Appendix I – ACH Form

The City of Galveston would like to thank you for the services you and your company have provided for us in the past, present, and in the future. For those services provided you have more than likely received payments via a paper check in the mail. As we all know, that process is slow, inefficient, and costly for us and for you as the recipient.

Mail can be delayed, lost, or even stolen causing payments to be late and we may then face penalties and late fees. The City of Galveston would like to streamline our payment process with electronic payments. These payments will be transferred electronically from our financial institute to your financial institute. The process will get your payments to you in a quicker, more reliable, and more efficient manner.

If you would like to sign up to start receiving all of your payments via ACH / Wire Transfers, please fill out the authorization forms and return to the City of Galveston Finance Department.

Please email to:

Proposal Evaluation Process

All proposals will be scored by an evaluation committee. Proposers selected for a short list may be invited to attend an interview, at the proposers own expense. Any invitation for an oral presentation will be solely for the purpose of clarifying proposals received from each qualifying proposer, and will not represent any decision on the part of the evaluation committee as to the selection of a successful proposer.

The City's process is as follows:

City staff shall recommend an evaluation committee which will be used to evaluate all proposals. The City will evaluate all proposals based on the criteria as stated above.

Once proposals are scored, the evaluation team will select finalists and decide whether interviews should be conducted. After interviews are performed, if needed, the evaluation team may request the finalists to submit a Best and Final Offer (BAFO).

Should negotiations be unsuccessful, the City shall enter into negotiations with the next, highest ranked Vendor. The process shall continue until an agreement is reached with a qualified Vendor.

This RFP does not commit the City to pay for any direct and/or indirect costs incurred in the preparation and presentation of a response. All finalist(s) shall pay their own costs incurred in preparing for, traveling to, and attending interviews.

The City reserves the right to negotiate the final fee prior to recommending any Vendor for a contract.

The City reserves the right to use all pertinent information (also learned from sources other than disclosed in the RFP process) that might affect the City's judgment as to the appropriateness of an award to the best evaluated proposer. This information may be appended to the proposal evaluation process results.
