the event the contractor violates this non-discrimination clause, such action shall include, but not be limited to the following: employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The contractor agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting officer setting forth the provisions...
of this nondiscrimination clause. (2) The contractor will, in all solicitations or advertisements for employees placed by or on behalf of the contractor, state that all qualified applicants will receive consideration for employment without regard to race, age, disability, color, religion, sex or national origin.

A. Insurance: The Proposer, consistent with its status as an independent contractor, shall carry, and shall require any of its subcontractors to carry, at least the following insurance in such form, with such companies, and in such amounts (unless otherwise specified in the Scope of Services, Appendix J) as City may require, naming the City of Galveston as the additional insured:

i. Worker’s Compensation and Employer’s Liability insurance, including All States Endorsement, to the extent required by federal law and complying with the laws of the State of Texas;

ii. Commercial General Liability insurance for at least One Million Dollars ($1,000,000) on a per occurrence basis, with a Two Million ($2,000,000) aggregate. Blanket Contractual Liability, Broad Form Property Damage, Personal Injury, Completed Operations/Products Liability, Premises Liability, Medical Payments, and Broad Form General Liability Endorsements;

iii. Comprehensive Automobile Liability insurance covering all owned, non-owned or hired automobiles to be used by the Contractor, with coverage at the minimum State of Texas requirements;

iv. Professional Liability, Errors and Omissions in an amount to be determined in the Scope of Services.

Insurance coverage shall be on an “occurrence basis”

B. Indemnification: In Accordance with State Law, the contractor agrees to indemnify, save, and hold harmless the City of Galveston, Texas, its employees, officials, and agents from any and all claims, actions, damages, lawsuits, proceedings, judgements, or liabilities, for personal injury, death, or property damage resulting from the acts or omissions of anyone under the contractor’s supervision or control.

In the event of any cause of action or claim asserted by a party to this agreement or any third party, the City will provide the contractor with timely notice of such claim, dispute or notice. Thereafter, the contractor shall at its own expense, faithfully and completely defend and protect the City against any and all liabilities arising from this claim, cause of action, or notice.

i. Indemnity for Intellectual Property: Proposer hereby warrants that the use or sale of the products, materials and services delivered hereunder will not infringe on the rights of any trade secrets, patent, copyright, registered trademark, or other intellectual property by right covering such materials and the successful Proposer agrees to indemnify and hold harmless the City for any and all costs, expenses, judgments, and damages which the City may have to pay or incur.
C. **Bond Requirements:** If applicable, per the Scope of Services (Appendix J, Section 3. Special Conditions), prior to the commencement of work on this Project, Proposer shall deliver to the City the following bonds issued by a good and sufficient surety licensed by the State of Texas and satisfactory to the City:

i. Proposal bonds are required for Proposals over $25,000.00 in the amount of 5% of the total Proposal amount.

ii. A payment bond in the amount of 100% of the total contract amount insuring the full and prompt payment of all persons performing labor and/or furnishing materials in connection with this Project;

iii. A performance bond in the amount of 100% of the total contract amount insuring full, faithful, and prompt performance of the responsibilities contained in this contract within the time parameters provided herein; and

iv. A maintenance bond insuring full and prompt maintenance, repair and/or replacement of the goods to be provided by Proposer for a period of two years from date of acceptance by the City.
Appendix B – Form CIQ

INFORMATION REGARDING VENDOR CONFLICT OF INTEREST QUESTIONNAIRE

WHO: The following persons must file a Conflict of Interest Questionnaire with the City if the person has an employment or business relationship with an officer of the City that results in taxable income exceeding $2,500 during the preceding twelve – month period, or an officer or a member of the officer’s family has accepted gifts with an aggregate value of more than $250 during the previous twelve – month period and the person engages in any of the following actions:

1. contracts or seeks to contract for the sale or purchase of property, goods or services with the City, including any of the following:
   a. written and implied contracts, utility purchases, purchase orders, credit card purchases and any purchase of goods and services by the City;
   b. contracts for the purchase or sale of real property, personal property including an auction of property;
   c. tax abatement and economic development agreements;
2. submits a Proposal to sell goods or services, or responds to a request for proposal for services;
3. enters into negotiations with the City for a contract; or
4. applies for a tax abatement and/or economic development incentive that will result in a contract with the City

THE FOLLOWING ARE CONSIDERED OFFICERS OF THE CITY:

1. Mayor and City Council Members;
2. City Manager;
3. Board and Commission members and appointed members by the Mayor and City Council;
4. Directors of 4A and 4B development corporations;
5. The executive directors or managers of 4A and 4B development corporations; and
6. Directors of the City of Galveston who have authority to sign contracts on behalf of the City.

EXCLUSIONS: A questionnaire statement need not be filed if the money paid to a local government official was a political contribution, a gift to a member of the officer’s family from a family member; a contract or purchase of less than $2,500 or a transaction at a price and subject to terms available to the public; a payment for food, lodging, transportation or entertainment; or a transaction subject to rate or fee regulation by a governmental entity or agency.

WHAT: A person or business that contracts with the City or who seeks to contract with the City must file a “Conflict of Interest Questionnaire” (FORM CIQ) which is available online at www.ethics.state.tx.us and a copy of which is attached to this guideline. The form contains mandatory disclosures regarding “employment or business relationships” with a municipal officer. Officials may be asked to clarify or interpret various portions of the questionnaire.

WHEN: The person or business must file:

1. the questionnaire – no later than seven days after the date the person or business begins contract discussions or negotiations with the municipality, or submits an application, responds to a request for proposals or Proposals, correspondence, or other writing related to a potential contract or agreement with the City; and
2. an updated questionnaire – within seven days after the date of an event that would make a filed questionnaire incomplete or inaccurate.

It does not matter if the submittal of a Proposal or proposal results in a contract. The statute requires a vendor to file a FORM CIQ at the time a proposal is submitted or negotiations commence.

WHERE: The vendor or potential vendor must mail or deliver a completed questionnaire to the Finance Department. The Finance Department is required by law to post the statements on the City’s website.

ENFORCEMENT: Failure to file a questionnaire is a Class C misdemeanor punishable by a fine not to exceed $500. It is an exception to prosecution that the person files a FORM CIQ not later than seven business days after the person received notice of a violation.

NOTE: The City does not have a duty to ensure that a person files a Conflict of Interest Questionnaire.
CONFLICT OF INTEREST QUESTIONNAIRE
For vendor or other person doing business with local governmental entity

| OFFICE USE ONLY |
|-----------------|----------------|
| Date            | Received       |

This questionnaire reflects changes made to the law by H.B. 1491, 80th Leg., Regular Session.

This questionnaire is being filed in accordance with Chapter 176, Local Government Code by a person who has a business relationship as defined by Section 176.001(1-a) with a local governmental entity and the person meets requirements under Section 176.006(a).

By law this questionnaire must be filed with the records administrator of the local governmental entity not later than the 7th business day after the date the person becomes aware of facts that require the statement to be filed. See Section 176.006, Local Government Code.

A person commits an offense if the person knowingly violates Section 176.006, Local Government Code. An offense under this section is a Class C misdemeanor.

1. Name of person who has a business relationship with local governmental entity.

2. □ Check this box if you are filing an update to a previously filed questionnaire.

   (The law requires that you file an updated completed questionnaire with the appropriate filing authority not later than the 7th business day after the date the originally filed questionnaire becomes incomplete or inaccurate.)

3. Name of local government officer with whom filer has employment or business relationship.

   Name of Officer

   This section (item 3 including subparts A, B, C & D) must be completed for each officer with whom the filer has an employment or other business relationship as defined by Section 176.001(1-a), Local Government Code. Attach additional pages to this Form CIQ as necessary.

   A. Is the local government officer named in this section receiving or likely to receive taxable income, other than investment income, from the filer of the questionnaire?
      □ Yes  □ No

   B. Is the filer of the questionnaire receiving or likely to receive taxable income, other than investment income, from or at the direction of the local government officer named in this section AND the taxable income is not received from the local governmental entity?
      □ Yes  □ No

   C. Is the filer of this questionnaire employed by a corporation or other business entity with respect to which the local government officer serves as an officer or director, or holds an ownership of 10 percent or more?
      □ Yes  □ No

   D. Describe each employment or business relationship with the local government officer named in this section.

4. 

   Signature of person doing business with the governmental entity  Date  Adopted 06-29-2007

THIS DOCUMENT MUST BE COMPLETED AND SUBMITTED AS IT IS A PART OF THE BID PACKAGE AS MENTIONED IN SECTION 6B OF THE PROPOSAL.
Appendix C - House Bill 89 Verification

I, ________________________________ (Person name), the undersigned representative of (Company or Business Name) __________ (hereinafter referred to as Company) being an adult over the age of eighteen (18) years of age, after being duly sworn by the undersigned notary, do hereby depose and verify under oath that the company named above, under the provisions of Subtitle F, Title 10, Government Code Chapter 2270:

a. Does not boycott Israel currently; and
b. Will not boycott Israel during the term of the contract the above-named Company, business or individual with the City of Galveston, Texas.

Pursuant to Section 2270.001, Texas Government Code:

1. “Boycott Israel” means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes; and

2. “Company” means a for-profit sole proprietorship, organization, association, corporation, partnership, joint venture, limited partnership, limited liability partnership, or any limited liability company, including a wholly owned subsidiary, majority-owned subsidiary, parent company or affiliate of those entities or business associations that exist to make a profit.

Appendix I – ACH Form

The City of Galveston would like to thank you for the services you and your company have provided for us in the past, present, and in the future. For those services provided you have more than likely received payments via a paper check in the mail. As we all know, that process is slow, inefficient, and costly for us and for you as the recipient.

Mail can be delayed, lost, or even stolen causing payments to be late and we may then face penalties and late fees. The City of Galveston would like to streamline our payment process with electronic payments. These payments will be transferred electronically from our financial institute to your financial institute. The process will get your payments to you in a quicker, more reliable, and more efficient manner.

If you would like to sign up to start receiving all of your payments via ACH / Wire Transfers, please fill out the authorization forms and return to the City of Galveston Finance Department.

Please email to:
accountspayable@galvestontx.gov

Or mail to:
City of Galveston
Finance Department
P.O. Box 779
Galveston, TX 77553

If you have any questions or concerns, please do not hesitate to call Accounts Payable at 409.797.3569. Please put the Purchase Order Number on your invoices to ensure prompt payment. Again, we appreciate you and the services your business provide for the City of Galveston.

Sincerely,

Michael W. Loftin
Assistant City Manager – Finance

5. Brand Manufacture Reference

The City has determined that any manufacturer’s brand defined in the Scope of Services meets the City’s product and support need. The manufacturer’s reference is not intended to be restrictive, and is only descriptive of the type and quality the City desires to purchase. Quotes for similar manufactured products of like quality will be considered if the Proposal is fully noted with the manufacturer’s brand name and model. The City reserves the right to determine products and support of equal value, and whether other brands or models meet the City’s product and support needs.

7. **Scope of Services**  - Police Department Uniforms and Duty Gear

**SECTION I – GENERAL SPECIFICATIONS**

**INTENTION OF SPECIFICATIONS**

The City of Galveston is accepting proposals from vendors for the purchase of uniforms for the Police Department in full accordance with the specifications, terms and conditions contained in this proposal. This proposal consists of various uniform clothing type items.

The Police Department currently employs 160 employees, who are supplied uniforms.

NO PERSON has the authority to verbally alter these specifications. Any changes to specifications will be issued as an addendum and posted to the City of Galveston website.

**CONTRACT TERM**

Contract term shall be one (1) year upon execution of the contract by the City of Galveston. Upon completion of the term of the original contract, and upon the mutual agreement of both parties, the original contract may be renewed for four (4) additional one (1) year periods.

**REQUIREMENTS**

Contractor shall maintain a staffed office for the processing of specific job related information during normal working hours, 8:00 A.M. to 5:00 P.M., and five (5) days a week. An answering service shall be provided by the Contractor to answer all calls placed after normal working hours seven (7) days per week.

Offeror shall include the following information to describe the experience and capability of the company:

- Number of years in operation, description of operations and size of firm.
- Kind of company, i.e., corporation, partnership or sole proprietor. If corporation, please list names and addresses of the three (3) top corporate officers. If partnership, list names of partners.

**References from at least three (3) businesses with whom your company has completed similar type work within the last year, do not include the City of Galveston as a reference.**

All materials shall be provided at the Contractor's expense, unless otherwise stated within specifications.

All invoices shall include an authorized purchase order number. No invoice will be paid without an authorized purchase order number.

City may, at any time, request a meeting to discuss performance, service, etc.

Contractor shall not subcontract any tasks associated with this contract without prior written consent of the City.

**The offeror shall have a typical retail “store front” open to the general public within a 45 mile radius of 601 54th Street, Galveston, TX 77551.**
The offeror shall make available a delivery option of completed orders. Delivery shall be at City of Galveston Police Department 601 54th Street, Galveston, TX 77551, during regular business hours 8:00 AM to 4:00 PM Monday – Friday, excluding city holidays. There shall be no extra charge for the delivery option. NO EXCEPTIONS.

Offeror shall describe online ordering capabilities.

**USAGE REPORTS**

Awarded vendor may be requested to provide a complete and accurate usage history report for all products/services furnished hereunder. At a minimum, report will include the following:

- Purchase Order Number
- Invoice Number
- Clothing style number/order number, description, size
- Purchase price
- User name

This report should also include any information on substitute/replacement items and shall be noted as such.

**INTERLOCAL PARTICIPATION**

The City may, from time to time, enter into Inter-local Cooperative Purchasing Agreements with other governmental entities (hereafter collectively referred to as “Entity” or “Entities”) to enhance the City’s purchasing power. At the City’s sole discretion and option, City may inform other Entities that they may acquire items listed in this proposal. Such acquisition(s) shall be at the prices stated herein, and shall be subject to offeror’s acceptance.

In no event shall City be considered a dealer, re-marketer, agent or other representative of Vendor or Entity. Further, City shall not be considered and is not an agent, partner or representative of the Entity making purchases hereunder, and shall not be obligated or liable for any such order.

Entity purchase orders shall be submitted to Vendor by the Entity.

Vendor authorizes City’s use of Vendor’s name, trademarks and Vendor provided materials in City’s presentations and promotions regarding the availability of use of this contract. The City makes no representation or guarantee as to any minimum amount being purchased by City or Entities, or whether Entity will purchase utilizing City’s contract.

City will not be liable or responsible for any obligations, including but not limited to payment, and for any item ordered by an entity other than City.

**EVALUATION CRITERIA**

The City shall consider the following factors for evaluation, not necessarily in this order:

- Cost of goods – 40%
- Reputation of offeror and references – 15%
- Quality of the products offered – 30%
- Delivery and demonstrated capability to meet deadlines for deliveries – 20%
- Past performance with a similar size entity and/or similar requirements – 15%
- Proximity of the offeror to the City as it relates to the ability to perform the contract requirements – 10%
**PROPOSAL ACCEPTANCE**

The City of Galveston reserves the right to accept or reject any and all proposals, to accept any proposal deemed advantageous and to waive irregularity in the proposals. By proposing, the offeror acknowledges and will adhere to all proposal specifications as stated within this proposal packet.

**ASSIGNMENT**

The successful Contractor may not assign, sell or otherwise transfer this contract without prior written consent of the City of Galveston.

**NEW MERCHANDISE**

All garments furnished as a result of this proposal must be new. The City will neither purchase nor accepts proposals or shipments of goods classified as seconds, irregulars or any other designation other than new. Only first quality garments will be considered for award.

**STOCK SIZES AND GARMENTS**

It is the intention of the City to contract for the purchase of a manufacturer’s stock garments provided in standard sizes. The definition of a stock size for this contract will be those sizes that are cataloged and priced by the manufacturer as readily available with delivery from stock. The City will agree to pay a normal industry standard additional charge for oversize garments. Generally, oversize garments would be considered as men’s shirts 18-1/2 and above and men’s trousers 44 and above.

**ADDITIONAL ITEMS/UPGRADES**

The City may require additional items of similar nature not specifically listed in the contract or wish to purchase an item upgraded from that proposed by the contractor. In such event, the contractor shall provide the City with a price for the new or upgraded item based upon a procedure or formula, which is the same or very similar to that used in establishing the prices as contained in the contractor’s proposal. If the price offered is not acceptable to the City, and the matter cannot be resolved to the satisfaction of the City, the City reserves the right to procure the new or upgraded items from other vendors or to cancel the contract upon giving thirty (15) days written notice to the contractor.

**GUARANTEE OF CONTINUITY AND AVAILABILITY OF GARMENTS**

Unless a given fabric is discontinued by the mill, all garments are specified by the contractor in his proposal shall be available to the City during the life of the contract. All production including fabric, color shade, trimmings and construction shall equal or exceed the standards set forth in these specifications and must match the style, color and quality of the initial order as accepted by the specifications and will not be changed without prior approval of the City.

**COLOR**

City of Galveston Police Department uniform is navy. Fabric color of shirts must match trousers and vice versa.

**ORDERING**

During the contract term, orders will be placed on an as needed, as required basis. Contractor agrees to fill any quantity ordered by the City, with no minimum order requirements. Please note that it is the intent of the City to consolidate needs into a single order whenever possible/feasible for the Police Department.
DELIVERY

The City of Galveston Police Department requires all stock uniform orders to be delivered no later than 14 calendar days after receipt of purchase order. Failure to meet this delivery schedule may result in termination of the contract (exceptions may be made as referenced in section 15.0 above for items considered non-stock on the basis of sizing, as communicated by awarded vendor with anticipated delivery time to PD Quartermaster at time of order).

NAME BRANDS

Specifications reference name brands and model numbers. It is not the intent of the City of Galveston to restrict proposing in such cases, but to establish a desired quality level of merchandise or to meet a pre-established standard due to like existing items. Offerors may offer items of equal construction and performance, with the burden of proof of such equivalence resting with offerors. The City of Galveston shall act as sole judge in determining equality and acceptability of products offered.

Offerors desiring to proposal a substitute item should make a request no later than one week prior to proposal opening for a product equivalence. Requests should be submitted in writing to Purchasing, at purchasing@galvestontx.gov.

APPROVED EQUALS

Specifications regarding the materials and construction of the uniform articles described herein have been written in the best interests of the City of Galveston Police Department. This is to ensure that both quality and workmanship in all uniforms supplied by offerors will be consistent. However, an offeror may offer another uniform article for consideration as “equal” only if, prior to the proposal opening, approval of said alternate is approved by the City of Galveston. Requests for approved equals should be made in writing to the Purchasing Division at purchasing@galvestontx.gov, by October 4, 2017 at 2:00 pm. Offerors requesting to submit a pre-approved equal item may be required to provide the following, to include but not be limited to, performance specifications of garment, samples of garment, etc. If an offeror fails to name a substitute, he will be required to furnish the proposal items as identified in specifications and/or proposal sheet.

SUBSTITUTION OF MATERIAL

The City of Galveston will permit substitution of fabric in the event of a mill strike, disaster, and act of God or other circumstance that causes disablement of the mill. In this event, prior written authority will be obtained from the City of Galveston, it being agreed that the City shall be the sole judge of the proposed substitution being comparable.

REJECTIONS

Any article that fails to meet specifications as material, workmanship or proper fit is subject to rejection and can be cause for termination of contract. Special attention will be paid to uniform garments in regard to neatness and straightness of seams and stitching. Any garment that contains broken, crooked, or loose stitching will not be acceptable. Any item that fails to meet specifications will be returned to the supplier at their expense.

MEASUREMENTS AND FIT

An authorized official representative of the company shall visit the location where uniforms shall be required, to gain a precise uniform measurement of each individual employee. The City and the successful offeror, for the accomplishment of this task, shall prearrange a set time frame for measurements. When garments are ordered for specific persons named in the order, the supplier
shall be responsible to ensure that rack size garments provided are appropriately sized to correctly fit the individual, but shall not be considered as made to measure or custom tailored. Made to measure or custom tailoring required will be specified at time of order and offerors must state any extra charges for this service at time of proposal.

Newly hired employees shall be fitted for uniforms on an as needed basis. Delivery of uniforms for newly hired employees shall be made within a fourteen (14) day period. In the event uniforms are not delivered within the time stated, the City reserves the right to cancel the order and purchase uniforms from another source.

Contractor shall attach all Department patches on the uniform shirts. The City of Galveston Police Department emblem shall be sewn on both shoulders. A Badge Reinforcement should be sewn onto the left chest of every shirt. All emblems, embellishments, and alterations are sewn using thread to match garment. The pants should also be hemmed at no additional cost to the City.

Both male and female employees shall be measured and fitted as required. All clothing shall be guaranteed to properly fit. The successful offeror on all garments shall assume the following:

Full responsibility for material, workmanship and uniformity of the product as well as the correct fitting of each garment; and in the event of error, the vendor shall immediately replace any or all garments at no cost to the City of Galveston.

Full responsibility for:

Measurement, sizing and properly fitting uniforms to personnel.
Uniformity of color.
Quality of materials.
Tailoring, alterations and other specifications herein at no additional cost
Proper attachment of all patches and insignia provide by the Police Department.

Each employee’s garments shall be packaged in a “set” which shall consist of: one shirt (long or short sleeve) and one pair of pants. Packaging shall include the employee’s name.

Proposal prices shall be per unit with an extended total. Should a conflict arise between the unit price and the total, the unit price will govern.

All mathematical calculations will be verified. If discrepancies are found the City’s calculation shall be considered accurate.

There are two (2) sections in this proposal, male and female uniforms. If only proposing one section you must propose everything in that section to be considered for the award. For a single vendor to receive the award they must propose everything.

**ESTIMATED PURCHASES**

Quantities indicated are estimated. No warranty is given or implied as to the actual items and/or dollar amount that will be purchased during the term of any resulting contract.
SECTION II – TECHNICAL SPECIFICATIONS

Flying Cross Men’s Short Sleeve Shirt

Style: It is the intent of this department to procure the provision of Flying Cross tailored shirt, or a shirt of equal quality and workmanship (please note requirements stated herein for vendor request for approved-equal determination of substituted products).

Shirts will be cut on a formfitting line, and the shape of the pockets and general style will conform to that of the specified brand-name standard garment.

Shirts to have permanent, sewn-in military stitches.

Tailoring: It is imperative that this garment be constructed according to the principles set forth in the specifications. All stitches must be of the proper tension and size so as to avoid puckering after the shirt has been laundered and to give best durable press performance.

All sewing shall be with Dacron core thread to match shirt fabric.

The collar is to be single stitched 1/4" from edge. The pockets and flaps shall be single stitched on the edge.

Fabric: Fabric to be 100% texturized polyester, 5.0–5.5 oz/square yard tropical weave with mechanical stretch. To insure permanent moisture control and superior breathability, fabric must be treated at fiber level with Nano moisture wicking technology. Fabric is soil resistance, easy care and wrinkle resistance, with excellent color matching and color retention.

Creasing: Pockets and pocket flaps to be die creased to give uniform shape and size.

Collar: Convertible collar shall be one piece and to measure 31/4" long at points and 15/8" wide at back.

The collar is to be constructed of two plies of basic material and one ply of D331 top fuse lining. Collar stays shall be of good quality Stalar vinyl, 23/4" in length and 3/8" wide and be attached to the bottom collar. There shall be one horizontal buttonhole.

The collar and inner yoke to be lined with matching 65% Dacron Polyester/35% Cotton, 4.2 ounce per square yard, 106 x 58. The collar lining shall be banana shaped.

Sleeves: To be straight and whole with 1" hem. These shall be graded in length so as to finish from the shoulder seam as follows:

<table>
<thead>
<tr>
<th>Size</th>
<th>Finished Length</th>
</tr>
</thead>
<tbody>
<tr>
<td>14 &amp; 14 ½</td>
<td>9 ½”</td>
</tr>
<tr>
<td>15, 15 ½, &amp; 16</td>
<td>10”</td>
</tr>
<tr>
<td>16 ½ &amp; above</td>
<td>10 – 12”</td>
</tr>
</tbody>
</table>

The sleeves must be secured to the body of the shirt by means of a merrow stitch with a safety stitch so as to properly strengthen the stitch. The same stitch must be used on the side closing seams as well.

Front: The front shall have a facing 3" in width extending from neckline to the bottom of shirt provided by a turn under of material. The left front shall also have a lined box pleat 1-1/2” wide finished, running full
length of the shirt and shall be topstitched 1/4” from both edges.
The center front shall contain six vertical buttonholes placed 3/4” from edge. First at neck, second 2-1/2”
down, balance 3-1/2” apart.

Back: There is to be yoke composed of an outer piece of the same material as the basic shirt, and an
inner piece of poplin.

Pockets: To have two breast pockets with mitered corners to finish 5-5/8” wide and 6” long. The left
breast pocket to have a pencil compartment about 1-1/4” wide. Both pockets to have 1-1/4” box stitching
top and bottom to prevent spreading.

Flaps: To have two scalloped flaps to finish 5-3/4” in length, 2-3/4” in width at center, and 2-1/2” in
width at sides. Flaps to be secured to front of shirt with two rows of stitching approximately 1/4” above
top of pocket. The left flap to have a pencil opening about 1-1/4” in width. Flaps to be interlined. There
will be a matching button and a buttonhole sewn on the flap.

Flap Closure: The side points of the flaps are to be secured to the pockets by means of velcro fasteners
sewn onto the flaps and pockets.

Badge Tab: To be reinforced on inside of the shirt by means of a strip of material 1-1/2” wide stitched
and folded so that no raw edges show. The reinforcement strip is to extend from the flap setting stitch to
the joining seam at the front of the yoke. To have two small (horizontal) buttonholes, 1-1/4” apart with
the bottom buttonhole 1-1/2” above top of left flap.

Shoulder Straps: The shoulder straps shall be pointed at the end toward the neck of the shirt. The other
end shall be sewn in sleeve head seam. The pointed ends shall be fastened with one matching button. The
straps shall measure 2” at sleeve and taper to 1-3/8”. Straps to be set about 2” from the collar. Shoulder
straps shall be box stitched to shoulders with row of cross stitching 2” from sleeve head seam.

Permanent Creases: Shirt to have permanent military creases. Creases to be stitched in shirt only, not
thru pockets and flaps. One crease in each front extending from hem to joining seam. Three vertical
creases in back; middle crease on center back line; side back creases spaced equally from center crease.

Interlining: Flaps to be EZ crease. Top center to be lined with QST interlining.

Labels: label to be sewn in yoke, with size label sewn next to it. Care and content label to be sewn in
bottom hem.

Button: All buttons shall be made from high impact melamine and must match fabric.

Pressing and Packing: Shirts shall be carefully pressed by hand in first class manner and individually
packed in polyethylene bags. Shirts shall be shipped in strong boxes so as not to be damaged in
shipment. Shirts to be bulk packed.

Code of Conduct: All garments must be produced in acceptable non-sweatshop working conditions.
Verification of acceptable working conditions will be made through a completed Code of Conduct
document that must be made available to the department. This document should list the location of the
manufacturing companies/facilities and address child labor, wage and benefits, overtime, forced labor,
freedom of association, harassment or abuse, health and safety, hours of work, nondiscrimination, and no
retaliation guidelines. Noncompliance of this clause is cause for rejection.

**Note:** Navy shirt to be made to accommodate removable metal buttons throughout.

**Flying Cross Men’s Long Sleeve Shirt**

**Style:** It is the intention of the Galveston Police Department to secure a tailored shirt equal in quality of workmanship and style to the Flying Cross brand or approved equal only.

Shirts will be cut on a formfitting line and the shape of the pockets and general style will conform to this sample.

Shirts to have permanent, sewn-in military stitches.

**Tailoring:** It is imperative that this garment be constructed according to the principles set forth in the specifications. All stitches must be of the proper tension and size so as to avoid puckering after the shirt has been laundered and to give best durable press performance.

All sewing shall be with Dacron core thread to match shirt fabric.

The collar and cuffs are to be single stitched ¼” from edge. The pockets and flaps shall be single stitched on the edge.

**Fabric:** Fabric to be 100% texturized polyester, 5.0-5.5 oz/square yard tropical weave with mechanical stretch. To insure permanent moisture control and superior breathability, fabric must be treated at fiber level with Nano moisture wicking technology. Fabric is soil resistant, easy care and wrinkle resistant with excellent color matching and color retention.

**Creasing:** Pockets and pocket flaps to be die creased to give uniform shape and size.

**Collar:** The shape and style of both leaf and stand shall conform to the TT89 collar. The points, medium spread are to be approximately 3” in length. The back of the stand is to measure 1-1/2”.

The leaf shall be made of three pieces, two pieces of self cloth and one whole lining, which is to be fused to the top collar.

Collar stays shall be of good quality Stalar vinyl, 1-1/2” in length and 3/8” wide and be attached to the bottom collar. The stand shall fasten with one button. There shall be one horizontal button hole.

**Innerstand and inner yoke** to be made of matching 65% Dacron Polyester/35% Cotton, 4.2 oz/square yard, 106 X 58.

**Sleeves:** To be straight and whole. The cuffs are to be 27/8” in width and to fasten with two buttons. There is to be a single stitch 7/16” from top of cuff.

The sleeve opening shall measure 47/8” from top of cuff. The top facing for this opening is to be 11/4” wide and the bottom facing to finish about 2” wide. Button is to be placed on sleeve opening with corresponding buttonhole.

The sleeves must be secured to the body of the shirt by means of a merrow stitch with a safety stitch so as to properly strengthen the stitch. The same stitch must be used on the side closing seams as well.

**Front:** The front shall have a center facing 1-1/2” wide extending from the collar stand to bottom of shirt and be made of the same material as shirt fabric with two rows of stitching 7/8” apart.

The center front shall contain six (6) vertical buttonholes placed 3/4” from edge and 3-1/2” apart.

The button stand, 7/8” wide, shall be self-lined and placed on right side extending from collar stand to
Buttons shall be securely attached to the button stand and shall correspond to the buttonholes on the center facing.

Back: There is to be yoke composed of an outer piece of the same material as the basic shirt, and an inner piece of poplin.

Pockets: To have two breast pockets with mitered corners to finish 5-5/8" wide and 6" long. The left breast pocket to have a pencil compartment about 1-1/4" wide. Both pockets to have 11/4" box stitching top and bottom to prevent spreading.

Flaps: To have two scalloped flaps to finish 5-3/4" in length, 2-3/4" in width at center, and 2-1/2" in width at sides. Flaps to be secured to front of shirt with two rows of stitching approximately 1/4" above top of pocket. The left flap to have a pencil opening about 1-1/4" in width. Flaps to be interlined. There will be a matching button and a buttonhole sewn on the flap.

Flap Closure: The side points of the flaps are to be secured to the pockets by means of velcro fasteners sewn onto the flaps and pockets.

Badge Tab: To be reinforced on inside of the shirt by means of a strip of material 1-1/2" wide stitched and folded so that no raw edges show. The reinforcement strip is to extend from the flap setting stitch to the joining seam at the front of the yoke. To have two small (horizontal) buttonholes, 1-1/4" apart with the bottom buttonhole 1-1/2" above top of left flap.

Shoulder Straps: The shoulder straps shall be pointed at the end toward the neck of the shirt. The other end shall be sewn in sleeve head seam. The pointed ends shall be fastened with one matching button. The straps shall measure 2" at sleeve and taper to 1-3/8". Straps to be set about 2" from the collar. Shoulder straps shall be box stitched to shoulders with row of cross stitching 2" from sleeve head seam.

Permanent Creases: Shirt to have permanent military creases. Creases to be stitched in shirt only, not thru pockets and flaps. One crease in each front extending from hem to joining seam. Three vertical creases in back; middle crease on center back line; side back creases spaced equally from center crease.

Interlining: Flaps to be EZ crease. Top center to be lined with QST interlining. Bands and cuffs to be 37 Durapress.

Labels: TexTrop woven label to be sewn in yoke, with size label sewn next to it. Care and content label to be sewn in bottom hem.

Button: All buttons shall be made from high impact melamine and must match fabric.

Pressing and Packing: Shirts shall be carefully pressed by hand in first class manner and individually packed in polyethylene bags. Shirts shall be shipped in strong boxes so as not to be damaged in shipment. Shirts to be bulk packed.

Code of Conduct: All garments must be produced in acceptable non-sweatshop working conditions. **Note:** Marine Blue shirt to be made to accommodate removable metal buttons on shoulder straps, pocket flaps and cuffs.

**Flying Cross Men’s Uniform Trouser**

Fabric: To insure permanent moisture control, superior breathability, soil resistance, easy care, wrinkle resistance, color matching, and color retention, the fabric is to be 11.512 oz. per linear yard, gabardine weave with mechanical stretch, 100% texturized polyester with Moisture Wicking technology. Color: Dark Navy.

Style: Shall be made on a uniform pattern, having a plain front with quarter top front pockets, Duty Fit waistband, ¾” belt loops and two back pockets. Flying Cross brand, or pre-approved equal only.

Pockets: The front pocket opening will be a minimum 6½” and be 6” deep from the bottom of the opening. Pockets shall be stitched, turned, and re-stitched. The inside front pocket facing shall be a separate piece of self material finishing no less than 1¼” wide. The back pockets will have a minimum opening of 5½” and be 6” deep. They shall be made with a Reese PW automatic machine and finished on the outside with an exposed top and bottom cord. The left pocket shall have a tab to button. The front pockets shall each have a straight bartack and each back pocket shall be bartacked with a triangular bartack. Pockets on both legs shall be stitched, turned and restricted with zipper opens.

Pocketing: All pocketing shall be black 65% Polyester/35% Cotton with a minimum thread count of 70 x 48, weight is 4.3oz/sq. yd.

Waistband: The waistband shall be the Duty Fit waistband, which provides an exact fit by stretching to the wearer’s exact size. The inside waistband shall be made with charcoal wrapped woven elastane and have two tracks of 1/8” wide silicone for shirt retention. It measures 2½” and is attached with a rocac machine. Woven elastic banrol stiffener measuring 1” shall be sewn into the entire waistband to provide additional support.

The waistband is to be constructed using the closed method and shall measure 2” wide when finished. The waistband closure shall be accomplished with a double crush proof hook and eye, bartacked for stability. The hooks and eyes shall be reinforced with stays made of a nonwoven fabric that are anchored by the topstitching for the fly facing and curtain. This topstitching must be to the top of the waistband. The waistband must have an alternate stitch for added strength. No alternative waistband will be acceptable.

Inner Fly/Crotch: The right fly and front crotch linings shall be the same fabric and color as the waistband curtain. There shall be a nonwoven interlining sewn to the fly to give additional stability and strength to the fly. The right fly lining shall be sewn to the left fly below the zipper and continue centered on the join seam across the inseam and end 1” onto the backseam. A separate French fly made of the outer fabric shall be sewn to the inside right fly.

There shall be a triple strength crotch reinforcement to prevent seam failure in the crotch and inseam area. The crotch shall be secured with two rows of stitching. One row is to be on the inside of the trouser, then turned and an additional row to be sewn on the outside of trouser.

Zipper: The trousers shall be closed with a brass memory lock zipper and have a brass bottom stop at the base of the zipper chain. A straight bartack shall be sewn through from the outside of the garment to...
the inside at the bottom of the fly. It shall be sewn through the zipper tape, the right and left fly and the right fly lining. The right and left fly shall be joined by an additional bartack located below the bottom zipper stop on the inside of the trouser.

Belt Loops: There should be a minimum of 5 lined belt loops on waist sizes 28, 29, 30, and a minimum of 7 lined loops on all sizes over 30. Each loop is to be ⅜” wide of double thickness, with stitching on the face side ¾” from each edge. Except for the back loop which shall be tacked on, all loops shall be sewn into the bottom of the waistband and into the rocap. Belt loops shall accommodate a 1¾” belt.

Creasing: The front and back crease in the trouser legs must incorporate a permanent modified silicone crease produce by the Creaser™ System.

Seaming: The entire trouser is to be seamed with Polyester core or 100% Polyester spun thread. The seat seam shall be stitched with a tandem needle seat seaming machine.

Labels: The trouser shall have a sewn-in label giving care instructions and an outside waistband label which shall be marked with lot number, size, fiber content, and cut number. A permanent size label shall be sewn inside on the hip pocket.

Finishing & Pressing: All loose threads shall be removed. Trousers must be pressed completely and properly with side seam, inseam, and seat seam pressed open. There must be a Jetclip attached to the top fly of the finished trouser.

Code of Conduct: All garments must be produced in acceptable non-sweatshop working conditions. Verification of acceptable working conditions will be made through a completed Code of Conduct document that must be made available to the department. This document should list the location of the manufacturing companies/facilities and address child labor, wage and benefits, overtime, forced labor, freedom of association, harassment or abuse, health and safety, hours of work, nondiscrimination, and no retaliation guidelines. Noncompliance of this clause is cause for rejection.

Flying Cross Ladies Short Sleeve Shirt

Style: It is the intention of this department to secure a tailored shirt equal in quality of workmanship and style to the shirt now on display as a sample. Flying Cross brand or preapproved equal only. Shirts will be cut in the Ladies Choice pattern with expanded chest, waist and hip dimensions for a more flattering fit.

Tailoring: It is imperative that this garment be constructed according to the principles set forth in the specifications. All stitches must be of the proper tension and size so as to avoid puckering after the shirt has been laundered and to give best durable press performance.

All sewing shall be with Dacron core thread to match shirt fabric. The collar is to be single stitched 1/4" from edge. The pockets and flaps shall be single stitched on the edge.
Fabric: Fabric to be 100% texturized polyester, 5.0–5.5 oz. /square yard tropical weave with mechanical stretch. To insure permanent moisture control and superior breathability, fabric must be treated at fiber level with Nano moisture wicking technology. Fabric is soil resistance, easy care and wrinkle resistance, with excellent color matching and color retention.

Creasing: Pockets and pocket flaps to be die creased to give uniform shape and size.

Collar: Convertible collar shall be one piece and to measure 3-1/8" long at the points and 1-5/8" wide at back. There shall be one horizontal buttonhole.

The collar is to be constructed of two plies of basic material and one ply of D331 top fuse lining. Collar stays shall be of good quality Stalar vinyl, 2-3/4" in length and 3/8" wide and be attached to the bottom collar.

The collar and inner yoke to be lined with matching 65% Dacron Polyester/35% Cotton, 4.2 ounce per square yard, 106 x 58. The collar lining shall be banana shaped.

Sleeves: To be straight and whole with 1" hem. The finish shall be 9-1/2" long from shoulder seam.

The sleeves must be secured to the body of the shirt by means of a merrow stitch with a safety stitch so as to properly strengthen the stitch. The same stitch must be used on the side closing seams as well.

Front: The fronts shall have a center facing 3" in width extending from neckline to bottom of shirt provided by a turn-under of material. The right front shall also have a lined box pleat 1-1/2" wide finished, running full length of the shirt and shall be topstitched 1/4" from both edges. The center front shall contain six vertical buttonholes placed 3/4" from edge, first at neck, second 21/2" down, balance 3-1/2" apart.

Back: There is to be yoke composed of an outer piece of the same material as the basic shirt, and an inner piece of poplin.

Pockets: To have two breast pockets with mitered corners to finish 5" wide and 5-1/2" long. The left breast pocket to have a pencil compartment about 1-1/4" wide. Both pockets to have 1-1/4" box stitching top and bottom to prevent spreading.

Flaps: To have two scalloped flaps to finish 5-1/4" in length, 2-3/8" in width at center, and 2-1/8" in width at sides. Flaps to be secured to front of shirt with two rows of stitching approximately 1/4" above top of pocket. The left flap to have a pencil opening about 1-1/4" in width. Flaps to be interlined. There will be a matching button and a buttonhole sewn on the flap.

Flap Closure: The side points of the flaps are to be secured to the pockets by means of velcro fasteners sewn onto the flaps and pockets.

Badge Tab: To be reinforced on inside of the shirt by means of a strip of material 1-1/2" wide stitched and folded so that no raw edges show. The reinforcement strip is to extend from the flap setting stitch to the joining seam at the front of the yoke. To have two small (horizontal) buttonholes, 1-1/4" apart with the bottom buttonhole 1-1/2" above top of left flap.

Shoulder Straps: The shoulder straps shall be pointed at the end toward the neck of the shirt. The other end shall be sewn in sleeve head seam. The pointed ends shall be fastened with one matching button. The straps shall measure 2" at sleeve and taper to 1-3/8". Straps to be set about 2" from the collar. Shoulder straps shall be box stitched to shoulders with row of cross stitching 2" from sleeve head seam.

Permanent Creases: Shirt to have permanent military creases. Creases to be stitched in shirt only, not
thru pockets and flaps. One crease in each front extending from hem to joining seam. Three vertical creases in back; middle crease on center back line; side back creases spaced equally from center crease.

Interlining: Flaps to be EZ Crease. Top center to be lined with Freudeburg WR3022 and collar to be D331.

Labels: label to be sewn in yoke, with size label sewn next to it. Care and content label to be sewn in bottom hem.

Button: All buttons shall be made from high impact melamine and must match fabric.

Pressing and Packing: Shirts shall be carefully pressed by hand in first class manner and individually packed in polyethylene bags. Shirts to be shipped in strong boxes so as not to be damaged in shipment. Shirts to be bulk packed.

Code of Conduct: All garments must be produced in acceptable non-sweatshop working conditions. Verification of acceptable working conditions will be made through a completed Code of Conduct document that must be made available to the department. This document should list the location of the manufacturing companies/facilities and address child labor, wage and benefits, overtime, forced labor, freedom of association, harassment or abuse, health and safety, hours of work, nondiscrimination, and no retaliation guidelines. Noncompliance of this clause is cause for rejection.

**Flying Cross Ladies Long Sleeve Shirt**

Style: It is the intention of this department to secure a tailored shirt equal in quality of workmanship and style to the shirt now on display as a sample. Flying Cross brand or pre-approved equal only. Shirts will be cut in the Ladies Choice pattern with expanded chest, waist and hip dimensions for a more flattering fit.

Tailoring: It is imperative that this garment be constructed according to the principles set forth in the specifications. All stitches must be of the proper tension and size so as to avoid puckering after the shirt has been laundered and to give best durable press performance.

All sewing shall be with Dacron core thread to match shirt fabric. The collar and cuffs are to be single stitched 1/4" from edge. The pockets and flaps shall be single stitched on the edge.

Fabric: Fabric to be 100% textured polyester, 5.0–5.5 oz/square yard tropical weave with mechanical stretch. To insure permanent moisture control and superior breathability, fabric must be treated at fiber level with Nano moisture wicking technology. Fabric is soil resistance, easy care and wrinkle resistance, with excellent color matching and color retention.

Creasing: Pockets and pocket flaps to be die creased to give uniform shape and size. Collar: The shape and style of both leaf and stand shall conform to the TT89 Collar. The points, medium spread, are to be approximately 3" in length. The back of the stand is to measure 1-1/2”.

The leaf shall be made of three pieces; two pieces of self cloth and one whole lining, which is to be fused
to the top collar.

Collar stays shall be of good quality Stalar vinyl, 2-1/2" in length and 3/8" wide and be attached to the bottom collar. The stand shall fasten with one button. There shall be one horizontal button hole.

Innerstand and inner yoke to be made of matching 65% Dacron Polyester/35% Cotton, 4.2 ounce per square yard, 106 x 58.

Sleeves: To be straight and whole. The cuffs are to be 2-5/8" in width and to fasten with a two button adjustable cuff. There is to be a single stitch 7/16" from top of cuff.

The sleeve opening shall measure 3-7/8" from top of cuff. The top facing for this opening is to be 1-1/4" wide and the bottom facing to finish about 2" wide. Button is to be placed on sleeve opening with corresponding buttonhole.

The sleeves must be secured to the body of the shirt by means of a merrow stitch with a safety stitch so as to properly strengthen the stitch. The same stitch must be used on the side closing seams as well.

Front: The front shall have a center facing 1-1/2" wide extending from the collar stand to bottom of shirt and be made of the same material as shirt fabric with two rows of stitching 7/8" apart. The center front shall contain six vertical buttonholes placed 3/4" from edge and 3-1/2" apart. The button stand, 7/8" wide, shall be self-lined and placed on left side extending from collar stand to bottom of shirt. Buttons shall be securely attached to the button stand and shall correspond to the buttonholes on the center facing.

Back: There is to be yoke composed of an outer piece of the same material as the basic shirt, and an inner piece of poplin.

Pockets: To have two breast pockets with mitered corners to finish 5" wide and 5-1/2" long. The left breast pocket to have a pencil compartment about 1-1/4" wide. Both pockets to have 1-1/4" box stitching top and bottom to prevent spreading.

Flaps: To have two scalloped flaps to finish 5-1/4" in length, 2-3/8" in width at center, and 2-1/8" in width at sides. Flaps to be secured to front of shirt with two rows of stitching approximately 1/4" above top of pocket. The left flap to have a pencil opening about 1-1/4" in width. Flaps to be interlined. There will be a matching button and a buttonhole sewn on the flap.

Flap Closure: The side points of the flaps are to be secured to the pockets by means of velcro fasteners sewn onto the flaps and pockets.

Badge Tab: To be reinforced on inside of the shirt by means of a strip of material 1-1/2" wide stitched and folded so that no raw edges show. The reinforcement strip is to extend from the flap setting stitch to the joining seam at the front of the yoke. To have two small (horizontal) buttonholes, 1-1/4" apart with the bottom buttonhole 1-1/2" above top of left flap.

Shoulder Straps: The shoulder straps shall be pointed at the end toward the neck of the shirt. The other end shall be sewn in sleeve head seam. The pointed ends shall be fastened with one matching button. The straps shall measure 2" at sleeve and taper to 1-3/8". Straps to be set about 2" from the collar. Shoulder straps shall be box stitched to shoulders with row of cross stitching 2" from sleeve head seam.

Permanent Creases: Shirt to have permanent military creases. Creases to be stitched in shirt only, not thru pockets and flaps. One crease in each front extending from hem to joining seam. Three vertical creases in back; middle crease on center back line; side back creases spaced equally from center crease.

Interlining: Flaps and bands to be EZ Crease. Top center to be lined with Freudenburg WR3022. Cuffs to be M37 H'Press and collar to be CK331.
Labels: label to be sewn in yoke, with size label sewn next to it. Care and content label to be sewn in bottom hem.

Button: All buttons shall be made from high impact melamine and must match fabric.

### Flying Cross Ladies Long Sleeve Shirt Class A Marine Blue

Style: It is the intention of this department to secure a tailored shirt equal in quality of workmanship and style to the shirt now on display as a sample. Flying Cross brand Model 35W5435 or pre-approved equal only. Shirts will be cut in the Ladies Choice pattern with expanded chest, waist and hip dimensions for a more flattering fit.

Tailoring: It is imperative that this garment be constructed according to the principles set forth in the specifications. All stitches must be of the proper tension and size so as to avoid puckering after the shirt has been laundered and to give best durable press performance.

All sewing shall be with Dacron core thread to match shirt fabric. The collar and cuffs are to be single stitched 1/4" from edge. The pockets and flaps shall be single stitched on the edge.

Fabric: Fabric to be 65% Dacron Polyester/35%Combed Cotton

Creasing: Pockets and pocket flaps to be die creased to give uniform shape and size.

Collar: The shape and style of both leaf and stand shall conform to the TT89 Collar. The points, medium spread, are to be approximately 3" in length. The back of the stand is to measure 1-1/2".

The leaf shall be made of three pieces; two pieces of self cloth and one whole lining, which is to be fused to the top collar.

Collar stays shall be of good quality Stalar vinyl, 2-1/2" in length and 3/8" wide and be attached to the bottom collar. The stand shall fasten with one button. There shall be one horizontal button hole.
Innerstand and inner yoke to be made of matching 65% Dacron Polyester/35% Cotton, 4.2 ounce per square yard, 106 x 58.

Sleeves: To be straight and whole. The cuffs are to be 2-5/8" in width and to fasten with a two button adjustable cuff. There is to be a single stitch 7/16" from top of cuff.

The sleeve opening shall measure 3-7/8" from top of cuff. The top facing for this opening is to be 1-1/4" wide and the bottom facing to finish about 2" wide. Button is to be placed on sleeve opening with corresponding buttonhole.

The sleeves must be secured to the body of the shirt by means of a merrow stitch with a safety stitch so as to properly strengthen the stitch. The same stitch must be used on the side closing seams as well.

Front: The front shall have a center facing 1-1/2" wide extending from the collar stand to bottom of shirt and be made of the same material as shirt fabric with two rows of stitching 7/8" apart. The center front shall contain six vertical buttonholes placed 3/4" from edge and 3-1/2" apart.

The button stand, 7/8" wide, shall be self-lined and placed on left side extending from collar stand to bottom of shirt. Buttons shall be securely attached to the button stand and shall correspond to the buttonholes on the center facing.

Back: There is to be yoke composed of an outer piece of the same material as the basic shirt, and an inner piece of poplin.

Pockets: To have two breast pockets with mitred corners to finish 5" wide and 5-1/2" long. The left breast pocket to have a pencil compartment about 1-1/4" wide. Both pockets to have 1-1/4" box stitching top and bottom to prevent spreading.

Flaps: To have two scalloped flaps to finish 5-1/4" in length, 2-3/8" in width at center, and 2-1/8" in width at sides. Flaps to be secured to front of shirt with two rows of stitching approximately 1/4" above top of pocket. The left flap to have a pencil opening about 1-1/4" in width. Flaps to be interlined. There will be a matching button and a buttonhole sewn on the flap.

Flap Closure: The side points of the flaps are to be secured to the pockets by means of velcro fasteners sewn onto the flaps and pockets.

Badge Tab: To be reinforced on inside of the shirt by means of a strip of material 1-1/2" wide stitched and folded so that no raw edges show. The reinforcement strip is to extend from the flap setting stitch to the joining seam at the front of the yoke. To have two small (horizontal) buttonholes, 1-1/4" apart with the bottom buttonhole 1-1/2" above top of left flap.

Shoulder Straps: The shoulder straps shall be pointed at the end toward the neck of the shirt. The other end shall be sewn in sleeve head seam. The pointed ends shall be fastened with one matching button. The straps shall measure 2" at sleeve and taper to 1-3/8". Straps to be set about 2" from the collar. Shoulder straps shall be box stitched to shoulders with row of cross stitching 2" from sleeve head seam.

Permanent Creases: Shirt to have permanent military creases. Creases to be stitched in shirt only, not thru pockets and flaps. One crease in each front extending from hem to joining seam. Three vertical creases in back; middle crease on center back line; side back creases spaced equally from center crease.

Interlining: Flaps and bands to be EZ Crease. Top center to be lined with Freudenburg WR3022. Cuffs to be M37 H’Press and collar to be CK331.

Labels: label to be sewn in yoke, with size label sewn next to it. Care and content label to be sewn in
bottom hem.

Button: All buttons shall be made from high impact melamine and must match fabric.

Pressing and Packing: Shirts shall be carefully pressed by hand in first class manner and individually packed in polyethylene bags. Shirts to be shipped in strong boxes so as not to be damaged in shipment. Shirts to be bulk packed.

Code of Conduct: All garments must be produced in acceptable non-sweatshop working conditions. Verification of acceptable working conditions will be made through a completed Code of Conduct document that must be made available to the department. This document should list the location of the manufacturing companies/facilities and address child labor, wage and benefits, overtime, forced labor, freedom of association, harassment or abuse, health and safety, hours of work, nondiscrimination, and no retaliation guidelines. Noncompliance of this clause is cause for rejection.

**Note:** Marine Blue shirt to be made to accommodate removable metal buttons on shoulder straps, pocket flaps, and cuffs.

**Flying Cross Lady's Trouser**

Fabric: To insure permanent moisture control, superior breathability, soil resistance, easy care, wrinkle resistance, color matching, and color retention, the fabric is to be 11.512 oz. per linear yard, gabardine weave with mechanical stretch, 100% textured polyester with Moisture Wicking technology. Color: Dark Navy Blue

Style: Shall be made with the Ladies Choice pattern, featuring a contour waistband with elastic side panels, shortened rise, and reshaped hip and seat. Trousers have a plain front, quarter top front pockets, two back pockets, and ⅜” belt loops.

Pockets: The front pocket opening will be a minimum 6” and be 5½” deep from the bottom of the opening. They shall be stitched, turned, and re-stitched. The inside front pocket facing shall be a separate piece of self material finished no less than 1¼” wide. There shall be a nonwoven interlining fused to the front pocket facing to give additional stability and strength to the pocket. The back pockets will have a minimum opening of 5½” on sizes 10 and above, and 5” on sizes 8 and below, and be 6” deep. They shall be made with a Reese PW automatic machine and finished on the outside with an exposed top and bottom cord. The left pocket shall have a tab to button. The front pockets shall have straight bartacks and the back pockets shall be bartacked with a triangular bartacking machine.

Pocketing: All pocketing shall be black 65% Polyester/35% Cotton with a minimum thread count of 70 x 48, weight is 4.3oz/sq. yd.

Waistband: Must be Ladies Choice construction for superior comfort and performance. The curtain, attached with a recap machine, shall be made of black, biascut, cotton blended twill and shall have two continuous parallel 1/16” wide silicone bands for shirt retention. Inside the waistband shall be two pieces of breathable nonwoven stretch canvas for support. Waistband will also be fused for additional support. The finished waistband shall be 2” wide and shall be closed with a crushproof hook and eye, the eye being bartacked for stability. There shall be 4” elastic sewn into each side of the waistband for superior fit. The finished waistband shall be set on and shall be stitched below the lower edge through the outer
fabric and the waistband curtain. No alternative waistband will be acceptable.

Zipper: The trousers shall be closed with a brass memory lock zipper and have a brass bottom stop at the base of the zipper chain. A straight bartack shall be sewn through from the outside of the garment to the inside at the bottom of the fly. It shall be sewn through the zipper tape, the right and left fly and the right fly lining. The right and left fly shall be joined by an additional bartack located below the bottom zipper stop on the inside of the trouser.

Inside Trim: The right fly lining shall be the same fabric and color as the waistband curtain. There shall be a nonwoven interlining sewn to the fly to give additional stability and strength to the fly. The right fly lining shall be sewn to the left fly below the zipper.

Belt Loops: There should be a minimum of 5 belt loops on waist sizes 12 and down, and a minimum of 7 on all sizes over 14. Each loop is to be lined and ⅛" wide with stitching on the face side ⅜" from each edge. Except for the back loop, which shall be tacked on, all loops are to be sewn into the rocap at the top and sewn into the bottom of the waistband. They shall accommodate a 1⅜" belt.

Creasing: The front and back crease in the trouser legs must incorporate a permanent modified silicone crease.

Seaming: The entire trouser is to be seamed with Polyester core or 100% Polyester spun thread. The seat seam shall be stitched with a tandem needle seaming machine.

Labels: The trouser shall have a sewn-in label giving care instructions and an outside waistband label which shall be marked with lot number, size, fiber content and cut number. A permanent size label shall be sewn inside on the hip pocket.

Finishing and Pressing: All loose threads shall be removed. Trousers must be pressed completely and properly with the side seam, inseam, and seat seam pressed open. There must be a Jetclip clip attached to the top fly of the finished trousers.

Code of Conduct: All garments must be produced in acceptable non-sweatshop working conditions. Verification of acceptable working conditions will be made through a completed Code of Conduct document that must be made available to the department. This document should list the location of the manufacturing companies/facilities and address child labor, wage and benefits, overtime, forced labor, freedom of association, harassment or abuse, health and safety, hours of work, nondiscrimination, and no retaliation guidelines. Noncompliance of this clause is cause for rejection.

**Safariland U1 Overt Vest Carrier, U1**

Style: It is the intention of this department to secure a vest carrier by Safariland.

Vest carriers shall be cut to be adjustable at the sides. The vest carrier is fully lined and has interior front and back pouches for housing an armor carrier in its existing manufacturer’s outershell.

Vest carriers to have permanent sewn-in military stitches.

The body armor carrier and ballistic panels used in conjunction with the Safariland U1 overt carrier are used in conjunction with Safariland 2.0 Armor.

Tailoring: Vest are tailored to the sizes of the body armor and must be ordered by the serial number

Fabrics: Shell fabric to be 100% texturized polyester,

Patch fabric used at side tabs to be 100% nylon; 5.0–5.5 oz/square yard 210 denier. The patch fabric is to be dyed to match the shell fabric.
Color: Navy Blue or High vis

All thread, buttons, velcro, lining and patch fabrics are to be dyed to match the shell color of the vest carrier.

Creasing: Pockets and pocket flaps to be die creased to give uniform shape and size.

Features:
- Soil repellent 100% polyester shell fabric
- Front hidden pocket with additional internal mesh pockets
- Clamshell VELCRO® Brand hook and loop adjustable shoulder attachments
- Adjustable sides
- Quick access angled hidden gun pocket

Available in front opening option only
- Front side opening loading plate pocket
- Back top loading plate pocket
- Discreet zippers for panel insertion
- Front opening zipper design offers convenient on & off
- Ribbed channel spacer cooling liner mesh throughout
- High-profile VELCRO® Brand hook and loop for extra strength and durability

MEN’S SHIRT SPECIFICATIONS
Flying Cross by Fechheimer Item: 92R7886Z/35W5435Z

FABRIC:

Content:
100% Textured Polyester
65% Dacron Polyester/35% Combed Cotten

Weight:
7.0-7.5 oz. / linear yard
4.0 to 4.25oz/ Square yard

COLOR:
LAPD Blue/Marine Blue

STYLE:
To be Flying Cross Model 92R7886Z. Dress style, top center placket front with zipper, knit side body inserts for tapered fit, convertible sport collar, short sleeves and dress shirttail. Two front map pockets with Velcro closure and pleated breast pockets with topstitched scalloped flaps. Topstitched shoulder straps. Full badge reinforcement. Matching inside yoke of high lustre PolyTwill. Work wear industrial style shirt construction is unacceptable and shall be cause for rejection.

COLLAR:
Collar points to measure 2 ½” long with ultrasonically fused-in Mylar stays. Collar to have woven interlining of #250 Dacron. Stays to be 2 ¾” long, 3/8” minimum width, and to be fused to underside of collar interlining. Stays applied directly to collar material itself unacceptable. Topstitched 1/4” off the edge. Collar material itself (top or underside) shall have no fusing to Mylar stays or collar interlining.
FRONT:

Each front shall have a facing approximately 3" in width. The left front shall have a top center placket 1-1/2" wide with two rows of stitches 7/8" apart. Stitching on the top center is not to be visible on the turn back facing. The shirt will have 7 buttons and buttonholes on the front; spacing between each will be 3-3/4" except the spacing between the neck button and the first button on the front, which will be approximately 3-1/4". Top center placket to have woven interlining of #250 Dacron. Non-woven interlining unacceptable and shall be cause for rejection. The fronts shall be joined to the yoke so that both raw edges of the yoke are turned under, with the front sandwiched between, and then all three are stitched down with a 1/16" raised stitch. Safety stitch joining unacceptable. A 15" nylon zipper, to be set below the second button and buttonhole, shall accomplish front closure. The top, second and bottom buttons to be attached to the right front, the balance to be sewn over the buttonholes on the left front.
SHOULDER STRAPS:  
Shoulder straps to be two-piece pointed, 1/4" topstitched and to be set on yoke with leading topstitch conforming with front joining seam. To measure 2" at sleeve tapering to 1-3/8" and set not more than 1/2" from collar set seam. Cross-stitched approximately 2" from sleeve seam. Shoulder strap to have non-functional buttonhole with a well sewn button centered on buttonhole. Points of shoulder straps to be tacked to the shoulder. Edge stitched shoulder strap construction unacceptable.

BADGE REINFORCEMENT:  
Two-ply sling 1" wide centered over left pocket and stitched to shoulder seam and flap setting stitch. It shall have 2 (two) buttonhole eyelets 1-1/4" from top of pocket flap spaced 1-1/4" apart and centered on sling.

MICROPHONE HOLDER:  
Microphone holder to finish approximately 1" wide, 2" deep and to be centered on the top center placket between the first and second buttonhole on the shirt front.

MAP POCKETS:  
Each front shall be constructed with a map pocket design with opening on each pocket near the top center placket. Map pocket side body seams.
POCKETS:
Two breast patch pockets with mitered corners and 1-1/2” stitched pleats to be sewn over the map pockets. Pleats shall be stitched top and bottom and full length of pleat to prevent spreading. Pocket to measure 5-5/8” wide, 6” deep. Left breast pocket to have 1-1/2” pencil stitch. Each pocket to have hook Velcro, 3/4” long by 1/2” wide, positioned on both edges of pocket to correspond with outer scalloped flap points as specified.

FLAPS:
Two piece deep scalloped design to measure 5-7/8” across and 2-3/4” in depth at center point, 2-1/4” at sides. Secured to shirtfront approximately 3/8” above pocket. Left flap to have invisible pencil opening 1-1/2” to correspond precisely with pencil slot of pocket. (Stop & start stitching for pencil opening unacceptable and shall be cause for rejection.) Flaps to be 1/4” topstitched. Flaps to have woven interlining of #250 Dacron. Creased and edge stitched pocket flap construction unacceptable. Under side of the flap to have looped Velcro 3/4” long by 1/2” wide stitched all sides, positioned on outer points of both pocket flaps to secure with corresponding Velcro strips on shirt pocket. Each flap shall have a button centered on uncut sewn buttonhole.

COMM PASS OPENING AND KNIT SIDE BODY:
SLEEVES:
Sleeves are to be straight and whole and to have a ¾” hem and to finish at a minimum of 9 ½” long from shoulder seam.

BUTTONS:
First grade 20-ligne melamine.

SEWING:
Collar, shoulder straps and pocket flaps to be topstitched 1/4” off the edge. Sleeve inserting and side close felling seams are to be safety stitched thentopstitched.

THREAD:
All sewing threads to be color fast polyester wrap to match.

INTERLINING:
Collars, Pocket flaps, Shoulder straps and top center to be interlined with #250 Dacron.

MILITARY CREASES:
There shall be five Lintrak® sharp military creases on all shirts. One crease on each front to be centered vertically. Front creases shall not be through pockets and flaps. Spacing for three military creases across shirt back to be proportionate to the size of the shirt.

CONSTRUCTION:
Collar, shoulder straps and flaps are made with conventional construction. Top ply, bottom ply and interlining are first stitched together, then turned right side out and finally topstitched.

STOCK SIZES:
Shirts must be available in the following sizes: Alpha Sizing: S - 4XL

MEN’S TROUSER SPECIFICATIONS
Flying Cross by Fechheimer Item: TR070

FABRIC:

Content: 100% Polyester
Weight: 12 - 12 ½ oz. per linear yard
Weave: Gabardine
Color: LAPD Navy

STYLE:

Trouser shall be manufactured from an up-to-date men’s uniform trouser pattern. The trouser styling shall be T-1: plain front, two (2) quarter top front pockets, and two (2) hip pockets professionally finished with no visible topstitching. Work wear industrial style construction is unacceptable and shall be cause for rejection.

LINING MATERIAL:

The pocketing and fly lining material shall be 70% Polyester / 30% Cotton, 2.9 oz. per square yard (60" width) with a minimum 78 x 48 count. Pockenting must have a durable press finish and the color of the pocketing must be black.

FREEDOM-FLEX WAISTBAND SYSTEM:

Trouser shall be made with a special Freedom-Flex Waistband System that will allow the wearer waist expansion of 2 1/2” to 3”. The waistband shall measure a minimum of 1-7/8” wide when finished. The flexible expansion split portion of the waistband shall be to the front of the trouser side seam and there shall be a ¾-inch wide side belt loop positioned to “hide” the expansion split of the waistband.

The waistband curtain shall consist of two different styles for maximum waistband expansion to enhance wearer comfort, fit, and appearance. The front of the trouser (to the expansion split) waistband curtain style shall consist of a 2-inch wide elastic section that incorporates Tru-Grip, a ½” surface area composed of thin 55 gauge rubber for maximum comfort and performance. The Tru-Grip acts to help keep shirts tucked in securely. (Use of a single silicone strip or strips instead of ½” wide rubberized surface area shall be cause for rejection.)

The back half of the trouser waistband curtain shall finish a minimum 2-1/8” wide and is to be made of black pocketing material and shall be attached to the top of the trouser with a zigzag stitch. The waistband curtain must also contain Tru-Grip and will line up with the Tru-Grip on the front of the
expansion split. (Substitution of a silicone strip or strips in place of Tru-Grip shall not be acceptable and shall be cause for rejection.)

The waistband curtain is composed of a wet laid non-woven canvas weighing 3.3 oz. per square yard. The canvas is covered in the same color and material as the pocketing. The ½” rubberized surface area is positioned 1-¼” up from the bottom of the curtain.

The specifications for the rubberized Tru-Grip curtain are as follows:

- **Width**: 1-1/8-inch
- **Warp**: 300 Denier Texturized Polyester
- **Filling**: 300 Denier Texturized Polyester
- **Rubber**: 55 Gauge
- **Count**: 32-36 yarns per inch
- **Contents**: 59% Polyester/41% Rubber

To complete the Freedom-Flex Waistband System, there shall be a 1-1/4” wide elastic component sewn into the back half of the waistband curtain to allow for the stretch and recovery of the waistband to comfortably fit the wearer’s waist size. There shall be a bartack for strength and durability sewn at the stress point on the waistband where it joins the front elasticized waistband curtain joining stitching (positioned, on the waistband above the front pocket.)

The waistband closure shall be accomplished with a single crush proof hook and eye centered on the waistband for wearer comfort. The hook and eye shall be reinforced with a 7/8” non-woven tape that is anchored with topstitching through and through to the top of the waistband (bartacks in place of topstitching shall be cause for rejection). In addition to the stitching of the waistband when it is set onto the trouser, the waistband must also be topstitched below the waistband seam of the trouser to be finished to allow for alterations (with ample fabric and curtain material to allow trouser size to be increased at least one size). The outlet in the seat is to be proportional to the waist outlet so the seat may also be let out. Seat seam must be sewn with a tandem needle machine (double-needle stitch) for maximum stretch.

**BELT LOOPS:**

There shall be a minimum of seven belt loops 3/4” in width of double thickness. Each loop must have a non-woven interlining for added durability. All loops (except back center) must be sewn into the top and bottom of the waistband (“dropped” belt loops that are tacked to the outside of the trouser all around waist shall be cause for rejection). The top of the belt loops (except back center) shall be sewn into the waistband curtain seam with a Rocap machine using a zigzag stitch. The bottom of the center back loop shall be tacked to the trouser and the top of the loop tacked to the outside of the waistband to allow for easier waist alteration.
FLY:

"J" STITCH

Trouser shall have a brass metal zipper with memory lock brass slider secured by metal stopper at base. There shall be a French Fly tab closure on the inside of the right fly. The tab shall be double ply made of the basic trouser fabric (tabs made of pocketing material or a "grown on" French Fly will be cause for rejection). The right fly shall be lined with the same material and color as the pocketing. The fly lining shall be sewn to the left fly continuing below the zipper into the crotch area in a neat and durable manner. A button shall be located on the left fly corresponding with the French Fly tab to provide a clean and comfortable closure. Topstitching of fly to be installed with automatic "J" stitch equipment eliminating puckering and providing a clean finish. There shall be a firm straight bartack at the bottom of the fly going through the zipper tape for maximum strength. Bartack shall line up with starting point of "J" stitch.

SEAT:

Seat must be sewn with a Tandem Needle Machine (double-needle stitch) for maximum durability

POCKETS:

The two (2) front pockets will be quarter top style with a minimum opening of 6" and a minimum depth of 5-3/4" measured from the bottom of the opening. Front pockets to have firm straight bartacks at top and bottom of pocket openings. Pockets shall be constructed using the stitch, turn, and topstitch method. Front pocket facing and barrier to be made of the basic trouser fabric. Facing shall be a minimum of 1" and barrier shall measure a minimum of 2" (measured to the inside edge of pocket lining).

The two (2) hip pockets shall have a minimum 5-3/8" wide (bartack to bartack) opening and a minimum depth of 5-3/4" measured from the bottom of the pocket opening. Hip pockets shall be constructed using the double welt method on an automatic welt machine. The welts shall be finished in such a manner that there is no topstitching (topstitched hip pockets shall be cause for rejection). The corners of the hip pocket openings shall have triangular bartacks for reinforcement (use of straight bartacks shall be cause for rejection). Hip pocket facing and barrier are to be made of basic trouser fabric. Facing shall be a minimum of 3/4" and the barrier shall be a minimum of 1-1/2". The left hip pocket shall have a centered tab made of basic cloth inserted into the top welt with bartacks at the top and bottom of the tab to form an opening for a button. A button shall be located below the bottom welt corresponding in location with the tab, which shall be interlined with non-woven for added durability. There shall be a dart centered above each hip pocket to waistband. Dart shall be approximately 2-3/4" long tapered from 3/8" at waistband and shall be installed with automatic equipment for a clean non-puckered finish.

The watch pocket shall be located on the right front at the waistband. This pocket shall have a minimum opening of 2-5/8" and a minimum depth of 2-7/8". The front of the pocket shall be made of pocketing fabric and the back of the pocket shall be made of basic fabric and the two pieces are securely stitched together. Each corner of the pocket opening shall have firm straight
 bartacks.

CREASES:

The leg creases, front and back will have a silicone bead put in by using the Lintrak process.

STITCHING, PRESSING & FINISHING:

Trouser must be stitched with matching thread. Trouser must be neatly pressed on Hothead Presses and properly shaped. Outseams and inseams are edge serged on automatic equipment for uniformity of quality and shall be pressed open for a smooth pucker-free finish with repeated cleaning and pressing. Trouser must be cleaned and finished to eliminate loose threads.

LABELS:

Trouser must have a permanent label providing care instructions and small woven label indicating waist size. A removable paper ticket showing the size, fabric content, cut number, and WPL or RN number must be on the outside of the waistband. Ticket to be matchbook style installed with plastic staples for easy removal without damaging trouser material and showing size when trousers are stacked.
WOMEN'S SHIRT SPECIFICATIONS
Flying Cross by Fechheimer Item:
142R7886Z/ 126R5435Z

FABRIC:

Content:
100% Textured Polyester
65% Dacron Polyester/35% Combed Cotton

Weight:
7.0-7.5 oz. / linear yard
4.0 to 4.25oz/ Square yard

COLOR:
LAPD Blue/Marine Blue

STYLE:
To be Flying Cross Model 142R7886Z /126R5435Z. Dress style, top center placket front with zipper, knit side body inserts for tapered fit, convertible sport collar, long sleeves with barrel cuffs and dress shirttail. Two front map pockets with Velcro closure and pleated breast pockets with topstitched scalloped flaps. Topstitched shoulder straps. Full badge reinforcement. Matching inside yoke and banana band of high luster PolyTwill. Work wear industrial style shirt construction is unacceptable and shall be cause for rejection.

COLLAR:
Collar points to measure 2 7/8" long with ultrasonically fused -in Mylar stays. Collar to have woven interlining of #250 Dacron. Stays to be 2 1/2" long, 3/8" minimum WOVEN width, and to be fused to underside of collar interlining. INTERLINING Stays applied directly to collar material itself unacceptable. Topstitched 1/4" off the edge. Collar material itself (top or underside) shall have no fusing to Mylar stays or collar interlining.

COLLAR (underside view)

COLLAR TOP STITCHING

FRONT:
Each front shall have a facing approximately 3" in width. The right front shall have a top center placket 1-1/2" wide with two rows of stitches 7/8" apart. Stitching on the top center is not to be visible on the turn back facing. The shirt will have 6 buttons and buttonholes on interlining the front; spacing between each will be 3 1/2" except the spacing between the neck button and the first button on the front, which will be approximately 3-1 / 4". Top center placket to have woven interlining of #250 Dacron.
Non-woven interlining is unacceptable and shall be cause for rejection. The fronts shall be joined to the yoke so that both raw edges of the yoke are turned under, with the front sandwiched between, and then all three are stitched down with a 1/16” raised stitch. Safety stitch joining unacceptable. An 11 1/2” nylon zipper, to be set below the second button and buttonhole, shall accomplish front closure. The top, second and bottom buttons to be attached to the left front, the balance to be sewn over the buttonholes on the right front.

SHOULDER STRAPS:
Shoulder straps to be two-piece pointed, 1/4” topstitched and to be set on yoke with leading topstitch conforming with front joining seam. To measure 2” at sleeve tapering to 1-3/8” and set not more than 1/2” from collar set seam. Cross-stitched approximately 2” from sleeve seam. Shoulder strap to have non-functional buttonhole with a well sewn button centered on buttonhole. Points of shoulder straps to be tacked to the shoulder. Edge stitched shoulder strap construction unacceptable.

BADGE REINFORCEMENT:
Two-ply sling 1” wide centered over left pocket and stitched to shoulder seam and flap setting stitch. It shall have 2 (two) buttonhole eyelets 1-1/4” from top of pocket flap spaced 1-1/4” apart and centered on sling.

MICROPHONE HOLDER:
Microphone holder to finish approximately 1” wide, 2” deep and to be centered on the top center placket between the first and second buttonhole on the shirtfront.
MAP POCKETS:
Each front shall be constructed with a map pocket design which is sewn to the shirt front with Velcro opening on each pocket near the top center placket. Map pockets extend into the sleevng seam and side body seams.

POCKETS:
Two breast patch pockets with mitered corners and 1-1/4” stitched pleats to be sewn over the map pockets. Pleats shall be stitched top and bottom and full length of pleat to prevent spreading. Pocket to measure 5” wide, 5” deep. Left breast pocket to have 1- 1/2” pencil stitch. Each pocket to have hook Velcro, 3/4” long by 1/2” wide, positioned on both edges of pocket to correspond with outer scalloped flap points as specified.

FLAPS:
Two piece deep scalloped design to measure 5-7/8” across and 2-3/4” in depth at center point, 2-1/4” at sides. Secured to shirtfront approximately 3/8” above pocket. Left flap to have invisible pencil opening 1-1/2” to correspond precisely with pencil slot of pocket. (Stop & start stitching for pencil opening unacceptable and shall be cause for rejection.) Flaps to be 1/4” topstitched. Flaps to have woven interlining of #250 Dacron. Creased and edge stitched pocket flap construction unacceptable. Under side of the flap to have looped Velcro 3/4” long by 1/2” wide stitched all sides, positioned on outer points of both pocket flaps to secure with corresponding Velcro strips on shirt pocket. Each flap shall have a button centered on uncut sewn buttonhole.
COMM PASS OPENING AND KNIT SIDE BODY:

Sketch is Generic -西服的右与左侧缝
Knit Side Body and Sleeve Panel with Wire Pass Through

1.5" Wire Pass Through
No Velcro, sewn奥地利 only.

Closed hole mesh stretch panel
SLEEVES:
Sleeve vent shall be a minimum of 4 - 1/2" long with one-piece top and bottom facings. Facing to measure 1-1/8" wide point blocked at top.

CUFFS:
Two piece ½-inch hemmed cuff with 1/4" topstitching. Cuffs to measure 2 1/2" in depth with rounded corners (barrel cuffs). Cuff to be two button adjustable. Cuffs to have woven interlining of #250 Dacron.

BUTTONS:
First grade 20-ligne melamine.

SEWING:
Collar, cuffs, shoulder straps and pocket flaps to be topstitched 1/4" off the edge.
Sleeve inserting and side close felling seams are to be safety stitched then top stitched.

THREAD:
All sewing threads to be color fast polyester wrap to match.

INTERLINING:
Collar, Cuffs, Pocket flaps, Shoulder straps and top center to be interlined with #250 Dacron.

MILITARY CREASES:
There shall be five Lintrak® sharp military creases on all shirts. One crease on each front to be centered vertically. Front creases shall not be through pockets and flaps. Spacing for three military creases across shirt back to be proportionate to the size of the shirt.

CONSTRUCTION:
Collar, shoulder straps and flaps are made with conventional construction. Top ply, bottom ply and interlining are first stitched together, then turned right side out and finally topstitched.
STOCK SIZES:

Shirts must be available in the following sizes: Bust Sizes 30-52

Long Sleeve Lengths:
30        Regular  = 30"
32, 34    Regular  = 30"  Long= 31"
36, 38    Regular= 31"   Long= 32"
40, 42    Regular = 32"  Long= 33"
44, 46    Regular= 33"   Long= 34"
48 & Up   Regular = 34"  Long= 35"

Collar, shoulder straps and flaps are made with convention construction. Top ply, bottom ply and interlining are first stitched together, then turned right side out and finally topstitched.

STOCK SIZES:
Shirts must be available in the following sizes: Bust Sizes 30-52
WOMEN'S TROUSER SPECIFICATIONS
Flying Cross by Fechheimer Item: TR070WT

FABRIC:

Content: 100% Polyester
Weight: 12 - 12 ½ oz. per linear yard
Weave: Gabardine
Color: LAPD Navy

STYLE:

Garment shall be manufactured from an up-to-date women’s pattern for comfort and easier sizing. The trouser styling shall be T-1: plain front, two (2) quarter top front pockets, and two (2) hip pockets professionally finished with no visible topstitching. Work wear industrial style construction is unacceptable and shall be cause for rejection.

LINING MATERIAL:

The pocketing and fly lining material shall be 70% Polyester / 30% Cotton, 2.9 oz. per square yard (60" width) with a minimum 78 x 48 count. Pocketing must have a durable press finish and the color of the pocketing must be black.

FREEDOM-FLEX WAISTBAND SYSTEM:

Trouser shall be made with a special Freedom-Flex Waistband System that will allow the wearer waist expansion of 2 1/2" to 3". The waistband shall measure a minimum of 1-7/8" wide when finished. The flexible expansion split portion of the waistband shall be to the front of the trouser side seam and there shall be a ¾-inch wide side belt loop positioned to 'hide' the expansion split of the waistband.

The waistband curtain shall consist of two different styles for maximum waistband expansion to enhance wearer comfort, fit, and appearance. The front of the trouser (to the expansion split) waistband curtain style shall consist of a 2-inch wide elastic section that incorporates Tru-Grip, a ½" surface area composed of thin 55 gauge rubber for maximum comfort and performance. The Tru-Grip acts to help keep shirts tucked in securely. (Use of a single silicone strip or strips instead of ½" wide rubberized surface area shall be cause for rejection.)

The back half of the trouser waistband curtain shall finish a minimum 2-1/8" wide and is to be made of black pocketing material and shall be attached to the top of the trouser with a zigzag stitch. The waistband curtain must also contain Tru-Grip and will line up with the Tru-Grip on the front of the expansion split. (Substitution of a silicone strip or strips in place of Tru-Grip shall not be acceptable and shall be cause for rejection.)
The waistband curtain is composed of a wet laid non-woven canvas weighing 3.3 oz. per square yard. The canvas is covered in the same color and material as the pocketing. The ½" rubberized surface area is positioned 1-¼" up from the bottom of the curtain.

The specifications for the rubberized Tru-Grip curtain are as follows:

- **Width:** 1-1/8-inch
- **Warp:** 300 Denier Texturized Polyester
- **Filling:** 300 Denier Texturized Polyester
- **Rubber:** 55 Gauge
- **Count:** 32-36 yarns per inch
- **Contents:** 59% Polyester/41% Rubber

To complete the Freedom-Flex Waistband System, there shall be a 1-1/4" wide elastic component sewn into the back half of the waistband curtain to allow for the stretch and recovery of the waistband to comfortably fit the wearer’s waist size. There shall be a bartack for strength and durability sewn at the stress point on the waistband where it joins the front elasticized waistband curtain joining stitching (positioned, on the waistband above the front pocket.)

The waistband closure shall be accomplished with a single crush proof hook and eye centered on the waistband for wearer comfort. The hook and eye shall be reinforced with a 7/8" non-woven tape that is anchored with topstitching through and through to the top of the waistband (baracks in place of topstitching shall be cause for rejection). In addition to the stitching of the waistband when it is set onto the trouser, the waistband must also be topstitched below the waistband seam of the trouser to be finished to allow for alterations (with ample fabric and curtain material to allow trouser size to be increased at least one size). The outlet in the seat is to be proportional to the waist outlet so the seat may also be let out. Seat seam must be sewn with a tandem needle machine (double-needle stitch) for maximum stretch.

**BELT LOOPS:**

There shall be a minimum of seven belt loops 3/4" in width of double thickness. Each loop must have a non-woven interlining for added durability. All loops (except back center) must be sewn into the top and bottom of the waistband ("dropped" belt loops that are tacked to the outside of the trouser all around waist shall be cause for rejection). The top of the belt loops (except back center) shall be sewn into the waistband curtain seam with a Rocap machine using a zigzag stitch. The bottom of the center back loop shall be tacked to the trouser and the top of the loop tacked to the outside of the waistband to allow for easier waist alteration.
FLY:

"J" STITCH Trouser shall have a brass metal zipper with memory lock brass slider secured by metal stopper at base. There shall be a French Fly tab closure on the inside of the right fly. The tab shall be double ply made of the basic trouser fabric (tabs made of pocketing material or a “grown on” French Fly will be cause for rejection). The right fly shall be lined with the same material and color as the pocketing. The fly lining shall be sewn to the left fly continuing below the zipper into the crotch area in a neat and durable manner. A button shall be located on the left fly corresponding with the French Fly tab to provide a clean and comfortable closure. Topstitching of fly to be installed with automatic “J” stitch equipment eliminating puckering and providing a clean finish. There shall be a firm straight bartack at the bottom of the fly going through the zipper tape for maximum strength. Bartack shall line up with starting point of “J” stitch.

SEAT:

Seat must be sewn with a Tandem Needle Machine (double-needle stitch) for maximum durability.
POCKETS:

The two (2) front pockets will be quarter top style with a minimum opening of 6” and a minimum depth of 4-1/2” measured from the bottom of the opening. Front pockets to have firm straight bar tacks at bottom of pocket openings. Pockets shall be constructed using the stitch, turn, and topstitch method. Front pocket facing and barrier to be made of the basic trouser fabric. Facing shall be a minimum of 1” and barrier shall measure a minimum of 2” (measured to the inside edge of pocket lining).

The two (2) hip pockets shall have a minimum 5-3/8” wide (bartack to bartack) opening and a minimum depth of 5-3/4” measured from the bottom of the pocket opening. Hip pockets shall be constructed using the double welt method on an automatic welt machine. The welts shall be finished in such a manner that there is no topstitching (topstitched hip pockets shall be cause for rejection). The corners of the hip pocket openings shall have triangular bartacks for reinforcement (use of straight bartacks shall be cause for rejection). Hip pocket facing and barrier are to be made of basic trouser fabric. Facing shall be a minimum of 3/4” and the barrier shall measure a minimum of 1-1/2”. The left hip pocket shall have a centered tab made of basic cloth inserted into the top welt with bartacks at the top and bottom of the tab to form an opening for a button. A button shall be located below the bottom welt corresponding in location with the tab, which shall be interlined with non-woven for added durability. There shall be a dart centered above each hip pocket to waistband. Dart shall be approximately 2-3/4” long tapered from 3/8” at waistband and shall be installed with automatic equipment for a clean non-puckered finish.

The watch pocket shall be located on the right front at the waistband. This pocket shall have a minimum opening of 2-5/8” and a minimum depth of 2-7/8”. The front of the pocket shall be made of pocketing fabric and the back of the pocket shall be made of basic fabric and the two pieces are securely stitched together. Each corner of the pocket opening shall have firm straight bar tacks.

CREASES:

The leg creases, front and back will have a silicone bead put in by using the Lintrak process.

STITCHING, PRESSING & FINISHING:

Trouser must be stitched with matching thread. Trouser must be neatly pressed on Hothead Presses and properly shaped. Out seams and inseams are edge serged on automatic equipment for uniformity of quality and shall be pressed open for a smooth pucker-free finish with repeated cleaning and pressing. Trouser must be cleaned and finished to eliminate loose threads.

STOCK SIZES:

Trouser must be available from stock in the following sizes:

| Women’s | 2 - 26 |
LABELS:

Trouser must have a permanent label providing care instructions and small woven label indicating waist size. A removable paper ticket showing the size, fabric content, cut number, and WPL or RN number must be on the outside of the waistband. Ticket to be matchbook style installed with plastic staples for easy removal without damaging trouser material and showing size when trousers are stacked.
